Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires hospitals and birthing centers to adopt and maintain written policies and procedures authorizing a patient enrolled in the medical assistance program to select an Illinois Medicaid certified and enrolled doula of the patient's choice to accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth, and during the patient's entire postpartum stay. Provides that the doula shall be considered part of the patient's care team and shall not be counted as a support person or against any guest quota. Requires hospitals and birthing centers to provide a written copy of their policies and procedures to maternity patients, the facilities' maternity health care providers, and any other person at the patient's request. Requires publication of the written policies on each facility's website. Contains provisions concerning hospital and birthing center liaisons and doulas certification acknowledgment requirements. Permits the Department of Healthcare and Family Services and the Department of Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services, including Medicaid-covered maternal and reproductive health supports and services.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth. Provides that an Illinois Medicaid certified and enrolled doula shall not be counted as a support person or against the guest quota before, during, or after childbirth. Requires each applicable facility to post a summary of the facility's adopted policies and procedures on its website, including contact information to facilitate communication between the facility and Illinois Medicaid enrolled doulas and doula organizations. Provides that nothing in the amendatory Act: (i) shall be construed to provide a doula with access to a patient when that access is inconsistent with generally accepted medical standards or practices; and (ii) is intended to expand or limit the malpractice liability of a hospital beyond the limits existing in current Illinois statutory and common law. Requires Illinois Medicaid enrolled doulas to provide written acknowledgment of doula certification and enrollment in the medical assistance program upon request of the hospital or birthing facility. Permits the Departments of Healthcare and Family Services and Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services.

105 ILCS 128/60

Amends the Interscholastic Athletic Organization Act. Provides that an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within this State shall require all school coaches to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). Requires certification in CPR and AED use to be consistent with national, evidence-based, emergency cardiovascular care guidelines. Amends the School Safety Drill Act. Provides that a cardiac emergency response plan shall include (i) establishing a cardiac emergency response team that is certified in cardiopulmonary resuscitation and the use of an automated external defibrillator and (ii) the use of annual cardiac response drills to practice the steps established in the cardiac emergency response plan, in partnership with local emergency medical services. Makes other changes concerning the plan.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Interscholastic Athletic Organization Act, requires all paid school head coaches or chief sponsors of the activity (rather than all school coaches) to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). In the School Safety Drill Act, requires a cardiac emergency response plan to include training on symptom and warning signs of sudden cardiac arrest, hands-only CPR, and use of AEDs (rather than information on hands-only CPR and use of AEDs) and establishing a cardiac emergency response team trained in CPR and the use of an AED consistent with national evidence-based emergency cardiovascular care guidelines, and provides that cardiac response drills may be conducted without student participation.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Interscholastic Athletic Organization Act. Provides that an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within the State shall require all paid school head coaches or chief sponsors of an activity to obtain training in cardiopulmonary resuscitation (CPR), first aid, and the use of an automated external defibrillator (AED). Provides that training in CPR and AED use shall be consistent with national, evidence-based, emergency cardiovascular care guidelines and shall be completed every 2 years. Amends the School Safety Drill Act. Provides that a school district shall conduct an annual cardiac response drill to practice the steps established in its cardiac emergency response plan, in partnership with local emergency medical services, and a cardiac response drill may be conducted without student participation. Provides that a school district, school board and each member of the school board, governing body and each member of the governing body of a nonpublic school, administrator, principal, teacher, school employee, and member of a school district's safety or crisis response team, whether a student or an adult, are immune from any liability that might otherwise be incurred or caused by an act or omission related to the requirements under the Act, unless the act or omission was willful or wanton. Makes other changes. Effective July 1, 2027.

Provides that a group policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed after January 1, 2026 shall provide coverage for evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by the current National Comprehensive Cancer Network clinical practice guidelines. Adds reference to:
5 ILCS 375/6.11F new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that the coverage required under provisions concerning genetic testing and evidence-based screenings for an inherited gene mutation shall be provided without cost sharing, except as specified. Changes the date of coverage to January 1, 2028 (rather than January 1, 2026) and provides that the coverage requirements apply to an individual or group policy (rather than only a group policy) of accident and health insurance or managed care plan. Excludes the State Employees Group Insurance Program or any other health care plan established or maintained under the State Employees Group Insurance Act of 1971 from the coverage requirements. Amends the State Employees Group Insurance Act of 1971. Requires the State Employees Group Insurance Program to provide coverage for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. For individuals with a genetic test that is positive for an inherited mutation associated with an increased risk of cancer, requires the coverage to include any evidence-based screenings, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines, to the extent that the management recommendation is not already covered by the policy. Provides that the coverage is subject to specified cost sharing requirements.

