410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Pension Note (Government Forecasting & Accountability)

SB 1454, as engrossed, is identical to SB 1454, as amended by SA 1. SB 1454, as amended by SA 1, achieves the same underlying goal as the original SB 1454. Though, instead of amending the individual articles of the Illinois Pension Code, the Illinois Municipal Code is amended to mandate automatic enrollment for employees of cities with a population of 500,000 or more (Chicago) that participate in the Chicago Fire, Police and Municipal pension funds. SB 1454 automatically enrolls newly hired participants in the Chicago Fire, Police and Municipal funds into a qualified pre-tax defined contribution (DC) retirement plan that would operate alongside the existing defined benefit (DB) plans of the respective funds. The number of new entrants who would be auto-enrolled into the newly created DC plans is not known. Some context is available via P.A. 102-540, which mandated automatic DC enrollment of new hires in both TRS and SURS. SURS reported that 77% of new hires remained in their DC plan after the enrollment window, while TRS reported that 73% of new hires remained in their Supplemental Savings Plan (SSP).

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that on or before September 1, 2026, the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, shall report its work and make available resource materials, including model procedures (rather than policies) and guidance informed by a phased approach to implementing universal mental health screening in schools. Provides that the model school district procedures (rather than policies) to facilitate the implementation of mental health screenings, shall include specified matters. Provides that mental health screenings shall be offered by school districts to students enrolled in grade 3 (rather than kindergarten) through grade 12, at least once a year, beginning with the 2027-2028 school year. Provides that the requirement to offer mental health screenings shall be in effect only for school years in which the State has successfully procured a screening tool that offers a self-report option for students and is made available to school districts at no cost. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

415 ILCS 185/15

Amends the Carbon Dioxide Transportation and Sequestration Act. Provides that the Illinois Commerce Commission shall not issue any certificate of authority under the Act before July 1, 2026. Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Provides that a nonconsenting pore space owner's compensation shall include just compensation and any operations term or injection term payments made upon or after the initiation of injection provided to consenting pore space owners in consideration of allowing use of their pore space for sequestration of carbon dioxide. Provides that a nonconsenting pore space owner's compensation shall be no less than the average total payment package, considered as a whole with respect to an individual owner, provided in agreements to similarly situated consenting pore space owners for use of their pore space by the same sequestration operator for the same sequestration project (instead of provided in agreements during the previous 365 days to similarly situated consenting pore space owners). Amends the Safety and Aid for the Environment in Carbon Capture and Sequestration Act. Provides that an affected landowner is entitled to reasonable compensation from an applicant that has been granted a certificate of authority under this Act for damages resulting from access to the landowner's property for required activities taken to construct the pipeline, including, but not limited to, compensation for specified damages. Sets forth provisions concerning payment of the compensation; attorney's fees; and an applicant entering into an agreement with the Department of Agriculture that governs the mitigation of agricultural impacts associated with the construction of the proposed pipeline. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes changes to provisions concerning applications under the Carbon Dioxide Transportation and Sequestration Act. In provisions concerning the compensation for damages to the surface of a landowner's property, provides that such compensation includes compensation to return the surface estate, including soil conservation practices, such as terraces, grassed waterways, and other conservation practices, to the condition of the surface (rather than to a condition as near as practicable to the condition of the surface) prior to accessing the property; compensation for damage to the productive capability of the soil resulting from compaction or rutting if the parties are incapable of reaching resolution for such issues under the mitigation agreement and certain requirements are met (rather than such compensation shall include, but is not limited to, compensation for when a pipeline applicant accesses a property where excessively wet soil conditions would not allow normal farming operations due to increased risk of soil erosion, rutting, or compaction); and compensation for damage to surface and subsurface drainage, including compensation such that the applicant who has been granted a certificate of authority under the Act shall compensate the affected landowner to permanently restore drainage to the condition of the drainage (rather than to a condition as near as practicable to the condition of the drainage) prior to accessing the property. Provides that an applicant shall comply with the requirements of the agreement that governs the mitigation of agricultural impacts. Makes other changes.

