Provides that the court shall require a minor to participate in restorative justice programs, such as social service programs for high-risk youth, cognitive behavioral therapy, including family engagement and mentoring, and comply with referral recommendations if the minor: (1) has previously been placed on probation for an offense that involves the possession or discharge of a firearm not causing any injury; and (2) is convicted of a subsequent offense involving the possession or discharge of a firearm not causing any injury.

HB 04695 (Continued)

Amends the Crematory Regulation Act. Authorizes the Comptroller to issue citations or fines, or both, to licensees. Requires a cemetery authority to implement (i) a standard operating procedure and provide a copy to all employees; and (ii) a medical waste management plan. Authorizes the Comptroller to impose a fine not to exceed \$10,000 for each violation under the Act. Allows the Comptroller to refuse to issue a license or take disciplinary action if the applicant or licensee has failed to pay delinquent taxes or child support. Requires the Comptroller, upon revocation or suspension of a license, to notify the county coroner or medical examiner who is responsible for the area where the crematory is located to immediately make arrangements to take possession of bodies and cremated remains and arrange for final disposition of any decedents in the possession of the suspended licensee after consulting with the authorized agents for those bodies. Provides that if no authorized agent can be contacted, the county coroner or medical examiner shall take possession of bodies and cremated remains within 72 hours of notification from the Comptroller. Requires a crematory authority to perform a cremation no more than 60 days from the date the human remains have been delivered to it unless the crematory authority has received specific instructions to the contrary on its cremation authorization form. Requires the crematory authority to notify the Comptroller and the coroner or medical examiner in the county in which the death occurred as to why the cremation cannot be performed if it is not done within the 60-day period. Provides that pacemakers do not need to be removed in alkaline hydrolysis cremations. Requires that cremated remains must be stored in a place free from exposure to the elements and be responsibly maintained until disposal. Makes other changes. Amends the Cemetery Care Act. Provides that if a cemetery authority owning or operating a privately owned cemetery has accepted care funds and is considered abandoned or seeks dissolution, it allows, if no receiver is available, a circuit court to order a willing unit of local government to take over the cemetery. Makes other changes.

Replaces everything after the enacting clause. Reinserts provisions of the bill with these changes. Restores definition of "alternative container" to current law. Provides the Comptroller may inspect crematory records and premises at the crematory authority's place of business to review a licensee's compliance with the Crematory Regulation Act. Provides that each crematory authority shall implement (1) a standard operating procedure that is appropriate for the crematory authority and not made uniform through rules and provide a copy to all employees; and (2) a medical waste management plan that is appropriate for the crematory authority and not made uniform through rules. Deletes as a ground for denial or discipline for an applicant or licensee who has failed to pay delinquent taxes and child support. Provides that if human remains have not been cremated within 30 days after the date of delivery to the crematory, and absent direction from a law enforcement agency to hold the remains, the crematory authority shall provide notice to the Comptroller's office and the coroner or medical examiner in the county in which the death occurred as to why the cremation cannot be performed and that this 30-day notice requirement may not be construed as a legal standard of reasonableness for the timeliness of a cremation. Provides that any person who intentionally violates a provision of the Act or a final order of the Comptroller is liable for a civil penalty not to exceed \$10,000 rather than \$25,000. Provides that pacemakers do not need to be removed in alkaline hydrolysis if: (1) the involved funeral director has received advance written notice from the crematory authority that its alkaline hydrolysis vessel has been certified by the manufacturer to work safely on human remains that contain pacemakers; and (2) the involved funeral director has received advance written confirmation that the aqueous solution that results from the alkaline hydrolysis of a pacemaker satisfies all federal and State hazardous waste rules and meets all publicly owned treatment works pretreatment standards upon being discharged into the sanitary sewer system. 415 ILCS 5/57.9

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Representative Martha Deuter
HB 03811 (Continued)

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

Senate Committee Amendment No. 1

Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 60 days (instead of 120 days) before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 60 days (instead of 120 days). Provides that before being appointed as guardian for a person with a disability, the private professional guardian must personally meet with and assess the respondent before or as soon as feasible after the appointment; (ii) evaluate what is the least restrictive form of guardianship that is appropriate; and (iii) evaluate options regarding the respondent's living arrangements including community-based, least restrictive living settings that incorporate the respondent's values, preferences, and known wishes.

Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to have a support person of the victim's choosing present during any interview by a law enforcement officer or prosecutor, unless the law enforcement officer or prosecutor makes a good faith determination based on professional judgment that the presence of the support person would be detrimental to the purpose of the interview. Provides that, if the support person engages in behavior that disrupts or undermines the interview, the support person may be removed. Provides that, if the support person is not permitted to accompany the victim or is removed, the victim may consent to be interviewed without a support person, decline to be interviewed, or choose to schedule an interview at a later date and bring a different support person.

