Amends the Illinois State Police Law and the Illinois Police Training Act to require instruction during training on the policies and procedures for administering a lethality assessment, including referrals to domestic violence services. Amends the Illinois Domestic Violence Act of 1986. Provides that, on or before January 1, 2028, every law enforcement agency shall provide to all of its law enforcement officers instruction on the policies and procedures for administering a lethality assessment as part of basic training. Provides that, on or before July 1, 2028, a law enforcement officer investigating an alleged incident of domestic violence shall administer a lethality assessment if the allegation of domestic violence is against an intimate partner, regardless of whether an arrest is made. Provides that if a victim does not, or is unable to, provide information to a law enforcement officer sufficient to allow the law enforcement officer to administer a lethality assessment, the law enforcement officer must document the lack of a lethality assessment in the written police report and refer the victim to the nearest locally certified domestic violence center. Prohibits a law enforcement officer from including in or attaching to a probable cause statement, written police report, or incident report the domestic violence center to which a victim was referred. Prohibits a law enforcement officer from administering a lethality assessment if the law enforcement officer has not received training on administering a lethality assessment. Makes a conforming change in the Freedom of Information Act.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with these changes. Provides that by July 1, 2027, the Department of Human Services is required to develop, in consultation with law enforcement, a statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument that local law enforcement agencies may use or reference. Requires that by January 1, 2028, the continuing education for law enforcement officers must include training on the policies and procedures for administering a lethality assessment. Provides that beginning no later than July 1, 2031, a law enforcement officer investigating an alleged incident of intimate partner domestic violence shall administer a lethality assessment if: (1) the allegation of intimate partner domestic violence results in an arrest being made; or (2) the allegation of intimate partner domestic violence does not result in an arrest being made, but there is evidence that an assault, battery, or other physical violence has occurred between the intimate partners. Provides that if no arrest is made and there is no evidence that an assault, battery, or other physical violence has occurred, a law enforcement agency is authorized to partner with a domestic violence center that administers lethality assessments. Provides that the domestic violence center shall be provided with all police reports, victim statement, and any other information necessary to complete the lethality assessment within 72 hours of the domestic violence incident. Provides that nothing in the Act is intended to impose additional liability on a law enforcement office or agency acting in good faith compliance with the Act. Makes other changes.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Provides that a lethality assessment shall only be administered with the consent of the victim. Provides that a lethality assessment shall only be administered if, among other things, the allegation of intimate partner domestic violence does not result in an arrest being made but an allegation of an assault or a battery committed between the intimate partners was made (rather than the allegation of intimate partner domestic violence does not result in an arrest being made but evidence exists that an assault, battery, or other physical violence has occurred between the intimate partners). Provides that the domestic violence center shall be provided with all available information (rather than all police reports, victim statements, and any other information) necessary to conduct a lethality assessment as soon as possible (rather than within 72 hours). Removes provisions concerning domestic violence center referrals to victims. Provides that, before the administration of a lethality assessment, a law enforcement officer must (1) inform the victim that the victim may decline participation in the lethality assessment and (2) inform the victim of the ways in which the information collected as part of the lethality assessment may be used. Provides that, by July 1, 2027, the Department of Human Services shall develop, in consultation with the Illinois State Police, a statewide agency representing Illinois sheriffs, a statewide organization representing Illinois chiefs of police, a

statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument and policies and protocols (rather than develop, in consultation with law enforcement, a statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument). Provides that each law enforcement agency shall create a policy and a protocol (rather than a policy) on administering a lethality assessment consistent with the requirements of the provisions. Provides that each law enforcement agency that created a policy and protocol on administering a lethality assessment before the effective date of the amendatory Act may continue to use the policy and protocol if it is consistent with the requirements of the provisions. Makes typographical changes.

New Act

Creates the Transparency in Downcoding Act. Provides that the Act applies to certain policies of health insurance amended, delivered, issued, or renewed on or after the effective date of the Act, except for employee or employer self-insured health benefit plans under the federal Employee Retirement Income Security Act of 1974 and health care provided pursuant to the Workers' Compensation Act or the Workers' Occupational Diseases Act. Prohibits a health insurance issuer from using an automated process, system, or tool to downcode a claim; from downcoding a claim based solely on the reported diagnosis codes; and from using downcoding practices in a targeted or discriminatory manner against physicians who routinely treat patients with complex or chronic conditions. Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. Effective immediately.

