HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment

No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

215 ILCS 5/143.13b new

Amends the Illinois Insurance Code. Provides that every automobile insurance policy issued, renewed, or delivered in Illinois that includes first-party coverage for physical damage shall contain a provision granting either the insured or the insurer the right to invoke appraisal in the event of a dispute over (i) the actual cash value or amount of a loss, including repairable or total loss amounts; or (ii) the value of a settlement offer made to a third-party claimant. Sets forth provisions concerning the selection of appraisers; appointment of an umpire in the event of a disagreement between appraisers; issuance of the award following the appraisal; the binding effect of an agreement between appraisers or one appraiser and the umpire; cost allocation and consumer protections; the right of appraisal for third-party claimants; and enforcement and penalties. Creates the Automotive Appraisal Standards Advisory Board to provide guidance on rulemaking, enforcement priorities, and best practices. Sets forth membership provisions and provides that the Board shall meet no less than quarterly and may issue nonbinding recommendations to the Department of Insurance regarding updates to rules and emerging trends impacting fair claim resolution. Requires the Department to publish meeting summaries and any formal recommendations on its public website. Provides that the Department may adopt rules necessary to implement and enforce provisions concerning the right to appraisal. Effective 90 days after becoming law.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes provisions concerning the Automotive Appraisal Standards Advisory Board. Removes provisions concerning third-party claims. Provides that, if the appraisers fail to agree on an umpire within 15 calendar days after they failed to agree on the amount of the loss or the settlement offer, either party may petition a court (instead of a court of competent jurisdiction or request assistance from the Department of Insurance) to appoint a suitable umpire. Provides that the Department shall maintain a list of competent and

disinterested umpires and shall furnish that list to any party that requests the list. Provides that, if an umpire is selected pursuant to the provisions, a final award shall be determined within 5 calendar days after the umpire was selected. Removes a provision requiring the insurer to pay all appraisal and umpire fees if the final appraisal award is 10% or more favorable to the policyholder compared to the insurer's last written offer prior to appraisal. Provides that any insurer in Illinois that fails to comply with the appraisal provisions of the amendatory Act, including any refusal to participate in the process in good faith, shall be subject to administrative penalties imposed by the Department (instead of being subject to a specified civil penalty, additional administrative penalties, and liability for reasonable attorney's fees and appraisal costs). Removes provisions concerning rulemaking. Effective 90 days after becoming law.

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication

by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

215 ILCS 5/224

215 ILCS 185/15

from Ch. 73, par. 836

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Provides that a "beneficiary designation" means a provision in an instrument designating a beneficiary, other than in a will or an instrument creating a trust, and may also mean the instrument itself, including, but not limited to, any of the following: (1) a demand deposit, savings deposit, time deposit or other account or instrument on which the holder is directly liable with a designation for payment upon death or other nonprobate designation making it transferable on death; (2) a security registered in beneficiary form; or (3) a pension, profit-sharing plan, retirement account such as an IRA, 401(k), 403(b), or other employment-related benefit plan. Excludes from this definition a beneficiary made as part of an annuity or an insurance policy. Amends the Unclaimed Life Insurance Benefits Act. Requires an insurer within 120 days after being contacted by the charitable beneficiary to: (1) determine whether the charitable organization has a right to the proceeds of the policy, annuity contract, or a retained asset account; (2) provide a general description of the policy, annuity contract, or a retained asset account that may be held for the benefit of the charitable organization and the exact language of the beneficiary designation; and (3) include information that verifies whether the insurer has already obtained the official death certificate or documentation needed to verify the death of the insured, annuitant, or retained asset account holder. Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act, the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. Excludes not-for-profit organizations that are the irrevocable sole beneficiary of a life insurance policy covered by the Illinois Insurance Code. Requires an insurer to provide within 120 days the appropriate claims forms or instructions to a holder of property under the Charitable Organization Beneficiary Act. Makes structural changes. Amends the Illinois Insurance Code. Provides that if due proof of death requires a certified copy of the death certificate, then no more than one beneficiary is required to submit a certified copy of the death certificate.

