HB 02374 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Makes changes to provisions regarding continuing education and competency to remain on the Qualified Medical Provider List. Allows for virtual or telephonic consultation in providing certain information. Adds references to approved pediatric health care facilities. Provides that medical forensic services shall be provided with the consent of the sexual assault survivor, with certain requirements. Makes changes to provisions regarding a sexual assault services voucher. In provisions regarding written consent to the release of sexual assault evidence for testing, provides for an agent acting under a health care power of attorney, and provides that, if a parent, guardian, or health care power of attorney is unwilling to release sexual assault evidence, then a State's Attorney or the Attorney General may petition the court to authorize its release. Merges provisions regarding complaints with provisions regarding penalties and further provides for procedures, warnings, and civil penalties (rather than a petty offense, with certain requirements). Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Provides that provisions regarding the qualified medical provider list and Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications are effective January 1, 2026. Makes conforming changes in the State Finance Act.

Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Amends the Illinois Trust Code. Requires a trustee to maintain, for a minimum of 7 years after the termination of the trust, a copy of the governing trust instrument under which the trustee was authorized to act at the time the trust terminated. Amends the Revised Uniform Unclaimed Property Act. Provides that property held in an account or plan, including a health savings account, that qualifies for tax deferral under the United States income tax law, is presumed abandoned 20 years after the account was opened. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Establishes a procedure regulating agreements between an owner or apparent owner and a finder to locate or recover property held by the State Treasurer. Requires a finder to be licensed by the State Treasurer and creates qualifications to be so licensed. Makes definitions. Makes other changes. The Treasurer is authorized to adopt rules as necessary to implement the Act. Effective immediately.

House Committee Amendment No. 1

Adds reference to:

765 ILCS 1026/15-504

Makes the changes to the licensing of a finder effective January 1, 2026. Provides that if the State Treasurer reasonably believes that the apparent owner of property presumed abandoned held under this Act is a State agency as defined in the Illinois State Auditing Act, the State Treasurer may give written notice to the chief executive officer of such State agency and the Governor's Office of Management and Budget. Changes a cross-reference.

Makes the changes to the licensing of a finder effective January 1, 2026. Provides that if the State Treasurer reasonably believes that the apparent owner of property presumed abandoned held under this Act is a State agency as defined in the Illinois State Auditing Act, the State Treasurer may give written notice to the chief executive officer of such State agency and the Governor's Office of Management and Budget. Requires that, before the termination of a trust, a trustee must conduct a reasonable search for any trust property that has been reported and remitted to a State unclaimed property administrator. Provides that, in the tenth year after the opening of an account holding property covered by the Act for which the apparent owner has not, within the previous 3 years, indicated interest under the Act and that is not otherwise presumed abandoned, the holder shall attempt to contact the apparent owner in a manner substantially similar to the notice required by the Act. Requires the State Treasurer to adopt rules to implement the Act. Amends the Prior Authorization Reform Act and the Illinois Public Aid Code. Provides that a health insurance issuer, the fee-for-service medical assistance program, and a Medicaid managed care organization may not require prior authorization for the following prescription drug types and their therapeutic equivalents approved by the United States Food and Drug Administration: human immunodeficiency virus pre-exposure prophylaxis and post-exposure prophylaxis medication or human immunodeficiency virus treatment medication. Effective January 1, 2027.

House Committee Amendment No. 1

Adds reference to:

215 ILCS 5/356z.60

Adds reference to:

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

Amends the Administration Article of the Illinois Public Aid Code. Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Provides that the transitional benefits offered shall gradually step down the beneficiary's monthly benefit proportionate to the increase in the beneficiary's income. Sets forth monthly benefits amounts based on monthly household income. Requires beneficiaries to comply with TANF and SNAP work requirements. Provides that, subject to appropriation, the Department shall implement, by July 1, 2026, a program to allow recipients to receive transitional child care benefits without the requirement that such recipients first be eligible for full child care benefits. Provides that transitional child care benefits shall be determined on a sliding scale for recipients with household incomes in excess of the eligibility level for full benefits. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2027 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. Provides that persons participating in TANF, SNAP, or the Child Care Assistance Program who are required to complete a periodic eligibility review form, may submit such form as an attachment to their Illinois income tax return. Requires the Department of Human Services and the Department of Revenue to adopt rules. Effective immediately.

Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

New Act

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Amends the Community Emergency Services and Support Act. Modifies legislative findings. Provides that appropriate mobile response services must, among other things, subject to the care decisions of the individual receiving care, coordinate transportation for any individual experiencing a mental or behavioral health emergency to the least restrictive setting feasible (rather than provide transportation for any individual experiencing a mental or behavioral health emergency). Provides that adequate mobile mental health relief provider training includes, among other things, training in recognizing and working with people with neurodivergent and developmental disability diagnoses and in the techniques available to help stabilize and connect them to further services and training in the involuntary commitment process, in identification of situations that meet the standards for involuntary commitment, and in cultural competencies and social biases to guard against any group being disproportionately subjected to the involuntary commitment process or the use of the process not warranted under the legal standard for involuntary commitment. Provides that mobile mental health relief providers may only participate in the involuntary commitment process to the extent permitted under the Mental Health and Developmental Disabilities Code. Requires the system for gathering information developed by the Statewide Advisory Committee to determine the number of instances of mobile mental health relief providers initiating petitions for involuntary commitment. Provides that the exemption from civil liability for emergency care provided in the Good Samaritan Act applies to anyone providing care under the Act. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. HB 04262 (Continued)