Provides that if, when a request is made, no officer at that agency of the requested sex or gender with that training is reasonably available, the victim may consent to be interviewed by any available law enforcement officer with that training, decline to be interviewed, or choose to schedule an interview at another time when such an officer is expected to be available. Provides that if the victim requests an officer of a particular sex or gender at the scene, in the emergency department of a hospital, at an approved pediatric health care facility, or under exigent circumstances, the responding officer shall accommodate the request when an officer of the requested sex or gender is reasonably available. Provides that every law enforcement agency shall establish a policy that defines "reasonably available" for the purposes of the provisions. Makes other changes.

Amends the Homeowners' Energy Policy Statement Act. Provides that the Act applies to any building with a shared roof if (1) a solar energy system is located entirely within that portion of the shared roof owned and maintained by the property owner or (2) all property owners sharing the shared roof agree to install a solar energy system. Provides that the governing entity of a homeowners' association, common interest community association, or condominium unit owners' association may adopt for those buildings with a shared roof that are under its control and that are subject to the Act bylaws or other requirements that set standards regarding the installation, maintenance, and use of solar energy systems, including, but not limited to, regulations that require the governing entity to approve the vendor that will supply, install, or maintain the solar energy system and regulations that grant vendors exclusive rights to perform those functions. Provides that, when exercising powers over properties with shared roofs, a governing entity must act solely in the collective interest of the members of the association; must cooperate with property owners interested in installing, maintaining, or using a solar energy system on property under their ownership or control; and must not delay any request for a decision involving the installation, maintenance, or use of a solar energy system by an association member for more than 60 days. Provides that the failure of a governing entity to comply with these provisions renders voidable any bylaw or other requirement adopted by the governing authority pursuant to the provisions of the amendatory Act.

Amends the Illinois Marriage and Dissolution of Marriage Act. Creates a process for one parent to file a petition to terminate the parental rights of the other parent in a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, or any proceeding in which parental responsibilities are allocated under the Act or in a proceeding under the Illinois Parentage Act of 2015. Provides that a court may terminate parental rights if the petitioning parent proves by clear and convincing evidence that the respondent parent has abandoned the child; or engaged in a prolonged failure, without good cause, to provide reasonable financial support for or to maintain meaningful contact or visitation with the child, although able to do so. Provides defenses if the court finds that the failure to support or maintain contact or visitation was due to interference or obstruction by the petitioning parent; a court-ordered limitation, restriction, or suspension of parenting time; or other good cause beyond the respondent parent's control. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

HB 03605 (Continued)

Amends the Illinois Insurance Code. Makes changes to defined terms. Provides that a group policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed after January 1, 2026 shall provide coverage for evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by the current National Comprehensive Cancer Network clinical practice guidelines. Provides that this coverage shall be provided without cost-sharing, and the requirements of the Act shall not apply to the extent that providing coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

House Floor Amendment No. 4

Adds reference to:
5 ILCS 375/6.11

Adds reference to:
5 ILCS 375/6.11F new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that the coverage required under provisions concerning genetic testing and evidence-based screenings for an inherited gene mutation shall be provided without cost sharing, except as specified. Changes the date of coverage to January 1, 2028 (rather than January 1, 2026) and provides that the coverage requirements apply to an individual or group policy (rather than only a group policy) of accident and health insurance or managed care plan. Excludes the State Employees Group Insurance Program or any other health care plan established or maintained under the State Employees Group Insurance Act of 1971 from the coverage requirements. Amends the State Employees Group Insurance Act of 1971. Requires the State Employees Group Insurance Program to provide coverage for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. For individuals with a genetic test that is positive for an inherited mutation associated with an increased risk of cancer, requires the coverage to include any evidence-based screenings, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines, to the extent that the management recommendation is not already covered by the policy. Provides that the coverage is subject to specified cost sharing requirements.

Senate Committee Amendment No. 1

Replaces a reference to the State Employees Group Insurance Program with the program of health benefits provided under the State Employees Group Insurance Act of 1971 in provisions requiring coverage for genetic testing under that Act.

HB 03609 (Continued)

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Provides that any student in kindergarten through grade 2 placed in an out-of-district alternative learning opportunities program shall have the student's placement limited to 90 days beginning on the student's first date of attendance in the program. Requires the superintendent of a school district, the director of an early childhood program, or the superintendent's or director's equivalent to provide verbal or written approval to suspend a student in preschool for longer than 3 days and, if such approval is not received by the third day, the student shall return to school by the fourth day. Rep. Marcus C. Evans, Jr.

35 ILCS 5/246 new

Amends the Illinois Income Tax Act. Provides that, for taxable years beginning on or after January 1, 2026, a taxpayer who is an eligible member of the judiciary is allowed an income tax credit in an amount equal to the qualified security expenses incurred by the taxpayer during the taxable year. Specifies that the credit may not be carried back and may not reduce the taxpayer's liability to less than zero. Provides that, if the amount of the credit exceeds the taxpayer's tax liability for the taxable year, then the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. Requires the tax credit to be applied to the earliest year for which there is a tax liability. Provides that, if there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first. Defines the terms "eligible member of the judiciary", "federal judge", and "qualified security expense". Effective immediately.

