PENSION NOTE (Government Forecasting & Accountability)

SB 1454, as engrossed, is the identical to SB 1454, as amended by SA 1. SB 1454, as amended by SA 1, achieves the same underlying goal as the original SB 1454. Though, instead of amending the individual articles of the Illinois Pension Code, the Illinois Municipal Code is amended to mandate automatic enrollment for employees of cities with a population of 500,000 or more (Chicago) that participate in the Chicago Fire, Police and Municipal pension funds. SB 1454 automatically enrolls newly hired participants in the Chicago Fire, Police and Municipal funds into a qualified pre-tax defined contribution (DC) retirement plan that would operate alongside the existing defined benefit (DB) plans of the respective funds. The number of new entrants who would be auto-enrolled into the newly created DC plans is not known. Some context is available via P.A. 102-540, which mandated automatic DC enrollment of new hires in both TRS and SURS. SURS reported that 77% of new hires remained in their DC plan after the enrollment window, while TRS reported that 73% of new hires remained in their Supplemental Savings Plan (SSP).

provide a copy of the policy to the parents or guardians of every enrolled student.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that the wireless communication device policy shall incorporate guidance for secure and accessible storage of wireless devices within a school building (instead of wireless devices) during instructional time. Allows a licensed physician, physician assistant, or nurse practitioner (instead of just a licensed physician) to determine that the possession or use of a wireless communication device is necessary for the management of a student's health care (instead of for the health and well-being of a student). Allows a student to use a wireless communication device to fulfill an individualized education program, a federal Section 504 plan, the student's health care provider's medical orders, or another written accommodation plan (instead of just an individualized education program or federal Section 504 plan).

HOUSE FLOOR AMENDMENT NO. 4

Adds reference to:

105 ILCS 5/10-22.6

from Ch. 122, par. 10-22.6

Replaces everything after the enacting clause. Amends the School Code. Provides that on or before the beginning of the 2027-2028 school year, each school board and charter school shall adopt and implement a wireless communication device policy. Requires the policy and administrative responses for violations of the policy to be published in a student handbook, if one exists. Establishes exceptions for the use of a wireless communication device during school time. Prohibits a school district or charter school from enforcing the wireless communication device policy through fees, fines, suspensions, expulsions, or the deployment of a school resource officer or local law enforcement officer. Sets forth how the policy shall be developed. Provides that a school board, the governing body of a charter school, and any school personnel are immune from any liability resulting from damage to a wireless communication device if the device is stored in good faith and in accordance with the wireless communication device policy. Provides that the wireless communication device policy shall be posted on the school district's or charter school's publicly accessible Internet website. Requires, by September 1, 2026, the State Board of Education to post on its website a template for a model wireless communication device policy. Provides that if a school district or charter school has an existing wireless communication device policy in place before the effective date of the amendatory Act that limits wireless communication devices during a majority of or the entirety of the school day, the district or charter school may keep its existing policy in place through the 2030-2031 school year, at which point the district or charter school must adopt a wireless communication device policy meeting the requirements the amendatory Act. Makes other and conforming changes. Effective immediately.

Changes the venue provisions for a proceeding to adjudicate parentage and the related notice provisions in such a proceeding. New Act

Creates the Illinois Psilocybin Advisory Board Act. Sets forth findings and defines terms. Establishes the Illinois Psilocybin Advisory Board within the Department of Financial and Professional Regulation for the purpose of advising and making recommendations to the