Creates the Civil Remedies for Nonconsensual Recording of Children Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person (1) makes a video record or transmits a live video of the child without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence; or (2) makes a video record or transmits a live video of a child without the consent of the child's parent or guardian in a residence in which the child does not reside. Provides for exceptions. Provides that a child who proves by a preponderance of the evidence that a defendant violated the Act against the child is considered obviously and materially harmful to the child and is per se harmful and traumatic. Authorizes a prevailing plaintiff to recover: (1) the greater of: (A) economic and noneconomic damages proximately caused by the defendant's violation of the Act, including but not limited to damages for emotional distress whether or not accompanied by other damages; or (B) statutory damages, not to exceed \$10,000, against each defendant found liable under the Act; (2) punitive damages; and (3) reasonable attorney's fees and costs. Provides that an action under the Act may not be brought no later than 2 years from the date the cause of action was discovered or should have been discovered with the exercise of reasonable diligence. Tolls the statute of limitation until the child becomes emancipated or attains the age of majority. Provides that if a State agency or unit of local government is required by law or ordinance to inspect a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence, the State agency or unit of local government must also inspect for hidden cameras. Provides that if a hidden camera is discovered, the owner or operator of the inspected location must post a public notice advising of the camera and the area it films. Provides that the notice must be in English and any other language that is spoken by a significant number of local residents in that area. Provides that the Act applies to causes of action accruing on or after the effective date of this amendatory Act.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Creates the Protecting Children from Hidden Cameras Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person knowingly makes or transmits a video record of the child using a concealed or disguised recording device, or otherwise in a manner intended to avoid detection, without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, hotel guest accommodations, or in a residence in which the child does not reside in an area in which a person would reasonably expect privacy. Exempts (1) a parent or legal guardian of the child who is the subject of the recording unless the parent's or legal guardian's action is prohibited by a law other than the Act; (2) a recording made by law enforcement in the lawful performance of official duties; and (3) a recording made in good faith in the reporting of unlawful conduct. Authorizes a prevailing plaintiff to recover economic and noneconomic damages, punitive damages, and reasonable attorney's fees and costs. Provides that if a State agency or unit of local government is required by law or ordinance to inspect certain locations, the inspection must also include an inspection for hidden cameras and establishes requirements for notification to law enforcement if a hidden camera is discovered. HB 04312 (Continued)

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

House Committee Amendment No. 1

Adds reference to:

725 ILCS 5/112A-11.5

Adds reference to:

750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

225 ILCS 65/60-5

225 ILCS 65/60-10

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In a provision concerning registered professional nursing education programs, provides that no program shall be placed on probation until calendar year 2026 National Council Licensure Examination (NCLEX) results can be measured. Provides that any program with NCLEX pass rates for calendar year 2026 less than 75% shall receive a written warning of noncompliance from the Division of Professional Regulation of the Department of Financial and Professional Regulation pursuant to a specific provision of the Illinois Administrative Code, except the Division may defer the written warning for an additional year if the program is within a public university and 55% or more of the university's total student population received Pell Grants. Removes a provision concerning the rescission of a license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing. Effective September 1, 2026.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Sharon Chung**HB 04255 (Continued)**

Amends the Criminal Code of 2012. Provides that the statute prohibiting elephants from performing in traveling animal acts applies to "covered animals" rather than just elephants. Defines "covered animal" as any of the following animals, and hybrids of those animals: (1) elephantidae; (2) felidae, but excluding a domestic cat; (3) non-human primate; or (4) ursidae. Provides that the provisions of the amendatory Act are in addition to, and not in lieu of, any other laws protecting animal welfare. Provides that the provisions may not be construed to limit any State law or rules protecting the welfare of animals or to prevent a unit of local government from adopting and enforcing its own animal welfare ordinances and regulations. Contains a severability provision. Effective July 1, 2026.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinstates the provisions of the introduced bill, except changes the definition of "covered animal" to include: (1) cougar (puma concolor); (2) jaguar (panthera onca); (3) leopard (panthera pardus), excluding Amur leopard (panthera pardus orientalis); (4) lion (panthera leo); and (5) tiger (panthera tigris). Eliminates from the definition of "covered animal" felidae. Changes the exemptions from a violation of the provisions to a performance of a covered animal that: (1) takes place at a non-mobile, permanent institution, or other fixed facility licensed by the United States Department of Agriculture; and (2) is conducted by the non-mobile, permanent institution, or fixed facility. Effective July 1, 2026.

New Act

Creates the Transparency in Downcoding Act. Provides that the Act applies to certain policies of health insurance amended, delivered, issued, or renewed on or after the effective date of the Act, except for employee or employer self-insured health benefit plans under the federal Employee Retirement Income Security Act of 1974 and health care provided pursuant to the Workers' Compensation Act or the Workers' Occupational Diseases Act. Prohibits a health insurance issuer from using an automated process, system, or tool to downcode a claim; from downcoding a claim based solely on the reported diagnosis codes; and from using downcoding practices in a targeted or discriminatory manner against physicians who routinely treat patients with complex or chronic conditions. Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. Effective immediately.

Representative Sharon Chung**HB 04909 (Continued)****Pension Note (Government Forecasting & Accountability)**

According to IMRF HB 4909 may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact only a small number of individuals who were previously ejected from IMRF for participating in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the increase in participants would be minimal. As of this writing, IMRF is neutral on this legislation.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person who is part of or becomes part of a bargaining unit for which a participating municipality is required to contribute to a Taft-Hartley pension plan under a collective bargaining agreement or other written agreement in effect on or before the effective date of the amendatory Act shall be deemed to be an employee for any period on or after July 16, 2014. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note, Senate Committee Amendment No. 1 (Government Forecasting & Accountability)

According to IMRF HB 4909 (S-AM 1) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to its conferring benefits on a select group of IMRF members rather than the whole body of members.