Senate Committee Amendment No. 1

Replaces a reference to the State Employees Group Insurance Program with the program of health benefits provided under the State Employees Group Insurance Act of 1971 in provisions requiring coverage for genetic testing under that Act.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

House Committee Amendment No. 1

Deletes reference to:
705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Makes other changes.

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No. 1 with these changes. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 calendar days after being notified in writing of the claim by the Attorney General. If the State agency confirms the claim, then the Court of Claims must enter an award for the claim within 30 calendar days upon being notified. Provides that if the Court of Claims determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the Court of Claims must notify the vendor in writing of the defect no later than 45 calendar days after the bill or invoice was first submitted. Requires the Court of Claims to confirm receipt of claim to the vendor within 30 calendar days for all claims. Requires the Court of Claims, beginning December 31, 2027, and every December 31st thereafter, to produce an annual report to the General Assembly on claims arising from lapsed appropriations. 30 ILCS 708/50

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Requires the State agency to confirm, reject, or identify a claim under the Court of Claims Act that is a lapsed appropriation and valued at less than \$2,500 within 60 days after being notified in writing of the claim by the Attorney General. Provides that, if the State agency (instead of the court) determines that it is unable to process a claim under the Act because the bill or invoice contains a defect, the State agency (instead of the court) must notify the vendor and the Attorney General (rather than the vendor only) in writing of the defect no later than 60 calendar days after receiving notice of the claim from the Attorney General's Office (rather than 45 days after the bill or invoice was first submitted). Further provides that, for disapproved portions for the claim, the Attorney General (rather than the court) must allow vendors to submit documentation to the Attorney General's Office showing amendments and cured defects (rather than submit documentation to amend and cure defects). Requires a State agency to confirm, reject, or identify a defect within a claim for all other claims arising under the Act that are from lapsed appropriations that are equal to or more than \$2,500. Amends the State Prompt Payment Act. Provides that a State agency shall review each bill or invoice within 30 calendar days after its receipt (currently, in a timely manner). Provides that, when a State official or agency responsible for administering a contract receives a bill or invoice from a contractor, that State official or agency shall confirm the date on which the bill or invoice was received within 15 business days of receipt and shall transmit any approved amount to the Comptroller within 30 calendar days of receipt. Amends the Grant Accountability and Transparency Act. Provides that the advice and technical assistance provided to State grant-making agencies by the Governor's Office of Management and Budget shall include an explanation of how to determine if the awardee is eligible for advance payments, reimbursement, or working capital advances. Provides that each State grant-making agency shall specify in each grant agreement whether the applicable payment methodology is advance payment, reimbursement, or working capital advance. Provides that, if advance payment is not the applicable payment methodology, the grant agreement will specify why an alternative payment methodology applies. Sets forth deadlines by which the State grant-making agency shall issue grant agreements after issuing a Notice of State-Issued Award. Makes other changes. Effective July 1, 2027.

HB 04584 (Continued)

Amends the Rehabilitation of Persons with Disabilities Act. Requires direct service workers employed by the Department of Human Services, or an agency contracted with the Department, to provide services under the Home Services Program to complete at least 2 hours of dementia training at the start of their employment and annually thereafter. Requires the training to cover subjects concerning Alzheimer's disease and dementia, safety risks, and communication and behavior. Requires the Department to provide contractors with dementia training curriculum on the required subjects. Provides that any other laws or rules that impose more rigorous dementia training for direct service workers under the Home Services Program shall apply. Exempts from the training requirements direct service workers who provide proof that they obtained equivalent dementia training in compliance with another law or rule. For personal assistants covered by a collective bargaining agreement, requires the Department to establish, in consultation with the joint training committee created under the collective bargaining agreement, different parameters and specific topics for curriculum covering dementia training.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory changes apply to Home Services Program rehabilitation counselors and to those homemaker agency employees who provide direct care services to individuals participating in the Home Services Program (rather than to direct service workers employed by the Department of Human Services or by an agency that is contracted with the Department). Requires such persons to complete dementia training totaling at least 2 hours at the start of their employment (rather than shall complete at least 2 hours of dementia training at the start of their employment). Provides that an individual who is required to receive dementia training under any other law or rule may be considered exempt from the requirements of the amendatory Act if the other law's or rule's training requirement includes a minimum 2 hours of dementia training in the required subjects (rather than a minimum 2 hours of dementia training). Provides that for individual providers (rather than personal assistants), the Department shall work with the joint training committee established by the collective bargaining agreement covering individual providers (rather than personal assistants) to discuss parameters and specific topics for curriculum covering dementia training as part of the provided training for individual providers (rather than personal assistants).

