Re: Body Camera Report

As per ILETSB policy the following report is on the department's use of body worn cameras.

1. Agency Makeup
  - (a) Four Full Time Officers and Eight Part Time Officers
  - (b) All Officers utilized body cameras while on duty
  - (c) Our agency maintains eight body cameras. Each full-time officer has a body camera assigned to them and when a part-time officer works, they utilize a camera that has been reserved for their use
  - (d) One camera has been reserved for a backup in case of a failed or broken camera
  - (e) We have had some cameras malfunction or froze up on occasion and had to be hard reset.
  - (f) I as the Chief or our Sgt review body camera footage on all arrests and periodically (weekly) spot check a recording of each officer
  - (g) A copy of the spreadsheet with each time a camera was used, and the video was forwarded to the State's Attorney for use in prosecution is attached to this report

Respectfully,

Richard Wright  
Chief of Police
