In the definition, changes "thwart the judicial process to avoid prosecution" to "thwart the judicial process or avoid prosecution". Deletes from the definition that isolated instances of nonappearance in court alone are not evidence of the risk of willful flight. In the pretrial detention provisions, deletes a provision that one of the grounds for pretrial detention is the high likelihood of willful flight to avoid prosecution when the defendant is charged with certain specified offenses. Replaces that provision with just the high likelihood of willful flight and the person is charged with certain specified offenses.

730 ILCS 5/5-4.5-95

Amends the Unified Code of Corrections. Restores the general recidivism provisions of the Code before the effective date of Public Act 101-652. Provides that the third-time offender provisions resulting in a sentence of natural life imprisonment apply when the defendant has attained the age of 18 at the time of the third offense (rather than 21 years of age or older when the first offense was committed). In the provision that when a defendant, over the age of 21 years, is convicted of a Class 1 or Class 2 forcible felony after having twice been convicted in any state or federal court of an offense that contains the same elements as an offense now (the date the Class 1 or Class 2 forcible felony was committed) classified in Illinois as a Class 2 or greater Class forcible felony and those charges are separately brought and tried and arise out of different series of acts, that defendant shall be sentenced as a Class X offender, provides that the 3 offenses may be felonies rather than forcible felonies. 105 ILCS 5/10-27.1A

Amends the School Code. Requires all school officials to immediately notify the office of the principal in the event that they: observe any person in possession of a firearm on school grounds; become aware of any person in possession of a firearm on school grounds; or become aware of any threat of gun violence on school grounds. If there is a report filed notifying a local law enforcement agency of any of such event, requires the principal to immediately notify the student's parent or guardian and, in coordination with the local law enforcement agency, to attempt to meet with the student's parent or guardian to ensure the student does not have access to a firearm. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill, but provides that the principal or principal's designee (rather than the principal or principal's designee in coordination with the local law enforcement agency) shall attempt to contact (rather than meet with) the student's parent or guardian to ensure the student does not have access to a firearm. Effective immediately.

House Floor Amendment No. 2

Provides that if the report pertains to a threat of firearm violence made by a student, the principal or the principal's designee shall attempt to (rather than immediately) notify that student's parent or guardian as soon as possible. Provides that the principal or principal's designee shall further attempt to contact the student's parent or guardian so that the parent or guardian may ensure that the student does not have access to a firearm.

Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a position of trust, authority, or supervision in relation to the child at the time of the offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Restores various references to "child pornography" in the bill.

House Floor Amendment No. 2

In the amendatory changes to the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, defines "unable to give knowing consent" as including, but not being limited to, when the victim was asleep, unconscious, or unaware of the nature of the act (rather than surprised) such that the victim could not give voluntary and knowing agreement to the sexual act.

Senate Committee Amendment No. 1

Makes technical changes in the bill.

HB 05165

Rep. Lawrence "Larry" Walsh, Jr.-Janet Yang Rohr-Harry Benton-Sharon Chung-Amy Elik and Kevin Schmidt
 (Sen. Michael W. Halpin and Laura Ellman)

New Act

Creates the River Access Modernization Act. Affirms the public's right to use navigable and recreationally suitable waters for canoeing, boating, kayaking, and angling, subject to protection of private property rights and environmental values. Provides that the public right of use does not include crossing private uplands or exiting onto private land without permission. Establishes landowner liability protections. Prohibits littering and alteration of flora and fauna. Grants rulemaking authority to the Department of Natural Resources to designate public access points, resolve conflicts, promote safety and conservation education, and maintain a listing of navigable waterways. Defines "navigable water" and "public recreational use".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the short title of the Act to the Public Waters Access Act. Makes changes to the definition of the term "navigable waters". In various provisions, replaces references to "waterway" and "public waterway" with references to "navigable waters" or "public waters". In a provision concerning the public right of use of navigable waters, defines the term "man-made structure" and specifies that the Act is not intended to restrict rights enjoyed by the public under State or federal law. Deletes the provisions in the introduced bill concerning liability and landowner protections. Specifies that liability and landowner protections are to be governed under the Recreational Use of Land and Water Areas Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates the Public Waters Access Task Force Act. Sets forth findings. Creates the Public Waters Access Task Force to study and make recommendations for increasing and improving public access to rivers for boaters, paddlers, and anglers throughout the State. Lists membership and duties of the Task Force. Directs the Department of Natural Resources to provide support to the Task Force. Requires the Task Force to submit a report no later than one year after the effective date of the Act, and dissolves the Task Force upon submission of the report. Repeals the Act 2 years after the effective date of the Act. Effective immediately.