HB 04739 (Continued)

Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as

\$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

HB 04808

Rep. Kimberly Du Buclet-Camille Y. Lilly and Yolonda Morris
(Sen. Adriane Johnson and Mark L. Walker)

305 ILCS 5/14-12

Amends the Hospital Services Trust Fund Article in the Illinois Public Aid Code. In provisions concerning annual funding for the health care transformation program, provides that funds that had been budgeted but unexpended in State fiscal years 2021 through 2027 may be allocated in State fiscal year 2028 in an amount not to exceed \$150,000,000.

Fiscal Note (Dept. of Healthcare & Family Services)

HB4808 is budget neutral to the Illinois Department of Healthcare and Family Services (HFS) because the bill will allow HFS to retain and carry forward unexpended balances from the Health Care Transformation program from fiscal years 2021 through 2027 and allow HFS to expend those funds in fiscal year 2028, in an amount not to exceed \$150 million.

HB 05460 (Continued)

Amends the Higher Education Student Assistance Act. Provides that the Post-Master of Social Work School Social Work Professional Educator License scholarships may also be known as School Social Work scholarships. Includes, as a qualified applicant subject to meeting the other requirements, (i) a person who is pursuing a clinical social work license or social work license and (ii) a person who will obtain a master's degree in social work from an approved program before enrolling the academic program that the scholarship would support. Allows scholarships to be applied to the payment of tuition and mandatory fees at a private, not-for-profit institution of higher education in the State that prepares students to obtain an Illinois Professional Educator License with an endorsement in School Social Work. Provides that a scholarship for a recipient attending a private, not-for-profit institution shall not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public university in the State. Effective July 1, 2026.

Fiscal Note (Illinois Student Assistance Commission)

The additional flexibility provided by HB 5460 could lead to more interest in the program, resulting in more students applying for the existing 250 slots and receiving scholarships, but the bill does not increase the number of scholarships available, does not increase the maximum award, and is not expected to require additional appropriations to implement.

Rep. Carol Ammons-Camille Y. Lilly-La Shawn K. Ford-Maurice A. West, II-Sonya M. Harper, Michael Crawford, Lisa Davis and William "Will" Davis

Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.

(Sen. Suzy Glowiak Hilton-Steve McClure and Sally J. Turner)

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. Amends the Construction Site Temporary Restroom Facility Act. Changes the Act's short title to the Construction Site Temporary Restroom Facility and Sanitary Conditions for Menstruation and Lactation Act. Repeals a provision which specifies that separate toileting facilities are not required for males and females if individual portable toilet facilities are used by an owner of a portable building or building under construction to provide access to a restroom. Provides that, if a woman or an individual who menstruates is present on a work site and there are 10 or more workers of any gender at the work site, then a separate toilet facility shall be provided at the work site and designated for use by women and individuals who menstruate. Requires employers in the construction industry to provide their workers who menstruate and are performing construction activities on a work site with minimum sanitary conditions. Describes the required minimum sanitary conditions. Requires employers in the construction industry, upon request, to provide their workers who are lactating and performing construction activities on a work site with reasonable accommodations needed to express breast milk. Describes reasonable accommodations for lactation. Provides that, on or before January 1, 2027, the Department of Public Health shall provide guidance to employers on the accommodations to be provided. Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning definitions; oaths, subpoenas, and penalties; applicants with criminal convictions; qualification for licensure or registration; health care worker licensure actions; automatic suspension of a health care worker's license; the publication of disciplinary actions; and records of Department actions. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. In provisions concerning required licensure, provides that an application shall not be automatically placed on hold, delayed, denied, or otherwise not processed by the Department of Financial and Professional Regulation because it was submitted by a person who is incarcerated. Amends the Health Care Professional Credentials Data Collection Act. In provisions concerning licensure records, provides that licensure records designated confidential and considered sealed (rather than expunged) for reporting purposes by the licensee are not reportable under the Act. Amends the Unified Code of Corrections. In provisions concerning loss and restoration of rights, provides that no application for specific licenses granted under the authority of the State shall be denied to (rather than denied by reason of) an eligible offender who has obtained a certificate of relief from disabilities, having been previously convicted of one or more criminal offenses (rather than or by reason of a finding of lack of "good moral character"), when the finding is solely based upon the fact that the applicant has previously been convicted of one or more criminal offenses, except for certain circumstances. Repeals provisions concerning the Department of Financial and Professional Regulation's annual report to the General Assembly. Makes other changes. Effective immediately.

