

Newman Police Department BWC-Data Storage 2026 Annual Report

1. NPD is made up of (1) FT Officer and (4) PT Officers - All Officers wear a BWC while on duty.
2. NPD has (2) BWCs
3. The only technical issue is one squad does not sync with the BWC so it will not activate upon the trigger. The issue is being addressed with the company to diagnose the issue. Both ICV and BWC cameras work separately, but will not sync together to activate simultaneously.
4. (3) BWC videos, if available, are reviewed on a monthly basis for each individual Officer by the Chief of Police. Some Officers do not work every month and/or have no BWC video to review.
5. See attached spreadsheet.
6. No recordings used for civil proceeding or internal affairs investigations
7. No other relevant information to the administration of the program.
