225 ILCS 65/60-5

225 ILCS 65/60-10

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In a provision concerning registered professional nursing education programs, provides that no program shall be placed on probation until calendar year 2026 National Council Licensure Examination (NCLEX) results can be measured. Provides that any program with NCLEX pass rates for calendar year 2026 less than 75% shall receive a written warning of noncompliance from the Division of Professional Regulation of the Department of Financial and Professional Regulation pursuant to a specific provision of the Illinois Administrative Code, except the Division may defer the written warning for an additional year if the program is within a public university and 55% or more of the university's total student population received Pell Grants. Removes a provision concerning the rescission of a license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing. Effective September 1, 2026.

705 ILCS 405/5-715

Amends the Juvenile Court Act of 1987. Provides that the court shall require a minor to participate in restorative justice programs, such as social service programs for high-risk youth, cognitive behavioral therapy, including family engagement and mentoring, and comply with referral recommendations if the minor: (1) has previously been placed on probation for an offense that involves the possession or discharge of a firearm not causing any injury; and (2) is convicted of a subsequent offense involving the possession or discharge of a firearm not causing any injury.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that when the court places a minor on probation for an offense that involves the possession or discharge of a firearm not causing any injury, and the minor has previously been placed on probation for an offense that involves the possession or discharge of a firearm not causing any injury, the probation agency shall: (1) conduct an individualized assessment of the minor's needs; (2) identify the array of services available in the community where the minor resides that may be appropriate to address the minor's needs, which may include, but are not limited to, restorative justice programs, social service programs for high-risk youth, cognitive behavioral therapy, family engagement, and mentoring; and (3) share with the minor and the minor's parent, guardian, or legal custodian information about their options to access services identified under the provision. Provides that the probation agency may recommend to the court that it require the minor to access the services identified in the provision as a condition of probation.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions regarding the notice of intention not to renew a policy of insurance, provides that no company may impose renewal premium increases of more than 10% for policies of fire and extended coverage insurance that are subject to certain cancellation requirements, unless the company mails or delivers by electronic means to the named insured notice of the increase in renewal premium at least 60 days before the policy renewal or anniversary date. Creates the Rates for Fire and Extended Coverage Insurance Article. Contains provisions concerning the purpose and applicability of the Article. Prohibits rates from being excessive, inadequate, or unfairly discriminatory, as specified. Sets forth provisions concerning determinations and notice from the Department of Insurance and hearings on the notice. Provides that credible State-specific loss experience shall be used in the development of rates whenever that data is available and statistically reliable. Authorizes insurers, in order to meet actuarial standards of credibility, to supplement State-specific loss experience with countrywide, regional, or out-of-state loss experience. Effective July 1, 2027.

105 ILCS 5/10-20.56

Amends the School Code. Allows the school board of a school district to use an adopted and verified program for e-learning days district-wide that permits student instruction to be received electronically while students are not physically present on an election day because a school was selected to be a polling place (rather than adopt a research-based program for e-learning days district-wide that shall permit student instruction to be received electronically while students are not physically present because a school was selected to be a polling place). Provides that e-learning days used for this purpose may not be counted in lieu of the district's scheduled emergency days.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the School Boards Article of the School Code. In provisions regarding e-learning days, provides that an e-learning day used by a school district due to a school being selected as a polling place does not count toward the school district's minimum number of emergency days in the approved school calendar.

 (Sen. Mary Edly-Allen)

105 ILCS 5/10-22.18

from Ch. 122, par. 10-22.18

Amends the School Code regarding the establishment of kindergartens. With respect to a provision stating that kindergarten should provide opportunities for play-based learning, defines: (1) "play-based learning" as either guided play or student-initiated play; (2) "guided play" as intentional teacher-directed play with activities set up and led by a teacher that are aligned to learning goals or standards; and (3) "student-initiated play" as child-selected opportunities to build, pretend, create, move, or explore in an environment intentionally curated by a teacher to align with learning goals or standards.

House Floor Amendment No. 2

Rearranges the definitions of "guided play" and "student-initiated play", and corrects reference errors.

Senate Floor Amendment No. 1

Changes the term "guided play" to "teacher-initiated play".

225 ILCS 10/6.5 new

Amends the Child Care Act of 1969. Provides that a licensed day care center may hire an individual who is in the process of completing the educational requirements set forth in administrative rules as an Interim Conditional Child Care Director for a period of 12 months. Requires the hired individual to provide documentation that shows that the individual is enrolled in courses that meet the requirements set forth in administrative rules. Provides that the individual shall be enrolled in an accredited college or university. Provides that during the 12-month employment period, an Interim Conditional Child Care Director with specified qualifications is exempt from the educational requirements set forth in administrative rules.