House Floor Amendment No. 1

Provides that the Act may be referred to as the Comprehensive Licensing Information to Minimize Barriers Act (rather than the Reducing Barriers to Licensure Act). In provisions amending the Unified Code of Corrections, provides that failure to obtain a certificate of relief from disabilities shall not be the sole reason for denial of specific licenses. Provides that nothing in the Act shall be construed to eliminate the reporting requirements pursuant to a specific provision of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

605 ILCS 10/8

from Ch. 121, par. 100-8

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

Specifies that the Act may be referred to as the Rabies Vaccination Access for Shelters and Public Health Act. Amends the Veterinary Medicine and Surgery Practice Act of 2004 and the Animal Control Act. Allows a licensed veterinarian to delegate rabies vaccination within an animal shelter, animal control facility, or government-authorized public health vaccination clinic to a certified veterinary technician or trained shelter vaccine administrator who is acting under the veterinarian's indirect supervision. Requires written protocols, training verification, and oversight by the supervising veterinarian. Directs the Department of Financial and Professional Regulation under the Veterinary Medicine and Surgery Practice Act of 2004 and the Department of Agriculture under the Animal Control Act to adopt rules within 12 months of the effective date of the amendatory Act. Effective January 1, 2027.

House Committee Amendment No. 1

In the legislative findings, replaces a reference to indirect supervision with a reference to direct supervision. In requirements for rabies vaccination, requires the supervising licensed veterinarian to assume professional responsibility for the rabies vaccine administered to the patient by the individuals acting under the veterinarian's direction (rather than to be responsible for oversight of the vaccine administration).

210 ILCS 50/3.70

In the Illinois State Police Law, removes provisions requiring the Office of the Statewide 9-1-1 Administrator, in consultation with the Statewide 9-1-1 Advisory Board, to develop comprehensive guidelines for training and adopt rules and minimum standards for continuing education on emergency medical dispatch. Amends the Emergency Medical Services (EMS) Systems Act. Requires an emergency medical dispatcher to complete a training course in telecommunicator cardiopulmonary resuscitation (T-CPR) in accordance with rules adopted by the Illinois Department of Public Health. Requires each emergency medical dispatcher to provide prearrival instructions and telecommunicator cardiopulmonary resuscitation (T-CPR) in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department (rather than provide prearrival instructions in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department).

HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Removes language providing that moneys deposited into the Prescription Drug Affordability Fund shall be used to pay the expenses of the Department of Insurance.

Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Provides that any employee of a financial institution who willfully fails to report as required by the Act shall be referred to the Department of Financial and Professional Regulation for possible disciplinary action. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

House Floor Amendment No. 2

Adds reference to:

330 ILCS 61/1-10

Adds reference to:

330 ILCS 61/5-10

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Replaces everything after the enacting clause. Amends various Acts by replacing the terms "day care", "daycare", and "day-care", in relation to the care of a child, with the term "early care and education" and from "facility" to "provider". Amends the Child Care Act of 1969. Provides that the following are exempt from licensure under the Act and must register as Recognized Alternative Providers: part day programs for children 3 years of age until they reach 5 years of age or begin kindergarten, whichever is later, where the child is present for a maximum of 3 hours per day and the parent or guardian is not on site; programs or portions of programs that serve children who have reached 3 years of age in full early care and education that are operated by a church or religious institution that receive no governmental aid; nonresidential programs for children 5 years of age to 12 years of age that have supervisors of children when school is not in session, that act as an alternative to full-day school or care, and that operate for no more than 100 days in any 12-month period; and programs that provide care to children 5 years of age to 12 years of age before or after school hours. Sets forth registration requirements for Recognized Alternative Providers, including background check requirements. Provides that certain programs are exempt from registration requirements for Recognized Alternative Providers and licensure requirements under the Act. Makes changes in provisions concerning definitions; the prohibition of unlicensed practice; criminal background investigations; and advertisements. Repeals provisions concerning an exemption from licensure for day care homes and group day care homes serving children of military personnel and a child from a foreign state or country and the definition of "part day child care facility". Makes other changes. Effective July 1, 2026.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Rep. Joyce Mason-Dagmara Avelar-Anthony DeLuca and Diane Blair-Sherlock
(Sen. Julie A. Morrison, Andrew S. Chesney and Jason Plummer)

415 ILCS 5/57.9

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Makes technical and other changes.