820 ILCS 405/612	from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

HB 04416 (Continued)

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

5 ILCS 345/1 from Ch. 70, par. 91

Amends the Public Employee Disability Act. Provides that, whenever an eligible employee suffers any injury or illness in the line of duty (rather than suffers any injury in the line of duty) which causes that employee to be unable to perform the employee's duties, the employee shall continue to be paid by the employing public entity on the same gross pay basis, inclusive of all pensionable salary, as the employee was paid before the injury (rather than paid by the employing public entity on the same basis as he was paid before the injury), with no deduction from and with continued accrual of any sick leave credits (rather than with no deduction from his sick leave credits) and specified other compensation, with other requirements. Makes technical changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning disability benefits for injury, deletes a provision that would have authorized the employee to continue to be paid after suffering an illness in the line of duty. In provisions concerning illness disability benefits, provides that whenever an eligible employee suffers an illness in the line of duty which causes the employee to be unable to perform the employee's duties, the employee shall continue to be paid by the employing public entity on the same gross pay basis, inclusive of all pensionable salary, as the employee was paid before the illness, with no deduction from and with continued accrual of any sick leave credits, with no deduction from the employee's compensatory time for overtime accumulations, with continued accrual of any vacation credits, and with continued accrual of any service credits in a public pension fund (rather than the employee shall continue to be paid by the employing public entity on the same basis as the employee was paid before the illness, with no deduction from the employee's sick leave credits, compensatory time for overtime accumulations or vacation, and with continued accrual of any service credits in a public pension fund) during the time the employee is unable to perform the employee's duties as a result of the illness, but not longer than one year in relation to the same illness. Makes technical and conforming changes in provisions concerning disability benefits for injury.

40 ILCS 5/7-109

from Ch. 108 1/2, par. 7-109

30 ILCS 805/8.50 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$5 per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$5 per hour worked. Makes a conforming change. Amends the State Mandates Act to require implementation without reimbursement.

Senate Committee Amendment No. 1

Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$6 (rather than \$5) per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$6 (rather than \$5) per hour worked.

Pension Note (Government Forecasting & Accountability)

According to IMRF HB 4909 may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact only a small number of individuals who were previously ejected from IMRF for participating in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the increase in participants would be minimal. As of this writing, IMRF is neutral on this legislation.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person who is part of or becomes part of a bargaining unit for which a participating municipality is required to contribute to a Taft-Hartley pension plan under a collective bargaining agreement or other written agreement in effect on or before the effective date of the amendatory Act shall be deemed to be an employee for any period on or after July 16, 2014. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note, Senate Committee Amendment No. 1 (Government Forecasting & Accountability)

According to IMRF HB 4909 (S-AM 1) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to its conferring benefits on a select group of IMRF members rather than the whole body of members.

Pension Note, Senate Floor Amendment No. 2 (Government Forecasting & Accountability)

According to IMRF, HB 4909 (S-AM 2) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to it conferring benefits on a select group of IMRF members rather than the whole body of members.

Creates the Emerging and Socially Disadvantaged Farmers Infrastructure and Market Access Grant Program. Provides that the Department of Agriculture shall administer grants to eligible applicants to increase agricultural production, strengthen farm viability, and expand market access. Defines "emerging farmer," "socially disadvantaged farmer," and related terms. Specifies allowable uses of grant funds, priorities for awards, and reporting requirements. Effective July 1, 2026.

Fiscal Note (Department of Agriculture)

House Bill 4922 has a negative impact on state revenues and would require annual additional appropriation of \$372,687.70 from the General Revenue Fund. The additional annual appropriation is specific to the costs of administering the program and is not reflective of the total investment required to effectively stand up the program.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Provides that native landscaping that may not be prohibited includes small or large areas of native landscaping in the front, back, or side yard or in areas that do not fit a standard definition of yard, such as areas on farms, rural properties, corporate campuses, school campuses, and large estates. Excludes from the scope of the Act an ordinance or resolution of a unit of local government that prohibits plants, trees, or other landscaping from interfering with public transportation, vehicular traffic, or driveway or entrance road sight lines or from crossing sidewalks or property boundaries. Provides that Department of Corrections staff, including educational personnel, shall receive annual training on: (1) identifying individuals who have an intellectual disability or a developmental disability; (2) providing accommodations and supports to an individual with an intellectual disability or a developmental disability in educational, employment, and vocational settings; and (3) administering appropriate alternative assessments. Provides that, in the absence of formal documentation, the Department shall consider a waiver if credible evidence of disability exists and shall help the individual to obtain documentation. Provides that informational materials shall be provided at intake and posted where other informational material is generally posted or made available. Provides that informational materials shall be available in alternative formats upon request, including large print and audio. Provides that no later than March 31 of each year beginning on March 31, 2028, the Department of Corrections shall report the following aggregate data to the Governor and the General Assembly for the previous fiscal year. Provides that if a content test is determined to be non-uniform, the State Board shall: convene one or more committees to review the content, bias, and passing score requirements of that content test and recommend changes to improve uniformity; offer the most recent uniform content area test for the same license or endorsement as an option until the new assessment is determined to be uniform; provide an opportunity to attempt the most recent uniform content area test for the same license or endorsement to candidates who attempted but did not pass the most recent version of the content area test; and implement a process by which candidates who attempted but did not pass the content test may apply for provisional licensure. Provides that if the State Board finds that the content area test forms available as of January 1, 2025 are not uniform in the level of difficulty as compared to previous forms of those exams, any candidate for licensure who attempted any content area test in the form that was available as of January 1, 2025, and whose best scores in each subsection of the same content area exam, taken across multiple attempts on the same form of the exam, equal or exceed the passing score for that content area exam as of January 1, 2025, shall be determined to have passed that content area exam.