40 ILCS 5/17-132 from Ch. 108 1/2, par. 17-132

Amends the Chicago Teacher Article of the Illinois Pension Code. Requires charter schools and contract schools to retain all payroll records and contribution information for a minimum of 5 years after the payroll records and contribution information are created. Effective immediately.

Pension Note (Government Forecasting & Accountability)

The requirement under SB 2861 that charter and contract schools maintain payroll and contribution records for five years would have no direct fiscal impact on the Chicago Teachers' Pension Fund (CTFP). However, any audits of charter schools that CTFP indicates the bill is designed to support could result in negligible changes in employer contributions, commensurate with the audits' findings.

New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Provides that, with regard to any policy, contract, or plan offered, entered into, issued, amended, or renewed on or after January 1, 2026 by a health insurer, life insurer, or long-term care insurer authorized to transact insurance in this State, a health insurer, life insurer, or long-term care insurer may not: (1) cancel, limit, or deny coverage or establish differentials in premium rates based on a person's genetic information; or (2) require or solicit an individual's genetic information, use an individual's genetic test results, or consider an individual's decisions or actions relating to genetic information or a genetic test in any manner for any insurance purpose. Creates immunity from civil liability for a licensed child welfare agency that provides service for youth in foster care for a 2-year period unless the agency's acts or omissions constitute willful and wanton conduct. Provides that the immunity extends to the agency's employees, volunteers, and agents acting within the scope of their employment. Defines a "child welfare agency" to mean a public or private child care facility that receives a child or children for the purpose of placing or arranging for the placement or free care of the child or children in foster family homes, unlicensed pre-adoptive and adoptive homes, adoption-only homes, or other facilities for child care apart from the custody of the child's or children's parents. The term "child welfare agency" includes (i) all agencies established and maintained by a municipality or other political subdivision of the State to protect, guard, train or care for children outside their own homes; and (ii) all agencies, persons, groups of persons, organizations, corporations, institutions, centers, or group providing adoption services but does not include a circuit court, appointed juvenile probation officer, or youth counselor of the court who receive and place children under an order of the court. Creates the Child Welfare Agency Liability Task Force to develop and recommend a permanent solution to address the unavailability of liability insurance for child welfare agencies in the State. Requires that the Task Force submit its first report to the General Assembly no later than December 26, 2026. Effective immediately.

Amends the Carbon Dioxide Transportation and Sequestration Act. Provides that the Illinois Commerce Commission shall not issue any certificate of authority under the Act before July 1, 2026. Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Provides that a nonconsenting pore space owner's compensation shall include just compensation and any operations term or injection term payments made upon or after the initiation of injection provided to consenting pore space owners in consideration of allowing use of their pore space for sequestration of carbon dioxide. Provides that a nonconsenting pore space owner's compensation shall be no less than the average total payment package, considered as a whole with respect to an individual owner, provided in agreements to similarly situated consenting pore space owners for use of their pore space by the same sequestration operator for the same sequestration project (instead of provided in agreements during the previous 365 days to similarly situated consenting pore space owners). Amends the Safety and Aid for the Environment in Carbon Capture and Sequestration Act. Provides that an affected landowner is entitled to reasonable compensation from an applicant that has been granted a certificate of authority under this Act for damages resulting from access to the landowner's property for required activities taken to construct the pipeline, including, but not limited to, compensation for specified damages. 220 ILCS 75/20