Pension Note, Senate Floor Amendment No. 2 (Government Forecasting & Accountability)

According to IMRF, HB 4909 (S-AM 2) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. New Act

Creates the River Access Modernization Act. Affirms the public's right to use navigable and recreationally suitable waters for canoeing, boating, kayaking, and angling, subject to protection of private property rights and environmental values. Provides that the public right of use does not include crossing private uplands or exiting onto private land without permission. Establishes landowner liability protections. Prohibits littering and alteration of flora and fauna. Grants rulemaking authority to the Department of Natural Resources to designate public access points, resolve conflicts, promote safety and conservation education, and maintain a listing of navigable waterways. Defines "navigable water" and "public recreational use".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the short title of the Act to the Public Waters Access Act. Makes changes to the definition of the term "navigable waters". In various provisions, replaces references to "waterway" and "public waterway" with references to "navigable waters" or "public waters". In a provision concerning the public right of use of navigable waters, defines the term "man-made structure" and specifies that the Act is not intended to restrict rights enjoyed by the public under State or federal law. Deletes the provisions in the introduced bill concerning liability and landowner protections. Specifies that liability and landowner protections are to be governed under the Recreational Use of Land and Water Areas Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates the Public Waters Access Task Force Act. Sets forth findings. Creates the Public Waters Access Task Force to study and make recommendations for increasing and improving public access to rivers for boaters, paddlers, and anglers throughout the State. Lists membership and duties of the Task Force. Directs the Department of Natural Resources to provide support to the Task Force. Requires the Task Force to submit a report no later than one year after the effective date of the Act, and dissolves the Task Force upon submission of the report. Repeals the Act 2 years after the effective date of the Act. Effective immediately.

States that it is of vital importance to protect Illinois farmland from irreversible conversion and fragmentation due to solar, industrial, and other large-scale developments. Affirms that farmland protection is consistent with and complementary to the goals of the Climate and Equitable Jobs Act and should be considered in clean-energy planning and implementation. Urges State agencies, local governments, and developers to prioritize renewable-energy and infrastructure projects on non-agricultural lands whenever practicable and to minimize impacts on prime farmland and farmland of statewide importance. Supports renewable-energy siting practices that protect soil health, drainage infrastructure, and long-term agricultural productivity, including appropriate decommissioning and land-restoration standards. Encourages transparent decision-making and meaningful community engagement to ensure that agricultural landowners and rural communities are protected from unintended long-term harm.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard

HB 02827 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Pension Note (Government Forecasting & Accountability)

HB 2827, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$1,574.16 for implementation. There may also be increased costs to school districts, regional offices of education, and public schools, but those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

House Floor Amendment No. 2

Deletes reference to:

Adds reference to:

105 ILCS 5/26-5

from Ch. 122, par. 26-5

Adds reference to:

325 ILCS 5/4.4d new

Replaces everything after the enacting clause. Creates the Homeschool Act. Requires the State Board of Education to create a homeschool notification form that a parent or guardian shall submit to the regional office of education, intermediate service center, or superintendent for the area in which the student resides. Requires the notification form to be published in a downloadable and printable format on the Board's website no later than June 1, 2026. Provides that beginning with the 2026-2027 school year, a parent or guardian who homeschooled the parent's or guardian's student shall submit the notification form before September 1 of each year. Provides that a public school or school district shall only retain a copy of the notification form if the homeschool parent or guardian requests that the record be retained by the public school or school district, and if such record is retained, the regional office of education, intermediate service center, or superintendent shall retain the record for not less than 5 years. Provides that there exists a rebuttable presumption that a student is not truant if a homeschool notification form was submitted. Allows a homeschool administrator to have a high school diploma or its recognized equivalent. Provides that consent must be obtained from the Department of Children and Family Services' Guardian Administrator prior to a homeschool notification form being submitted for all youth under the custody and guardianship of the Department. Provides that homeschools shall provide every student enrolled in homeschool instruction sufficient content to satisfy certain requirements of the School Code. Allows a truant officer to request an educational portfolio as part of a truancy investigation, which must be produced by the homeschool no later than 10 days after the request is made. Allows the State Board of Education to adopt any rules necessary to implement and administer the Act. Makes other changes. Makes conforming changes in the Freedom of Information Act, the School Code, the Illinois School Student Records Act, and the Abused and Neglected Child Reporting Act.

Amends Student Transfer Achievement Reform Act. Defines "transfer articulation agreement". Sets forth the purpose of the Act. Provides that a State university shall (rather than the General Assembly encourages State universities) to facilitate the seamless transfer of credits toward a baccalaureate degree. Provides that a State university shall enter into a transfer articulation agreement with the community college district to provide a seamless pathway for transfer. Provides that if, within 180 calendar days of the community college's initial request to enter into a transfer articulation agreement with the State university, the community college and State university do not reach agreement on the transfer articulation agreement, then the community college and State university shall jointly implement the provisions of the Model Transfer Articulation Agreement. Provides that a Model Transfer Articulation Agreement shall be developed through a Transfer Articulation Committee by December 31, 2025. Requires each community college and State university to publish the institution's process and timeline for reviewing and making decisions regarding transfer credit requests on the institution's website. Removes language regarding the Board of Higher Education's reviews and reports. Provides instead that, by May 1, 2026, and May 1 of each subsequent year, each State university shall report to the Board of Higher Education specified information. Effective immediately.

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. House Democrat Sponsor Synopsis Report