20 ILCS 2605/2605-53

Amends the Illinois State Police Law. Provides that, beginning January 1, 2026, all 9-1-1 telecommunicators who provide dispatch for emergency medical conditions shall be required to be trained, utilizing the most current nationally recognized emergency cardiovascular care guidelines, in high-quality telecommunicator cardiopulmonary resuscitation (T-CPR). Defines telecommunicator cardiopulmonary resuscitation for the purposes of the provisions.

House Committee Amendment No. 1

Adds reference to:

210 ILCS 50/3.70

In the Illinois State Police Law, removes provisions requiring the Office of the Statewide 9-1-1 Administrator, in consultation with the Statewide 9-1-1 Advisory Board, to develop comprehensive guidelines for training and adopt rules and minimum standards for continuing education on emergency medical dispatch. Amends the Emergency Medical Services (EMS) Systems Act. Requires an emergency medical dispatcher to complete a training course in telecommunicator cardiopulmonary resuscitation (T-CPR) in accordance with rules adopted by the Illinois Department of Public Health. Requires each emergency medical dispatcher to provide prearrival instructions and telecommunicator cardiopulmonary resuscitation (T-CPR) in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department (rather than provide prearrival instructions in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department).

HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Removes language providing that moneys deposited into the Prescription Drug Affordability Fund shall be used to pay the expenses of the Department of Insurance.

Provides that, by no later than the beginning of a student's third year of high school or by the student's 16th birthday, whichever occurs first, the transition planning process must include a consideration of whether the student is a candidate for graduation. Requires this process to involve discussions with the student's individualized education program team, including the parent and the student. Provides that the discussions must address the implications of graduating with a regular diploma, particularly how it affects the student's right to receive a free appropriate public education (FAPE). Amends the Illinois Insurance Code. In a provision concerning coverage of certain cancer screenings, adds having a high level of CA-125, as indicated by a blood test screening, to the definition of "at risk for ovarian cancer". Provides that "surveillance tests for ovarian cancer" means all medically viable methods for the detection and diagnosis of ovarian cancer, including, but not limited to, ultrasounds, magnetic resonance imagings (MRIs), x-rays, computed tomography (CT) scans, and CA-125 blood test screenings (instead of an annual screening using (i) CA-125 serum tumor marker testing, (ii) transvaginal ultrasound, (iii) pelvic examination). Effective January 1, 2028.

Senate Floor Amendment No. 1

Includes an annual screening (rather than surveillance tests) for ovarian cancer for insureds who are at risk for ovarian cancer using (i) CA-125 serum tumor marker testing, (ii) transvaginal ultrasound, and (iii) pelvic examination (rather than only for insureds who are at risk for ovarian cancer) in provisions requiring coverage without cost sharing. Provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and is amended, delivered, issued, or renewed on or after January 1, 2028 shall, in addition to specified coverage, provide coverage for all medically viable methods for the detection and diagnosis of ovarian cancer for insureds who are at risk for ovarian cancer. Provides that the coverage may be subject to a deductible, coinsurance, or other cost sharing. Effective January 1, 2028.

Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Provides that any employee of a financial institution who willfully fails to report as required by the Act shall be referred to the Department of Financial and Professional Regulation for possible disciplinary action. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Expresses gratitude to Larry Gies and to Beth Gies for their acts of profound generosity to the University of Illinois System. Expresses continuing and undiminished gratitude to those who have fallen in service to the United States of America, this gratitude being symbolized by the recognition of those from the University of Illinois who served and died in World War I and subsequent conflicts. Expresses the belief that on October 28, 1924, the University of Illinois made a solemn pledge at the dedication ceremony of Memorial Stadium to those whose names are inscribed on its columns, a pledge that should not be altered for the sake of obtaining funding from alumni or any other entity. Calls upon the University of Illinois Board of Trustees, the Department of Intercollegiate Athletics, and Larry and Beth Gies to agree that an alternate means of acknowledging their gift is appropriate. Urges that the name of the structure standing between First and Fourth Streets on the campus of the University of Illinois be permanently restored to "Memorial Stadium".

Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. 40 ILCS 5/15-139

from Ch. 108 1/2, par. 15-139

Amends the State Universities Article of the Illinois Pension Code. In provisions concerning the suspension of retirement annuities for certain reemployment, provides that the provisions do not apply to an annuitant for any period of service on or after March 9, 2020 during which the annuitant returns to employment under the Article to perform a critical operation during a state of emergency or disaster that is declared by the Governor. Provides that, if an annuitant returns to employment for an employer under the Article during such a period, the annuitant is eligible to receive compensation from an employer for that service and benefits for prior service under the Article, but employee and employer contributions under the Article during that period of reemployment are not required. Provides that service and compensation earned for such reemployment shall not be used to recalculate the annuitant's benefits under the Code. For reemployment to perform a critical operation during a state of emergency or disaster declared by the Governor and that occurred on or after on or after March 9, 2020 and before the effective date of the amendatory Act: requires the System to pay to the annuitant the amount of the suspended or cancelled pension benefits with interest at the effective rate from the date of the suspension or cancellation of the benefit to the date of payment; and, if an annuitant repaid benefits to the System under the provisions, requires the System to pay to the annuitant the amount of that repayment with interest at the effective rate from the date of the annuitant's repayment of benefits to the date of the System's repayment to the annuitant. Provides that an annuitant's benefits shall not be suspended if the annuitant made an employment-related decision having reasonably relied on a statement or statements by a representative or representatives of the System that benefits would not be suspended if such a decision were made. Provides that the amendatory Act applies without regard to whether the annuitant was in service on or after the effective date of the amendatory Act. Effective immediately.

In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). Effective immediately.

Senate Committee Amendment No. 1

Provides that a speech-language pathologist may diagnose autism spectrum disorders if the speech-language pathologist has completed training in age-appropriate autism diagnostic evaluation methods provided by an approved continuing education sponsor (rather than if the speech-language pathologist has an active autism evaluation credential issued by the Illinois Early Intervention Program).

Rep. Tony M. McCombie

(Sen. Patrick J. Joyce-Dale Fowler, Andrew S. Chesney, Chris Balkema and Mattie Hunter)

520 ILCS 5/2.25

from Ch. 61, par. 2.25

Amends the Wildlife Code. Provides that, if the Department of Natural Resources is using its sharpshooting program to manage chronic wasting disease in a deer herd that is found in a specified area or county in the State and if no cases of that disease have been identified in that herd in the preceding 3 calendar years, then the Department shall end the use of that program to manage that disease in that area or county. Provides, however, that the program may be reinstituted within the area or county if chronic wasting disease is again identified in that herd.

House Committee Amendment No. 1

Specifies that the Department of Natural Resources shall take the deer management actions described in the introduced bill on a county-by-county basis (rather than on an areawide or county-by-county basis).

Authorizes the issuance of landowner deer, turkey, and combination permits to landowners, resident tenants, and bona fide equity shareholders, members, or partners with at least 20 acres in a county where the Department of Natural Resources has positively identified chronic wasting disease cases in the deer herd (rather than 40 acres of land).

