

## OFFICE OF THE GOVERNOR

207 STATE HOUSE  
SPRINGFIELD, ILLINOIS 62706

**JB PRITZKER**  
GOVERNOR

May 8, 2026

To the Honorable Members of the Illinois General Assembly:

As required by Section 5 of the Illinois Regulatory Sunset Act (5 ILCS 80/1 et seq.), the Governor's Office of Management and Budget (GOMB) facilitated a study with the Illinois Department of Financial and Professional Regulation (IDFPR), the agency responsible for oversight of the Licensed Certified Professional Midwife Practice Act (225 ILCS 64) (the Act). This letter transmits the results of this study and provides justification to continue the Act.

The Act governs the licensure provided by IDFPR of professional midwives in the State of Illinois. The absence of licensed professional midwives would pose a significant and direct harm to the safety and welfare of the public. Illinois standards promote a consultative and integrated maternity care delivery system, with agreed-upon consulting, transfer, and transport protocols used by all health care professionals and licensed certified professional midwives in every health care setting. The goal is to maximize client safety and positive outcomes, ensure accredited education and training as prerequisites for licensure, and protect the public.

Based on the factors in 5 ILCS 80/6 and the additional criteria in 5 ILCS 80/7, GOMB finds that the Act should be recommended for continuation. The record should expressly state that the public protection benefits of regulation outweigh the regulatory costs and that no less restrictive alternative would adequately address the significant and discernible harms identified in this report.

My office has reviewed this report and agrees with the recommendation to continue the Act. I present this report to the General Assembly for consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "JB Pritzker".

Governor JB Pritzker