House Floor Amendment No. 2

Adds reference to:

225 ILCS 10/6.3 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth the educational requirements for child care directors hired on or after the effective date of the amendatory Act. Makes changes to the qualifications for interim conditional child care directors. Provides that only licensed day care centers that have already employed at least one fully qualified and credentialed child care director may hire an interim conditional child care director. Provides that any licensed day care center that employs an interim conditional child care director is restricted to hiring no more than 2 interim conditional child care directors for every employed credentialed and qualified child care director. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that a licensed day care center may employ (rather than hire) an individual who is in the process of completing the educational requirements set forth in the Illinois Administrative Code as an interim conditional child care director for the period of 12 months if they meet the conditions outlined in specific provisions. Provides that an individual employed under the provision shall comply with the process established by the Department of Early Childhood. Requires the licensed day care center, at the time of the individual's employment, to provide documentation that shows that the individual is enrolled in courses at an accredited college or university that satisfy those requirements. Provides that any licensed day care center that employs an interim conditional child care director is restricted to hiring no more than one interim conditional child care director (rather than 2 interim conditional child care directors) for every credentialed and qualified child care director employed. Provides that if an interim conditional child care director leaves the position of interim conditional child care director during the 12-month period, the licensed day care center may employ a new interim conditional child care director to replace the previous interim conditional child care director. Provides that a day care center shall ensure direct supervision on an ongoing basis by a fully qualified child care director practicing in the State of Illinois, with a minimum of monthly on-site check-ins, unless the supervising director determines that more frequent check-ins are required, which shall continue for the entire duration of any interim conditional child care director's appointment. Provides that an interim conditional child care director shall not be scheduled during any hours when an interim conditional teacher is on duty. Provides that parents and caregivers shall be notified if an interim conditional child care director is employed by a day care center, and that this information shall be posted in a common area that is visible to parents and caregivers for the duration of the interim period. Provides that failure to comply with the provisions shall result in a violation and the issuance of a corrective action plan. Provides that the Department shall adopt rules to implement the provisions in accordance with the Illinois Administrative Procedure Act. Provides that the provision is repealed on June 30, 2032. Effective July 1, 2027.

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning definitions; oaths, subpoenas, and penalties; applicants with criminal convictions; qualification for licensure or registration; health care worker licensure actions; automatic suspension of a health care worker's license; the publication of disciplinary actions; and records of Department actions. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. In provisions concerning required licensure, provides that an application shall not be automatically placed on hold, delayed, denied, or otherwise not processed by the Department of Financial and Professional Regulation because it was submitted by a person who is incarcerated. Amends the Health Care Professional Credentials Data Collection Act. In provisions concerning licensure records, provides that licensure records designated confidential and considered sealed (rather than expunged) for reporting purposes by the licensee are not reportable under the Act. Amends the Unified Code of Corrections. In provisions concerning loss and restoration of rights, provides that no application for specific licenses granted under the authority of the State shall be denied to (rather than denied by reason of) an eligible offender who has obtained a certificate of relief from disabilities, having been previously convicted of one or more criminal offenses (rather than or by reason of a finding of lack of "good moral character"), when the finding is solely based upon the fact that the applicant has previously been convicted of one or more criminal offenses, except for certain circumstances. Repeals provisions concerning the Department of Financial and Professional Regulation's annual report to the General Assembly. Makes other changes. Effective immediately.

House Floor Amendment No. 1

Provides that the Act may be referred to as the Comprehensive Licensing Information to Minimize Barriers Act (rather than the Reducing Barriers to Licensure Act). In provisions amending the Unified Code of Corrections, provides that failure to obtain a certificate of relief from disabilities shall not be the sole reason for denial of specific licenses. Provides that nothing in the Act shall be construed to eliminate the reporting requirements pursuant to a specific provision of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

Senate Committee Amendment No. 1

Deletes reference to:

225 ILCS 410/1-7	(from Ch. 111, par. 1701-1)

HB 04826

Rep. Kelly M. Cassidy
 (Sen. Ram Villivalam)

20 ILCS 2105/2105-379 new

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Provides that a licensee shall not receive continuing education credit toward the renewal of a professional license for any continuing education course, program, seminar, instruction, webinar, or other educational activity that promotes, instructs, or provides guidance on the performance of prohibited services, treatments, practices, or procedures. Provides that a determination of whether continuing education credit is permitted under the amendatory Act shall occur only in the course of a continuing education audit or license renewal audit conducted by the Department of Financial and Professional Regulation. Provides that approval by the Department of a continuing education provider or continuing education course does not supersede the provisions of the amendatory Act. Provides that nothing in the amendatory Act shall be construed to require the Department to proactively review, pre-approve, evaluate, monitor, or otherwise assess continuing education content restrictions under the amendatory Act outside of an audit process. Effective January 1, 2027.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following change. Removes provisions limiting the determination of whether continuing education credit is permitted to the course of a continuing education audit or license renewal audit conducted by the Department of Financial and Professional Regulation. Effective January 1, 2027.

Senate Floor Amendment No. 1

Provides that nothing in a specific provision shall be construed to prohibit a licensee from receiving continuing education credit toward renewal of a professional license for any continuing education course, program, seminar, instruction, webinar, or other educational activity that instructs or provides guidance on recognizing, identifying, reporting, or responding to criminal conduct or victimization as it affects clients or third parties, provided that such educational activity does not itself promote, instruct, or provide guidance on the performance of prohibited services, treatments, practices, or procedures.