405 ILCS 49/5

Amends the Children's Mental Health Act. In provisions concerning the Children's Mental Health Partnership, makes changes to the Partnership's list of duties to include (i) reviewing or facilitating needs assessments (rather than conducting research assessments) to better understand the challenges and gaps of programs, services, and policies related to children's mental health; (ii) monitoring policy development related to children's mental health in Illinois at the local, State, and federal level; and (iii) regularly reviewing aggregate and de-identified data on the need for children's behavioral health services in Illinois that is collected by the Behavioral Health Care and Ongoing Navigation (BEACON) portal to ensure that system transformation can continue to be driven by data. Provides that the Partnership's membership shall include public members who reflect a diversity of sexual orientation; and that all Partnership members shall serve without compensation and with no entitlement to reimbursement for expenses incurred in the performance of their duties. Removes a provision permitting the Partnership to convene study groups. Expands the membership of the adjunct council to include up to 10 youth aged 16 to 25 (rather than up to 6 youth aged 14 to 25) and up to 4 (rather than a minimum of 4) representatives of 4 different community-based organizations that focus on youth mental health. 20 ILCS 527/15

In the Children and Family Services Act, removes provisions requiring the Department of Children and Family Services to consult with the Statewide Youth Advisory Board to determine the effectiveness of existing transition planning programs, to identify new programming, and to advise on how information about transitional services is communicated to youth in a clear, timely, and age appropriate manner. Removes amendatory provisions requiring the Department to develop, by July 1, 2027, procedures setting forth a process by which a youth or a youth's representative can request an accounting or explanation of financial decisions made by the Department or child welfare contributing agency for any monies held by the Department or child welfare contributing agency on behalf of the youth. Instead provides that the Department shall require periodic verification of accounts identified as belonging to or held for the benefit of a youth in care to ensure the preservation of the youth's financial resources. Requires the Department to adopt rules establishing a process by which a youth, or other specified persons, may request an accounting of funds held, conserved, or expended by the Department on behalf of the youth and accounts known to the Department. Removes amendatory provisions requiring the Department of Children and Family Services to (i) ensure that each youth receives age-appropriate financial guidance designed to build financial literacy and informed decision-making and (ii) review and seek feedback from the Statewide Youth Advisory Board regarding the effectiveness of such education and support services. Removes definitions for the terms "mental and physical health and well-being", "financial stability", and "supportive adult". Requires the Department to make reasonable efforts to develop, in partnership with the youth, an individualized transition-plan for each youth in care aged 15 and over; and requires that the transition plan address the youth's financial stability, including developmentally appropriate financial literacy education and information regarding any financial accounts established in the youth's name or for the youth's benefit of which the Department is aware, in addition to other specified subject matters. Removes amendatory provisions requiring 6-month case plan reviews for youth in care 15 years of age regarding the location of necessary documents and financial accounts opened in the youth's name. Removes amendatory provisions requiring the Department to develop a curriculum guided program for youth transitioning out of care. Adds provisions requiring the Department to make reasonable efforts to ensure that each youth in care eligible for a Successful Transition to Adulthood Review (STAR) hearing is informed of court hearings concerning his or her case at least 10 days in advance of the hearing whenever practicable, and is afforded the opportunity to attend or participate in the STAR hearing; and to support each youth in care's attendance in the youth's

STAR hearings, including by providing or arranging transportation or other appropriate accommodations consistent with the youth's age and developmental needs. Amends the Department of Children and Family Services Statewide Youth Advisory Board Act. In provisions concerning Statewide Youth Advisory Board (Board) meetings, requires the Director of the Department or the Director's designee to (i) affirmatively engage with the Board regarding proposed or newly implemented Department policies, guidelines, procedures, rules, and training that materially affect current or former youth in foster care and (ii) provide the Board a reasonable opportunity to review and offer input when practicable. Expands the Board's responsibilities to include making recommendations to the Department on foster care and child welfare service delivery rulemaking. Makes other changes.

Amends the Illinois Dental Practice Act. In provisions concerning teledentistry, provides that an initial examination for new patients, excluding patients seeking orthodontic treatment, may be conducted through teledentistry if the authorizing dentist establishes a bona fide dentist-patient relationship by reviewing the patient's medical and dental history and verifying both the patient's identity and physical location to ensure that dental care is being administered within the State. Provides that an initial examination for orthodontia treatment shall be performed in person only. Provides that, for ongoing dentist-patient relationships, dentists shall strongly encourage patients to be seen in person at least annually. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