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes changes to provisions concerning applications under the Carbon Dioxide Transportation and Sequestration Act. In provisions concerning the compensation for damages to the surface of a landowner's property, provides that such compensation includes compensation to return the surface estate, including soil conservation practices, such as terraces, grassed waterways, and other conservation practices, to the condition of the surface (rather than to a condition as near as practicable to the condition of the surface) prior to accessing the property; compensation for damage to the productive capability of the soil resulting from compaction or rutting if the parties are incapable of reaching resolution for such issues under the mitigation agreement and certain requirements are met (rather than such compensation shall include, but is not limited to, compensation for when a pipeline applicant accesses a property where excessively wet soil conditions would not allow normal farming operations due to increased risk of soil erosion, rutting, or compaction); and compensation for damage to surface and subsurface drainage, including compensation such that the applicant who has been granted a certificate of authority under the Act shall compensate the affected landowner to permanently restore drainage to the condition of the drainage (rather than to a condition as near as practicable to the condition of the drainage) prior to accessing the property. Provides that an applicant shall comply with the requirements of the agreement that governs the mitigation of agricultural impacts. Makes other changes.

Provides that the Department of Public Health and the Department of Veterans Affairs may adopt rules for the implementation and administration of the Act. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

415 ILCS 5/39 from Ch. 111 1/2, par. 1039
 415 ILCS 5/39.16 new

Amends the Environmental Protection Act. Provides that all National Pollutant Discharge Elimination System permits authorizing a discharge from a facility designated by the Environmental Protection Agency and the United States Environmental Protection Agency as a major facility, shall, at a minimum, require for publicly owned treatment works, periodic sampling of influent, effluent, and biosolids for all perfluoroalkyl and polyfluoroalkyl substances for which there are accredited wastewater analytical methods and, for all other facilities, periodic effluent sampling for all perfluoroalkyl and polyfluoroalkyl substances for which there are accredited wastewater analytical methods. Provides that the Agency shall require any NPDES permit application for a discharge of wastewater that has potential to contain perfluoroalkyl and polyfluoroalkyl substances to fully characterize the discharge through sample results for all perfluoroalkyl and polyfluoroalkyl substances for which there are accredited wastewater analytical methods. Provides that the Agency shall not issue any permit under specified provisions for the land application of a sludge or biosolids unless the application includes sample results for the sludge or biosolids for all perfluoroalkyl and polyfluoroalkyl substances for which there are accredited wastewater analytical methods. Provides that any permit issued under specified provisions for the land application of a sludge or biosolids shall require, at minimum, periodic sampling of the sludge or biosolids for all perfluoroalkyl and polyfluoroalkyl substances for which there are accredited wastewater analytical methods.

Senate Floor Amendment No. 2

Corrects grammatical errors and makes technical changes.

Senate Floor Amendment No. 6

Replaces everything after the enacting clause with the provisions of the introduced bill, as amended by Senate Amendment No. 2, with the following changes. Provides that all NPDES Permits authorizing a discharge from a facility designated by the Illinois Environmental Protection Agency and the U.S. Environmental Protection Agency as a major facility shall require, at a minimum, for publicly owned treatment works, as well as for privately owned sewage treatment works, specified periodic sampling (rather than shall require, at a minimum, for publicly owned treatment works, specified periodic sampling), and for all other major industrial facilities (rather than all other major facilities), specified periodic effluent sampling. Provides that, if a permittee demonstrates through monitoring data that perfluoroalkyl and polyfluoroalkyl substances have not been detected above the minimum level of quantification for a period of 2 consecutive years, the permittee may request a modification of the NPDES permit. Further provides that, if the Agency makes a determination that such a request is acceptable, then the NPDES permit may be modified to reduce sample frequency.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "health care professional". Provides that the Department of Public Health shall provide certain information for health care professionals (rather than physicians) to distribute to women over the age of 25 years, or women interested about fertility options on blood tests to predict their ovarian reserve. Makes technical changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 1 with the following changes. In provisions regarding the distribution of ovarian reserve information (formerly concerning fertility options), provides that the Department of Public Health shall provide certain information for health care professionals to distribute to women interested in ovarian reserve testing (rather than women interested about fertility options on blood tests to predict their ovarian reserve). Deletes a requirement for health care professionals to distribute to certain women a list of healthcare centers or hospitals that are available to women for ovarian reserve testing. Requires health care professionals to distribute to certain women information on potential results and resources that are available after testing, along with additional information that should be considered by a patient with this test (rather than just information on potential results and resources that are available after testing).

