Establishes a cirrology apprenticeship program that operates through a 3-way partnership among: (1) an approved apprenticeship partner that provides related instruction, educational support, or pre-apprenticeship preparation; (2) an approved partner employer that provides paid on-the-job training and workplace experience; and (3) a supervising licensed cirrologist or licensed cirrology teacher responsible for oversight of practical training and competency development. Provides that all hair braider license expiration and renewal dates of October 31 for even-numbered years shall automatically apply to the corresponding cirrology license category during the transition period until superseded by law or rule adopted under the Act. Provides limitations to transition requirements adopted under a specific provision of the Act. Establishes an 18-month transition period during which the Department shall implement the Act in a manner that preserves continuity of lawful practice, instruction, school operation, continuing education activity, business operation, renewal, and public protection. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits material, including an on-demand, subscription, or advertising-supported service, (iii) a health care provider that transmits material for a legitimate medical purpose, or (iv) any transmission of commercial email. Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

625 ILCS 5/6-208 from Ch. 95 1/2, par. 6-208

Amends the Illinois Vehicle Code. Allows a person to request an informal hearing regarding a suspension, revocation, or denial of the issuance of a license, permit, registration, or certificate of title at a Secretary of State driver services facility. Provides that if a person is convicted of a specified offense and the use of alcohol or other drugs is stated as an element of the offense, the Secretary may issue to the person a restricted driving permit granting the privilege of driving a motor vehicle 6 days per week, 12 hours per day within a 200-mile radius of the person's residence for any legal purpose. In provisions regarding the mandatory revocation of a license or permit, the discretionary authority to suspend or revoke a license or permit, and the period of suspension, provides that some convictions may be based on a similar out-of-state offense or similar offense committed on a military installation. Allows the Secretary to grant an employment exception to the prohibition against driving a vehicle that is not equipped with an ignition interlock device if the person is operating an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. New Act

105 ILCS 5/27A-5

Creates the Right to Play Act. Provides that a student who is a member of a school athletic activity may participate in a nonschool athletic activity that is of the same sport as the school athletic activity during the season in which the student participates in the school athletic activity without losing eligibility to participate in the school athletic activity, provided that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day.

House Floor Amendment No. 1

Provides that the student may participate with a waiver granted by the principal or athletic director from the student's school. Provides that the waiver may also apply to "all-star team" events and that up to 2 waivers per student may be granted over the course of each school year. Requires the waiver to be reported by the school granting the waiver to an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within the State. Removes language that provides that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day. Corrects terminology and typographical errors.

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

Deletes reference to:

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Removes the requirement that a person who is licensed or registered to engage in any of the professions licensed or registered by the Department be of good moral character. Prohibits the Department from using a vague term in its consideration of a criminal record and decision regarding whether a criminal record is disqualifying for licensure, certification, or registration, including, but not limited to, "good moral character", "moral turpitude", or "character and fitness". Makes other changes. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. Provides that no application shall be automatically placed on hold, delayed, denied, or otherwise not processed by the Department because it was submitted by a person who is incarcerated. Provides that when determining the qualifications for a license, the Department shall include practice that is supervised by a licensee while a person is incarcerated.

215 ILCS 5/356u.10

Amends the Illinois Insurance Code. Makes changes to defined terms. Provides that a group policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed after January 1, 2026 shall provide coverage for evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by the current National Comprehensive Cancer Network clinical practice guidelines. Provides that this coverage shall be provided without cost-sharing, and the requirements of the Act shall not apply to the extent that providing coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

House Floor Amendment No. 4

Adds reference to:

5 ILCS 375/6.11

Adds reference to:

5 ILCS 375/6.11F new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that the coverage required under provisions concerning genetic testing and evidence-based screenings for an inherited gene mutation shall be provided without cost sharing, except as specified. Changes the date of coverage to January 1, 2028 (rather than January 1, 2026) and provides that the coverage requirements apply to an individual or group policy (rather than only a group policy) of accident and health insurance or managed care plan. Excludes the State Employees Group Insurance Program or any other health care plan established or maintained under the State Employees Group Insurance Act of 1971 from the coverage requirements. Amends the State Employees Group Insurance Act of 1971. Requires the State Employees Group Insurance Program to provide coverage for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. For individuals with a genetic test that is positive for an inherited mutation associated with an increased risk of cancer, requires the coverage to include any evidence-based screenings, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines, to the extent that the management recommendation is not already covered by the policy. Provides that the coverage is subject to specified cost sharing requirements.