Representative Michael Crawford**HB 01810 (Continued)**

Creates the Equitable Access to Education, Employment, and Training for Incarcerated Individuals with Disabilities Act. Provides that reasonable accommodations for incarcerated individuals with an intellectual disability or a developmental disability shall include a waiver of any requirement that the individual take the Test of Adult Basic Education and receive a passing score, or take and receive a passing score on any other examination or test that the Department may require to determine academic achievement or access to educational programs, work assignments, and vocational programs. Provides that participation in these programs through the Test of Adult Basic Education waiver and other reasonable accommodations shall qualify individuals with an intellectual disability or a developmental disability to earn earned sentence credit, consistent with opportunities provided to other incarcerated individuals. Provides that Department of Corrections staff, including educational personnel, shall receive annual training on: (1) identifying individuals who have an intellectual disability or a developmental disability; (2) providing accommodations and supports to an individual with an intellectual disability or a developmental disability in educational, employment, and vocational settings; and (3) administering appropriate alternative assessments. Provides that staff training programs shall be developed in collaboration with disability advocacy organizations and educational institutions. Provides that the Department shall ensure compliance with federal disability laws, including the Americans with Disabilities Act and Rehabilitation Act of 1973, through the implementation of the Act. Provides that individuals with an intellectual disability or a developmental disability who are denied access to programs or accommodations under the Act may file a grievance through the Department's established grievance procedures. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that when an incarcerated individual discloses that the incarcerated individual has an intellectual disability or a developmental disability and provides documentation verifying such disability, the incarcerated person shall be eligible for a waiver of any requirement to take or receive a passing score on the Test of Adult Basic Education, or any successor examination used to determine access to educational, employment, or vocational programming. Establishes various documentation to prove an intellectual or developmental disability. Provides that the determination of a waiver request must be made within 45 days after the request is submitted. Provides that Department of Corrections staff, including educational personnel, may receive annual training on: (1) providing accommodations and supports to an individual with an intellectual disability or a developmental disability in educational, employment, and vocational settings; and (2) administering appropriate alternative assessments. Provides that the Department of Corrections shall develop, in collaboration with the Illinois Council on Developmental Disabilities and other disability organizations in Illinois, accessible informational materials written in plain English, Spanish, and other languages appropriate to reach the population of incarcerated individuals explaining: (1) the availability of accommodations and waivers under this Act; (2) how to disclose a disability; (3) how to request help to obtain documentation to verify a disability; and (4) grievance rights if access is denied. Provides that, in the absence of formal documentation, the Department shall consider a waiver if credible evidence of disability exists and shall help the individual to obtain documentation. Provides that informational materials shall be provided at intake and posted where other informational material is generally posted or made available. Provides that informational materials shall be available in alternative formats upon request, including large print and audio. Provides that no later than March 31 of each year beginning on March 31, 2028, the Department of Corrections shall report the following aggregate data to the Governor and the General Assembly for the previous fiscal year. Provides that nothing in the Act shall be construed to apply to or affect adult education or any program administered or approved by the Illinois Community College Board within facilities of the Department of Corrections. Effective immediately.

Provides that the informational materials provided to incarcerated persons on disabilities shall include information on how to submit documentation to verify an intellectual disability or developmental disability. Provides that informational materials shall be made available to incarcerated individuals through intake, program access, re-entry planning, and other disclosure pathways established under the Equitable Access to Education, Employment, and Training for Incarcerated Individuals with Disabilities Act. Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Amends the Court of Claims Act. Provides that the Court of Claims has exclusive jurisdiction to hear all claims against the State for time unjustly served in State prisons, in county jails, in county juvenile detention facilities, or in Illinois Youth Centers, on parole or probation, or registered as a sex offender if the person was unjustly convicted or adjudicated a delinquent and received a pardon from the Governor on the ground of innocence of the crime for which the person was convicted or adjudicated a delinquent or the person received a certificate of innocence. Removes language providing the amount of the award the court may give for a successful claim. Provides that the changes made by the amendatory Act apply to claims pending or filed on or after the effective date of the amendatory Act. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and then serves any part of a sentence of incarceration in a State prison, in a county jail, in a county juvenile detention facility, or in a Illinois Youth Center, on parole or probation, or registered as a sex offender (rather than convicted and subsequently imprisoned) for one or more felonies by the State that the person did not commit may file a petition for certificate of innocence. Requires the court to make an award of reasonable attorney's fees, costs, and expenses after awarding a certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal that occurred before the effective date of the amendatory Act shall file a petition within 4 years after the effective date of the amendatory Act, and any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal that occurred on or after the effective date of the amendatory Act shall file a petition within 2 years after the dismissal or acquittal. Effective immediately.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Deletes provisions that authorize a court to make an additional award of reasonable attorney's fees, costs, and expenses after awarding a certificate of innocence. Requires the Court of Claims to direct payments under the Act as follows: (1) For awards of \$1,000,000 or less, the full amount is to be paid with funds from the State fiscal year in which the award was entered. (2) For awards of more than \$1,000,000 but less than \$1,300,000, \$1,000,000 is to be paid from the State fiscal year in which the award was entered, and the remainder is to be paid in the next fiscal year thereafter. (3) For awards of \$1,300,000 or more, \$1,000,000 is to be paid from the State fiscal year in which the award was entered, and the remainder is to be paid in equal installments over the next 3 years. Requires that court to determine reasonable attorney's fees, costs, and expenses for the claimant's attorney not to exceed: (1) 25% of the award for claimants incarcerated 3 years or less; (2) 15% of the award for claimants incarcerated more than 3 years but less than 10 years; and (3) 10% of the award for claimants incarcerated 10 years or more. Effective immediately.

815 ILCS 505/2MMMM new

Creates the Algorithmic Pricing Transparency Act. Provides that any person or entity that sells or offers to sell goods or services through an online platform to consumers in this State shall provide a clear and conspicuous disclosure if the price displayed to a consumer is generated using surveillance pricing. Provides that a consumer may opt out of surveillance pricing and a covered entity shall provide the consumer with a non-personalized baseline price for the goods or services. Prohibits a covered entity from using specified personal information to generate algorithmic pricing. Provides that a violation of the Act is an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act. Amends the Consumer Fraud and Deceptive Business Practices Act to make a conforming change. Effective one year after becoming law.