Amends the Freedom of Information Act. Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois State Police, the Department of Transportation, and the Illinois State Toll Highway Authority to issue a joint report to the General Assembly detailing the program operations by August 1st (rather than June 30th) of each year.

House Floor Amendment No. 2

In the Expressway Camera Act: Provides that offenses listed in the definition of "forcible felony" are as defined in the Criminal Code of 2012 or substantially similar federal or other state criminal laws. Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Provides that any employee of a financial institution who willfully fails to report as required by the Act shall be referred to the Department of Financial and Professional Regulation for possible disciplinary action. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

Rep. Tony M. McCombie

Urges the Illinois Department of Early Childhood (IDEC) study ways to reduce licensure and regulation burdens on day care homes in Illinois. Urges the IDEC to specifically study: (1) ways to combine the multiple required trainings and certifications, including absorbing the permit requirement as part of the license, into a single training or certification that can be conducted by a properly trained IDEC employee in fewer visits rather than by employees of outside agencies and businesses, such as fire safety, radon, and lead testing; and (2) how to ensure that the detailed requirements on nutrition, activities, and toys are not used to penalize or deny license renewals based on technical violations when the day care provider is in substantial and good faith compliance with the requirements. Urges the IDEC to issue a report with their findings on these items to the General Assembly by December 31, 2027.

House Floor Amendment No. 2

Deletes everything after page 2, line 8, and replaces it with new language in the resolved clauses, making changes to details of what the Illinois Department of Early Childhood (IDEC) should specifically study and updating IDEC's deadline to issue a report to the General Assembly from December 31, 2027 to July 1, 2028.

Strongly condemns the Chicago Teachers Union's proposed "Day of Civic Action", which is to be held on May 1, 2026, as an irresponsible misuse of the school day that places a public sector union's political priorities ahead of the educational needs of Chicago's children. Urges the Chicago Teachers Union and Chicago Public Schools to abandon this politicized event and instead dedicate every available school day to raising proficiency in the "three R's" of reading, writing, and arithmetic so that every child in Chicago receives the basic education they deserve. Calls upon the Governor, the General Assembly, and officials of the Illinois State Board of Education to reject any further billions in new state funding for Chicago Public Schools until the district demonstrates measurable, sustained improvement in the three R's and stops diverting instructional time for political activism.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In provisions concerning the requirements for an exemption for poultry raisers with respect to poultry raised on the poultry raisers' own farms, provides that a notice on a physical display shall be prominently displayed on a placard in at least 18-point font (rather than shall be displayed on a placard). Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) at the point of sale at farmers' markets, information in the form of a placard, flyer, or product label shall be provided to consumers regarding safe handling instructions for poultry or poultry products produced under the provisions concerning exemptions with the rationale statement provided in federal rules; (ii) poultry and poultry products produced under the provisions concerning exemptions shall be maintained at temperatures as provided in the Food Handling Regulation Enforcement Act during storage, transportation, shipping, and delivery; and (iii) poultry or poultry products produced under the provisions concerning exemptions that are sold, offered for sale, or otherwise distributed at farmers' markets shall be sealed in a watertight or leakproof bag or other watertight or leakproof packaging.

725 ILCS 5/106B-5

Amends the Code of Criminal Procedure of 1963. In a provision concerning the prosecution of a person for an offense of criminal sexual assault, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery, or aggravated domestic battery, deletes a provision which states that there is a rebuttable presumption that the testimony of a victim who is a child under 13 years of age shall occur outside the courtroom and the child's testimony shall be shown in the courtroom by means of a closed circuit television. Deletes that this presumption may be overcome if the defendant can prove by clear and convincing evidence that the child victim will not suffer severe emotional distress.