Provides that the Department of Children and Family Services, through June 30, 2027 (rather than June 30, 2026), or the Department of Early Childhood, on and after July 1, 2027 (rather than July 1, 2026), shall allow day care centers, day care homes, and group day care homes to hire, on a probationary basis, any employee or volunteer authorizing a criminal background investigation. Amends the Criminal Identification Act. Provides that information reported to the Illinois State Police under the Act is confidential and shall not be released unless expressly permitted by State or federal law. Provides that the Illinois State Police shall conduct a criminal history background check on an applicant if a qualified entity submits: (1) a request to the Illinois State Police to perform a State and national background check on the applicant in a form and manner prescribed by the Illinois State Police that includes a statement containing the name, address, and date of birth appearing on a valid identification card or document issued by the State to the applicant; (2) a waiver on a form approved by the Illinois State Police that is signed by the applicant allowing the release of the State and national criminal history record information to the qualified entity; (3) the applicant's fingerprints in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information prescribed by the Illinois State Police; and (4) any fee prescribed by the Illinois State Police. Provides that, upon positive identification, the Illinois State Police shall provide the qualified entity with records of the applicant's conviction of or entry of a plea of guilty or nolo contendere, finding of guilt, jury verdict, or entry of judgment or sentencing, including, but not limited to, convictions, preceding sentences of supervision, conditional discharge, or first offender probation, under the laws of any jurisdiction of the United States that is a felony or any crime directly related to providing care, treatment, education, training, instruction, supervision, or recreation to children, the elderly, or individuals with disabilities. Provides that any information received by a qualified entity under the provisions shall be used solely for internal purposes in determining the suitability of an applicant. States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

New Act

Creates the Community-Based Corrections Act. Provides that the Department of Corrections shall establish a program that funds community-based nonprofit providers to serve emerging adults as an alternative to traditional incarceration. Provides that community-based providers shall offer housing, workforce training, mental health counseling, and restorative justice programming in alignment with State guidelines. Provides that the program shall be subject to judicial discretion, allowing sentencing judges to assign eligible individuals to community-based settings instead of Department of Corrections facilities. Provides that all community-based providers must have a written agreement with a restorative justice court for all emerging adults within their care to participate in the restorative justice court programs. Provides that community-based providers shall be compensated at a rate equivalent to the monthly per-inmate cost of incarceration as determined by the Department in its Fiscal Impact Statement. Community-based providers shall be paid on a monthly basis for the number of individuals within their care. Provides that the Department of Corrections shall allocate existing budget authority for contractual services to fund the program created by the Act. Provides that the Department of Human Services shall establish operational standards, including housing conditions, workforce training quality, and mental health support services, to ensure program efficacy. Provides that the Department of Human Services shall monitor and evaluate providers to maintain compliance with State and judicial requirements. Provides that community-based providers shall submit annual reports to the Department of Corrections and the Department of Human Services detailing participant outcomes, including recidivism rates, employment statistics, and community reintegration success. Provides that the Department of Corrections shall report program performance to the General Assembly annually, including cost savings from reduced incarceration based on emerging adults participating with community-based providers for fewer years than they would serve in a Department of Corrections facility. Effective immediately.

Deletes reference to:

740 ILCS 10/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Multi-Unit Residential Rental Property Right of First Refusal Act. Creates a statutory right of first refusal for tenants of multi-unit residential rental properties in Illinois providing tenants, who must be organized as a formal association, the opportunity to purchase their building before or concurrent with any third-party sale. Applies to multi-unit residential rental property that is a residential building or group of residential buildings operated as one entity that contain 6 or more distinct dwelling units available for rent. Creates exceptions to which the Act does not apply, including, but not limited to, multi-unit property that is governed by the Condominium Property Act or the Mobile Home Landlord and Tenant Rights Act. Requires that, before listing a property for sale, an owner must provide a written notice of intent to sell to all tenants at least 90 days in advance by certified mail or personal delivery. Provides that upon receiving either notice, tenants, through a formally incorporated tenants' association, have 90 days to execute a purchase contract matching the owner's bona fide offer of sale. Provides that if the owner later lowers the price by 20% or more, tenants receive an additional 10-day window to match the new price if at least two-thirds of the tenants consent in writing. Provides that if tenants dispute the owner's offer as not being a bona fide offer of sale, they may request an independent appraisal within 30 days in which costs are split one-third by the tenants and two-thirds by the owner. Provides that the appraised value becomes the binding sale price unless both parties agree otherwise or the owner withdraws the offer in which case the owner must reimburse the tenants' share and is barred from re-offering without a third-party contract for 3 months. Provides that if public funds are used in the purchase, the property must be maintained as affordable housing for at least 30 years (rents capped at 60% area median income; new tenant income is capped at 120% area median income). Prohibits a property owner from (1) requiring a preemptive waiver of the right of first refusal as a condition of offering, maintaining, or renewing a lease; (2) demanding a waiver of the right of first refusal under threat of harassment or retaliation; (3) attempting to deny a tenant's ability to exercise the tenant's right of first refusal or assign their rights to a third party; or (4) attempting to deny an authorized third party from exercising the right of first refusal. Provides that any aggrieved tenant or association may bring a civil action and may be awarded treble damages, court costs, and reasonable attorney's fees. Requires the Illinois Housing Development Authority to adopt rules to implement the Act. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