HB 02970 (Continued)

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

Amends the Educator Licensure Article of the School Code. Adds 5 administrative or faculty members of community colleges to the State Educator Preparation and Licensure Board. For a Professional Educator License: provides that the requirements to successfully complete specified coursework are only required until July 1, 2027 or the date that the revised test for a particular content area is implemented, whichever is later; and exempts persons seeking a school support personnel or chief school business official endorsement from the requirement that a person must successfully complete specified coursework. Requires, by July 1, 2027, the State Superintendent of Education to begin incorporating specified topics into revised examinations for individuals seeking a Professional Educator License endorsed in teaching or administration, excluding a chief school business official endorsement. Exempts, for educator licenses, applicants seeking a school support personnel endorsement who hold an active and valid professional license in the same subject matter as the endorsement sought from being required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. Creates the Teacher Performance Assessment Advisory Committee to aid in operationalizing and creating a pilot, State-developed, teacher performance assessment. Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Provides that an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within this State shall require all school coaches to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). Makes other changes concerning the plan.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Interscholastic Athletic Organization Act, requires all paid school head coaches or chief sponsors of the activity (rather than all school coaches) to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). In the School Safety Drill Act, requires a cardiac emergency response plan to include training on symptom and warning signs of sudden cardiac arrest, hands-only CPR, and use of AEDs (rather than information on hands-only CPR and use of AEDs) and establishing a cardiac emergency response team trained in CPR and the use of an AED consistent with national evidence-based emergency cardiovascular care guidelines, and provides that cardiac response drills may be conducted without student participation.

Replaces everything after the enacting clause. Amends the Child Care Act of 1969. Provides that, no later than January 1, 2027, the Department of Early Childhood shall create a process to verify courses that qualify toward the attainment of the required qualifications for an early childhood teacher and director in consultation with stakeholders, including, but not limited to, the Illinois Community College Board, the Board of Higher Education, and, until January 1, 2027, the Department of Children and Family Services. Sets forth requirements for the process established under the amendatory provisions. Provides that licensing representatives must be trained on the use of the course list, the prohibitions for the course list, and the impartial oversight review process. Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Defines "institution of higher education". In provisions concerning the public list of qualified courses, provides that, to help the Department of Early Childhood determine whether an institution of higher education's early childhood college courses meet the requirements under the Illinois Administrative Code, each institution of higher education shall submit, in a format and on a time line prescribed by the Department of Early Childhood, information about such courses. Removes advocacy organizations from organizations that the Department of Early Childhood is required to seek input and feedback from regarding the development of a process to verify early childhood courses. Removes provisions permitting the Department of Early Childhood to contract with a third party organization to perform the duties required under the amendatory provisions. Provides that any applicable State staff (rather than relevant licensing representatives) must be trained on the use of the course list, the prohibitions for the course list, and the impartial oversight review process. Makes other changes.

HB 04312 (Continued)

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Adds reference to:
750 ILCS 60/201 from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

Requires the State Board to make the data publicly available. 820 ILCS 405/612 from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

HB 04416 (Continued)

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that any licensed day care center that employs an interim conditional child care director is restricted to hiring no more than one interim conditional child care director (rather than 2 interim conditional child care directors) for every credentialed and qualified child care director employed. Provides that if an interim conditional child care director leaves the position of interim conditional child care director during the 12-month period, the licensed day care center may employ a new interim conditional child care director to replace the previous interim conditional child care director. Provides that a day care center shall ensure direct supervision on an ongoing basis by a fully qualified child care director practicing in the State of Illinois, with a minimum of monthly on-site check-ins, unless the supervising director determines that more frequent check-ins are required, which shall continue for the entire duration of any interim conditional child care director's appointment. Provides that an interim conditional child care director shall not be scheduled during any hours when an interim conditional teacher is on duty. Provides that parents and caregivers shall be notified if an interim conditional child care director is employed by a day care center, and that this information shall be posted in a common area that is visible to parents and caregivers for the duration of the interim period. Provides that failure to comply with the provisions shall result in a violation and the issuance of a corrective action plan. Provides that the Department shall adopt rules to implement the provisions in accordance with the Illinois Administrative Procedure Act. Provides that the provision is repealed on June 30, 2032. Effective July 1, 2027.