Makes changes in provisions concerning definitions. Adds provisions concerning an applicant's or licensee's address of record and email address of record. Makes changes in provisions concerning the application for a license; examinations; duties and responsibilities of a qualifying party; qualifying party termination; commercial vehicles; contracts; expiration and renewal; applicant convictions; licensure requirements; grounds for disciplinary action; subpoenas; final administrative decisions; criminal penalties; unlicensed practice; the Roofing Advisory Board; and the surrender of a license. In the provisions concerning the duties and responsibilities of a qualifying party and grounds for discipline, makes changes concerning those duties and responsibilities and makes a terminology change in the caption. Provides that in the event a qualifying party is terminated or has an active status (rather than his or her status) as the qualifying party of the licensed roofing contractor terminated, both the licensee and the qualifying party shall notify the Department of Financial and Professional Regulation of this disassociation. Provides that within 7 months after approval by the Department (rather than upon approval by the Department), a newly designated qualifying party must take and pass a required examination to requalify. Senate Floor Amendment No. 3

Corrects grammatical and typographical mistakes. In provisions concerning application of the Act, provides that nothing in the Act shall be construed to prevent or limit the practice of professional engineering as defined in the Professional Engineering Practice Act of 1989 or the practice of structural engineering as defined in the Structural Engineering Practice Act of 1989.

SB 03561 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that an owner, officer, or employee of a person required to be licensed under the Act is not required to be licensed to engage in activities conducted by the licensee under the Act. Removes a provision that any person who engages in the business regulated by the Act without the license required by the Act shall be guilty of a Class 4 felony. Provides that the Act does not apply to a merchant or merchant platform that makes a buy-now-pay-later loan available to a consumer through an agreement with a licensed buy-now-pay-later lender, if the merchant or merchant platform does not originate, underwrite, service, or hold an interest in any buy-now-pay-later loan. Provides that the Act also does not apply to a person who buys, acquires, or holds a partial interest in a loan as a passive investor, but does not otherwise originate, underwrite, or service the loan or control the servicing of the loan. Provides that a person that (i) was providing buy-now-pay-later loans in the State before January 1, 2028 and (ii) submits an application for a license on or before January 1, 2028 shall be deemed a provisional licensee authorized to continue operating under the Act until the Department of Financial and Professional Regulation acts on the application. Provides that any loan made under and in compliance with the Act is not required to comply with the Consumer Installment Loan Act or the Payday Loan Reform Act. Removes provisions concerning action for damages. Makes changes to provisions concerning definitions; applicability; examinations and prohibited activities; suspension, revocation of licenses, and fines and other discipline; underwriting; and consumer protections. Effective immediately.

Senate Floor Amendment No. 4

Provides that a lender shall, before providing or causing to be provided a loan to a consumer, take into consideration the financial ability of the borrower to repay the loan in the time and manner provided in the loan contract. Requires lenders to comply with specified federal laws (rather than maintain policies and procedures for maintaining accurate data that may be reported to credit reporting agencies). Amends the Unified Code of Corrections. Provides that at the sentencing hearing the court shall make a finding of whether a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible stolen firearms database was used in the commission of the offense for which the defendant is being sentenced. Provides that in cases in which the court finds that a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible database was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Illinois State Police Division of Justice Services.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. In the amendatory changes to the Firearm Owners Identification Card Act, provides that the violation applies to a person who fails 2 or more times to report a loss or theft of a firearm within 48 hours after the discovery of such loss or theft to local law enforcement as required under the Criminal Code of 2012. In the amendatory changes to the Criminal Code of 2012 relating to a person who possesses a valid Firearm Owner's Identification Card and who possesses or acquires a firearm who fails to report the loss or theft of the firearm to the local law enforcement agency within 48 hours after obtaining knowledge of the loss or theft, deletes a provision which specifies that, for a second or subsequent offense, the failure to report the loss or theft of the firearm within 48 hours of the discovery of such loss or theft shall result in revocation of the person's Firearm Owner's Identification Card. Adds a severability provision to the bill.