Department regarding the provision of psilocybin and psilocybin services. Sets forth requirements for members of the Board. Provides that, within 3 months after the effective date of the Act, the Governor, the Senate President, the Speaker of the House, the Minority Leader of the House, and the Minority Leader of the Senate shall appoint certain individuals to the Board. Provides that, between January 1, 2027 and January 1, 2029, the Board shall meet at least once every 2 calendar months at a time and place determined by the chairperson or a majority of the voting members of the Board and that, after January 1, 2029, the Board shall meet at least once every calendar quarter. Provides that the Board shall perform certain duties, including publishing an annual report describing the Board's activities and making recommendations concerning (i) the safety and efficacy of psilocybin and other substances, (ii) potential requirements for providing psilocybin services to clients, (iii) a potential code of ethics and possible training requirements for facilitators, and (iv) public health considerations. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to legislative findings. Includes ayahuasca in the definition of "entheogen" or "entheogenic substance". Includes synthetically produced psilocybin and psilocin in the definition of "psilocybin product". Makes changes to the membership of the Illinois Psilocybin Advisory Board, including the voting and nonvoting members of the Board. Removes language regarding the terms of members. Provides that the applicable appointing authority shall appoint an individual, when there is a vacancy for any reason, to serve as a member in an acting capacity until the individual is approved by the Board (rather than by the Senate) for the remainder of the unexpired term. Provides that the Board shall hold its first meeting by November 1, 2026 (rather than between January 1, 2027 and January 1, 2029) at a time and place specified by the Governor, and that after the first meeting the Board shall meet at least once monthly (rather than every 2 calendar months) at a time and place determined by the chairperson or a majority of the voting members of the Board. Provides that Board members shall serve without compensation. Provides that the Board, in compliance with the Open Meetings Act, may meet virtually. Provides that, within 18 months after the effective date of the Act, the Board shall submit a report to the Governor and the General Assembly. Provides what the report shall include. Provides for repeal of the Act 2 years after the effective date of the Act. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by Senate Amendment No. 2, with the following changes. In a provision concerning the members of the Illinois Psilocybin Advisory Board, provides that if there is a vacancy for any reason, the applicable appointing authority shall appoint an individual to fill the vacancy in a timely manner (rather than appoint an individual to serve as a member in an acting capacity until the individual is approved by the Board as a member of the Board for the remainder of the unexpired term). Provides that the report the Board shall submit to the Governor and the General Assembly shall include an evaluation of (rather than a recommendation on) the medical efficacy of listed psychedelic substances based on medical, psychological, and scientific studies, research, clinical trials in the United States, and other information related to the safety and efficacy of each substance. Removes from the report the necessity to include recommendations concerning whether listed psychedelic substances may be included in an appropriate statutory or regulatory framework to avoid an unregulated de facto market for entheogenic substances other than psilocybin. Provides that the report shall include recommendations on the availability of Medicaid coverage for psilocybin (rather than entheogens) and associated services. Effective immediately.

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that no person who has earned creditable service through employment by the Fund shall be eligible to serve as a trustee.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

- 40 ILCS 5/7-141 from Ch. 108 1/2, par. 7-141
- 40 ILCS 5/7-166 from Ch. 108 1/2, par. 7-166

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that a participating employee who, regardless of cause, is separated from the service of the participating municipalities and instrumentalities thereof and participating instrumentalities from which the participating employee is seeking to retire (instead of all participating municipalities and instrumentalities thereof and participating instrumentalities) shall be entitled to a retirement annuity if the participating employee meets certain conditions. Provides that a condition of entitlement to a retirement annuity is that the participating employee is not entitled to receive earnings for employment in a position requiring him to be a participating employee as defined in the Article or under a provision concerning the suspension of a retirement annuity during employment (instead of employment in a position requiring him or entitling him to elect to be a participating employee). Adds a condition for entitlement to a retirement annuity that the participating employee has not prearranged to return to the service of the participating municipalities and instrumentalities thereof and participating instrumentalities from which the participating employee retired. In a provision concerning eligibility for separation benefits, adds a condition that the participant must have separated from the service of the participating municipality or instrumentality with which the participating employee last participated in the Fund. Removes language providing that the entitlement to a separation benefit is upon separation from the service of all participating municipalities and instrumentalities thereof and participating instrumentalities.