Provides that, if the court denies the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

Senate Committee Amendment No. 1

In the provision that provides that before the court permits the testimony of a victim outside the courtroom that is to be shown in the courtroom by means of a closed circuit television, the court must make a finding that the testimony by means of closed circuit television does not unduly prejudice (rather than prejudice) the defendant. Deletes a provision that states that if the court denies the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

House Republican Sponsor Synopsis Report

Representative Steven Reick**HB 02733 (Continued)**

Amends the Administration Article of the Illinois Public Aid Code. Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Provides that the transitional benefits offered shall gradually step down the beneficiary's monthly benefit proportionate to the increase in the beneficiary's income. Sets forth monthly benefits amounts based on monthly household income. Requires beneficiaries to comply with TANF and SNAP work requirements. Provides that, subject to appropriation, the Department shall implement, by July 1, 2026, a program to allow recipients to receive transitional child care benefits without the requirement that such recipients first be eligible for full child care benefits. Provides that transitional child care benefits shall be determined on a sliding scale for recipients with household incomes in excess of the eligibility level for full benefits. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2027 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. Provides that persons participating in TANF, SNAP, or the Child Care Assistance Program who are required to complete a periodic eligibility review form, may submit such form as an attachment to their Illinois income tax return. Requires the Department of Human Services and the Department of Revenue to adopt rules. Effective immediately.

HR 00895 (Continued)

Expresses gratitude to Larry Gies and to Beth Gies for their acts of profound generosity to the University of Illinois System. Expresses continuing and undiminished gratitude to those who have fallen in service to the United States of America, this gratitude being symbolized by the recognition of those from the University of Illinois who served and died in World War I and subsequent conflicts. Expresses the belief that on October 28, 1924, the University of Illinois made a solemn pledge at the dedication ceremony of Memorial Stadium to those whose names are inscribed on its columns, a pledge that should not be altered for the sake of obtaining funding from alumni or any other entity. Calls upon the University of Illinois Board of Trustees, the Department of Intercollegiate Athletics, and Larry and Beth Gies to agree that an alternate means of acknowledging their gift is appropriate. Urges that the name of the structure standing between First and Fourth Streets on the campus of the University of Illinois be permanently restored to "Memorial Stadium".

HB 02857 (Continued)

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

House Floor Amendment No. 3

Adds reference to:

625 ILCS 5/12-502

from Ch. 95 1/2, par. 12-502

Further amends the Illinois Vehicle Code. Allows public transit vehicles to use an electronic rear-view monitoring system on commercial motor vehicles owned by the agency and the mirror requirements of the Code of Federal Regulations so long as an exemption to the Code of Federal Regulations granted by the Federal Motor Carrier Safety Administration remains in effect.

Expresses gratitude to Larry Gies and to Beth Gies for their acts of profound generosity to the University of Illinois System. Expresses continuing and undiminished gratitude to those who have fallen in service to the United States of America, this gratitude being symbolized by the recognition of those from the University of Illinois who served and died in World War I and subsequent conflicts. Expresses the belief that on October 28, 1924, the University of Illinois made a solemn pledge at the dedication ceremony of Memorial Stadium to those whose names are inscribed on its columns, a pledge that should not be altered for the sake of obtaining funding from alumni or any other entity. Calls upon the University of Illinois Board of Trustees, the Department of Intercollegiate Athletics, and Larry and Beth Gies to agree that an alternate means of acknowledging their gift is appropriate. Urges that the name of the structure standing between First and Fourth Streets on the campus of the University of Illinois be permanently restored to "Memorial Stadium".

Allows a speech-language pathologist to diagnose autism spectrum disorders if: (1) the child is under 3 years of age; (2) the speech-language pathologist is trained in autism diagnostic evaluation methods as part of the curriculum of an approved program, through worksite training, or through continuing education; and (3) the diagnosis occurs as part of the Illinois Early Intervention Program. House Floor Amendment No. 3

Deletes reference to:

325 ILCS 3/10-125 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Illinois Insurance Code, provides that "diagnosis of autism spectrum disorder" includes one or more tests, evaluations, and assessments to diagnose whether an individual has autism spectrum disorder that are prescribed, performed, or ordered by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders in children under age 3 (rather than by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders). In provisions amending the Illinois Speech-Language Pathology and Audiology Practice Act, makes changes to the requirements necessary for a speech-language pathologist to diagnose autism spectrum disorders. In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). Effective immediately.