730 ILCS 5/3-4-1 from Ch. 38, par. 1003-4-1

Amends the Unified Code of Corrections. Deletes provision that the Department of Central Management Services shall contract with the qualified vendor who proposes the lowest per minute rate not exceeding 7 cents per minute for debit, prepaid, collect calls and who does not bill to any party any tax, service charge, or additional fee exceeding the per minute rate, including, but not limited to, any per call surcharge, account set up fee, bill statement fee, monthly account maintenance charge, or refund fee as established by the Federal Communications Commission Order for state prisons in the Matter of Rates for Interstate Inmate Calling Services, Second Report and Order, WC Docket 12-375, FCC 15-136 (adopted Oct. 22, 2015). Provides that the Department of Central Management Services shall contract with a qualified vendor for telephone services in which the cost of the service is not based on the number of telephone calls made. Provides that a committed person is entitled to make free telephone calls from the correctional institution or facility. Provides that neither the Department of Corrections nor its agents may adopt rules that charge a committed person per telephone call made. Provides that the Department of Corrections shall adopt rules determining the length of each call made by a committed person, how many times each day a committed person may make telephone calls, and may prohibit calls for illegal purposes.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

House Bill 3773 as Amended by House Amendment1 would have no impact on the prison population, and result in no increase to the Illinois Department of Corrections costs over the span of the pilot program, providing the funds appropriated cover all program related Department costs.

HB 01332 (Continued)

Replaces everything after the enacting clause with the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Changes the short title to the Emergency Contact and Caregiver Advise, Record, and Enable Act. Makes changes to defined terms. Provides that, following the patient's admission into the hospital as an inpatient, a hospital shall provide each patient or, if applicable, the patient's legal representative with an opportunity to designate a caregiver following the patient's admission into the hospital as an inpatient and prior to the patient's discharge (rather than only prior to the patient's discharge) to the patient's residence or transfer to another facility. Requires a hospital, as soon as practicable, to notify the emergency contact of the patient's death (rather than notify a patient's emergency contact of the patient's death or if the patient's condition has become life threatening) if a patient has authorized the hospital to share protected health information with an emergency contact that is not the patient's legal representative and the patient's legal representative does not object. Limits the liability of hospitals who attempt to contact an emergency contact. Removes provisions concerning failure to contact the patient's emergency contact. Provides that, if a patient fails to authorize the hospital to share the patient's protected health information or revokes such authorization, the hospital may contact the emergency contact only as otherwise allowed by law. Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence. Urges the Administrative Office of the Illinois Courts (AOIC), the Department of Juvenile Justice (DJJ), and county probation and diversion programs to identify and approve evidence-based, decision-making curricula appropriate for minors under supervision, diversion, or detention, to encourage their integration as standard early interventions, and to implement these initiatives within existing budgets and structures. Urges the Illinois Department of Human Services (IDHS) and the Illinois Criminal Justice Information Authority (ICJIA) to coordinate with ISBE, AOIC, DJJ, and local partners to align violence-prevention curricula and community-based interventions across settings. Recognizes Professor Jens Ludwig for his groundbreaking research, leadership, and publication of Unforgiving Places. Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. Provides that public uses in such waters shall include boating, tubing, fishing, swimming, and wading. Requires the Department of Natural Resources to protect such public uses against interference or encroachment as provided in the Act. Provides that no action or inaction by the Department of Natural Resources shall create a presumption, in any civil or criminal litigation, against the navigability of any waterway segment. Provides that the public right to access and use navigable waters shall be subject to specified protections and limitations, a violation of which shall be punished as otherwise provided by law, and, if likely to continue, enjoined by a court of competent jurisdiction. Provides that nothing in the Act shall limit the right of any person to challenge the legality of alleged interference with the public right to access or use navigable waters in any appropriate civil or criminal litigation.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Ambulatory Surgical Treatment Center Act. Removes a provision which provides that, in ambulatory surgical treatment centers, anesthesia service shall be under the direction of a physician who has had specialized preparation or experience in the area or who has completed a residency in anesthesiology. Specifies that, with respect to anesthesia service in an ambulatory surgical treatment center, a certified registered nurse anesthetist shall seek consultation regarding development of an anesthesia plan and treatment of patients as is appropriate to the certified registered nurse anesthetist's level of expertise and scope of practice and as is warranted by the needs of the patient. Removes a requirement that an anesthesiologist participate through discussion of and agreement with the anesthesia plan and remain physically present and be available on the premises. Provides that a certified registered nurse anesthetist with clinical privileges may perform acts of advanced assessment and diagnosis and may provide such functions for which the certified registered nurse anesthetist is educationally and experientially prepared. Makes conforming changes to the Hospital Licensing Act. Amends the Medical Practice Act of 1987. Provides that a written collaborative agreement shall be adequate with respect to collaboration with certified registered nurse anesthetists if all of the following apply: (1) the agreement is written to promote the exercise of professional judgment by the certified registered nurse anesthetist commensurate with his or her education and experience; (2) the certified registered nurse anesthetist provides service based on a written collaborative agreement with the collaborating physician; and (3) methods of communication are available with the collaborating physician in person or through telecommunications for consultation, collaboration, and referral as needed to address patient care needs. HB 04075 (Continued)

