Amends the Firearm Owners Identification Card Act. Provides that notwithstanding any other provision of the Act to the contrary, on or after the effective date of the amendatory Act, the Illinois State Police may not revoke a Firearm Owner's Identification Card. Provides that on or after the effective date of the amendatory Act, a Firearm Owner's Identification Card may only be revoked after a Firearm Owner's Identification Card hearing has been held in the circuit court of the county of residence of the person whose Firearm Owner's Identification Card is sought to be revoked. Provides that, if the State's Attorney of the county of residence of the person whose Firearm Owner's Identification Card is sought to be revoked has probable cause to believe that the person who has been issued a Firearm Owner's Identification Card is no longer eligible for the Card under the Act, the State's Attorney shall file a petition in the circuit court of the county of residence of the person whose Card is sought to be revoked. Provides that at the hearing, the person may present evidence in his or her favor seeking retention of his or her Firearm Owner's Identification Card and the Illinois State Police and State's Attorney may present evidence for revocation. Provides that the hearing shall be a civil proceeding and subject to due process, the Code of Civil Procedure, and the Illinois Rules of Evidence as adopted by the Supreme Court. Provides that the hearing shall be held within 45 days after the filing of the petition. Provides that if the circuit court determines, by clear and convincing evidence, that the person is ineligible for retention of his or her Firearm Owner's Identification Card under the Act, the court shall order the Illinois State Police to immediately revoke the Card and the circuit clerk shall seize the Card and transmit the Card to the Illinois State Police. Establishes procedures for the Illinois State Police to suspend a Firearm Owner's Identification Card Act.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

New Act

30 ILCS 105/5.1030 new

Creates the Health Care Availability and Access Board Act. Establishes the Health Care Availability and Access Board to protect State residents, State and local governments, commercial health plans, health care providers, pharmacies licensed in the State, and other stakeholders within the health care system from the high costs of prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor

reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Prohibits the Board from creating an upper payment limit that is different from the Medicare Maximum Fair Price for the prescription drug product that has a Medicare Maximum Fair Price. Requires the Board to implement an upper payment limit that is the same as the Medicare Maximum Fair Price no sooner than the Medicare implementation date. Provides that Medicare Part C and D plans are not required to reimburse at the upper payment limit. Provides that the Attorney General may enforce the Act and may pursue any available remedy under State law when enforcing the Act. Effective 180 days after becoming law.

FISCAL NOTE (Dept. of Central Management Services)

CMS does expect a fiscal impact as a result of this proposed legislation; however, due to the nature in which prescription drug rebates are calculated on a quarterly basis in arrears and based on drug pricing, utilization, etc., the impact will ever be fluctuating. Some Medicare Maximum Fair Price drugs may result in a savings while others will result in a cost. It's impossible for CMS to quantify.

HOUSE FLOOR AMENDMENT NO. 4

Deletes reference to:

30 ILCS 105/5.1030 new

Adds reference to:

30 ILCS 105/5.1038 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to defined terms. Replaces references to the Health Care Availability and Access Board, the Health Care Availability and Access Stakeholder Council, and the Health Care Availability and Access Board Fund to the Prescription Drug Affordability Board, the Prescription Drug Affordability Stakeholder Council, and the Prescription Drug Affordability Board Fund. Requires Prescription Drug Affordability Board membership to also include individuals with expertise in the practice of pharmacy. Includes reimbursements from health benefit plans in provisions concerning upper payment limits for payor reimbursements. Requires the Board to maintain financial records and accounts in accordance with generally accepted governmental accounting principles. Provides that the Board shall be deemed a public body for purposes of the Freedom of Information Act and the Open Meetings Act; all records of the Board, including meeting minutes, cost review records, and correspondence, shall be public records subject to disclosure in accordance with the Freedom of Information Act, except as otherwise provided by law; and meetings of the Board shall be open to the public in accordance with the Open Meetings Act. Requires the Board to establish an operational plan for distribution and access to a drug with an upper payment limit before the Board reviews specific drugs for affordability and establishes any upper payment limits. Provides that the Board shall prioritize establishing and implementing upper payment limits for the 10 prescription drug products with a Medicare Maximum Fair Price that went into effect in 2026 before proceeding with upper payment limits on other prescription drug products with a Medicare Maximum Fair Price or affordability reviews for any other prescription drug products. Adds more items to the list of information that may be included to conduct an affordability review. Provides that the Board may suspend an upper payment limit if it determines that there is a shortage of the drug in the State unless the Board determines that the shortage was caused by a manufacturer or its agent. Changes expertise requirements for membership of the Prescription Drug Affordability Stakeholder Council. Establishes specified exemptions for the Department of Healthcare and Family Services and other State departments in provisions concerning protections and other Board considerations. Provides that any upper payment limit established by the Board shall not apply to prescription drug products purchased by the Department of Healthcare and Family Services for the medical assistance program under Article V of the Illinois Public Aid Code or to a health care plan serving Medicaid populations that provides, arranges for, pays for, or reimburses the cost of any health care service for