Senate Committee Amendment No. 1

Provides that a speech-language pathologist may diagnose autism spectrum disorders if the speech-language pathologist has completed training in age-appropriate autism diagnostic evaluation methods provided by an approved continuing education sponsor (rather than if the speech-language pathologist has an active autism evaluation credential issued by the Illinois Early Intervention Program).

Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2027 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. 330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. House Republican Sponsor Synopsis Report

Representative Patrick Sheehan**HB 04842 (Continued)**

Amends the First Responders Suicide Prevention Act. Provides that confidentiality protections under the Act apply regardless of whether the peer support person is employed by, or affiliated with, the same agency as the first responder receiving support. Provides that, except in specified circumstances, all communications, records, notes, reports, or information disclosed during, or in connection with, a critical incident stress management session is confidential and may not be disclosed by any CISM practitioner. Provides that a CISM practitioner may not be compelled to testify or disclose any communication, record, note, report, or information disclosed during, or in connection with, a critical incident stress management session in any administrative, civil, or criminal proceeding. Provides that the confidentiality protections under the provisions apply whether or not the CISM practitioner is affiliated with the same agency as the individual receiving services. Provides that any communication described in the provisions is subject to subpoena for good cause shown. Provides that the confidentiality protections under the provisions do not apply to (1) any threat of suicide or homicide made by a participant in a peer support counseling session or any information conveyed in a peer support counseling session related to a threat of suicide or homicide; (2) any information mandated by law or agency policy to be reported, including, but not limited to, domestic violence, child abuse or neglect, or elder abuse or neglect; (3) any admission of criminal conduct; or (4) an admission or act of refusal to perform duties to protect others or the employee of the emergency services provider or law enforcement agency. Defines "CISM practitioner" and "CISM services".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Removes a provision concerning the exceptions to the confidentiality privileges established under the Act for any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session. In provisions concerning the confidentiality privileges applied to any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session, provides that the privileges do not apply if: (1) the communication indicates an intent to engage in conduct likely to result in imminent death or serious physical injury to the participant or another individual; (2) the person receiving the peer support counseling session or critical incident stress management services discloses information that is required to be reported under the mandated reporting laws, including, but not limited to, the reporting of maltreatment of minors or the reporting of maltreatment of vulnerable adults, provided the disclosure is only for the purpose of reporting maltreatment and limited to information necessary to make such a report; (3) the participant expressly waives the privilege or gives consent to disclosure of the privileged communication; (4) the participant is deceased and the surviving spouse or the executor or administrator of the estate of the deceased participant expressly waives the privilege or gives consent to disclosure of the privileged communication; or (5) the participant sought or obtained the peer support counseling services or critical incident stress management services to enable or aid anyone to commit or plan to commit what the participant knew, or reasonably should have known, was a fraud or other crime. Defines terms.

House Floor Amendment No. 2

In provisions concerning confidentiality, replaces a reference to "peer support person" with a reference to "peer support advisor". In provisions concerning confidentiality of critical incident stress management communications, replaces a reference to "an emergency service provider" with a reference to "emergency service personnel". Provides that specified confidential and privileged communication is subject to a subpoena for good cause shown.

HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Replaces everything after the enacting clause. Amends the O'Hare Driver Safety Act. Allows the Illinois State Police (rather than the Illinois Toll Highway Authority) to issue the violation of stopping or standing within one-half mile of O'Hare International Airport to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle. Provides that the State Police (rather than the Authority) shall procure, and after procurement, have oversight over (rather than install and maintain) automated traffic safety systems along traffic routes within a one-half mile radius of: (1) the eastern entrance to O'Hare International Airport; and (2) the intersection of Interstate 90 and Interstate 294. Provides that the Authority and the Department of Transportation shall allow the installation of automated traffic safety systems upon light poles under their jurisdiction. Requires the State Police (rather than the Authority) to issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. Requires the State Police (rather than the Authority) to adopt rules necessary to implement and administer the Act. Allows the State Police to procure a single contract or multiple contracts to implement the Act. Makes other changes.