House Floor Amendment No. 2

Deletes reference to:

815 ILCS 505/2MMMM new

Replaces everything after the enacting clause. Creates the Algorithmic Pricing Prohibition Act. Provides that a person or entity that sells or offers to sell consumer goods or services to consumers in this State shall not engage in surveillance pricing (algorithmic pricing that uses a consumer's personal data to generate a price for consumer goods or services that is set for a consumer based on the consumer's personal data). Provides that the Act does not apply to: specified types of price changes; algorithmic pricing models that do not use personal data; or the use of consumer personal data for purposes of determining creditworthiness or underwriting a consumer's ability to repay. Provides that the Attorney General may: investigate a claim that a person violated the Act; bring an action in the name of the People of this State to restrain or enjoin by preliminary or permanent injunction the person from violating the Act; seek restitution and petition a circuit court for the assessment of a civil penalty; and recover all reasonable costs of bringing an action. Provides that a person who violates the Act is liable for a civil penalty of not more than \$50,000 for each violation. Preempts home rule. Provides that nothing in the Act shall be construed to limit any federal or State law.

House Floor Amendment No. 3

Removes language providing that the Act does not apply to price changes that are the result of any bona fide price change that is reasonably attributable to legitimate business considerations. Provides that the Act does not apply to (i) algorithmic pricing models that do not use personal data, including models based on aggregate market demand, which includes changes in market demand, competitive conditions, and the seller's cost structure, (ii) the pricing of any contract or policy of insurance that is subject to rules regarding pricing to consumers adopted by the Department of Insurance, including a surety contract, a dental service plan, a health care plan, a limited health care plan, or a voluntary health services plan, or (iii) any provider of financial services, including a financial institution, a financial institution affiliate, a broker-dealer, a registered investment advisor, or an entity that provides consumer credit products, such as credit cards, personal loans, and mortgages, that is subject to rules adopted by the Department of Financial and Professional Regulation or rules or regulations adopted by any federal financial regulatory agency regarding pricing or disclosures, including terms disclosed to consumers.

Provides that the provisions of the amendatory Act are in addition to, and not in lieu of, any other laws protecting animal welfare. Provides that the provisions may not be construed to limit any State law or rules protecting the welfare of animals or to prevent a unit of local government from adopting and enforcing its own animal welfare ordinances and regulations. Contains a severability provision. Effective July 1, 2026.

20 ILCS 3805/7.34 new

30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Michael Crawford**HB 04283 (Continued)**

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis (\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

105 ILCS 5/14-1.09 from Ch. 122, par. 14-1.09
 105 ILCS 5/14-1.09.1

Amends the Children with Disabilities Article of the School Code. Provides that "school psychologist" means a psychologist who, along with other qualifications, has graduated with a specialist degree, an equivalent degree with the completion of a minimum of 60 graduate semester hours, or a higher degree in school psychology (rather than a master's degree or higher degree in psychology or educational psychology) from an institution of higher learning and has had at least 1,200 clock hours of supervised experience (rather than one school year of full-time supervised experience) in the delivery of school psychological services. Makes changes to provide that school psychological services provided by qualified specialists who hold a Professional Educator License endorsed for school psychology may include, but are not limited to: (1) providing assessments; (2) creating and implementing prevention and intervention services that support student learning; (3) providing mental and behavioral health services; (4) acting as liaisons between public schools and community agencies; (5) evaluating program effectiveness; (6) providing crisis prevention, response, and intervention within the school setting; (7) providing consultation and collaboration; (8) supervising school psychologist interns enrolled in school psychology programs; (9) screening school enrollments to identify children who should be referred for individual study; and (10) developing any other necessary programs and services. Provides that a school psychologist may not provide school psychological services outside of his or her employment to any student in any school district that employs the school psychologist. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Children with Disabilities Article of the School Code. Provides that "school psychologist", for a psychologist licensed on or after the effective date of the amendatory Act, means a psychologist who, along with other qualifications, has graduated with a specialist degree, an equivalent degree with the completion of a minimum of 60 graduate semester hours, or a higher degree in school psychology from an institution of higher learning that maintains equipment, courses of study, and standards of scholarship approved by the State Board of Education, and has had at least 1,200 clock hours of supervised experience in the delivery of school psychological services of a character approved by the State Superintendent of Education, at least 600 hours of which were in a school setting, and has such additional qualifications as may be required by the State Board of Education. Makes changes to provide that school psychological services provided by qualified specialists who hold a Professional Educator License endorsed for school psychology may include, but are not limited to: (1) providing assessments; (2) creating and implementing prevention and intervention services that support student learning; (3) providing mental and behavioral health services; (4) acting as liaisons between public schools and community agencies; (5) evaluating program effectiveness; (6) providing crisis prevention, response, and intervention within the school setting; (7) providing consultation and collaboration; (8) supervising school psychologist interns enrolled in school psychology programs; (9) screening school enrollments to identify children who should be referred for individual study; and (10) developing any other necessary programs and services. 820 ILCS 405/612

from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

House Floor Amendment No. 3

Deletes reference to:

325 ILCS 3/10-125 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Illinois Insurance Code, provides that "diagnosis of autism spectrum disorder" includes one or more tests, evaluations, and assessments to diagnose whether an individual has autism spectrum disorder that are prescribed, performed, or ordered by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders in children under age 3 (rather than by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders). In provisions amending the Illinois Speech-Language Pathology and Audiology Practice Act, makes changes to the requirements necessary for a speech-language pathologist to diagnose autism spectrum disorders. In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). Effective immediately.

Senate Committee Amendment No. 1

Provides that a speech-language pathologist may diagnose autism spectrum disorders if the speech-language pathologist has completed training in age-appropriate autism diagnostic evaluation methods provided by an approved continuing education sponsor (rather than if the speech-language pathologist has an active autism evaluation credential issued by the Illinois Early Intervention Program).