Amends the Abused and Neglected Child Reporting Act. In the definition of "abused child", changes the list of persons who may be considered a perpetrator of abuse to include a child's parent, a parent's paramour, or any other person 14 years of age or older who is either responsible for the child's welfare, is an immediate family member, or resides in the same home as the child. Provides that, if the Department of Children and Family Services does not accept an abuse or neglect report for investigation on the sole basis that the alleged perpetrator is another person in the household under the age of 14, then the Department shall consider if there is reasonable cause to suspect that the alleged maltreatment is the result of blatant disregard on the part of an adult or agency who is an eligible perpetrator. Provides that, if so, the Department shall accept a report alleging abuse or neglect identifying the adult or agency as the alleged perpetrator. Amends the Illinois Municipal Code. Provides that no redevelopment plan shall be adopted unless the plan establishes a process for allocating funds for the project that includes the members of the joint review board. Provides that municipalities may use some of the tax revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the project area to fund grants to small businesses employing less than 50 people. Provides that these grants shall be considered "redevelopment project costs". Provides that estimated dates of completion of redevelopment project costs may be extended to the 35th calendar year for redevelopment project areas adopted on or before June 30, 2023 and to the 33rd calendar year for redevelopment project areas adopted on or after July 1, 2023 (rather than to the 22nd calendar year for all future extensions). Provides that municipalities shall give at least 90 days' notice before the extending the completion date, approving the creation of a new project area which overlaps with an existing area, or transferring surpluses between areas. Provides that the joint review board may issue a written report approving or disapproving of the municipality's proposal within the notice period. Provides that approval may be presumed if no report is filed. Provides that all surplus funds shall be distributed as soon as possible after they are calculated (rather than annually within 180 days of the close of the municipalities fiscal year). Provides that an amount equal to the change in the current equalized assessed valuation that is attributable to the change caused by the Consumer Price Index for All Urban Consumers during the 12-month calendar year preceding the levy may be subtracted from the portion of taxes which is attributable to the increase in the current equalized valuation of specified properties. Makes other and conforming changes. Effective immediately.

40 ILCS 5/17-132 from Ch. 108 1/2, par. 17-132

Amends the Chicago Teacher Article of the Illinois Pension Code. Requires charter schools and contract schools to retain all payroll records and contribution information for a minimum of 5 years after the payroll records and contribution information are created. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The requirement under SB 2861 that charter and contract schools maintain payroll and contribution records for five years would have no direct fiscal impact on the Chicago Teachers' Pension Fund (CTFP). However, any audits of charter schools that CTFP indicates the bill is designed to support could result in negligible changes in employer contributions, commensurate with the audits' findings.

Prohibits an insurer, dental service plan corporation, professional service corporation, insurance network leasing company, or any other company or its contracted vendor that amends, delivers, issues, or renews an individual or group policy of accident and health insurance on or after the effective date of the amendatory Act from requiring a dental care provider to only accept payment from a credit card or electronic funds transfer, in addition to the existing prohibition on incurred fees to access and obtain payment or reimbursement for services provided. Provides that any insurer, dental service plan corporation, professional service corporation, insurance network leasing company, or any other company or its contracted vendor that amends, delivers, issues, or renews an individual or group policy of accident and health insurance may initiate or change payment methodology to a dental care provider using electronic funds transfer payments, including virtual credit card payments, if the specified conditions are met. Effective January 1, 2027.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces provisions concerning requests for a change in the available payment methodology and provisions prohibiting an insurer or managed care plan from using a dental care provider's preferred method of payment as a factor when deciding whether to provide credentials to a dentist with cross-references to existing health care provider reimbursement requirements.

New Act

Creates the Human Services Workforce Sustainability Act. Requires the Departments of Human Services, Children and Family Services, Juvenile Justice, and Public Health, and other specified State agencies, to complete, by June 30, 2027, a look-back calculation for each contracted human services organization that compares the funding amount awarded to the human services organization in State fiscal years 2026 and 2021 in order to identify the percentage change in funding, if any, to the human services organization between those fiscal years. Provides that based on the look-back calculations, each State agency shall identify the total aggregate amount of additional appropriations needed to ensure that grant amounts awarded by the State agency in State Fiscal Year 2028 are at least 25% more than the grant amounts awarded to grantees in State Fiscal Year 2021. Contains provisions concerning implementation of increased grant funding, subject to appropriation; additional percentage increases in grants amounts beginning in State Fiscal Year 2029; expenditure and certification requirements on contracted human services organizations that receive increased grant funding; oversight by the Department of Central Management Services; the adoption of administrative rules; and other matters. Effective July 1, 2026.