210 ILCS 45/3-610.5 new

Amends the Nursing Home Care Act. Requires each facility to notify the appropriate regional office of the Department of Public Health within 24 hours, or by the end of the next business day, after each reportable incident or accident. Requires the facility to send a narrative summary of each reportable incident or accident to the Department within 5 days after the incident or accident.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that each facility shall notify the Department of any incident or accident that results in serious physical harm or injury to a resident (rather than significant physical harm or injury). Provides that a facility is not precluded from reporting any suspected abuse or neglect that must be reported according to the Abused and Neglected Long Term Care Facility Residents Reporting Act. Provides that notification shall be made by phone, by fax, or through the Office of Health Care Regulation LLCS Portal (rather than just through the Office of Health Care Regulation LLCS Portal) to the appropriate regional office of the Department within 24 hours after each reportable incident or accident (rather than with 24 hours after each reportable incident or accident or by the end of the next business day, whichever is later). Requires a narrative summary of each reportable incident or accident to be sent to the Department within 5 business days (rather than 5 days) after the incident or accident.

Senate Committee Amendment No. 1

Adds notification by email to the list of contact methods that a facility may use to complete the required notification to an appropriate regional office of the Department of Public Health within 24 hours after each reportable incident or accident.

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$5 per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$5 per hour worked. Makes a conforming change. Amends the State Mandates Act to require implementation without reimbursement.

Senate Committee Amendment No. 1

Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$6 (rather than \$5) per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$6 (rather than \$5) per hour worked.

Pension Note (Government Forecasting & Accountability)

According to IMRF HB 4909 may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact only a small number of individuals who were previously ejected from IMRF for participating in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the increase in participants would be minimal. As of this writing, IMRF is neutral on this legislation.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person who is part of or becomes part of a bargaining unit for which a participating municipality is required to contribute to a Taft-Hartley pension plan under a collective bargaining agreement or other written agreement in effect on or before the effective date of the amendatory Act shall be deemed to be an employee for any period on or after July 16, 2014. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note, Senate Committee Amendment No. 1 (Government Forecasting & Accountability)

According to IMRF HB 4909 (S-AM 1) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to its conferring benefits on a select group of IMRF members rather than the whole body of members.

Pension Note, Senate Floor Amendment No. 2 (Government Forecasting & Accountability)

According to IMRF, HB 4909 (S-AM 2) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. New Act

Creates the Family Justice Centers Act. Authorizes cities, counties, the State, and community-based nonprofits to establish multiagency, multidisciplinary Family Justice Centers to serve survivors of domestic violence, sexual violence, stalking, and human trafficking. Sets requirements for center operations, including survivor consent and confidentiality policies, privacy protections, collaboration with law enforcement and community providers, operating agreements, survivor feedback processes, and annual training standards. Provides a framework for coordinated service delivery among participating agencies. Declares findings. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In specified lists that include law enforcement, adds references to the Department of Children and Family Services. Provides that, if Department of Children and Family Services personnel are present on site at a Family Justice Center, they shall only interact with a survivor receiving services from the Family Justice Center upon the survivor's request. Provides that each Family Justice Center shall consult with certain types of statewide and local community-based agencies (rather than just certain types of community-based agencies). Makes changes to provisions concerning the survivor consent policy required for each Family Justice Center. Deletes a provision specifying that a Family Justice Center is not required to obtain consent before sharing information obtained from a survivor with a mandated reporter, a peace officer, or a member of the prosecution team if that person is required by law to report or disclose specific information or incidents. Makes other changes.

Amends the Wholesale Drug Distribution Licensing Act. In provisions concerning restrictions on transactions, provides that prescription drugs furnished by a manufacturer or wholesale distributor licensed under the Act may be delivered only to the business address of a licensee registered with the Department of Financial and Professional Regulation, to the premises listed on a license, or, if the Department has received notice that the licensee has authorized a health care entity to receive the prescription drugs, to the address of a health care entity (instead of only to the premises listed on the license). Provides that "health care entity" means an entity where medical, dental, or veterinary services are provided by a licensed practitioner and where the licensed practitioner is responsible for the receipt, storage, and use of drugs.

House Floor Amendment No. 2

Provides that prescription drugs that are controlled substances furnished by a manufacturer or wholesale distributor licensed under the Act may be delivered only to a registered place of business or professional practice, as required by the Illinois Controlled Substances Act.