Rep. Lindsey LaPointe-Michael Crawford, Katie Stuart, Gregg Johnson, Nicolle Grasse, Martha Deuter, Lisa Davis, Michelle Mussman, Yolonda Morris, Margaret A. DeLaRosa and Jawaharial Williams

Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. States that any state agency, public university, or entity receiving state funds should take all necessary steps to avoid discrimination against individuals holding these graduate degrees in hiring, promotion, compensation, professional development funding, or other terms and conditions of employment based on any federal student loan classification. Urges the United States Department of Education to include all graduate degrees in nursing, social work, counseling, therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education in its definition of "professional degrees" for federal student loan purposes. Urges the Illinois Congressional Delegation to advocate for legislation to ensure that graduate students in all health and human services professions have access to adequate federal student loan funding to complete their professional education. Commits to exploring state-level solutions to support graduate education in health and human services professions, including but not limited to scholarships, grants, loan repayment assistance programs, and other workforce development initiatives. Expresses support for the licensed health and human services professionals in Illinois who serve our most vulnerable populations with skill, compassion, and unwavering commitment to the public good.

325 ILCS 5/3

from Ch. 23, par. 2053

Amends the Abused and Neglected Child Reporting Act. In the definition of "abused child", provides that an abused child means a child whose parent or immediate family member, or any person responsible for the child's welfare, or any individual residing in the same home as the child, or a paramour of the child's parent commits the act of grooming a child for the purpose of establishing or attempting to establish a romantic or sexual relationship (rather than commits the offense of grooming, as defined in the Criminal Code of 2012). Effective immediately.

House Floor Amendment No. 1

Adds reference to:
 105 ILCS 5/22-85.5

Adds reference to:
 105 ILCS 5/22-94

Adds reference to:
 105 ILCS 5/27-215

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Expands the definition of "abused child" to include a child whose parent or immediate family member, or any person responsible for the child's welfare, or any individual residing in the same home as the child, or a paramour of the child's parent engages in a pattern of conduct or communications directed toward such child, meaning 2 or more instances of conduct or communication, that a reasonable person would understand as intended to groom, seduce, solicit, lure, or entice the child for the purpose of committing any sex offense or engaging in sexual misconduct against such child. Defines "sexual misconduct" to mean, but not be limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by a person responsible for the child's welfare to establish a romantic or sexual relationship with the child. Provides that such conduct or communications may include, but is not limited to: (1) a sexual or romantic invitation; (2) dating or soliciting a date; (3) engaging in sexualized or romantic dialog; or (4) making sexually suggestive comments that are directed toward or with the child. Amends the School Code. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center shall collect and, at the request of the substitute teacher, share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district, school districts, or other regional offices of education or intermediate service centers. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. In provisions concerning comprehensive health education programs, provides that no student in pre-K through 8th grade shall be required to take or participate in any class or course providing instruction in recognizing and avoiding sexual abuse if the parent or guardian of the student submits written objection thereto; and refusal to take or participate in such class or course shall not negatively impact a student's academic standing. Requires each school to give not less than 5 days' written notice to the parents or guardians of such students before commencing the class or course.

Encourages the CPS Board of Education to evaluate whether limited menu testing or pilot programs allowing pork products would better align with current nutrition science, cultural inclusion, fiscal stewardship, and full utilization of available USDA foods.

Amends the Illinois Lottery Law. Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that written play instructions shall be made available on the Department's public website or by the Department by request (rather than made available through sales agents licensed to sell game tickets or shares). Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Provides that the Department may pay any prize (rather than prizes up to \$25,000) from funds held by the Department in an account separate and apart from all public moneys of the State. Removes provisions allowing moneys in the account to be deposited by the Department into the Public Treasurers' Investment Pool or used to pay amounts to deferred prize winners. Allows the Department (rather than the State Treasurer with the consent of the Director of the Lottery) to contract with any person or corporation to perform such financial functions, activities, or services in connection with operation of the lottery. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. In provisions concerning preaudits by the State Comptroller, removes a limitation that the provisions apply to payments for prizes of \$25,000 or less. Makes other changes.

Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Provides that any employee of a financial institution who willfully fails to report as required by the Act shall be referred to the Department of Financial and Professional Regulation for possible disciplinary action. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

Provides that the Department shall adopt rules to carry out the provisions of the Act, including the adoption of rules that establish a process for submitting and processing of applications for grants no later than December 31, 2026. from Ch. 111, par. 1701-7

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Removes the requirement that a person who is licensed or registered to engage in any of the professions licensed or registered by the Department be of good moral character. Prohibits the Department from using a vague term in its consideration of a criminal record and decision regarding whether a criminal record is disqualifying for licensure, certification, or registration, including, but not limited to, "good moral character", "moral turpitude", or "character and fitness". Makes other changes. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. Provides that no application shall be automatically placed on hold, delayed, denied, or otherwise not processed by the Department because it was submitted by a person who is incarcerated. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