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as

\$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

Urges the Illinois State Board of Education to (1) prioritize teacher leadership investments in future fiscal years in order to build greater capacity to conduct research and collect data, highlight and share best practices for distributed leadership, offer technical assistance to schools and districts, and provide strategic leadership to support the expansion of teacher leadership across Illinois, (2) to collaborate with educators, districts, educator preparation programs, and other state agencies to build a strategy for the development of a statewide ecosystem that grows, recognizes, supports, and sustains teacher leadership in diverse contexts throughout the State, (3) to include in its strategy multiple pathways to recognize, support, and sustain diverse teacher leadership throughout the State, including through collaborative partnerships, expanded inclusion of teacher voice in educational decision-making, and classroom teacher leadership development programs, and (4) to embed teacher leadership as a fundamental component of the school improvement process. Urges each school district in Illinois to develop systems that provide teachers equitable access to ongoing leadership development and encourage them to take teacher leadership roles.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Removes language providing that a student may not be issued a monetary fine or fee as a disciplinary consequence. Instead, prohibits school personnel from issuing a monetary fine, fee, ticket, or citation for a municipal code violation. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Effective immediately.

House Committee Amendment No. 1

Provides that the Department of Human Services shall have the authority to approve any pilot overdose prevention site, including establishing minimum standards for patient, client, and participant safety and compliance and monitoring procedures. Provides that any entity approved (rather than licensed) as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Makes some technical changes.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Establishes an advisory committee to (i) advise and consult with the Department of Human Services on the establishment of an education program for community stakeholders on the benefits of overdose prevention sites (OPS) and (ii) the adoption of rules to authorize the establishment and maintenance of a pilot OPS that shall operate in a municipality with a population greater than 2,000,000. Requires the Department to determine at least 3 optional locations within a qualifying municipality for the pilot OPS. Provides that location priority shall be given to communities that have the highest number of fatal and nonfatal overdoses and that specifically target high-risk and socially marginalized drug users. Provides that all proposed optional locations must have municipal approval, and a final administrative decision for the operation of no more than one facility must be approved by rule before the pilot OPS can begin operations. Requires the Department to prepare a report to the General Assembly based on its data collection regarding overdose prevention sites within 12 months after the starting operation date of the pilot OPS. Grants limited immunity to persons employed at or participating in activities related to the creation, maintenance, or use of the pilot OPS. 30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

HB 04283 (Continued)

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis (\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Rep. Carol Ammons-Camille Y. Lilly-La Shawn K. Ford-Maurice A. West, II-Sonya M. Harper, Michael Crawford, Lisa Davis and William "Will" Davis

Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.

Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence. Urges the Administrative Office of the Illinois Courts (AOIC), the Department of Juvenile Justice (DJJ), and county probation and diversion programs to identify and approve evidence-based, decision-making curricula appropriate for minors under supervision, diversion, or detention, to encourage their integration as standard early interventions, and to implement these initiatives within existing budgets and structures. Urges the Illinois Department of Human Services (IDHS) and the Illinois Criminal Justice Information Authority (ICJIA) to coordinate with ISBE, AOIC, DJJ, and local partners to align violence-prevention curricula and community-based interventions across settings. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Senate Committee Amendment No. 1

Provides that, if a drug had been approved by the U.S. Food and Drug Administration before January 1, 2025, the revocation of approval by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Illinois Food, Drug and Cosmetic Act if the drug is recommended for use by the World Health Organization, even if the drug's labeling reflects prior approval that is no longer in effect, so long as the drug's labeling was true and accurate at the time of its manufacture. HB 03799 (Continued)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions regarding the notice of intention not to renew a policy of insurance, provides that no company may impose renewal premium increases of more than 10% for policies of fire and extended coverage insurance that are subject to certain cancellation requirements, unless the company mails or delivers by electronic means to the named insured and the Department of Insurance notice of the increase in renewal premium at least 60 days before the policy renewal or anniversary date. Creates the Rates for Fire and Extended Coverage Insurance Article. Contains provisions concerning the purpose and applicability of the Article. Prohibits rates from being excessive, inadequate, or unfairly discriminatory, as specified. Sets forth provisions concerning determinations and notice from the Department and hearings on the notice. Provides that credible State-specific loss experience shall be used in the development of rates whenever that data is available and statistically reliable. Authorizes insurers, in order to meet actuarial standards of credibility, to supplement State-specific loss experience with countrywide, regional, or out-of-state loss experience. Effective January 1, 2027.

Senate Floor Amendment No. 3

Provides that, if the Department of Insurance believes that a filing is excessive, inadequate, or unfairly discriminatory, the Department shall send the affected company notice within 60 days after receipt of a complete filing. Specifies that the Director of Insurance's objection to a filing under the Rates for Fire and Extended Coverage Insurance Article of the Code is subject to judicial review under the Administrative Review Law.