Amends the Illinois Health Care Facilities Planning Act. Repeals the January 1, 2027 inoperative date affecting a change of ownership among related persons. Amends the Illinois Antitrust Act. Repeals the January 1, 2027 inoperative date affecting notice provisions to the Attorney General before a health care merger or affiliation. Amends provisions requiring health care entities to notify the Attorney General within 30 days before a merger or affiliation to include a "covered transaction" even if the parties to the transaction are not themselves a health care facility or provider organization but own or control, directly or indirectly, one or more of the 2 or more health care facilities or provider organizations that will be under common ownership or contracting affiliation if the transaction is consummated, including if parties to the covered transaction are private equity companies. Defines "private equity company" to mean any company or partnership that collects capital investments from individuals or entities and purchases, as a parent company, at any level of corporate ownership, or through another entity or entities so that the company completely or partially owns or controls, a direct or indirect ownership share of an Illinois health care entity or an out-of-state health care entity that generates \$10,000,000 or more in annual revenue from patients residing in this State. from Ch. 73, par. 968g

Amends the Illinois Insurance Code. Requires every insurer to provide in each group or individual policy, contract, or certificate of insurance issued or renewed for persons who are residents of the State, coverage for screening by low-dose mammography for all patients 30 (instead of 35) years of age or older for the presence of occult breast cancer within the provisions of the policy, contract, or certificate. Requires coverage for a baseline mammogram for patients 30 to 34 (instead of 35 to 39) years of age and an annual mammogram for patients 35 (instead of 40) years of age or older. Effective January 1, 2027.

House Floor Amendment No. 1

Further amends the Illinois Insurance Code. In provisions concerning coverage for mammograms and mastectomies, provides that, notwithstanding any specified age requirement, coverage shall be consistent with evidence-based clinical guidelines and shall be provided in accordance with the determination of a health care provider, including coverage for individuals under 35 years of age when appropriate. Nothing in this Section shall be construed to limit coverage otherwise required under this Section based on age.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions concerning coverage for mammograms and mastectomies, provides that, notwithstanding any specified age requirement, coverage shall be consistent with evidence-based clinical guidelines and shall be provided in accordance with the determination of a health care provider, including coverage for individuals under 35 years of age when appropriate. Provides that this coverage requirement shall not be construed to limit coverage otherwise required under the provisions concerning coverage for mammograms and mastectomies. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2030 (instead of June 30, 2026). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the General Obligation Bond Act. Authorizes an additional \$700,000,000 (rather than \$1,000,000,000) of State Pension Obligation Acceleration Bonds. Makes a conforming change. Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2028 (instead of June 30, 2030). Effective immediately.

House Floor Amendment No. 2

In provisions amending the General Obligation Bond Act, authorizes an additional \$1,000,000,000 (rather than \$700,000,000) of State Pension Obligation Bonds. In language providing an exception to a limitation on bond issuance, excludes bonds authorized by certain changes made to the Act by Public Act 104-8 and bonds authorized by the amendatory Act. Makes a grammatical change.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 5196, as amended by HA 2, would extend the Accelerated Pension Buyout programs for two additional years, through June 30, 2028, and authorize an additional \$1 billion in State Pension Obligation Acceleration Bonds to pay for the buyouts, bringing the total bond authorization for these programs to \$3.2 billion. According to SERS, SURS, and TRS, the programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026). Given the experience of the buyout programs to date, it may be reasonable to anticipate similar participation patterns during the extended period under HA 2, which could help reduce the liability. However, estimating the precise reduction in pension liabilities is uncertain by nature, as participation is voluntary and individual member decisions play a significant role in determining overall program impact.

305 ILCS 5/5-30.11

Amends the Illinois Speech-Language Pathology and Audiology Practice Act. Allows a speech-language pathologist to diagnose autism spectrum disorders if: (1) the child is under 3 years of age; and (2) the speech-language pathologist is trained in autism diagnostic evaluation methods as part of the curriculum of an approved program, through worksite training, or through continuing education. Provides that if a diagnosis requires a plan of care that includes elements that are outside the scope of practice of a speech-language pathologist, the speech-language pathologist must refer the patient to the appropriate medical personnel for further evaluation or management. Makes conforming changes in the Medical Assistance Article of the Illinois Public Aid Code, and provisions of the Illinois Insurance Code concerning autism spectrum disorders. Effective July 1, 2027.

House Committee Amendment No. 1

Adds reference to:

325 ILCS 3/10-125 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Allows a speech-language pathologist to diagnose autism spectrum disorders if: (1) the child is under 3 years of age; (2) the speech-language pathologist is trained in autism diagnostic evaluation methods as part of the curriculum of an approved program, through worksite training, or through continuing education; and (3) the diagnosis occurs as part of the Illinois Early Intervention Program. Amends the Department of Early Childhood Act. Requires the Department of Early Childhood to adopt rules consistent with the purposes of the amendatory Act authorizing speech-language pathologists licensed by the Department of Financial and Professional Regulation to diagnose autism spectrum disorders under the Illinois Early Intervention Program. Provides that the Department of Early Childhood shall consult with relevant stakeholders, including developmental and behavioral pediatricians, when developing the rules. Effective January 1, 2028.

House Floor Amendment No. 3

Deletes reference to:

325 ILCS 3/10-125 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Illinois Insurance Code, provides that "diagnosis of autism spectrum disorder" includes one or more tests, evaluations, and assessments to diagnose whether an individual has autism spectrum disorder that are prescribed, performed, or ordered by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders in children under age 3 (rather than by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders). In provisions amending the Illinois Speech-Language Pathology and Audiology Practice Act, makes changes to the requirements necessary for a speech-language pathologist to diagnose autism spectrum disorders. In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). Effective immediately.