New Act

Creates the Civil Remedies for Nonconsensual Recording of Children Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person (1) makes a video record or transmits a live video of the child without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence; or (2) makes a video record or transmits a live video of a child without the consent of the child's parent or guardian in a residence in which the child does not reside. Provides for exceptions. Provides that a child who proves by a preponderance of the evidence that a defendant violated the Act against the child is considered obviously and materially harmful to the child and is per se harmful and traumatic. Authorizes a prevailing plaintiff to recover: (1) the greater of: (A) economic and noneconomic damages proximately caused by the defendant's violation of the Act, including but not limited to damages for emotional distress whether or not accompanied by other damages; or (B) statutory damages, not to exceed \$10,000, against each defendant found liable under the Act; (2) punitive damages; and (3) reasonable attorney's fees and costs. Provides that an action under the Act may not be brought no later than 2 years from the date the cause of action was discovered or should have been discovered with the exercise of reasonable diligence. Tolls the statute of limitation until the child becomes emancipated or attains the age of majority. Provides that if a State agency or unit of local government is required by law or ordinance to inspect a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence, the State agency or unit of local government must also inspect for hidden cameras. Provides that if a hidden camera is discovered, the owner or operator of the inspected location must post a public notice advising of the camera and the area it films. Provides that the notice must be in English and any other language that is spoken by a significant number of local residents in that area. Provides that the Act applies to causes of action accruing on or after the effective date of this amendatory Act.

HOUSE FLOOR AMENDMENT NO. 1

Exempts (1) a parent or legal guardian of the child who is the subject of the recording unless the parent's or legal guardian's action is prohibited by a law other than the Act; (2) a recording made by law enforcement in the lawful performance of official duties; and (3) a recording made in good faith in the reporting of unlawful conduct. Authorizes a prevailing plaintiff to recover economic and noneconomic damages, punitive damages, and reasonable attorney's fees and costs. Provides that if a State agency or unit of local government is required by law or ordinance to inspect certain locations, the inspection must also include an inspection for hidden cameras and establishes requirements for notification to law enforcement if a hidden camera is discovered. 20 ILCS 3805/7.34 new
 30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

FISCAL NOTE (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Makes other changes.

705 ILCS 505/16

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No. 1 with these changes. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 calendar days after being notified in writing of the claim by the Attorney General. If the State agency confirms the claim, then the Court of Claims must enter an award for the claim within 30 calendar days upon being notified. Provides that if the Court of Claims determines that it

is unable to process such a contractual claim because the bill or invoice contains a defect, the Court of Claims must notify the vendor in writing of the defect no later than 45 calendar days after the bill or invoice was first submitted. Requires the Court of Claims to confirm receipt of claim to the vendor within 30 calendar days for all claims. Requires the Court of Claims, beginning December 31, 2027, and every December 31st thereafter, to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Provides that for claims not covered by the new provisions, the State agency must confirm or reject in writing the allegations in the claim with the Attorney General's office within 90 calendar days of being contacted by the Attorney General; and the Attorney General must notify the claimant of the State agency's decision and file a stipulation or motion with the Court of Claims within 90 calendar days of the State agency confirming or rejecting the claim. Amends the Board of Higher Education Act, various Acts relating to the governance of public universities in Illinois, and the Higher Education Student Assistance Act. Requires the Board of Higher Education to establish a pathway program in which any public high school student in this State who graduates in the top 10% of the student's graduating class or meets other standardized thresholds is guaranteed admission to at least one public university. Requires the Board to submit an annual report to the General Assembly (and make the report publicly available) that includes, with respect to public universities: (1) how many in-state residents were admitted in the prior academic year compared to the number of out-of-state residents that were admitted; (2) the tuition trends for students who are residents of this State; and (3) how many university graduates continue to reside within this State following graduation. With respect to each academic program of a public university that has a limited capacity to admit students due to a high demand for admission to the program, provides that at least 70% of the students admitted to the program must be residents of this State. Beginning with the 2027-2028 academic year, prohibits the governing board of each public university from increasing its in-state tuition rate for a given academic year by a percentage that exceeds the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the Bureau of Labor Statistics of the United States Department of Labor for the 12 months ending on the previous December 31. Requires the Illinois Student Assistance Commission to establish a workforce incentive program in which a student who enrolls in a high-need field at an institution of higher learning may receive a grant to reduce tuition costs or loan forgiveness if the student commits to working in this State for at least 3 after graduation. Provides that under the program, a student from an underserved region of this State may also receive

additional admission and tuition support from the Commission.