Senate Committee Amendment No. 1

Replaces a reference to the State Employees Group Insurance Program with the program of health benefits provided under the State Employees Group Insurance Act of 1971 in provisions requiring coverage for genetic testing under that Act.

(Sen. Robert Peters, Adriane Johnson, Mary Edly-Allen, Emil Jones, III and Karina Villa)

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

735 ILCS 5/21-102

from Ch. 110, par. 21-102

735 ILCS 5/21-102.5

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions of the bill with the following changes. Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

New Act

Creates the Civil Remedies for Nonconsensual Recording of Children Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person (1) makes a video record or transmits a live video of the child without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence; or (2) makes a video record or transmits a live video of a child without the consent of the child's parent or guardian in a residence in which the child does not reside. Provides for exceptions. Provides that a child who proves by a preponderance of the evidence that a defendant violated the Act against the child is considered obviously and materially harmful to the child and is per se harmful and traumatic. Authorizes a prevailing plaintiff to recover: (1) the greater of: (A) economic and noneconomic damages proximately caused by the defendant's violation of the Act, including but not limited to damages for emotional distress whether or not accompanied by other damages; or (B) statutory damages, not to exceed \$10,000, against each defendant found liable under the Act; (2) punitive damages; and (3) reasonable attorney's fees and costs. Provides that an action under the Act may not be brought no later than 2 years from the date the cause of action was discovered or should have been discovered with the exercise of reasonable diligence. Tolls the statute of limitation until the child becomes emancipated or attains the age of majority. Provides that if a State agency or unit of local government is required by law or ordinance to inspect a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence, the State agency or unit of local government must also inspect for hidden cameras. Provides that if a hidden camera is discovered, the owner or operator of the inspected location must post a public notice advising of the camera and the area it films. Provides that the Act applies to causes of action accruing on or after the effective date of this amendatory Act.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Creates the Protecting Children from Hidden Cameras Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person knowingly makes or transmits a video record of the child using a concealed or disguised recording device, or otherwise in a manner intended to avoid detection, without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, hotel guest accommodations, or in a residence in which the child does not reside in an area in which a person would reasonably expect privacy. Exempts (1) a parent or legal guardian of the child who is the subject of the recording unless the parent's or legal guardian's action is prohibited by a law other than the Act; (2) a recording made by law enforcement in the lawful performance of official duties; and (3) a recording made in good faith in the reporting of unlawful conduct. Authorizes a prevailing plaintiff to recover economic and noneconomic damages, punitive damages, and reasonable attorney's fees and costs. Provides that if a State agency or unit of local government is required by law or ordinance to inspect certain locations, the inspection must also include an inspection for hidden cameras and establishes requirements for notification to law enforcement if a hidden camera is discovered. Provides that if a hidden camera is discovered outside of an inspection conducted by a State agency or unit of local government, the person or entity discovering the device must immediately notify the appropriate law enforcement agency and preserve any reasonably available evidence relating to the device until collected by law enforcement or otherwise directed by law enforcement. Effective immediately.