225 ILCS 25/18

Replaces everything after the enacting clause. Amends the Illinois Dental Practice Act. Makes changes concerning the definition of "patient of record", both for the Act and for the provisions concerning teledentistry. Defines "synchronous". Specifies that a dentist may delegate dental services using teledentistry to an Illinois-licensed dental hygienist. Provides that a dental hygienist may perform oral prophylaxis procedures; may apply fluoride treatments, but not any product used for the remineralization of teeth, including, but not limited to, silver diamine fluoride; and may process x-rays, as ordered by the supervising dentist, on a patient of record if an Illinois-licensed dentist has examined, diagnosed, and authorized such procedures using synchronous systems. Provides that a person is limited to 2 oral prophylaxis procedures performed by a licensed dental hygienist using teledentistry until an in-person examination by a licensed dentist has been completed. Provides that local anesthetics and nitrous oxide may not be used during an oral prophylaxis procedure in a teledentistry service by a dental hygienist. Sets forth requirements for the informed consent form. Provides that an initial screening may only be provided using teledentistry by an Illinois-licensed dentist to assess suitability of the patient for treatment at a dental facility or for certain conditions that present immediate harm or discomfort to the patient for which treatment cannot be postponed. Provides that a provider of dental services rendering care or providing a screening through teledentistry (instead of rendering emergent care or conducting an initial consultation through teledentistry) must direct the patient to receive appropriate in-person care after the provision of teledentistry services. Provides that an initial examination may be provided using teledentistry but shall only be

conducted for the purpose of providing a consultation for specific services or for treating or assessing acute pain, infection, injury, or any intraoral or perioral condition that presents immediate harm or discomfort that cannot be postponed. Provides that an initial examination for new patients, excluding patients seeking orthodontic, sleep apnea, or snoring treatment or the functional and cosmetic replacement or treatment of teeth, may be conducted through teledentistry. Provides that an initial examination for orthodontia, sleep apnea, or snoring treatment or the functional and cosmetic replacement or treatment of teeth shall be performed in person only. Provides that in-person clinical examination shall be performed immediately before providing or authorizing services or treatments to patients that are not reversible or that otherwise result in an increased risk to the patient. Provides that, for ongoing dentist-patient relationships, dentists shall direct patients to be seen in person at least annually. Provides that nothing in the provisions shall be construed to expand the scope of practice for dental hygienists or establish independent hygiene practice. Makes other changes.

Amends the Investment Board Article of the Illinois Pension. Provides that, if the Illinois State Board of Investment has not received a required audit opinion by December 15, the Board shall not be considered in violation of a provision requiring an annual report to each pension fund, retirement system, or education fund under the Board's jurisdiction within 6 months after the close of each fiscal year. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

SB 3404, as amended by SA 002, is nearly identical to the underlying bill, with two major exceptions; the buyout plans are optional for municipalities to establish (explicated stated in SA 2), and the Chicago Teachers Pension Fund (CTPF) is added as an eligible system. However, the anticipated fiscal impact would be the same, but now dependent on the number of eligible employers that elect to establish the two buyout programs. SB 3404, as amended by SA 002, creates the two buyout programs—Total buyout and the COLA (or AAI) buyout—for the affected pension funds, mirroring the existing buyout programs currently available in the State's "Big 3" retirement systems (SERS, SURS, and TRS). According to SERS, SURS, and TRS, the

buyout programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2.0 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026)

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

225 ILCS 95/20

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that "physician assistant practice" means the performance of any medical service (rather than any legal medical service) for which the physician assistant has been prepared by the physician assistant's education, training, and experience and is competent to perform as determined through an employment agreement or the credentialing and privileging system of a licensed facility. Provides that no physician assistant shall use the title of doctor, physician, or associate with his or her name or any other term that would indicate to other persons that the physician assistant is a licensed physician (rather than a title or term that would indicate to other persons that he or she is qualified to engage in the general practice of medicine). Provides that no person shall use the title physician assistant, physician associate, PA, PA-C, or any other term that would indicate to other persons that the person is a licensed or board-certified physician assistant unless the person is licensed as a physician assistant under this Act. In a provision concerning continuing education for physician assistant license renewal, provides that continuing education programs shall be relevant to physician assistant practice (rather than shall be in the physician assistant's area of practice) and may be conducted or endorsed by educational institutions, hospitals, professional associations, or other organizations approved to offer continuing education under the Act or rules. Provides that a physician assistant with optimal practice authority may prescribe Schedule II narcotic drugs only in a consultation relationship with a physician. Provides that the consultation relationship shall be recorded on the Prescription Monitoring Program website, pursuant to the Illinois Controlled Substances Act, by the physician and the physician assistant with optimal practice authority, and is not required to be filed with the Department of Financial and Professional Regulation. Provides that at least monthly, the physician assistant with optimal practice authority and the physician must discuss the condition of any patients for whom a Schedule II narcotic drug is prescribed. Provides that the consultation relationship shall provide for physician availability for consultation on complex clinical cases and prescribing decisions, but shall not require the physical presence of the physician or constitute a written collaborative agreement (rather than a supervisory or collaborative agreement). In a provision concerning