305 ILCS 5/5-30.19 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to adopt rules that require managed care organizations (MCOs) to utilize a universal provider application developed by a council for affordable quality healthcare, as defined, for the purpose of credentialing a health care professional or a health care provider who seeks to participate in an MCO's provider network. Provides that the rules shall also require the use of a CAQH application for the renewal of credentials; and that the Department may revise the CAQH universal provider application or the application for renewal of credentials to conform to industry or national standards for credentialing health care professionals or health care providers. Provides that within 180 days after the adoption of rules, health and dental plan carriers must accept the universal provider application and the application for the renewal of credentials approved by the Department. Requires all MCOs to provide a provider network consultant to act as a liaison between a health care provider and the MCO. Require the Department to employ provider enrollment consultants to assist health care providers with enrollment in the Illinois Medicaid Program Advanced Cloud Technology system, help navigate the enrollment and provider credentialing process by serving as the liaison between health care providers and MCOs, and other matters. Amends the Illinois Insurance Code. In provisions concerning recoupments, requires a health care professional or health care provider to be provided a remittance advice that includes an explanation of a recoupment or offset taken by a managed care organization. Removes provisions permitting insurers contracted with the Department of Healthcare and Family Services to recoup or offset payments due to a federal Medicaid requirement. Provides that no contract between an MCO and health care professional or provider may provide for recoupments in violation of the Code. Effective January 1, 2027.

410 ILCS 35/16

Amends the Equitable Restrooms Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall (1) ensure that one or more of the public restrooms is designated as an adult changing station, with certain requirements, (2) maintain, repair, and replace each adult changing table as necessary, (3) clean each adult changing station with the same frequency as the other public restrooms, and (4) provide sufficient floor space to comply with the Americans with Disabilities Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall ensure that the entrance to each restroom has conspicuous signage and that the central directory for the building, if it exists, indicates the location. Provides that any public building or State-owned building that is constructed on or after January 1, 2029, and any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031, must contain and provide access to not less than one powered, height adjustable, adult changing table, installed per the manufacturer's recommendations, in a single occupancy restroom that is universal to gender and available to the public. Adds and changes definitions.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes a requirement that any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031 must contain and provide access to an adult changing table.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "adult changing station" by adding references to the Americans with Disabilities Act of 1990. Changes the definition of "public building" by adding a requirement that the building be constructed on or after January 1, 2029, allowing the owner or operator of one building or structure located in a place of recreation to designate that building or structure as a public building, and specifying that places of education must be designed to educate 1,500 students or more, excluding school athletic stadiums. Changes the definition of "State-owned building" by adding specified State park facilities. Provides that the owner or operator of each public building built after January 1, 2029 shall have specified duties (rather than the owner or operator of each public building shall have specified duties), including, among other things, installing a minimum of one adult changing station, maintaining and repairing adult changing tables, cleaning adult changing stations with the same frequency as other public restrooms, and providing sufficient floor space around the adult changing table to comply with applicable Americans with Disabilities Act accessibility standards. Makes changes to signage requirements, including providing that, except for places of education, the entrance to each restroom must have conspicuous signage indicating the location of adult changing stations and that, for places of education, only the restroom that contains an adult changing station must have such signage. Deletes provisions in the introduced bill requiring that newly constructed or substantially renovated buildings contain and provide access to at least one powered, height-adjustable adult changing table in a single-occupancy restroom. Makes conforming and other changes.

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

FISCAL NOTE (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

FISCAL NOTE (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department

additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

New Act

Creates the Prohibition on Anticompetitive Pharmaceutical Practices Act. Provides that, except as specified, a court before which the Attorney General brings an action under the Act shall presume that a resolution agreement that ends a dispute over an alleged infringement of a patent, or a violation of other protection for a protected drug, has anticompetitive effects and is a violation of the Act if, as part of or in connection with the resolution agreement, an alleged infringer: (1) receives an item of value; or (2) agrees to limit or stop researching, developing, manufacturing, marketing, or selling a competing drug. Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition

to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Sets forth provisions concerning penalties and enforcement of the Act by the Attorney General. Provides that the Act applies to resolution agreements: (1) that are negotiated, completed, or entered into within the State on or after the effective date of this Act; (2) where the dispute arose out of or was substantially related to pharmaceutical sales that were made within the State; or (3) where a party to the resolution agreement is an entity registered to conduct business within the State.