Senate Committee Amendment No. 1

Provides that a speech-language pathologist may diagnose autism spectrum disorders if the speech-language pathologist has completed training in age-appropriate autism diagnostic evaluation methods provided by an approved continuing education sponsor (rather than if the speech-language pathologist has an active autism evaluation credential issued by the Illinois Early Intervention Program).

765 ILCS 705/35 new

Amends the Landlord and Tenant Act. Requires landlords to disclose all non-optional fees in a clear and conspicuous manner in the listing and on the first page of the lease. Requires landlords to disclose if any utility bills are non-optional fees in the listing and the first page of the lease. Provides that if a landlord failed to comply with this disclosure, the landlord may not collect the non-optional fee. Prohibits a landlord from charging a bundled services fee that combines optional and non-optional fees. Prohibits a landlord from charging a tenant with a fee or fine that includes, but is not limited to, an application fee that includes a background check of more than \$50, an after-hours request for maintenance service, or pest abatement or removal in which the tenant has not contributed to the infestation. Prohibits a landlord from charging a tenant more than one of the following: (i) a security deposit, (ii) a move-in fee, or (iii) a move-out fee. Exempts leases in owner-occupied buildings containing 6 or fewer units and to nonresidential tenancies. Defines terms. Creates a civil cause of action for violation of the Act by a landlord. Makes other changes. Limits home rule.

20 ILCS 2310/2310-750 new

Replaces everything after the enacting clause. Provides that the Act may be referred to as the Illinois Menopause Equity and Care Act. Provides that the purpose of this Act is to improve awareness, understanding, and quality of care for individuals experiencing menopause. Requires the Department of Public Health to develop and make publicly available educational materials about menopause, including symptoms, evidence-based treatment options, and patient rights. Amends the Illinois Insurance Code. Requires that any individual or group plan of accident or health insurance amended, delivered, issued, or renewed on or after January 1, 2028 to provide coverage for medically necessary evaluation and treatment of menopause and perimenopause conditions as determined by a licensed health care provider in accordance with current evidence-based guidelines. Provides that covered treatment includes, but is not limited to: (i) hormone therapy; (ii) non-hormonal therapies for vasomotor symptoms; (iii) medications for menopause-related osteoporosis; or (iv) other treatments as recommended by a licensed health care provider. Allows insurers to voluntarily report menopause-related claims to the Department of Insurance for policy analysis. Amends the Medical Practice Act of 1987. Authorizes the Department of Public Health to make voluntary educational resources available to support clinicians in providing patient-based care, but participation in these resources is voluntary and is not required for licensure, certification, or professional compliance. Amends the Illinois Human Rights Act. Defines a menopause-related condition to mean perimenopause, menopause, and associated medical or symptomatic conditions that includes, but is not limited to, vasomotor symptoms, sleep disruption, cognitive or mood changes, and osteoporosis-related changes. Provides that for an employer to discriminate in any way or refuse or fail to provide reasonable accommodations for an employee because of a menopause-related condition is a civil rights violation under this Act. Reasonable accommodations may include, but are not limited to, flexible scheduling or modified work hours; temperature control or climate-adjusted workspace; private spaces for rest or symptom management; remote work options; and light-duty assignments if safe and feasible. Employers must engage in a timely, good-faith interactive process with employees who request accommodations under this subsection. Employers must post notices of the rights provided in this subsection and provide them to employees on beginning employment or on request. Provides a severability clause.