persons who are enrolled under the medical assistance program under Article V of the Illinois Public Aid Code unless, after consultation with and approval of the Director of Healthcare and Family Services, it is determined that the upper payment limit would reduce costs to the State. Provides that, if a prescription drug product subject to an upper payment limit established under the Act is intended to be made available for purchase by pharmacies, distributors, or wholesalers licensed in the State, it shall be available at a price that does not exceed the upper payment limit (rather than a wholesaler or distributor shall make any prescription drug product that is subject to an upper payment limit established under the Act available for purchase by pharmacies licensed in this State at a price that does not exceed the established upper payment limit), and, if a wholesaler or distributor acquires a prescription drug product subject to an upper payment limit at a price that exceeds the upper payment limit, the wholesaler or distributor is entitled to a chargeback or rebate equal to the difference between the price and the upper payment limit from the entity that sold the product to the wholesaler or distributor. Changes the required reporting date for the Board concerning the operation of the generic drug market in the United States to June 1, 2027 (rather than June 1, 2025). Requires the Board to notify the General Assembly if 5 years have passed without any litigation hindering Board operations. Provides that the Act is repealed 5 years after the effective date of the Act. Makes other changes. Effective 180 days after becoming law.

New Act

110 ILCS 205/8 from Ch. 144, par. 188

Creates the Adequate and Equitable Public University Funding Act. Provides that all general operating expenses for public universities shall be distributed by the Board of Higher Education through a funding formula for eligible public institutions and shall be administered by the Board. Defines "eligible public institution". Sets forth provisions concerning the adequacy targets and resource profiles of eligible public institutions. Provides for the distribution of State appropriations and the calculation of the base funding minimum for each eligible public institution. Provides that the Board shall oversee an accountability and transparency framework for assessing the distribution and use of all funds appropriated by the funding formula and evaluating the funds' effects on institutional outcomes pertaining to student affordability, enrollment, persistence, and outcome metrics. Provides for reporting and the establishment of an Accountability and Transparency Committee. Provides that the Board shall establish a Funding Formula Review Panel tasked with studying and reviewing topics pertaining to the implementation and impact of the funding formula. Contains provisions concerning the Board's annual budget request and the collection of data. Amends the Board of Higher Education Act. Removes certain provisions concerning budget proposals. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Adequate and Equitable Public University Funding Act. Adds, changes, and removes definitions. Changes the adequate and equitable funding formula. Provides that the adequacy target for each eligible public institution is the sum of the eligible public institution's cost of providing an equitable and adequate education based on the specific characteristics of the per student adequacy components and institutional adequacy components (rather than of the eligible public institution and the eligible public institution's student body). Requires the Board of Higher Education to include in each eligible public institution's adequacy target the amount required to provide students with access support. Sets forth how to

determine the high-cost program adjustment to core instructional program support. Requires the Board to include the funding required to conduct research. Makes changes to the membership of the Accountability and Transparency Committee and the Funding Formula Review Panel. Deletes certain provisions regarding the Accountability and Transparency Committee, as well as regarding certain reporting requirements. Makes other changes. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Board of Higher Education)

HB 1581 HA #1 creates the Adequate and Equitable Funding for Public Universities Act. Illinois Board of Higher Education (IBHE), in conjunction with outside consultants, estimates that the cost to implement this legislation is \$1.85 billion. That means the state would have to increase public university appropriations by \$1.85 billion above the current level at full implementation. The legislation calls for an annual increase in appropriation for the public universities of \$135 million. Relative to the current fiscal year and assuming no inflation adjustment, that would mean an increase \$135 million in the first year of implementation, \$270 million in the second year of implementation, \$405 million in the third year of implementation, etc., until the appropriation is \$1.85 billion higher than it is today. However, the legislation specifies that components of the funding formula are adjusted by inflation each year. Therefore, the total cost will exceed \$1.85 billion if incremental investments are made over time. Finally, the legislation assigns new responsibilities to IBHE, which would require three additional staff positions and associated costs, at an estimated total cost of \$350,000.