5 ILCS 100/5-45.71 new

Replaces everything after the enacting clause. Creates the Responsible Gun Manufacturing Act. Provides that it is unlawful for a person to manufacture a convertible pistol. Provides that the civil penalty and license suspension or revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides that a second violation of the Act is punishable by a civil penalty of \$25,000, which shall be paid to the Illinois State Police, and, if the person who committed the violation is a certified dealer, the Illinois State Police shall revoke the certified dealer's license pursuant to the Firearm Dealer License Certification Act. Provides that "convertible pistol" does not include hammer-fired semiautomatic pistols. A tab or other piece of material on a pistol frame is not sufficient to prevent ready alteration so that the pistol can be converted into a machine gun by the installation or attachment of a switch, and will not prevent such pistol from qualifying as a convertible pistol, if that tab or other piece of material can be readily removed with common household tools. Defines other terms. Amends the Illinois Administrative Procedure Act to make conforming changes.

Amends the Illinois Insurance Code. Provides that if an insurer tenders the lesser of the policy limits or the amount demanded by the claimant in a statutory or common law action alleging bad faith within 90 days after receiving actual notice of a claim accompanied by sufficient evidence to support the amount of the claim, no liability may be imposed against the insurer. Amends the Adult Protective Services Act. In provisions concerning financial exploitation of an eligible adult, provides that a court may grant a temporary injunction ex parte, pending a full hearing, and may grant such relief as the court deems proper if the court makes certain findings, including, but not limited to, that an immediate and present danger of exploitation of the eligible adult exists, there is a likelihood of irreparable harm and nonavailability of an

adequate remedy at law, there is a substantial likelihood of success on the merits, and the threatened injury to the eligible adult outweighs possible harm to the respondent. Sets forth the types of injunctive relief a court might grant, including, but not limited to, freezing the eligible adult's assets or lines of credit, awarding the eligible adult temporary exclusive use and possession of his or her dwelling, if shared with the respondent, and providing directives to law enforcement. Contains provisions on the scope and effect of an ex parte temporary injunction and the grounds for its denial. Sets forth factors a court will consider to determine whether there are reasonable grounds to believe an eligible adult is or is in imminent danger of becoming a victim of financial exploitation; notice of petition and injunction; final hearings on a petition; final cost judgments against a respondent; the transmittal of petitions, financial affidavits, hearing notices to the county sheriff or law enforcement agency; court certification of all orders issued, changed, continued, extended, or vacated subsequent to the original petition, notice of hearing, or temporary injunction; the enforcement of injunction violations through a civil or criminal contempt proceeding; judgment damages against a petitioner; modification or dissolution of injunction; substitute service for unascertainable respondent whose identity cannot be ascertained or whose identity is unknown; and other matters.

Sets forth information to be included in the written status updates. Amends the Unified Code of Corrections. Provides that the Department of Corrections shall create and implement, on January 1, 2027, a pilot program to establish the effectiveness of long-acting injectable medications for opioid use disorders for persons committed to its custody who suffer from opioid use disorders. Provides that the pilot program shall require long-acting

injectable medications for opioid use disorders to be used in at least one Department of Corrections facility. Provides that the Director may expand the pilot program to include an additional facility or facilities as he or she deems appropriate. Provides that a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders shall be included in the pilot program. Provides that the Department shall develop a plan to facilitate access to continued treatment for opioid use disorders in the community following the release of a person participating in the pilot program, including, but not limited to, a referral to a harm reduction provider. Provides that the Department must report to the General Assembly on the effectiveness of the program by January 1, 2028. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that the pilot program shall provide long-acting injectable medications for opioid use disorder, when clinically appropriate, to not fewer than 3,000 individuals in the custody of the Department of Corrections (rather than a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders). Provides that the Department shall design and operate the pilot program in accordance with established and nationally recognized clinical guidelines, protocols, and standards for the treatment of opioid use disorder using long-acting injectable medications. Provides that the pilot program shall be funded using opioid settlement funds allocated to the Department. Provides that the Department shall establish and publicly post eligibility criteria and a selection process for participation in the pilot program. Eligibility criteria shall be based on clinical need, medical appropriateness, and operational considerations, consistent with nationally recognized clinical guidelines. The Department shall ensure that participation in the pilot program is offered in an equitable and transparent manner across facilities. Provides that if the number of eligible individuals exceeds program capacity, the Department shall use a fair and objective selection methodology, which may include prioritization based on clinical need or a randomized selection process. Provides that the Department shall document the basis for inclusion or non-inclusion of eligible individuals and shall make aggregate information regarding eligibility and selection available to the General Assembly upon request. Provides that the Department shall not commence implementation of the pilot program unless and until sufficient opioid settlement funds have been secured to fully implement the program and to ensure that individuals participating in the pilot program may receive the full course of treatment clinically indicated. Provides that the Department shall ensure that, prior to the release of a person participating in the pilot program, the person is connected to an appropriate provider or treatment site in the geographic region in which the person will reside after release, that an appointment for continued treatment is scheduled with that provider or site, and that relevant medical and treatment information is shared with the receiving provider to support continuity of care. Provides that the Department shall contract with an independent research organization, public university, or other qualified third-party evaluator to conduct an independent evaluation of the pilot program. Provides that the Department shall provide the evaluator with access to relevant program and administrative data necessary to complete the evaluation, subject to applicable privacy protections. Provides that the independent evaluator shall prepare a report summarizing the findings of the evaluation and shall submit the report to the Department and the General Assembly no later than January 1, 2029 (rather than January 1, 2028). Deletes the immediate effective date of the bill.