Amends the Illinois Horse Racing Act of 1975. Provides that the Illinois Racing Board, in lieu of obtaining a court reporter to make accurate transcriptions at each regular and special meeting and proceeding, shall create a verbatim record of each regular and special meeting in the form of an audio or video recording, unless an emergency situation precludes the creation of a transcript or recording. Allows the Board to refuse an occupation license to any person for any other just cause. Requires an applicant for an employment position as a pari-mutuel clerk, parking attendant, or security guard to include in the application whether the applicant has ever been convicted of any theft, fraud, wagering during the course of employment, touting, bookmaking, or any other act which is detrimental to the best interests of racing. Requires a licensee to forward a copy of the application form to the Board prior to extending an offer of employment to an applicant (rather than upon its decision to hire the applicant) and certify that it has checked the applicant's background. Removes language requiring the Board's review of an applicant to include an inquiry. Provides that no organization license may be granted to conduct a horse race meeting to any person who does not, at the time of application for the organization license, have plans certified by a licensed architect and confirmed financing for construction of a race track suitable for the type of racing intended to be held by the applicant and for the accommodation of the public on property that the applicant owns or has a contract or lease for possession of with completion scheduled before the meet applied for begins. Requires an application to conduct a horse race meeting to be delivered with a certified check or bank draft payable to the order of the Board for \$10,000 (rather than \$1,000). Allows the Board to impose civil penalties of up to \$10,000 (rather than \$5,000) for individuals and up to \$25,000 (rather than \$10,000) against licensees for each violation of the Act. 105 ILCS 5/24-12

Amends the Employment of Teachers Article of the School Code. Requires the written warning to narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that under no circumstances may the written warning remain effective for longer than 4 years from the date of the issuance of the written warning. Requires the school district to use reasonable efforts to remove the written warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed to through the exclusive bargaining representative, with an exception. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Employment of Teachers Article of the School Code. In a provision requiring a school board, before setting a hearing on charges stemming from causes that are considered remediable, to give a teacher reasonable warning, in writing, stating specifically the causes that, if not removed, may result in charges, requires the written warning to specify the nature of the alleged misconduct that needs to be remedied. Provides that nothing in the provisions precludes a board from asserting that the specific conduct alleged in the original warning is part of an alleged pattern of behavior, but any subsequent action must be reasonably related to the specific conduct alleged in the original warning. Allows the teacher to request and requires the teacher to be granted an opportunity to respond to the findings in the written warning, either in person or in writing before the board, prior to the board's formal vote to approve the warning. Provides that if the teacher is in disagreement with the final action of the board, the teacher may take the written warning to binding arbitration. Provides that the arbitrator shall have the power to render a decision on the written warning, which shall be final and binding on both parties. Provides that each party shall pay one-half of the cost of the arbitration proceedings and each party is entitled to representation of the party's choosing at all stages in this process. Effective immediately.

40 ILCS 5/16-118 from Ch. 108 1/2, par. 16-118

Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that, through June 30, 2029 (instead of June 30, 2026), an annuitant may accept employment as a teacher without impairing his or her retirement status if that employment is not within the school year during which service was terminated and does not exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Makes a conforming change. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

SB 2953 extends the sunset date of the current limitations on annuitant return-to-service (120 paid days or 600 paid hours in each school year) by three years, through June 30, 2029. Under current law, the aforementioned limitations are scheduled to sunset on June 30, 2026, after which the prior return-to-work limitations of 100 paid days or 500 paid hours will again apply beginning July 1, 2026. Therefore, SB 2953 allows retired teachers to return to service for a longer period of time under the 120-day/600-hour limitation than would otherwise be allowed under current law. The fiscal impact on TRS of allowing retired teachers to work 20 more days or 100 more hours in a school year without impairment of annuity status is expected to be minimal, as participation under the extended limitation is likely to be relatively small; however, the precise impact would depend on the number of annuitants who elect to return to work.