limitations, removes the prohibition that, pursuant to the Professional Service Corporation Act and the Medical Corporation Act, a person licensed under the Physician Assistant Practice Act of 1987 may not own a corporation for the purposes of practicing medicine. Removes the prohibition that, pursuant to the Professional Limited Liability Company Act, a person licensed under the Physician Assistant Practice Act of 1987 may not own a professional limited liability company for the purposes of practicing medicine. Amends the Public Utilities Act. In provisions concerning expenses that are recoverable by a public utility, provides that the Illinois Commerce Commission shall not consider as an expense of any public utility company, for the purpose of determining any rate or charge, any amount expended for political activity or lobbying, any amount expended for contributions to a trade association or a chamber of commerce, and any amount expended by a public utility for director and officer liability insurance and fiduciary liability insurance. Provides that, in determining whether the purchase of other types of insurance by a public utility is recoverable, the Commission shall determine whether the specific type of insurance is financially beneficial to the public utility's ratepayers or the public utility's shareholders. Provides that, if the Commission determines that the insurance purchased by the public utility is financially beneficial to its shareholders, then the purchase of the insurance shall not be a recoverable expense. Provides that goodwill or institutional advertising shall not be a recoverable expense by a public utility. Provides that the Commission shall deem as a nonrecoverable expense by a public utility (rather than the Commission shall specifically assess the justness and reasonableness of) any amount expended by a public utility to compensate attorneys or technical experts to prepare and litigate a general rate case filing. Provides that the amount that is deposited into the Consumer Intervenor Compensation Fund by a public utility shall not be a recoverable expense by the public utility. Provides that the computation of compensation awarded from the Fund shall take into consideration the market rates paid to persons of comparable training and experience who offer similar services, but may not exceed the comparable market rate for services paid by the public utility as part of its nonrecoverable rate case expense reported to the Commission (rather than as part of its rate case expense). Provides that an entrepreneurial support organization shall satisfy the conditions for a property tax exemption with respect to any of its properties and shall be issued a charitable exemption for that property if the value of charitable services or activities provided by the entrepreneurial support organization using the property during the relevant year equals or exceeds the estimated property tax liability of the property for the year for which an exemption is sought. Specifies that the provisions of the amendatory Act are declarative of existing law and are to be given retroactive effect.

750 ILCS 5/505 from Ch. 40, par. 505
750 ILCS 5/510 from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

SENATE FLOOR AMENDMENT NO. 1

Provides that a child support order entered must include a provision requiring both parents to exchange income information annually, and either parent must report to the other parent and to the clerk of court within 10 days each time either parent obtains new employment and each time either parent's employment is terminated for any reason. Provides that the information exchanged or reported must be in writing and verify the parent's net income. Provides that in the case of new employment, the information must include the name and address of the new employer. Adds a January 1, 2027 effective date.

SENATE FLOOR AMENDMENT NO. 2

Corrects a technical error. Adds a January 1, 2027 effective date.

New Act

Creates the Servicemember Education Rights Veneration Act. Requires institutions of higher education (institution) to accommodate service member student's academic military leave and grant prompt readmission when the service member student has not exceeded a cumulative academic military leave period beyond 5 years, provides advance notice of academic military leave to the institution, and provides notice of intent to return to the institution. Requires the institution to readmit a service member student on academic military leave into the next class, classes, or academic year division following the receipt of the notice of intent to return in accordance with the terms of the accommodation. Contains provisions on exemptions to readmission and related reporting requirements on service member students; investigations by the Attorney General's appointed ISERRA Advocate on whether a readmission exemption exists; and other matters. Requires service member students to provide advance notice of pending military service and prohibits institutions from imposing conditions for academic military leave not otherwise imposed under the Act. Contains provisions on military accommodation; academic obligations of service member students; reimbursement for school expenses; academic withdrawal due to military service; rejection of accommodation and the institution's burden of proof; a 5-year military service limitation; records documentation; advance notice requirements on service member students; notice of intent to return; anti-discrimination protections; academic leave for the spouses of servicemembers; Attorney General enforcement authority; remedies; rulemaking authority; and other matters.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In the definition of "service member student", deletes language expanding the definition to include the spouse of a service member. Provides that accommodations made by an institution of higher education for a service member student shall be mutually agreed upon and conditioned on tasks that both sides must complete to fulfill the agreement (rather than shall be a mutually agreed upon contract conditioned on tasks that both sides must complete to fulfill the agreement). Provides that financial aid provided to a service member student shall be credited for the academic year division requiring withdrawal due to military service, unless expressly prohibited by the terms of such financial aid or (rather than and) impossible or unreasonable under the circumstances. Provides that a service member student who must withdraw from any course due to military service, shall receive (i) the maximum price, based on condition, for physical textbooks (rather than textbooks) purchased from the bookstore under the control of and associated with the institution and (ii) a full refund for electronic books. Deletes a provision creating a private right of action and a provision granting rulemaking authority to the Attorney General. Provides that any action brought under the Act by the Attorney General shall be commenced within 20 years after the date upon which the alleged violation occurred. Makes some technical changes.