220 ILCS 5/9-220.2

Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, then the acquisition may continue. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a referendum before the Illinois Commerce Commission can approve an acquisition.

New Act

Creates the Community Land Trust Home Ownership Act. Provides that the Illinois Housing Development Authority's homeownership programs, including loan products, grants, and other types of assistance, shall be made available to home buyers and owners seeking to purchase or maintain housing where a leasehold interest in real property is held by a community land trust or other 501(c)(3) organization for the purposes of promoting long-term affordability, preservation of affordable housing, or community revitalization efforts. Provides that any other type of seller, including for-profit or private sellers of homes, through leasehold agreements, such as installment contracts, contract for deeds, or any other type of purchase or ownership structure, shall not be eligible under the amendatory Act. Requires the Illinois Housing Development Authority, within 90 days after the effective date of the Act, to propose new or amended administrative rules that will make the Authority's homeownership programs consistent with the purposes of the Act. Effective immediately.

Senate Floor Amendment No. 1

Reinserts the provisions of the introduced bill with the following changes: Creates the Community Land Trust Task Force within the Illinois Housing Development Authority. Contains provisions concerning Task Force membership; Task Force meetings; and administrative support to the Task Force. Provides that the Task Force shall perform certain duties, including: (i) implementing the 2024 Community Land Trust Task Force Report recommendations; (ii) studying the use of community land trusts as a tool to create permanently affordable housing, including as an alternative to property tax sales; and (iii) increasing the number of State grants for organizational capacity-building and housing development, with spending rules tailored to the needs of community land trusts and the size of community land trust projects. Requires the Task Force to submit periodic reports to the Governor and General Assembly covering the Task Force's investigation into community land trusts and the Task Force's duties. Provides that the reports shall be made publicly available on the Illinois Housing Development Authority's website. Effective immediately.

House Floor Amendment No. 2

Provides that the Community Land Trust Task Force is dissolved, and the provisions creating the Task Force are repealed, 14 months after the date upon which the Task Force holds its first meeting. Makes some grammar changes. Effective immediately.

Senator Graciela Guzmán

SB 01298 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 1 with the following changes: Provides that any undergraduate program of study that serves low-income students (rather than any program of study) at a public institution of higher education improves employability and shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component beginning March 1, 2026, unless prohibited by federal law. Provides that, on or before January 1, 2026, and every 3 years thereafter, the Illinois Board of Higher Education and the Illinois Community College Board shall provide to the Department of Human Services the percentage of students, by program of study, who received grants under the federal Pell Grant program and the State's Monetary Award Program (MAP) at each institution of higher education from which they collect MAP and Pell recipient data during the most recent academic year. Provides that, unless prohibited by federal law, a graduate program of study at a public institution of higher education shall be considered equivalent to an acceptable SNAP E&T program component if: (i) the public institution provides the Department of Human Services with specified data on the income status of students within each program of study; and (ii) the graduate program of study serves low-income students. Requires the public institution to submit such data to the Department on or before January 1 of a given year and every 3 years thereafter for the program of study for low-income students to be considered equivalent to an acceptable SNAP E&T program component by March 1 of that year. Provides that, beginning March 1, 2026, the Department shall publish on its website an updated list of the programs of study that serve low-income students by institution of higher education. In a provision requiring the Illinois Board of Higher Education and the Illinois Community College Board to submit to the Department of Human Services specified data on the percentage of students receiving Pell or Monetary Award Program grants, changes the reporting date to on or before January 1, 2028, and every year thereafter (rather than on or before January 1, 2026, and every 3 years thereafter). Changes the reporting date by which public colleges and universities may elect to submit specified data on the income status of graduate students to January 1 of a given year, and every year thereafter (rather than January 1 of a given year, and every 3 years thereafter). In a provision requiring the Department of Human Services to publish an updated list of the programs of study that serve low-income students at public colleges and universities, requires the Department to publish the list beginning March 1, 2028 (rather than March 1, 2026), and every March 1 thereafter. Provides that rulemaking shall not delay the full implementation of the amendatory changes. Effective immediately.