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions of the bill with the following changes. Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Requires the State agency to confirm, reject, or identify a claim under the Court of Claims Act that is a lapsed appropriation and valued at less than \$2,500 within 60 days after being notified in writing of the claim by the Attorney General. Provides that, if the State agency (instead of the court) determines that it is unable to process a claim under the Act because the bill or invoice contains a defect, the State agency (instead of the court) must notify the vendor and the Attorney General (rather than the vendor only) in writing of the defect no later than 60 calendar days after receiving notice of the claim from the Attorney General's Office (rather 45 days after the bill or invoice was first submitted). Further provides that, for disapproved portions for the claim, the Attorney General (rather than the court) must allow vendors to submit documentation to the Attorney General's Office showing amendments and cured defects (rather than submit documentation to amend and cure defects). Requires a State agency to confirm, reject, or identify a defect within a claim for all other claims arising under the Act that are from lapsed appropriations that are equal to or more than \$2,500. Amends the State Prompt Payment Act. Provides that a State agency shall review each bill or invoice within 30 calendar days after its receipt (currently, in a timely manner). Provides that, when a State official or agency responsible for administering a contract receives a bill or invoice from a contractor, that State official or agency shall confirm the date on which the bill or invoice was received within 15 business days of receipt and shall transmit any approved amount to the Comptroller within 30 calendar days of receipt. Amends the Grant Accountability and Transparency Act. Provides that the advice and technical assistance provided to State grant-making agencies by the Governor's Office of Management and Budget shall include an explanation of how to determine if the awardee is eligible for advance payments, reimbursement, or working capital advances. Provides that each State grant-making agency shall specify in each grant agreement whether the applicable payment methodology is advance payment, reimbursement, or working capital advance. Provides that, if advance payment is not the applicable payment methodology, the grant agreement will specify why an alternative payment methodology applies. Sets forth deadlines by which the State grant-making agency shall issue grant agreements after issuing a Notice of State-Issued Award. Makes other changes. Effective July 1, 2027.

410 ILCS 35/16

Amends the Equitable Restrooms Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall (1) ensure that one or more of the public restrooms is designated as an adult changing station, with certain requirements, (2) maintain, repair, and replace each adult changing table as necessary, (3) clean each adult changing station with the same frequency as the other public restrooms, and (4) provide sufficient floor space to comply with the Americans with Disabilities Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall ensure that the entrance to each restroom has conspicuous signage and that the central directory for the building, if it exists, indicates the location. Provides that any public building or State-owned building that is constructed on or after January 1, 2029, and any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031, must contain and provide access to not less than one powered, height adjustable, adult changing table, installed per the manufacturer's recommendations, in a single occupancy restroom that is universal to gender and available to the public. Adds and changes definitions.

House Committee Amendment No. 1

Deletes a requirement that any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031 must contain and provide access to an adult changing table.