Creates the Electric Transmission Facilities Siting Act. Defines terms. Requires that, in the siting of new electric transmission facilities, available corridors be used in the following order of priority: (1) existing public utility corridors; (2) highway corridors; and (3) new corridors. Provides that a public utility or developer may construct, place, or maintain a high-voltage electric service line on a public right-of-way or along a highway if (i) the public utility or developer submits a colocation request for the high-voltage electric service line to the Secretary of Transportation and (ii) the Secretary reviews and approves the colocation request. Requires a public utility or developer to develop a constructability report in consultation with the Department of Transportation and requires the public utility or developer and the Department to follow the terms and conditions of the constructability report during the planning and approval process for the siting of a high-voltage electric service line. Sets forth requirements for the content of the constructability report. Amends the Public Utilities Act. In provisions concerning distributed generation rebates, provides that the owner or operator of distributed generation that, before January 1, 2025 (rather than before the threshold date), is eligible for net metering under the Act may apply for a base rebate for an associated energy storage device behind the same retail customer meter as the distributed generation, regardless of whether the distributed generation applies for a rebate for the distributed generation device. Provides that, after the threshold date, a stand-alone energy storage system that is neither paired with distributed generation nor with any electric load beyond the electric load that is used by the energy storage system itself (rather than a stand-alone energy storage system) shall be compensated with a rebate of \$250 per kilowatt-hour of nameplate capacity. Amends the Environmental Protection Act. In provisions concerning greenhouse gases, provides that the Environmental Protection Agency and the Illinois Power Agency shall file a plan to reduce or delay certain emissions reductions requirements with the Illinois Commerce Commission for review in conjunction with the integrated resource plan under certain provisions of the Public Utilities Act. Makes other changes. Effective immediately.

Amends the Public Utilities Act. In provisions concerning virtual power plant programs, provides that, in setting the values of upfront payment and performance payment compensation under the provisions, the Illinois Commerce Commission shall set values for eligible systems that include energy storage that are, taking into account the time value of money, not less than: (A) for an eligible system that did not receive and agrees not to apply for a rebate for its storage component under specified provisions, \$250 per kilowatt-hour nameplate capacity paid on the date the system is placed in service; or (B) for an eligible system that received a rebate for its storage component under specified provisions, \$0 per kilowatt-hour. Provides that, to facilitate adoption and participation, a utility must allow and enable participating customers to expeditiously share their customer information with aggregators to serve customers and comply with any reporting requirements. In provisions concerning distributed generation and storage rebates, provides that, until the later of December 31, 2029 or the threshold date (rather than until December 31, 2029), the value of specified rebates shall be \$300 per kilowatt of nameplate generating capacity, measured as nominal DC power output, of the distributed generation. Amends the Counties Code. In provisions concerning setback distances for commercial wind energy facilities or commercial solar energy facilities, specifies that the ability of a county to require a reasonable setback distance between fencing and public rights-of-way if the requirement is not specific to commercial wind energy facilities or commercial solar energy facilities and does not preclude the development of commercial wind energy facilities or commercial solar energy facilities or the ability of commercial wind energy facilities or commercial solar energy facilities to comply with the requirements set forth in the provisions shall not exceed 50 feet between fencing and public rights-of-way. Amends the Illinois Power Agency Act. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

House Committee Amendment No. 1

Adds reference to:

755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

HB 03811 (Continued)

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

Senate Committee Amendment No. 1

Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 60 days (instead of 120 days) before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 60 days (instead of 120 days). Provides that before being appointed as guardian for a person with a disability, the private professional guardian must personally meet with and assess the respondent before or as soon as feasible after the appointment; (ii) evaluate what is the least restrictive form of guardianship that is appropriate; and (iii) evaluate options regarding the respondent's living arrangements including community-based, least restrictive living settings that incorporate the respondent's values, preferences, and known wishes.

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

HB 04206 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Provides that a "beneficiary designation" means a provision in an instrument designating a beneficiary, other than in a will or an instrument creating a trust, and may also mean the instrument itself, including, but not limited to, any of the following: (1) a demand deposit, savings deposit, time deposit or other account or instrument on which the holder is directly liable with a designation for payment upon death or other nonprobate designation making it transferable on death; (2) a security registered in beneficiary form; or (3) a pension, profit-sharing plan, retirement account such as an IRA, 401(k), 403(b), or other employment-related benefit plan. Excludes from this definition a beneficiary made as part of an annuity or an insurance policy. Amends the Unclaimed Life Insurance Benefits Act. Requires an insurer within 120 days after being contacted by the charitable beneficiary to: (1) determine whether the charitable organization has a right to the proceeds of the policy, annuity contract, or a retained asset account; (2) provide a general description of the policy, annuity contract, or a retained asset account that may be held for the benefit of the charitable organization and the exact language of the beneficiary designation; and (3) include information that verifies whether the insurer has already obtained the official death certificate or documentation needed to verify the death of the insured, annuitant, or retained asset account holder. Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act, the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. Excludes not-for-profit organizations that are the irrevocable sole beneficiary of a life insurance policy covered by the Illinois Insurance Code. Requires an insurer to provide within 120 days the appropriate claims forms or instructions to a holder of property under the Charitable Organization Beneficiary Act. Makes structural changes. Amends the Illinois Insurance Code. Provides that if due proof of death requires a certified copy of the death certificate, then no more than one beneficiary is required to submit a certified copy of the death certificate.