20 ILCS 3805/7.34 new
30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

105 ILCS 5/14-1.09

from Ch. 122, par. 14-1.09

105 ILCS 5/14-1.09.1

Amends the Children with Disabilities Article of the School Code. Provides that "school psychologist" means a psychologist who, along with other qualifications, has graduated with a specialist degree, an equivalent degree with the completion of a minimum of 60 graduate semester hours, or a higher degree in school psychology (rather than a master's degree or higher degree in psychology or educational psychology) from an institution of higher learning and has had at least 1,200 clock hours of supervised experience (rather than one school year of full-time supervised experience) in the delivery of school psychological services. Makes changes to provide that school psychological services provided by qualified specialists who hold a Professional Educator License endorsed for school psychology may include, but are not limited to: (1) providing assessments; (2) creating and implementing prevention and intervention services that support student learning; (3) providing mental and behavioral health services; (4) acting as liaisons between public schools and community agencies; (5) evaluating program effectiveness; (6) providing crisis prevention, response, and intervention within the school setting; (7) providing consultation and collaboration; (8) supervising school psychologist interns enrolled in school psychology programs; (9) screening school enrollments to identify children who should be referred for individual study; and (10) developing any other necessary programs and services. Provides that a school psychologist may not provide school psychological services outside of his or her employment to any student in any school district that employs the school psychologist. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Children with Disabilities Article of the School Code. Provides that "school psychologist", for a psychologist licensed on or after the effective date of the amendatory Act, means a psychologist who, along with other qualifications, has graduated with a specialist degree, an equivalent degree with the completion of a minimum of 60 graduate semester hours, or a higher degree in school psychology from an institution of higher learning that maintains equipment, courses of study, and standards of scholarship approved by the State Board of Education, and has had at least 1,200 clock hours of supervised experience in the delivery of school psychological services of a character approved by the State Superintendent of Education, at least 600 hours of which were in a school setting, and has such additional qualifications as may be required by the State Board of Education. Makes changes to provide that school psychological services provided by qualified specialists who hold a Professional Educator License endorsed for school psychology may include, but are not limited to: (1) providing assessments; (2) creating and implementing prevention and intervention services that support student learning; (3) providing mental and behavioral health services; (4) acting as liaisons between public schools and community agencies; (5) evaluating program effectiveness; (6) providing crisis prevention, response, and intervention within the school setting; (7) providing consultation and collaboration; (8) supervising school psychologist interns enrolled in school psychology programs; (9) screening school enrollments to identify children who should be referred for individual study; and (10) developing any other necessary programs and services. Provides that a school psychologist may not provide school psychological services outside of his or her employment to any student in any school district that employs the school psychologist. Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1, with the following changes. Provides that the changes to the qualification requirements for a school psychologist apply beginning on July 1, 2027 (rather than the changes applying to a psychologist licensed on or after the effective date of the amendatory Act). Provides that to qualify as a school psychologist, the psychologist must (i) have graduated from an institution of higher learning that maintains equipment, courses of study, and standards of scholarship approved by the State Board of Education with (I) a qualifying master's degree, as determined by the State Board, with the completion of a minimum of 60 graduate semester hours, (II) a qualifying specialist degree, as determined by the State Board, (III) an equivalent degree, as determined by the State Board, with the completion of a minimum of 60 graduate semester hours, or (IV) a higher qualifying degree, as determined by the State Board (rather than with a specialist degree, an equivalent degree with the completion of a minimum of 60 graduate semester hours, or a higher degree in school psychology); (ii) have had supervised internship experience in the delivery of school psychological services of a character approved by the State Superintendent of Education on a full-time basis for at least one school year or, if applicable, on at least a half-time basis over 2 consecutive school years (rather than having had at least 1,200 clock hours of supervised experience in the delivery of school psychological services of a character approved by the State Superintendent, at least 600 hours of which were in a school setting); and (iii) have such additional qualifications as may be required by the State Board.

from Ch. 23, par. 3434

Amends the Rehabilitation of Persons with Disabilities Act. Requires direct service workers employed by the Department of Human Services, or an agency contracted with the Department, to provide services under the Home Services Program to complete at least 2 hours of dementia training at the start of their employment and annually thereafter. Requires the training to cover subjects concerning Alzheimer's disease and dementia, safety risks, and communication and behavior. Requires the Department to provide contractors with dementia training curriculum on the required subjects. Provides that any other laws or rules that impose more rigorous dementia training for direct service workers under the Home Services Program shall apply. Exempts from the training requirements direct service workers who provide proof that they obtained equivalent dementia training in compliance with another law or rule. For personal assistants covered by a collective bargaining agreement, requires the Department to establish, in consultation with the joint training committee created under the collective bargaining agreement, different parameters and specific topics for curriculum covering dementia training.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory changes apply to Home Services Program rehabilitation counselors and to those homemaker agency employees who provide direct care services to individuals participating in the Home Services Program (rather than to direct service workers employed by the Department of Human Services or by an agency that is contracted with the Department). Requires such persons to complete dementia training totaling at least 2 hours at the start of their employment (rather than shall complete at least 2 hours of dementia training at the start of their employment). Provides that an individual who is required to receive dementia training under any other law or rule may be considered exempt from the requirements of the amendatory Act if the other law's or rule's training requirement includes a minimum 2 hours of dementia training in the required subjects (rather than a minimum 2 hours of dementia training). Provides that for individual providers (rather than personal assistants), the Department shall work with the joint training committee established by the collective bargaining agreement covering individual providers (rather than personal assistants) to discuss parameters and specific topics for curriculum covering dementia training as part of the provided training for individual providers (rather than personal assistants).

HB 05434 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment 1 with the following changes. In provisions relating to legislative findings, provides that developmental psychology and neuroscience studies have shown (rather than Developmental psychology and neuroscience conclude) that judgment, impulse control, and psychosocial maturity may continue (rather than continue) developing into the mid-20s. Further provides that emerging adults may differ (rather than differ) significantly from older adults in risk assessment, susceptibility to peer influence, emotional regulation, and decision making under stress. Further provides that emerging adults may also (rather than also) face elevated rates of mental health disorders, trauma exposure, substance use disorders, unemployment, and housing instability. Further provides that adult jails and prisons can be (rather than are) associated with higher rates of victimization, self harm, long-term disability, and recidivism among the emerging adult population. Further provides that after decades of program based intervention alternatives for juveniles, it is appropriate for the task force to evaluate the efficacy of each of these programs to ensure only those that are reducing criminal behavior and providing for public safety are continued while those that are not providing the expected benefits are phased out. In provisions concerning the composition of the Task Force, provides that the Task Force shall include two representatives (rather than one representative) of a municipal police department. Further provides that the Task Force shall include two representatives (rather than one representative) of a sheriff's office. Further provides that the Task Force shall include two representatives (rather than one representative) of a community based legal services or holistic defense organization serving emerging adults. Effective immediately.