35 ILCS 200/21-26 new

Amends the Property Tax Code. Provides that, notwithstanding any other law, if an interest penalty for the delinquent payment of taxes is imposed and if collections of interest penalties are enjoyed by a county pursuant to that procedure, then the county collector shall place all of the proceeds from interest penalty payments collected thereby into a separate and distinct fund created within the county treasury for the delineation and distribution of interest penalties paid on property taxes that are past due as of the time payment is made. Further provides all moneys in the interest penalty fund created by each county under this provision shall, within 30 days of receipt by the county, be divided and distributed to (i) the county of record and (ii) all other proper authorities or persons, on the basis of proportionate share of the overall tax extension within which individual taxpayer delinquency and payment of interest penalties took place. Provides that, when making this distribution to a proper authority or person, the county collector may include a notification that the moneys so distributed are the result of interest penalties charged by the county as part of the overall enforcement by the county of the Code.

New Act

Creates the Educational Credit for Firefighting Experience Act. Provides that before June 1, 2027, each institution of higher education shall adopt a policy regarding its awarding of academic credit for firefighter training considered applicable to the requirements of a student's certificate or degree program. Requires the policy to apply to any individual who is enrolled in the institution of higher education and who has completed a firefighting training course or program that meets certain requirements. Provides that each institution of higher education shall develop a procedure for receiving the necessary documentation, provide a copy of its policy to certain applicants, and develop and maintain a list of qualifying firefighting training courses and programs. Provides that each institution of higher education shall submit its policy for awarding academic credit to the Board of Higher Education and the Illinois Community College Board, if applicable, before June 30, 2027 and before June 30 of each year thereafter. Provides that the Board of Higher Education shall collect data in the Illinois Higher Education Information System on students who are firefighters to assess enrollment and completion outcomes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Specifies that the institutions of higher education that have to adopt a policy under the Act are institutions of higher education with an applicable program that offers at least one course for credit hours recommended for equivalency by a national higher education association that provides credit recommendations for firefighting training courses and programs. Requires the policy to be submitted by March 31, 2027 and by March 31 of each year thereafter for the policy that is effective in the subsequent fall semester (rather than by June 30, 2027 and before June 30 of each year thereafter). Provides that the policy shall be incorporated into the institution's credit for prior learning policies required to be submitted pursuant to the Credit for Prior Learning Act. Removes language requiring the Board of Higher Education to collect data in the Illinois Higher Education Information System on students who are firefighters to assess enrollment and completion outcomes.

HR 00895 (Continued)

Expresses gratitude to Larry Gies and to Beth Gies for their acts of profound generosity to the University of Illinois System. Expresses continuing and undiminished gratitude to those who have fallen in service to the United States of America, this gratitude being symbolized by the recognition of those from the University of Illinois who served and died in World War I and subsequent conflicts. Expresses the belief that on October 28, 1924, the University of Illinois made a solemn pledge at the dedication ceremony of Memorial Stadium to those whose names are inscribed on its columns, a pledge that should not be altered for the sake of obtaining funding from alumni or any other entity. Calls upon the University of Illinois Board of Trustees, the Department of Intercollegiate Athletics, and Larry and Beth Gies to agree that an alternate means of acknowledging their gift is appropriate. Urges that the name of the structure standing between First and Fourth Streets on the campus of the University of Illinois be permanently restored to "Memorial Stadium".

