Amends the Court of Claims Act. Provides that the Court of Claims has exclusive jurisdiction to hear all claims against the State for time unjustly served in State prisons, in county jails, in county juvenile detention facilities, or in Illinois Youth Centers, on parole or probation, or registered as a sex offender if the person was unjustly convicted or adjudicated a delinquent and received a pardon from the Governor on the ground of innocence of the crime for which the person was convicted or adjudicated a delinquent or the person received a certificate of innocence. Provides instead that the court shall make an award of \$50,000 per year during which the person was wrongfully incarcerated and \$25,000 for each year during which the person was wrongfully on parole or probation or required to register as a sex offender. Provides that the changes made by the amendatory Act apply to claims pending or filed on or after the effective date of the amendatory Act. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and then serves any part of a sentence of incarceration in a State prison, in a county jail, in a county juvenile detention facility, or in a Illinois Youth Center, on parole or probation, or registered as a sex offender (rather than convicted and subsequently imprisoned) for one or more felonies by the State that the person did not commit may file a petition for certificate of innocence. (2) For awards of more than \$1,000,000 but less than \$1,300,000, \$1,000,000 is to be paid from the State fiscal year in which the award was entered, and the remainder is to be paid in the next fiscal year thereafter. (3) For awards of \$1,300,000 or more, \$1,000,000 is to be paid from the State fiscal year in which the award was entered, and the remainder is to be paid in equal installments over the next 3 years. Requires that court to determine reasonable attorney's fees, costs, and expenses for the claimant's attorney not to exceed: (1) 25% of the award for claimants incarcerated 3 years or less; (2) 15% of the award for claimants incarcerated more than 3 years but less than 10 years; and (3) 10% of the award for claimants incarcerated 10 years or more. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. ## Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Public Utilities Act. Defines "long-form content", "short-form content", "video programming", and "video streaming service". Provides that "normalization" means adjusting the audio of short-form content by measuring and scaling the average loudness of the audio to match the target loudness of the audio of the accompanying long-form content distributed by a video streaming service or third-party advertising manager consistent with established industry standards. Provides that, on and after July 1, 2027, a video streaming service or third-party advertising manager that serves consumers residing in the State shall exercise reasonable care in normalizing the audio of short-form content so that the audio is not transmitted at a louder volume than the audio of the accompanying long-form content, consistent with the regulations adopted by the Federal Communications Commission pursuant to the Commercial Advertisement Loudness Mitigation (CALM) Act (Public Law 111-311) for television broadcast stations, cable operators, and other video programming distributors. Provides that a video streaming service that engages a third-party advertising manager to solely control the loudness of the audio of short-form content on the video streaming service shall not be liable under the amendatory provisions for short-form content distributed by the third-party advertising manager on the video streaming service if the video streaming service enters into a written agreement with the third-party advertising manager that requires the audio of short-form content distributed by the third-party advertising manager to not be louder than the target loudness of the audio of the accompanying long-form content distributed by the video streaming service, consistent with established industry standards. Provides that the amendatory provisions do not create a private right of action and that the Attorney General shall have exclusive authority to enforce the amendatory provisions. Requires the Attorney General to provide a video streaming service or third-party advertising manager written notice of an alleged violation of the amendatory provisions before initiating any action pursuant to the amendatory provisions. Makes other changes.