Provides a procedure for the clerk to accept for safekeeping a will that is defined as a document intended to be a testamentary instrument. Defines "depositor" as the person who is delivering the will for deposit and includes the testator, who is a resident in the county where the will is being deposited or a person authorized by court order. Creates a procedure for the clerk to follow in accepting, keeping, and returning these documents. Allows the clerk to charge a fee of up to \$25 for each will deposited, and the clerk may not collect a separate fee for additional documents concurrently deposited in relation to a single testator or for a single joint will prepared for a husband and wife. During the lifetime of the testator, the clerk may release the deposited will only to the testator in person upon proof of identity or pursuant to an order. Makes other changes.

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

FISCAL NOTE (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction. HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as \$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined

in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

Amends the Construction Site Temporary Restroom Facility Act. Changes the Act's short title to the Construction Site Temporary Restroom Facility and Sanitary Conditions for Menstruation and Lactation Act. Repeals a provision which specifies that separate toileting facilities are not required for males and females if individual portable toilet facilities are used by an owner of a portable building or building under construction to provide access to a restroom. Provides that, if a woman or an individual who menstruates is present on a work site and there are 10 or more workers of any gender at the work site, then a separate toilet

facility shall be provided at the work site and designated for use by women and individuals who menstruate. Requires employers in the construction industry to provide their workers who menstruate and are performing construction activities on a work site with minimum sanitary conditions. Describes the required minimum sanitary conditions. Requires employers in the construction industry, upon request, to provide their workers who are lactating and performing construction activities on a work site with reasonable accommodations needed to express breast milk. Describes reasonable accommodations for lactation. Provides that, on or before January 1, 2027, the Department of Public Health shall provide guidance to employers on the accommodations to be provided. Authorizes employees of construction sites to call the certified local public health agency with jurisdiction over a construction site to request an inspection if noncompliance with the Act is suspected. Prohibits retaliation by employers if a call is made by an employee on a construction site for suspected noncompliance with the Act. Provides that any owner who fails or refuses to comply with the provisions of the Act commits a petty offense and is subject to a fine to be determined by the certified local public health agency (rather than only being subject to a petty offense). Defines "employer". Effective immediately.

HB-4785 LAPOINTE, GRASSE, AVELAR, WILLIAMS, ANN AND OLICKAL.

New Act

Creates the Preventing Crisis Cost Shifting to Medicaid Act. Provides that the General Assembly finds that (i) behavioral health crisis services, including crisis call centers, mobile crisis response, and crisis stabilization and receiving services, function as essential public health infrastructure and must be available statewide without regard to insurance status; and (ii) commercial health insurance policies issued or administered in the State generally do not provide comprehensive coverage for the full continuum of behavioral health crisis services, resulting in the cost of such services being disproportionately borne by Medicaid, local governments, and taxpayers. Requires specified entities (surcharge payors) that are authorized to issue or administer a policy or contract of accident and health insurance or a health maintenance organization contract in the State to pay a behavioral health crisis assessment to the Department of Human Services for deposit into the Statewide 9-8-8 Trust Fund. Exempts Medicaid managed care organizations from paying the behavioral health crisis assessment. Permits the Department to update the total behavioral health crisis assessment amount as necessary to ensure the continued availability, quality, or geographic equity of the statewide behavioral health crisis system. Requires the Department to establish an appropriate mechanism

for enforcing a surcharge payor's liability, which may include accrued interest on unpaid liabilities at a rate not to exceed 18% per annum and late fees or penalties at a rate not to exceed 5% per month. Provides that the enforcement mechanism may also include notification to the Department of Healthcare and Family Services to offset payments on the surcharge payor's claims. Provides that the Department of Human Services shall not direct the Department of Healthcare and Family Services to offset claims payments unless the surcharge payor has maintained an outstanding liability to the Statewide 9-8-8 Trust Fund for a period longer than 45 days and has received proper notice of pending enforcement.