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. SB-4010 MCCLURE, DEWITTE, FOWLER - BRYANT, S. TURNER, E. HARRISS AND HILLS.

40 ILCS 5/16-128 from Ch. 108 1/2, par. 16-128

Amends the Downstate Teacher Article of the Illinois Pension Code. In a provision concerning the contribution required to establish service credit for certain service as a teacher or administrator employed by a private school recognized by the Illinois State Board of Education, changes the amount of the interest payment required to establish that service credit from interest at the actuarially assumed rate to regular interest.

PENSION NOTE (Government Forecasting & Accountability)

SB 4010 changes the interest rate applied to payments made to purchase optional service credit for years worked as a teacher or administrator in a private institution recognized by the Illinois State Board of Education. This legislation would apply regular interest rather than the actuarially assumed rate currently used by TRS. The precise fiscal impact of this legislation is unknown as of this writing because the number of teachers who may purchase this optional service credit during the current window period (which closes on June 30, 2028) is not known. However, lowering the interest rate from the actuarially assumed rate (currently 7.00% for TRS) to regular interest (set at 6% under current law) may result in member payments that are less than actuarially neutral. Therefore, SB 4010 could have a negative fiscal impact on TRS, commensurate with the number of teachers who elect to purchase this service credit and the difference between the two interest rates.

Amends the Environmental Protection Act. Provides that an owner or operator of a community water supply may, by an additional method approved by the State, give written notice of the existence of lead service lines that are connected to buildings. Provides that an owner or operator of a community water supply that performs at least 4,000 lead service line replacements per year or exceeds a statutorily prescribed lead service line replacement rate is exempt from a provision that prohibits partial lead service line replacements. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of a private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building must allow the community water supply access to replace the lead service line on the private side of the property.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes provisions added by the introduced bill that exempted from specified requirements a community water supply that has performed at least 4,000 lead service line replacements per year since 2025 or that exceeded certain specifications. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of private property (rather than the owner of private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building) must allow the community water supply or the community water supply's contractor (rather than only the community water supply) access to the property to replace, on the private side of the property, the lead service line or the galvanized requiring replacement service line (rather than only the lead service line) if the community water supply is offering the replacement at no cost to the property owner. Specifies that, if the owner of the private property is unavailable or unwilling to provide consent to replace the lead service line or the galvanized requiring replacement service line, any legal occupant of the private property where the service line is located may provide consent for access to the community water supply or the community water supply's contractor. Provides that the legal occupant shall be held harmless for providing access, completing forms, or for the completion of replacements of the lead service line or the galvanized requiring replacement service line. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

In provisions regarding a landowner's duty to allow the community water supply access to replace the lead service line or the galvanized requiring replacement service line if the community water supply is offering such a replacement at no cost, deletes a requirement that limits the application of the provisions to a municipality with a population of more than 1,000,000 inhabitants.

Replaces everything after the enacting clause. Amends the Common Interest Community Association Act and the Condominium Property Act. Prohibits an association from defining or designating a marked law enforcement vehicle that is assigned to a law enforcement officer or a marked firefighter vehicle that is assigned to a firefighter as a commercial vehicle and subject it to a restrictive provision in an association instrument, covenant, rule, or regulation, as long as the vehicle does not exceed 12,000 pounds. Provides that such a provision violates the Acts and is void and unenforceable.

40 ILCS 5/1-110 from Ch. 108 1/2, par. 1-110

Amends the Illinois Pension Code. Makes a technical change in a Section concerning prohibited transactions.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

Increasing the continuation disability pension paid to survivors by a flat 3% would have a fiscal impact on applicable local downstate firefighter pension funds, limited to survivors who would meet the eligibility requirements. It is not known how many would be eligible for the 3% increase provided in HB 727, as amended by HA 1. However, the number of eligible survivors is expected to be limited due to the restrictive requirements.