HB 04379 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "adult changing station" by adding references to the Americans with Disabilities Act of 1990. Changes the definition of "public building" by adding a requirement that the building be constructed on or after January 1, 2029, allowing the owner or operator of one building or structure located in a place of recreation to designate that building or structure as a public building, and specifying that places of education must be designed to educate 1,500 students or more, excluding school athletic stadiums. Changes the definition of "State-owned building" by adding specified State park facilities. Provides that the owner or operator of each public building built after January 1, 2029 shall have specified duties (rather than the owner or operator of each public building shall have specified duties), including, among other things, installing a minimum of one adult changing station, maintaining and repairing adult changing tables, cleaning adult changing stations with the same frequency as other public restrooms, and providing sufficient floor space around the adult changing table to comply with applicable Americans with Disabilities Act accessibility standards. Makes changes to signage requirements, including providing that, except for places of education, the entrance to each restroom must have conspicuous signage indicating the location of adult changing stations and that, for places of education, only the restroom that contains an adult changing station must have such signage. Deletes provisions in the introduced bill requiring that newly constructed or substantially renovated buildings contain and provide access to at least one powered, height-adjustable adult changing table in a single-occupancy restroom. Makes conforming and other changes.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. In the definition of "public building", deletes provisions clarifying the scope of certain types of buildings or structures that qualify as public buildings, includes in the definition a building or structure, not including an athletic stadium, that is located in a place of education designed to educate 1,500 students or more during a semester, and directs the owner or operator of the place of education or the owner's or operator's agent to designate the building or structure that is located in the place of education as the public building under the Act. Makes technical changes.

Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under those provisions. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:
5 ILCS 375/6.11

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

HB 01237 (Continued)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

HB 01270 (Continued)

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

HB 01805 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning the necessity for the licensure of dentists, provides that, if an applicant neglects, fails without an approved excuse, or refuses to take the next available examination offered for licensure under the Act, the fee paid by the applicant shall be forfeited to the Department of Financial and Professional Regulation and the application shall expire (rather than shall be denied). In provisions concerning the required examination for licensure as a dentist and provisions concerning the required examination for dental hygienists, provides that, if an applicant fails to pass an examination for licensure under the Act within 3 years after filing an application, the application shall expire 3 years after the date the application was filed (rather than shall be denied). In provisions concerning persons who are licensed to practice dentistry in another state, provides that, if an applicant for substantial equivalence does not complete the application process in 3 years, the applicant's application shall expire 3 years after the date of submission of the application (rather than shall be denied). In provisions concerning third-party financing for dental services, provides that "agent of a dentist" means a person or company that is permitted, authorized, or contracted to act on behalf of a dentist or dental office (instead of on behalf of or with a dentist or dental office). Provides that the changes to the Regulatory Sunset Act are effective immediately.

New Act

Creates the Motor Vehicle Glass Repair Act. Provides that an insured under a property and casualty insurance policy shall not, either prior to or after a claimed or covered loss, assign, delegate or otherwise transfer, in whole or in part, to any other person the insured's: (1) duties under the policy; or (2) rights or benefits under the policy. Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 5196, as amended by HA 2, would extend the Accelerated Pension Buyout programs for two additional years, through June 30, 2028, and authorize an additional \$1 billion in State Pension Obligation Acceleration Bonds to pay for the buyouts, bringing the total bond authorization for these programs to \$3.2 billion. According to SERS, SURS, and TRS, the programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026). Given the experience of the buyout programs to date, it may be reasonable to anticipate similar participation patterns during the extended period under HA 2, which could help reduce the liability. However, estimating the precise reduction in pension liabilities is uncertain by nature, as participation is voluntary and individual member decisions play a significant role in determining overall program impact.

430 ILCS 65/8

Amends the Firearm Owners Identification Card Act. Provides that a person who has had the person's Firearm Owner's Identification Card revoked or denied under certain provisions because the person was a patient in a mental health facility shall not be permitted to obtain a Firearm Owner's Identification Card, after the 5-year period has lapsed, unless the person has received a mental health evaluation by a licensed clinical mental health professional (rather than a physician, clinical psychologist, or qualified examiner as those terms are defined in the Mental Health and Developmental Disabilities Code). Provides that the licensed clinical mental health professional shall identify the types of collateral records received. Requires the licensed clinical mental health professional to make all reasonable attempts to obtain collateral records, and, if no collateral records are obtained, requires the licensed clinical mental health professional to document the efforts used to obtain such collateral records. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Amends the Probate Act of 1975. New Act

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth.