Amends the Unemployment Insurance Act. Provides that, if an employer employing 75 or more employees in the State conducts a layoff, furlough, or temporary shutdown resulting in the separation of one or more employees, the employer shall submit required claim-initiation information to the Department of Employment Security on behalf of each affected employee. Sets forth additional requirements. Provides for civil penalties for a violation of the provision.

FISCAL NOTE (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4805 and has determined that the legislation could have a fiscal impact on the administrative costs for the Department. The Department's cost estimate for this Fiscal Note assumes that information the Department receives from employers in the event of a layoff, furlough, or shutdown functions to initiate and file an unemployment insurance claim on behalf of each affected worker. The Department estimates that the administrative costs of reprogramming systems, administering new processes, engaging in rule-making, and related activities would be approximately \$1,000,000. The Department notes that some information required to initiate an unemployment insurance claim and appropriately determine an individual's weekly benefit amount would, in most cases, likely not be available to employers. The Department also notes that individuals would still be required to create their own account with identity-proofing methods required of all unemployment insurance claimants. The Department estimates that there would be a de minimis fiscal impact on the Unemployment Insurance Trust Fund. The Department has also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$5 per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$5 per hour worked. Makes a conforming change. Amends the State Mandates Act to require implementation without reimbursement.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$6 (rather than \$5) per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$6 (rather than \$5) per hour worked.

PENSION NOTE (Government Forecasting & Accountability)

According to IMRF HB 4909 may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact only a small number of individuals who were previously ejected from IMRF for participating in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the increase in participants would be minimal. As of this writing, IMRF is neutral on this legislation.

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. 705 ILCs 405/5-810

Amends the Juvenile Court Act of 1987. Provides that the State's Attorney may file a written petition, at any time prior to commencement of the minor's trial, to designate the proceeding as an extended jurisdiction juvenile prosecution when the petition alleges the commission by a minor 15 (rather than 13) years of age or older of any offense that would be a felony if committed by an adult. Provides that, upon filing of a petition, the judge shall conduct a hearing at which he or she shall first determine whether there is probable cause to believe that the allegations in the petition and motion are true. Provides that, if probable cause is found, the judge may enter an order designating the proceeding as an extended jurisdiction juvenile proceeding if the judge makes a finding based on clear and convincing evidence that sentencing under the Unified Code of Corrections may be appropriate for the minor based on an evaluation of certain factors. Provides that the judge shall consider: (1) the minor's age, impetuosity, and level of maturity at the time of the offense, including the ability to consider risks and consequences of behavior, and any presence of cognitive or developmental disability, or both, including if a comprehensive mental health evaluation of the minor was conducted by a qualified mental health professional, the outcome of the evaluation; and (2) the history of the minor, including the minor's family, home environment, educational and social background, including any history of parental neglect, domestic or sexual violence, sexual exploitation, physical abuse, or other childhood trauma, including adverse childhood experiences. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Restores the minimum age of 13 at which a petition may be filed to designate the proceeding as an extended jurisdiction juvenile prosecution. Restores various factors that the judge may consider in designating a proceeding an extended jurisdiction juvenile prosecution. Deletes as a factor the consideration of the minor's impetuosity and level of maturity. Provides that the offenses that may be considered by the State's Attorney in determining whether to file

a petition to revoke the stay of an adult sentence under the Unified Code of Corrections include a felony offense involving the use or unlawful possession of a firearm. Provides that after a hearing, if the court finds by clear and convincing evidence (rather than beyond a reasonable doubt) that the minor committed a new qualifying offense, that there is a rebuttable presumption that the court may order execution of the previously imposed adult criminal sentence. Provides that after a hearing, if the court finds by clear and convincing evidence that the minor committed a new qualifying offense, there is a rebuttable presumption that the court shall order execution of the previously imposed adult criminal sentence unless the new offense is a non-violent forcible felony or a Class 4 felony unlawful possession of a weapon offense and the defendant is 18 years of age or older. Provides that if the court declines to order execution of the previously imposed adult criminal sentence, the court may continue the minor on the existing juvenile sentence with or without modifying or enlarging the conditions.

from Ch. 121, par. 100-8

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a

certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

FISCAL NOTE (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.