215 ILCS 5/356z.74

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In the Illinois Insurance Code: deletes changes affecting menopause-related conditions; provides that a group or individual policy of accident and health insurance or a managed care plan must provide coverage for medically necessary hormonal and non-hormonal therapy to treat menopausal and perimenopausal symptoms or conditions if the therapy is recommended by a qualified health care provider and the therapy has been proven safe and effective in peer-reviewed scientific studies and is prescribed in accordance with current evidence-based guidelines; provides that coverage for therapy to treat menopausal and perimenopausal symptoms or conditions must include all federal Food and Drug Administration-approved modalities of hormonal and non-hormonal administration; and provides that coverage must include medications for menopause-related osteoporosis and non-hormonal therapies for vasomotor symptoms. In the Illinois Human Rights Act, removes menopause-related conditions from the definition of "unlawful discrimination". In the Employment Article of the Illinois Human Rights Act: provides that "reasonable accommodations" for pregnancy include flexible scheduling or modified work hours and temperature or climate-adjusted workspace; removes language providing that it is a civil rights violation for an employer to discriminate in any way or refuse or fail to provide reasonable accommodations for an employee because of a menopause-related condition; and provides that the notice summarizing the requirements of the Article must include information about the right to reasonable accommodations for pregnancy, which includes the right to reasonable accommodations for menopause-related conditions. 105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that beginning with continuing education coursework commenced on or after July 1, 2026, a school district, special education cooperative, or other public educational employer may recognize graduate-level continuing education coursework for purposes of salary advancement or lane changes only if the continuing education coursework meets specified requirements. Provides that nothing in the provisions impairs the ability of the parties to a collective bargaining agreement to negotiate salary schedules or compensation structures, as long as any graduate-level continuing education coursework recognized for salary advancement or lane changes complies with those specified requirements. Allows the State Board of Education, in consultation with the Board of Higher Education, to adopt rules as necessary to implement the provisions. Effective July 1, 2026.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Employment of Teachers Article of the School Code. Provides that beginning with continuing education coursework completed on or after July 1, 2026, a school district, special education cooperative, or other public educational employer that provides for salary advancement for classroom teachers and administrators based on the completion of graduate-level, continuing education credit may recognize continuing education coursework for purposes of salary advancement only if the continuing education coursework meets specified requirements. Provides that nothing in the provisions impairs the ability of the parties to a collective bargaining agreement to negotiate salary schedules or compensation structures, as long as any continuing education coursework recognized for salary advancement complies with the provision requirements beginning with collective bargaining agreements entered into, modified, extended, or renewed on or after the effective date of the amendatory Act. Provides that nothing in the provisions requires a school district, special education cooperative, or other public educational employer to create a salary schedule or salary advancement pathway where one does not otherwise exist. Provides that implementation of the provisions shall be determined by each school district, special education cooperative, or other public educational employer. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that, beginning with continuing education coursework completed on or after July 1, 2026, a school district, special education cooperative, or other public educational employer may provide salary advancement to licensed classroom teachers for the completion of continuing education coursework if the continuing education coursework: (1) is graduate-level, degree-eligible credit offered through a regionally accredited institution of higher education and documented on an official academic transcript; and (2) includes an instructor of record. Provides that nothing in the amendatory Act requires a school district, special education cooperative, or other public educational employer to create a salary schedule or salary advancement pathway if one does not otherwise exist. Provides that nothing in the amendatory Act precludes the parties to a collectively bargained agreement from negotiating salary advancement or other compensation-related advancements under the collectively bargained agreement for other negotiated actions or activities by a licensed classroom teacher not set forth in the amendatory Act. Provides that implementation of the amendatory Act shall be determined by each school district, special education cooperative, or other public educational employer. Effective immediately.

 (Sen. Karina Villa-Javier L. Cervantes, Linda Holmes, Adriane Johnson and Mary Edly-Allen)

110 ILCS 947/65.110

Amends the Higher Education Student Assistance Act. Provides that the Post-Master of Social Work School Social Work Professional Educator License scholarships may also be known as School Social Work scholarships. Includes, as a qualified applicant subject to meeting the other requirements, (i) a person who is pursuing a clinical social work license or social work license and (ii) a person who will obtain a master's degree in social work from an approved program before enrolling the academic program that the scholarship would support. Allows scholarships to be applied to the payment of tuition and mandatory fees at a private, not-for-profit institution of higher education in the State that prepares students to obtain an Illinois Professional Educator License with an endorsement in School Social Work. Provides that a scholarship for a recipient attending a private, not-for-profit institution shall not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public university in the State. Effective July 1, 2026.

Fiscal Note (Illinois Student Assistance Commission)

The additional flexibility provided by HB 5460 could lead to more interest in the program, resulting in more students applying for the existing 250 slots and receiving scholarships, but the bill does not increase the number of scholarships available, does not increase the maximum award, and is not expected to require additional appropriations to implement.

Provides that when a child from an orphanage, foster family home, other State agency, children's home, or State residential unit eligible for special education services is placed in a separate public day school, that school shall meet the programmatic requirements and regulations for separate public day schools. Provides that any funds appropriated for the Illinois Teaching Excellence Program must be used, among other purposes, for indirect costs necessary for Program operation. Provides that an annual retention bonus of up to \$4,000 (rather than \$4,000) per year for 2 consecutive years shall be awarded to National Board certified teachers employed in hard-to-staff schools and such funds must be disbursed equally on an annual basis among all qualified educators (rather than on a first-come, first-served basis). Makes other changes. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes with respect to the Illinois Teaching Excellence Program. Changes and defines terms. Provides that a regional office of education or intermediate service center may establish one cohort per county, except that an additional cohort may be established if the number of candidates exceeds 20 participants in a single cohort. Limits a cohort to no more than 20 candidates. Allows a school district or individual school to establish a cohort if at least 3 candidates are enrolled. Allows the State Board of Education to provide or approve a cohort facilitator for a cohort, and if a cohort facilitator is not available locally, allows the State Board to (i) provide a facilitator through a virtual format or (ii) assign candidates to an existing cohort operated by a regional office of education, an intermediate service center, or another approved provider. Provides that when there are adequate funds available, monetary assistance and incentives shall include an annual retention bonus of \$4,000 awarded for 5 consecutive school years to a National Board certified teacher who is employed in a hard-to-staff school. Sets forth eligibility criteria and eligibility termination for the retention bonus. Provides that retention bonus funds shall be distributed on a first-come, first-served basis. Provides that teachers who hold both a National Board for Professional Teaching Standards designation and a current corresponding certificate issued by the National Board for Professional Teaching Standards shall be encouraged to participate in other mentoring programs. Allows a school district to award lane placement credit on the salary schedule to a teacher who is a National Board certified teacher or a candidate for National Board certification for participation in professional development associated with a National Board support program. Provides that the State Board shall report to the General Assembly on the available data pertaining to services offered, total educator participation and related demographic data, recruitment efforts, and program growth and outcomes by October 15, 2027. Makes other and conforming changes. Effective immediately.

