**To:** Illinois Law Enforcement Training and Standards Board (ILETSB)

**From:** Chief James Levand

**Date:** May 31st, 2026

**Subject:** 2025 Body Camera Report

This report fulfills the Illinois Body-Worn Camera Act reporting requirements, and the Illinois Law Enforcement Training and Standards Board grant acceptance rules.

### **Department Overview, Number of Cameras, Installation, and Utilization**

The Campton Hills Police Department 2025 authorized strength consists of sixteen (16) officers, including nine (9) full-time and five (5) part-time officers, including one (1) Chief and one (1) Deputy Chief.

The Department BWC and in-squad inventory consists of thirteen (13) Axon Body 4 body-worn cameras and six (6) Axon Fleet 4 in-squad cameras. The department provides an Axon camera for every officer. The department updated in 2025 from the Axon Body 3 body-worn cameras and Fleet 3 in-squad cameras to the Axon Body 4 body-worn cameras and Axon Fleet 4 systems.

Campton Hills policy requires officers to utilize the cameras when in uniform while conducting law enforcement activity. Body 4 cameras and Axon Fleet 4 in-squad cameras sync to the Axon cloud system.

### **Audit-Review Process**

A supervisor reviews at least one randomly selected file a month. Campton Hills Police command staff may periodically review records. Supervisors review the records to:

- Ensure officer compliance with policy
- Identify training needs
- Recognize exemplary officer performance
- Complete citizen complaint investigations
- Fulfill FOIA requests

### **Technical issues**

- No issues reported/discovered from any Axon Fleet 4 in car camera systems in 2025.
- No issues reported/discovered from any Axon Body 4 cameras in 2025.
