

ILLINOIS DEPARTMENT OF CORRECTIONS

Report for Pregnant Committed Persons

June 1, 2026

JB Pritzker
Governor

Latoya Hughes
Director

In accordance with 730 ILCS 5/3-6-7 of the Unified Code of Corrections, the Illinois Department of Corrections submits the following information regarding the Pregnant Committed Persons Yearly Report.

[\(730 ILCS 5/3-6-7\)](#)

Sec. 3-6-7. Pregnant committed persons.

(b) No later than 30 days before the end of each fiscal year, the Department shall submit a written report to the Illinois General Assembly and the Office of the Governor that includes an account of every instance where a pregnant or postpartum committed person had restraints used pursuant to this Section during the previous fiscal year. The written report shall state the date, time, location, and rationale for each instance in which restraints are used. The written report shall include information provided to the Jail and Detention Standards Unit by each county department of corrections and county jail. The Department's written report shall also include information on county department of corrections and county jails that did not report as required. The written report shall not contain any individually identifying information of any committed person. The report shall be made available for public inspection.

(c) No later than 30 days before the end of each fiscal year, the Department shall submit a written report to the Illinois General Assembly and the Office of the Governor that includes the number of pregnant committed persons in custody each year and the number of people who deliver or miscarry while in custody. The written report shall include information provided to the Jail and Detention Standards Unit by each county department of corrections and county jail. The Department's written report shall also include information on county department of corrections and county jails that did not report as required. The written report shall not contain any individually identifying information of a committed person. The written report shall be made available for public.

Report reflects May 1, 2025 to April 30, 2026 data.
