To the Governor and Honorable Members of the General Assembly:

The Illinois Department of Central Management Services (CMS) is providing this report in accordance with the State Entities Single-Use Plastic Reporting Act, 30 ILCS 567/10.

According to CMS records, from July 1, 2024 through June 30, 2025, CMS purchased \$667.50 worth of single-use plastic disposable foodware that was less than \$2,000 or otherwise not reduced to writing. Of that amount, \$312.50 was utilized during an event with catering services. CMS is committed to the goal of limiting the purchase of single-use disposable foodware and will remind agency staff of their statutory responsibility.