225 ILCS 65/60-10

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after

completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

820 ILCS 405/604 from Ch. 48, par. 434

Amends the Unemployment Insurance Act. Provides that an individual shall be ineligible for benefits for a period totaling and not to exceed 2 weeks (rather than an individual shall be ineligible for benefits for any week) with respect to which it is found that his total or partial unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed. Provides that, after the 2-week period, the individual will be eligible for benefits.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

Effective January 1, 2027.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

RACIAL IMPACT NOTE (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

Amends the Illinois Vehicle Code. Allows a person to request an informal hearing regarding a suspension, revocation, or denial of the issuance of a license, permit, registration, or certificate of title at a Secretary of State driver services facility. Provides that if a person is convicted of a specified offense and the use of alcohol or other drugs is stated as an element of the offense, the Secretary may issue to the person a restricted driving permit granting the privilege of driving a motor vehicle 6 days per week, 12 hours per day within a 200-mile radius of the person's residence for any legal purpose. In provisions regarding the mandatory revocation of a license or permit, the discretionary authority to suspend or revoke a license or permit, and the period of suspension, provides that some convictions may be based on a similar out-of-state offense or similar offense committed on a military installation. Allows the Secretary to grant an employment exception to the prohibition against driving a vehicle that is not equipped with an ignition interlock device if the person is operating an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2705 (H-AM 1) amends various provisions of the Illinois Pension Code pertaining to public safety employees, including ensuring Tier 1 status and providing for reciprocity, among other changes. An actuarial study would need to be completed in order to determine the fiscal impact of HB 2705 (H-AM 1) To the extent that this bill allows public safety employees with prior service (including non-public safety Tier 1 service) in other pension funds to qualify for Tier 1 status, liabilities of the applicable pension funds would increase. In regard to reciprocity, to the extent that the affected pension funds would be required to pay a pension for non-vested service that currently only qualifies for a refund of contributions, there could be a financial impact, as liabilities would increase in such situations. The magnitude of this impact would depend on the number of affected members and the length of reciprocal service credited. An actuarial study would be needed to analyze several different sample scenarios under which members may avail themselves of reciprocity.

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

HB-3393 NIEMERG, WINDHORST, WILHOUR, WEBER, HALBROOK, VELLA, CASSIDY AND LA HA.

725 ILCS 5/106B-5

Amends the Code of Criminal Procedure of 1963. In a provision concerning the prosecution of a person for an offense of criminal sexual assault, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery, or aggravated domestic battery, deletes a provision which states that there is a rebuttable presumption that the testimony of a victim who is a child under 13 years of age shall occur outside the courtroom and the child's testimony shall be shown in the courtroom by means of a closed circuit television. Deletes that this presumption may be overcome if the defendant can prove by clear and convincing evidence that the child victim will not suffer severe emotional distress. Provides that, if the court denies

the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

SENATE COMMITTEE AMENDMENT NO. 1

In the provision that provides that before the court permits the testimony of a victim outside the courtroom that is to be shown in the courtroom by means of a closed circuit television, the court must make a finding that the testimony by means of closed circuit television does not unduly prejudice (rather than prejudice) the defendant. Deletes a provision that states that if the court denies the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

Amends the State Employees Group Insurance Act of 1971. Requires the State Employees Group Insurance Program to provide coverage for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. For individuals with a genetic test that is positive for an inherited mutation associated with an increased risk of cancer, requires the coverage to include any evidence-based screenings, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines, to the extent that the management recommendation

is not already covered by the policy. Provides that the coverage is subject to specified cost sharing requirements.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces a reference to the State Employees Group Insurance Program with the program of health benefits provided under the State Employees Group Insurance Act of 1971 in provisions requiring coverage for genetic testing under that Act.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full

reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Allows any person who is convicted or adjudicated a delinquent and then serves any part of a sentence of incarceration in a State prison, in a county jail, in a county juvenile detention facility, or in a Illinois Youth Center, on parole or probation, or registered as a sex offender (rather than convicted and subsequently imprisoned) for one or more felonies by the State that the person did not commit may file a petition for certificate of innocence. Requires the court to make an award of reasonable attorney's fees, costs, and expenses after awarding a certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal that occurred before the effective date of the amendatory Act shall file a petition within 4 years after the effective date of the amendatory Act, and any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal that occurred on or after the effective date of the amendatory Act shall file a petition within 2 years after the dismissal or acquittal.