New Act

Creates the Motor Vehicle Glass Repair Act. Provides that an insured under a property and casualty insurance policy shall not, either prior to or after a claimed or covered loss, assign, delegate or otherwise transfer, in whole or in part, to any other person the insured's: (1) duties under the policy; or (2) rights or benefits under the policy. Amends the Abused and Neglected Child Reporting Act. In the definition of "abused child", changes the list of persons who may be considered a perpetrator of abuse to include a child's parent, a parent's paramour, or any other person 14 years of age or older who is either responsible for the child's welfare, is an immediate family member, or resides in the same home as the child. Provides that, if the Department of Children and Family Services does not accept an abuse or neglect report for investigation on the sole basis that the alleged perpetrator is another person in the household under the age of 14, then the Department shall consider if there is reasonable cause to suspect that the alleged maltreatment is the result of blatant disregard on the part of an adult or agency who is an eligible perpetrator. Provides that, if so, the Department shall accept a report alleging abuse or neglect identifying the adult or agency as the alleged perpetrator. Permits the Department to also consider whether a child welfare service referral would be appropriate.

Amends the Unified Code of Corrections. Provides that the Department of Corrections shall create and implement, on January 1, 2027, a pilot program to establish the effectiveness of long-acting injectable medications for opioid use disorders for persons committed to its custody who suffer from opioid use disorders. Provides that the pilot program shall require long-acting injectable medications for opioid use disorders to be used in at least one Department of Corrections facility. Provides that the Department must report to the General Assembly on the effectiveness of the program by January 1, 2028. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that the pilot program shall provide long-acting injectable medications for opioid use disorder, when clinically appropriate, to not fewer than 3,000 individuals in the custody of the Department of Corrections (rather than a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders). Provides that the Department shall design and operate the pilot program in accordance with established and nationally recognized clinical guidelines, protocols, and standards for the treatment of opioid use disorder using long-acting injectable medications. Provides that the pilot program shall be funded using opioid settlement funds allocated to the Department. Provides that the Department shall establish and publicly post eligibility criteria and a selection process for participation in the pilot program. Eligibility criteria shall be based on clinical need, medical appropriateness, and operational considerations, consistent with nationally recognized clinical guidelines. The Department shall ensure that participation in the pilot program is offered in an equitable and transparent manner across facilities. Provides that if the number of eligible individuals exceeds program capacity, the Department shall use a fair and objective selection methodology, which may include prioritization based on clinical need or a randomized selection process. Provides that the Department shall document the basis for inclusion or non-inclusion of eligible individuals and shall make aggregate information regarding eligibility and selection available to the General Assembly upon request. Provides that the Department shall not commence implementation of the pilot program unless and until sufficient opioid settlement funds have been secured to fully implement the program and to ensure that individuals participating in the pilot program may receive the full course of treatment clinically indicated. Provides that the Department shall ensure that, prior to the release of a person participating in the pilot program, the person is connected to an appropriate provider or treatment site in the geographic region in which the person will reside after release, that an appointment for continued treatment is scheduled with that provider or site, and that relevant medical and treatment information is shared with the receiving provider to support continuity of care. Provides that the Department shall contract with an independent research organization, public university, or other qualified third-party evaluator to conduct an independent evaluation of the pilot program. Provides that the Department shall provide the evaluator with access to relevant program and administrative data necessary to complete the evaluation, subject to applicable privacy protections. Provides that the independent evaluator shall prepare a report summarizing the findings of the evaluation and shall submit the report to the Department and the General Assembly no later than January 1, 2029 (rather than January 1, 2028). Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as \$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

(Sen. Graciela Guzmán)