815 ILCS 505/2MMMM new

Replaces everything after the enacting clause. Creates the Algorithmic Pricing Prohibition Act. Provides that a person or entity that sells or offers to sell consumer goods or services to consumers in this State shall not engage in surveillance pricing (algorithmic pricing that uses a consumer's personal data to generate a price for consumer goods or services that is set for a consumer based on the consumer's personal data). Provides that the Act does not apply to: specified types of price changes; algorithmic pricing models that do not use personal data; or the use of consumer personal data for purposes of determining creditworthiness or underwriting a consumer's ability to repay. Provides that the Attorney General may: investigate a claim that a person violated the Act; bring an action in the name of the People of this State to restrain or enjoin by preliminary or permanent injunction the person from violating the Act; seek restitution and petition a circuit court for the assessment of a civil penalty; and recover all reasonable costs of bringing an action. Provides that a person who violates the Act is liable for a civil penalty of not more than \$50,000 for each violation. Preempts home rule. Provides that nothing in the Act shall be construed to limit any federal or State law.

House Floor Amendment No. 3

Removes language providing that the Act does not apply to price changes that are the result of any bona fide price change that is reasonably attributable to legitimate business considerations. Provides that the Act does not apply to (i) algorithmic pricing models that do not use personal data, including models based on aggregate market demand, which includes changes in market demand, competitive conditions, and the seller's cost structure, (ii) the pricing of any contract or policy of insurance that is subject to rules regarding pricing to consumers adopted by the Department of Insurance, including a surety contract, a dental service plan, a health care plan, a limited health care plan, or a voluntary health services plan, or (iii) any provider of financial services, including a financial institution, a financial institution affiliate, a broker-dealer, a registered investment advisor, or an entity that provides consumer credit products, such as credit cards, personal loans, and mortgages, that is subject to rules adopted by the Department of Financial and Professional Regulation or rules or regulations adopted by any federal financial regulatory agency regarding pricing or disclosures, including terms disclosed to consumers.

720 ILCS 5/48-11

Amends the Criminal Code of 2012. Provides that the statute prohibiting elephants from performing in traveling animal acts applies to "covered animals" rather than just elephants. Defines "covered animal" as any of the following animals, and hybrids of those animals: (1) elephantidae; (2) felidae, but excluding a domestic cat; (3) non-human primate; or (4) ursidae. Provides that the provisions of the amendatory Act are in addition to, and not in lieu of, any other laws protecting animal welfare. Provides that the provisions may not be construed to limit any State law or rules protecting the welfare of animals or to prevent a unit of local government from adopting and enforcing its own animal welfare ordinances and regulations. Contains a severability provision. Effective July 1, 2026.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinstates the provisions of the introduced bill, except changes the definition of "covered animal" to include: (1) cougar (puma concolor); (2) jaguar (panthera onca); (3) leopard (panthera pardus), excluding Amur leopard (panthera pardus orientalis); (4) lion (panthera leo); and (5) tiger (panthera tigris). Eliminates from the definition of "covered animal" felidae. Changes the exemptions from a violation of the provisions to a performance of a covered animal that: (1) takes place at a non-mobile, permanent institution, or other fixed facility licensed by the United States Department of Agriculture; and (2) is conducted by the non-mobile, permanent institution, or fixed facility. Effective July 1, 2026.