Provides that upon failure to comply with any condition of pretrial release, the court having jurisdiction at the time of such failure may, on its own motion or upon motion from the State, issue a warrant (instead of a summons or a warrant) for the arrest of the person on pretrial release (instead of at liberty on pretrial release). Provides that if an insurer tenders the lesser of the policy limits or the amount demanded by the claimant in a statutory or common law action alleging bad faith within 90 days after receiving actual notice of a claim accompanied by sufficient evidence to support the amount of the claim, no liability may be imposed against the insurer. Provides that if a named insured, omnibus insured, or named beneficiary is awarded a declaratory judgment in an action in State or federal court to determine insurance coverage after the insurer has made a total coverage denial of a claim, the court must award reasonable attorney's fees to the named insured, omnibus insured, or named beneficiary who has prevailed in the action. Creates a presumption that, in any action by or against a company, if there is an issue of the liability of a company, and it appears to the court that such action or delay is vexatious and unreasonable, the court may allow as part of the taxable costs in the action reasonable attorney's fees, as determined by the lodestar fee method of multiplying the number of hours reasonably spent on a case by a reasonable hourly rate, adjusted up or down by a multiplier to account for factors such as the quality of the work, complexity of the case, or risk of loss. Provides that this presumption may be overcome only in rare and exceptional circumstances. Amends the Code of Civil Procedure. Changes the percentage from 25% to 50% that triggers joint and several liability of a defendant of all damages. Provides criteria for the admissibility of unpaid, past, and future medical expenses in personal injury and wrongful death cases. Amends the Premises Liability Act. Provides that in an action for damages against the owner, lessor, operator, or manager of commercial or real property brought by a person lawfully on the property who was injured by the criminal act of a third party, the trier of fact must consider the fault of all persons who contributed to the injury. Makes other changes. Applies to all actions filed on or after the effective date of the amendatory Act. Effective immediately.

Amends the Criminal Code of 2012. Provides that upon failure to comply with any condition of pretrial release, the court having jurisdiction at the time of such failure may, on its own motion or upon motion from the State, issue a warrant (instead of a summons or a warrant) for the arrest of the person on pretrial release (instead of at liberty on pretrial release). Provides that a defendant who is arrested or surrenders within 30 days of the issuance of such warrant shall not be released on pretrial conditions in the case in question unless the defendant shows by the preponderance of the evidence that the defendant's failure to appear was not intentional. Makes conforming changes. Removes provisions concerning that for the purpose of any risk assessment or future evaluation of risk of willful flight or risk of failure to appear, a nonappearance in court cured by an appearance in response to a summons shall not be considered as evidence of future likelihood of appearance in court.

House Rule 37.5 new

Adds a rule authorizing a member to designate a House Bill as a Priority Bill when filing it with the Clerk. Requires Chairpersons to make a good-faith effort to facilitate committee consideration of each Priority Bill at a time when the Principal Sponsor or the Principal Sponsor's designee, and their necessary witnesses, are available. Requires a Priority Bill posted for a particular hearing to be considered by the committee before consideration of legislative measures without that designation if the Principal Sponsor or designee consents to consideration at that time. Provides that, if the Principal Sponsor or the Principal Sponsor's designee fails to present the bill during the first or second hearing for which the bill was posted or if the Principal Sponsor or the Principal Sponsor's designee withdraws consent for consideration at the hearing, the committee may hear testimony and vote one time on a reporting motion for that bill without the consent of the Principal Sponsor or the Principal Sponsor's designee at the third or subsequent hearing for which the bill is posted. Authorizes only the Principal Sponsor or chief co-sponsor of a Priority Bill to offer a committee amendment to the bill. Provides that each Priority Bill that remains pending in any committee at 5:00 p.m. on April 1 shall be automatically discharged to the House and placed on the calendar on the order of Second Reading, unless a standing or special committee has provided an opportunity for public testimony on the bill at a posted hearing and taken a record vote on a motion to report the bill to the House. Declares that certain deadlines do not apply to Priority Bills. Requires the Journal and Legislative Digest to reference a Priority Bill in a manner that identifies that designation. Prohibits Priority Bill status from being revoked or transferred to another bill. Provides that a Chairperson who fails to implement and comply with these requirements may be subject to disciplinary action under the House rules. Prohibits the suspension of these rules.