775 ILCS 5/7A-102

from Ch. 68, par. 7A-102

Amends the Illinois Human Rights Act. Provides that for charges alleging violations under the Equal Employment Opportunity Commission or the Illinois Human Rights Act, if the EEOC issues a right to sue, the Department will issue a Departmental right to sue. Provides that if the complainant does not file a written request with the Department to review the EEOC's determination within 35 days after receipt of the Department's notice, the Department shall issue to the complainant, within 10 business days after the expiration of the 35-day period, a Departmental right to sue notice stating that the complainant has the right, within 90 days after receipt of the Department's notice, to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court. Requires the Department, within 10 days of the date on which the charge was filed, to serve a copy of the charge on the respondent and provide all parties with a notice of the complainant's right to opt out of the investigation within 60 days to commence an action in circuit court and the complainant's right to request a Departmental right to sue notice after 60 days has elapsed to file in the Human Rights Commission or commence a civil action in circuit court. Provides that within 10 business days of receipt of the complainant's request to opt out of the investigation, the Director shall issue an opt out notice to commence an action in circuit court to the parties. Provides that a Departmental right to sue notice does not constitute a finding of substantial evidence or of a lack of substantial evidence. Requires that any Departmental right to sue notice to state that the complainant shall have 90 days from the date of receipt of the notice to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the Department of Human Rights to notify the parties that the complainant may request a Departmental notice of right to sue when submitting the Equal Employment Opportunity Commission determination after the Department receives notice that a charge was filed with the EEOC. Requires that if the EEOC does not issue a determination or determines that it is unable to establish illegal discrimination, the Department must proceed as follows: if the complainant timely notifies the Department of the EEOC's determination and also requests in writing that the Department issue a Departmental notice of right to sue, then the Department shall issue such notice within 10 business days after the receipt of the EEOC's determination and request from the complainant; but if the complainant does not submit the written request as required when notifying the Department of the EEOC's determination, then the Department must inform the parties, within 10 business days after receipt of the EEOC's determination, that the Department will issue a Departmental notice of right to sue unless the complainant requests in writing within 35 days after receipt that the Department review the EEOC's determination. Provides that if the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and may review any information submitted by the complainant with the written request and any evidence obtained by the EEOC during its investigation. Provides that if the Department receives a written request from the complainant to opt out of the investigation after the 60-day opt-out time period has elapsed, the Department shall process the request as a request for a Departmental notice of right to sue. Provides that if more than 365 days have elapsed after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant may exercise the complainant's rights to either file a complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court without requesting or obtaining a Departmental notice of right to sue. Makes structural changes. Provides that the changes made to the Section governing procedures by Public Act 104-425 apply to charges pending or filed on or after January 1, 2026.

605 ILCS 10/8

from Ch. 121, par. 100-8

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

New Act

Creates the River Access Modernization Act. Provides that the public right of use does not include crossing private uplands or exiting onto private land without permission. Establishes landowner liability protections. Prohibits littering and alteration of flora and fauna. Grants rulemaking authority to the Department of Natural Resources to designate public access points, resolve conflicts, promote safety and conservation education, and maintain a listing of navigable waterways. Defines "navigable water" and "public recreational use".

House Committee Amendment No. 1

Makes changes to the definition of the term "navigable waters". In various provisions, replaces references to "waterway" and "public waterway" with references to "navigable waters" or "public waters". In a provision concerning the public right of use of navigable waters, defines the term "man-made structure" and specifies that the Act is not intended to restrict rights enjoyed by the public under State or federal law. Amends the Affordable Housing Planning and Appeal Act. Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

House Floor Amendment No. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment 1 with the following changes. In provisions relating to legislative findings, provides that developmental psychology and neuroscience studies have shown (rather than Developmental psychology and neuroscience conclude) that judgment, impulse control, and psychosocial maturity may continue (rather than continue) developing into the mid-20s. HJR 00054 Rep. Elizabeth "Lisa" Hernandez-Camille Y. Lilly
(Sen. Javier L. Cervantes)

Creates the Regional Stormwater and Sewerage Equitable Solution Commission to study the problem of antiquated stormwater and sewerage systems in the area collectively referred to as "the region" and to suggest policy and legislative solutions. Requests that the Governor's Office of Management and Budget, following consultation with the Department of Commerce and Economic Opportunity, submit to the General Assembly a separate report detailing legislation and budgetary recommendations to offset the costs borne by residents, businesses, and governmental entities in "the region" as the result of the inequitable circumstances surrounding the antiquated stormwater and sewerage systems.

House Floor Amendment No. 1

Deletes everything. Reinserts the same language creating the Regional Stormwater and Sewerage Equitable Solution Commission. Makes a change to the membership of the Commission.