Amends the Adult Protective Services Act. In provisions concerning financial exploitation of an eligible adult, provides that a court may grant a temporary injunction ex parte, pending a full hearing, and may grant such relief as the court deems proper if the court makes certain findings, including, but not limited to, that an immediate and present danger of exploitation of the eligible adult exists, there is a likelihood of irreparable harm and nonavailability of an adequate remedy at law, there is a substantial likelihood of success on the merits, and the threatened injury to the eligible adult outweighs possible harm to the respondent. Sets forth the types of injunctive relief a court might grant, including, but not limited to, freezing the eligible adult's assets or lines of credit, awarding the eligible adult temporary exclusive use and possession of his or her dwelling, if shared with the respondent, and providing directives to law enforcement. Contains provisions on the scope and effect of an ex parte temporary injunction and the grounds for its denial. Sets forth factors a court will consider to determine whether there are reasonable grounds to believe an eligible adult is or is in imminent danger of becoming a victim of financial exploitation; notice of petition and injunction; final hearings on a petition; final cost judgments against a respondent; the transmittal of petitions, financial affidavits, hearing notices to the county sheriff or law enforcement agency; court certification of all orders issued, changed, continued, extended, or vacated subsequent to the original petition, notice of hearing, or temporary injunction; the enforcement of injunction violations through a civil or criminal contempt proceeding; judgment damages against a petitioner; modification or dissolution of injunction; substitute service for unascertainable respondent whose identity cannot be ascertained or whose identity is unknown; and other matters.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions listing the type of relief a court might grant in a case of financial exploitation of an eligible adult, removes from the list: (i) specified fees to be paid by any financial institution that holds the eligible adult's unencumbered assets, if any; and (ii) a final cost judgment against the respondent and in favor of the clerk of the circuit court for all the clerk's filing fees and service charges. Provides that where the court has found that the respondent has engaged in exploitation of the eligible adult, a court may enter a final cost judgment against the respondent and in favor of the petitioner for all taxable costs and damages. Provides that the court must allow an advocate (rather than an advocate from a State's Attorney's Office or a law enforcement agency) to be present with the petitioner or the respondent in order to provide emotional support during any court proceedings or hearings related to a temporary restraining order. Requires the petitioner (rather than the clerk of the circuit court) to furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary restraining order to the sheriff or special process server (rather than to the sheriff or a law enforcement agency) of the county in which the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. Permits the petitioner (rather than the clerk of the circuit court, upon request of the sheriff) to transmit a facsimile copy of a temporary restraining order to be served in the same manner as a certified copy. Removes provisions that: (i) permit the chief judge of each judicial circuit, in consultation with the appropriate sheriff, to authorize a law enforcement agency within the jurisdiction to effect service; (ii) require the clerk of the circuit court to furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary restraining order to the sheriff or a law enforcement agency of the county in which the eligible adult resides or can be found, who shall serve it upon the eligible adult; and (iii) permits the clerk of the circuit court, at the request of the sheriff, to transmit a facsimile copy of a certified temporary restraining order to be served in the same manner as a certified copy. Removes provisions requiring any court ordered assessment or fine to enforce a temporary order, preliminary injunction, or permanent injunction to be collected by the clerk of the circuit court and transferred to the State Treasurer for deposit in the Domestic Violence Fund. Makes other changes.

705 ILCS 205/13 new

Amends the Attorney Act. Prohibits a private equity group, hedge fund, or any entity owned, operated, or controlled by a private equity group or hedge fund, including management services organizations, that is involved with a law firm or an attorney's practice from: (1) interfering with the professional judgment of attorneys in representing clients; (2) exercising control over or being delegated the power to own or determine the content of client records, select, hire, or terminate the employment of attorneys or allied legal staff in whole or in part based on competency or proficiency; or set competency or proficiency parameters for attorneys or allied legal staff; or (3) charging any fee to the attorney or law firm that is directly or indirectly based on the fees, revenues, or profits of the attorney or law firm. Prohibits an attorney from sharing legal fees directly or indirectly with an out-of-state alternative business structure unless: (1) the attorney is also licensed in the state in which the alternative business structure is approved; (2) the fees are compensation for providing legal services in that state; and (3) the law of that state is controlling under the Illinois Rules of Professional Conduct or a successor rule. Provides for the recovery of statutory damages, attorney's fees and costs, and injunctive or declaratory relief as a remedy for violation. Defines terms. Contains applicability provisions. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions in the bill as introduced with these changes. Deletes references to "hedge fund" and "private equity group" and makes the Act applicable to "an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys". Prohibits such an entity from accessing, owning, or determining the content of client records or accessing any attorney-client communications. Makes conforming changes. Effective immediately.

House Floor Amendment No. 2

Provides that an attorney who violates the provisions may be subject to statutory damages of \$10,000 per violation or 3 (rather than 25) times the actual damages incurred by the client, whichever is greater.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. Defines "allied legal staff" to mean a person or persons who are not licensed as attorneys who access attorney-client and work-product privileged information in their work to include, but not be limited to, paralegals and legal assistants. Provides that any attorney or law firm that is party to an agreement with a management services organization must disclose in its attorney-client contracts that the attorney or law firm is party to such an agreement and the terms of the agreement. Provides that the provisions of the Act apply to all Illinois attorneys and law firms that represent clients in whole or in part on a contingent fee basis. Prohibits an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys, including management services organizations, that is involved with a law firm or lawyer's practice may not charge any fee to the attorney or law firm that is directly or indirectly based on the attorney's fees, revenues, or profits of the attorney or law firm. Provides that this prohibition does not apply to the repayment of a loan or extension of credit that the attorney or law firm is obligated to repay if the amount of the borrower's obligation is not contingent upon or calculated on the basis of the borrower's attorney's fees, revenues, profits, or other financial performance. Effective immediately.

HB 05487 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with the following changes. Specifies that the provisions added by the amendatory Act apply only to (i) a licensed attorney or law firm operating in Illinois with annual global revenue from that licensed attorney's or law firm's provision of legal services that is less than \$300,000,000 or (ii) a licensed attorney or law firm that regularly represents clients on a contingent fee basis, where the fee is based on the resolution or outcome of actual or threatened private litigation, and that has derived more than 50% of the attorney's or law firm's revenues from the contingent fee arrangements in each of the previous 3 calendar years. Provides that, upon request of the Attorney Registration and Disciplinary Commission or other governmental authority or agency charged with administering or enforcing the provisions, or upon order of a court of competent jurisdiction, a licensed attorney or law firm shall be permitted to provide a self-certification attesting, under oath, to certain facts. Makes other changes effective immediately.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.