SB 00315 (Continued)

Replaces everything after the enacting clause. Creates the Artificial Intelligence Safety Measures Act. Defines terms. Requires large frontier developers to create, implement, publish, and annually update a frontier AI framework addressing catastrophic-risk assessment, mitigations, cybersecurity, internal governance, third-party evaluations, and risks from internal use of frontier models. Requires transparency reports before deploying new or substantially modified frontier models and requires summaries of catastrophic-risk assessments. Mandates annual independent third-party audits and establishes access, reporting, retention, and publication requirements for audit results. Requires frontier developers to report critical safety incidents and requires large frontier developers to submit periodic summaries of internal-use risk assessments. Directs the Illinois Emergency Management Agency and Office of Homeland Security, in consultation with the Attorney General, to administer reporting mechanisms, issue guidance, and prepare annual reports. Establishes interoperability with certain regulatory regimes. Requires large frontier developers to file disclosure statements and pay fees. Provides whistleblower protections and internal reporting processes for covered employees. Establishes civil penalties for violations and clarifies that no private right of action is created. Amends the Freedom of Information Act to exempt specified information related to the Act from disclosure. Amends the Whistleblower Act to prohibit retaliation for good-faith disclosures of violations of the Artificial Intelligence Safety Measures Act. Contains home rule limitations and severability provisions. Effective January 1, 2027.

New Act

Creates the Transparency in Downcoding Act. Provides that the Act applies to certain policies of health insurance amended, delivered, issued, or renewed on or after the effective date of the Act, except for employee or employer self-insured health benefit plans under the federal Employee Retirement Income Security Act of 1974 and health care provided pursuant to the Workers' Compensation Act or the Workers' Occupational Diseases Act. Prohibits a health insurance issuer from using an automated process, system, or tool to downcode a claim; from downcoding a claim based solely on the reported diagnosis codes; and from using downcoding practices in a targeted or discriminatory manner against physicians who routinely treat patients with complex or chronic conditions. Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. Effective immediately.

Amends the Illinois Identification Card Act. Changes references from "electronic credential" to "mobile identification card". Provides that no relying party, including law enforcement, may take physical possession of a mobile identification card holder's mobile device for purposes of verifying the mobile identification card holder's identity. Amends the Illinois Vehicle Code. Inserts conforming provisions concerning requirements for mobile driver's licenses. Makes other changes.

Senate Floor Amendment No. 3

In provisions concerning limitations on the use of identification card information, provides that, when information is obtained from an identification card issued by the Secretary of State, the information may not be maintained or stored for longer than what is strictly necessary for the purpose for which the information was provided. Defines "verification process" as a method of authenticating the mobile identification card or the mobile driver's license through the use of secured encryption communication. Adds an immediate effective date.

Adds reference to:

720 ILCS 5/12C-5

was 720 ILCS 5/12-21.6

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Children's Advocacy Center Act, provides that MDT members shall access and share relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws, so that professionals involved in the investigation can coordinate effectively, ensure the safety and well-being of the child, and support a thorough and informed investigation while protecting sensitive information (rather than work together, share information, and maintain confidentiality throughout the investigative process.) Further provides that Children's Advocacy Centers shall have a multidisciplinary, coordinated systems approach to investigation of child maltreatment. Provides that this approach shall include policy on multidisciplinary team collaboration and communication that requires coordination among applicable MDT members and establishes procedures for the exchange of information pertinent to investigation and the safety of the child to the extent permitted under applicable state and federal privacy and confidentiality laws, through secure and confidential methods. Further provides that the policy shall require that MDT members have access to, and share, relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws, to facilitate MDT coordination, support the investigative responsibilities of the agencies with statutory authority, promote the safety and well-being of the child, and support a thorough and informed investigation while protecting sensitive information. Further provides that the multidisciplinary, coordinated systems approach to the investigation of child maltreatment shall require that MDT members have access to, and share, relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws and provide for that participation of appropriate MDT members, as relevant to the circumstances of the case. In provisions amending the Bill of Rights for Children, provides that the agency with statutory investigative authority shall notify a child and any parent or guardian of the right to request a forensic interview through the Children's Advocacy Center, subject to acceptance of the referral by the CAC, and that such right may be asserted by the child or the child's parent or guardian with the child's assent. Removes provisions amending the Code of Criminal Procedure of 1963. In provisions amending the Criminal Code of 2012, provides that a second or subsequent violation of provisions prohibiting endangering the life or safety of a child or a statute of any other state of an offense that is substantially equivalent to the offense of endangering the life or health of a child, is a Class 3 felony. In provisions amending the Bill of Rights for Children, makes changes to provisions concerning forensic interviews with children's advocacy centers.