New Act

30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

HB 01224 (Continued)

Adds reference to:
30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

Senate Floor Amendment No. 3

Provides that the provision does not apply to the Illinois State Toll Highway Authority.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Provides that, no later than May 31, 2027, the Chicago Metropolitan Agency for Planning, the Metropolitan Planning Organization, and the Northeastern Illinois Water Governance Advisory Committee shall develop and submit a report of legislative recommendations to the Governor and General Assembly regarding the sufficiency, management, and governance of water in Northeastern Illinois. Provides that the report shall include (1) the projected water use needs in the region through 2075, including any projected growth in water demand owing to residential, industrial, agricultural, or commercial development; (2) the adequacy of currently available water sources and infrastructure to meet projected water use needs in the region; (3) the risks to water security in the region, including any risks from climate change, groundwater depletion, biological or technological interference, increased drawdown from water intensive manufacturing, infrastructure failure within community water supplies, infrastructure failure across water supplies, and other risks as deemed appropriate; (4) existing data that the State collects related to water withdrawal, transmission, and use, including where the data is kept and how it is used and shared by agencies; (5) potential future government or management structures that would better ensure affordable water access for the region's water users, including possible structures to regionalize water service in the region; (6) recommendations on the feasibility and cost-effectiveness of at least 2 intergovernmental or governmental structures to improve water quality, long-term security, and affordability in the region; and (7) recommendations on how State agencies and departments can improve data collection, planning, and regulation of water in the region. Provides that within 10 business days of receipt of the complainant's request to opt out of the investigation, the Director shall issue an opt out notice to commence an action in circuit court to the parties. Provides that a Departmental right to sue notice does not constitute a finding of substantial evidence or of a lack of substantial evidence. Requires that any Departmental right to sue notice to state that the complainant shall have 90 days from the date of receipt of the notice to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the Department of Human Rights to notify the parties that the complainant may request a Departmental notice of right to sue when submitting the Equal Employment Opportunity Commission determination after the Department receives notice that a charge was filed with the EEOC. Requires that if the EEOC does not issue a determination or determines that it is unable to establish illegal discrimination, the Department must proceed as follows: if the complainant timely notifies the Department of the EEOC's determination and also requests in writing that the Department issue a Departmental notice of right to sue, then the Department shall issue such notice within 10 business days after the receipt of the EEOC's determination and request from the complainant; but if the complainant does not submit the written request as required when notifying the Department of the EEOC's determination, then the Department must inform the parties, within 10 business days after receipt of the EEOC's determination, that the Department will issue a Departmental notice of right to sue unless the complainant requests in writing within 35 days after receipt that the Department review the EEOC's determination. Provides that if the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and may review any information submitted by the complainant with the written request and any evidence obtained by the EEOC during its investigation. Provides that if the Department receives a written request from the complainant to opt out of the investigation after the 60-day opt-out time period has elapsed, the Department shall process the request as a request for a Departmental notice of right to sue. Provides that if more than 365 days have elapsed after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant may exercise the complainant's rights to either file a complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court without requesting or obtaining a Departmental notice of right to sue. Makes structural changes. Provides that the changes made to the Section governing procedures by Public Act 104-425 apply to charges pending or filed on or after January 1, 2026.

Amends the Illinois Trust Code. Requires a trustee to maintain, for a minimum of 7 years after the termination of the trust, a copy of the governing trust instrument under which the trustee was authorized to act at the time the trust terminated. Amends the Revised Uniform Unclaimed Property Act. Provides that property held in an account or plan, including a health savings account, that qualifies for tax deferral under the United States income tax law, is presumed abandoned 20 years after the account was opened. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Establishes a procedure regulating agreements between an owner or apparent owner and a finder to locate or recover property held by the State Treasurer. Requires a finder to be licensed by the State Treasurer and creates qualifications to be so licensed. Makes definitions. Makes other changes. The Treasurer is authorized to adopt rules as necessary to implement the Act. Effective immediately.

Makes the changes to the licensing of a finder effective January 1, 2026. Provides that if the State Treasurer reasonably believes that the apparent owner of property presumed abandoned held under this Act is a State agency as defined in the Illinois State Auditing Act, the State Treasurer may give written notice to the chief executive officer of such State agency and the Governor's Office of Management and Budget. Requires that, before the termination of a trust, a trustee must conduct a reasonable search for any trust property that has been reported and remitted to a State unclaimed property administrator. Provides that, in the tenth year after the opening of an account holding property covered by the Act for which the apparent owner has not, within the previous 3 years, indicated interest under the Act and that is not otherwise presumed abandoned, the holder shall attempt to contact the apparent owner in a manner substantially similar to the notice required by the Act. Requires the State Treasurer to adopt rules to implement the Act. 70 ILCS 705/11n new

Amends the Fire Protection District Act and the Illinois Municipal Code. Provides that municipalities and fire protection districts may fix, charge, and collect reasonable fees from an individual, an assisted living facility, or a nursing home facility for all nonemergency lift-assist services rendered by a fire department, firefighter, an emergency response unit, public safety employee of a municipal department, or fire protection district in connection with providing nonemergency lift-assist services to a patient or other individual. Provides that the fees may not exceed the actual personnel and equipment costs for all services rendered by the municipality or fire protection district in connection with providing lift-assist services to a patient or other individual.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that a municipality or fire protection district may fix, charge, and collect reasonable fees from an assisted living facility or nursing home facility for every lift-assist service after the 6th lift assist service provided to that assisted living facility or nursing home facility that year rendered by the municipality or fire protection district in connection with providing lift-assist services to a patient or other individual (rather than fix, charge, and collect reasonable fees from individuals, assisted living facilities, and nursing home facilities for all nonemergency lift-assist services rendered by the municipality or fire protection district in connection with providing nonemergency lift-assist services to a patient or other individual). HB 02459 (Continued)

Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

HB 02857 (Continued)

Adds reference to:
625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

House Floor Amendment No. 3

Adds reference to:
625 ILCS 5/12-502 from Ch. 95 1/2, par. 12-502

Further amends the Illinois Vehicle Code. Allows public transit vehicles to use an electronic rear-view monitoring system on commercial motor vehicles owned by the agency and the mirror requirements of the Code of Federal Regulations so long as an exemption to the Code of Federal Regulations granted by the Federal Motor Carrier Safety Administration remains in effect.