210 ILCS 9/74 new

Amends the Assisted Living and Shared Housing Act. Provides that the Department of Public Health shall allow assisted living establishments and supportive living establishments to provide an approved course of training for certified nursing assistants at the establishment, so long as the training meets the requirements of the Nursing Home Care Act and rules adopted by the Department. Sets forth provisions concerning the supervised clinical training portion of the training program. Provides that the Department shall adopt rules requiring that the Health Care Worker Registry include information identifying where an individual received clinical training and may amend specified rules as necessary to implement the certified nursing assistant training program.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Assisted Living and Shared Housing Act. Provides that the Department of Public Health shall allow the supervised clinical portion of an approved certified nursing assistant training program to be completed either (i) on site at an assisted living establishment or supportive living establishment that demonstrates the ability to meet Department clinical training and resident acuity requirements or (ii) at a licensed skilled nursing or intermediate care facility through an affiliation agreement approved by the Department. Requires the Department to allow an individual to satisfy the supervised clinical experience requirement for placement on the Health Care Worker Registry through supervised clinical training completed at an assisted living establishment, a supportive living facility, or an affiliated site approved by the Department. Provides that the Department shall adopt rules requiring that the Health Care Worker Registry include information identifying where an individual received clinical training and shall amend any applicable rules as necessary to implement the amendatory provisions.

Senate Floor Amendment No. 2

Provides that the Department of Public Health shall allow an individual to satisfy the supervised clinical experience requirements for placement on the Health Care Worker Registry through supervised clinical training completed at an assisted living establishment, a supportive living program building (instead of a supportive living facility), or an affiliated site approved by the Department.

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Creates the Strengthen Illinois Homes Fund. On or before July 1, 2028, and depending on availability of funds, provides that the Department of Insurance shall identify areas of need to administer a pilot grant program known as the Strengthen Illinois Homes Program. Requires the Department of Commerce and Economic Opportunity, in conjunction with the Department of Insurance, to develop a standard application and grant award rubric for the eligible program grantees. Establishes program requirements for contractors. Amends the State Finance Act to make a conforming change. Amends the Illinois Insurance Code. Establishes notice requirements for companies providing flood coverage. Creates the Climate Risk Disclosure Article, which may be referred to as the Climate Risk Disclosure Law. Requires all companies, corporations, and organizations subject to the Article to, upon direction from the Department, participate in climate surveys issued by the National Association of Insurance Commissioners. Creates the Strengthen Illinois Homes Article, which may be referred to as the Strengthen Illinois Homes Act. Provides that, for homeowners insurance policies, an insurer shall provide an actuarially justified premium discount or insurance rate reduction to a specified owner. Provides that the Director of Insurance may adopt rules that establish standard discount amounts, targets, or benchmarks for the coverage of insurable property meeting the specified mitigation program standards. Provides that an insurer writing homeowners insurance policies that provide coverage of an insurable property that is a nonfortified insurable property shall offer an optional rider, endorsement, or supplemental policy provision that provides the insured a right to receive claim payments for the cost to upgrade an insurable property to mitigation program standards for a specified claim. Makes other changes. Amends the Dental Service Plan Act, the Health Maintenance Organization Act, and the Limited Health Service Organization Act to establish conforming requirements.

(Rep. Kevin John Olickal-Aarón M. Ortíz, Rick Ryan, Michael Crawford, Gregg Johnson and Nicolle Grasse)

415 ILCS 5/17.12

Amends the Environmental Protection Act. Provides that an owner or operator of a community water supply may, by an additional method approved by the State, give written notice of the existence of lead service lines that are connected to buildings. Provides that an owner or operator of a community water supply that performs at least 4,000 lead service line replacements per year or exceeds a statutorily prescribed lead service line replacement rate is exempt from a provision that prohibits partial lead service line replacements. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of a private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building must allow the community water supply access to replace the lead service line on the private side of the property.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes provisions added by the introduced bill that exempted from specified requirements a community water supply that has performed at least 4,000 lead service line replacements per year since 2025 or that exceeded certain specifications. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of private property (rather than the owner of private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building) must allow the community water supply or the community water supply's contractor (rather than only the community water supply) access to the property to replace, on the private side of the property, the lead service line or the galvanized requiring replacement service line (rather than only the lead service line) if the community water supply is offering the replacement at no cost to the property owner. Specifies that, if the owner of the private property is unavailable or unwilling to provide consent to replace the lead service line or the galvanized requiring replacement service line, any legal occupant of the private property where the service line is located may provide consent for access to the community water supply or the community water supply's contractor. Provides that the legal occupant shall be held harmless for providing access, completing forms, or for the completion of replacements of the lead service line or the galvanized requiring replacement service line. Effective immediately.

Senate Floor Amendment No. 3

In provisions regarding a landowner's duty to allow the community water supply access to replace the lead service line or the galvanized requiring replacement service line if the community water supply is offering such a replacement at no cost, deletes a requirement that limits the application of the provisions to a municipality with a population of more than 1,000,000 inhabitants.