SB 01519 (Continued)

Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Removes language providing that a student may not be issued a monetary fine or fee as a disciplinary consequence. Instead, prohibits school personnel from issuing a monetary fine, fee, ticket, or citation for a municipal code violation. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

105 ILCS 5/10-20.68

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that the required annual report regarding the number of students who were referred to a law enforcement agency or official shall begin with the 2027-2028 school year. Removes incident type and age from the data to be reported. Provides that the report on student referrals to law enforcement in all school districts in the State shall begin on or before January 31, 2029 (rather than 2027). Gives rulemaking authority to the State Board of Education. Requires a memorandum of understanding between a local law enforcement agency and a school district for any school district that uses a school resource officer; makes related changes. Provides that a student must not be issued a monetary fine, fee, ticket, or citation as a school-based disciplinary consequence or for a municipal code violation on school grounds during school-related events or activities or while taking school transportation by any person (rather than school personnel may not issue a monetary fine, fee, ticket, or citation for a municipal code violation). Excludes traffic, boating, and fish and game law violations. Effective immediately.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 1, and makes the following changes: In the provisions concerning law enforcement referral reports, removes language that provides that the reported data shall be disaggregated by the result of the referral and removes rulemaking authority for the State Board of Education. Provides that the requirement for a memorandum of understanding between a local law enforcement agency and a school district for a school resource officer begins July 1, 2026. Makes a change concerning the memorandum of understanding. Provides that a student must not be issued a monetary fine, fee, ticket, or citation as a school-based disciplinary consequence or for a municipal code violation on school grounds during school hours (rather than during school-related events or activities, whether in-person or virtual). Effective immediately.

705 ILCS 405/5-601

705 ILCS 405/5-602 new

Amends the Juvenile Court Act of 1987. Provides that if the minor has multiple delinquency petitions filed against him or her, remaining petitions pending against the minor respondent shall be adjudicated within 120 (rather than 160) days from the date on which a finding relative to the first petition prosecuted is rendered. Restructures the provisions concerning alleged delinquent minors and pretrial detention of alleged delinquent minors. Provides that if the court determines that the State, without success, has exercised due diligence to timely obtain the results of DNA testing that is material to the case, and that there are reasonable grounds to believe that the results may be obtained at a later date, the court may extend the period of detention of the minor to not more than 70 days, only for any matter for which the minor may be committed to the Department of Juvenile Justice. Provides that nothing in the trial and pretrial detention provisions of the Act prevents the minor from exercising the minor's rights to waive the time limits set forth in these provisions. Deletes provision that time needed to prepare a defense to a State motion such as an extended juvenile jurisdiction petition or a transfer petition shall not be considered a delay occasioned by the minor. Makes technical changes in the trial and pretrial detention provisions of the Act.

Amends the Carbon Dioxide Transportation and Sequestration Act. Provides that the Illinois Commerce Commission shall not issue any certificate of authority under the Act before July 1, 2026. Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Provides that a nonconsenting pore space owner's compensation shall include just compensation and any operations term or injection term payments made upon or after the initiation of injection provided to consenting pore space owners in consideration of allowing use of their pore space for sequestration of carbon dioxide. Provides that a nonconsenting pore space owner's compensation shall be no less than the average total payment package, considered as a whole with respect to an individual owner, provided in agreements to similarly situated consenting pore space owners for use of their pore space by the same sequestration operator for the same sequestration project (instead of provided in agreements during the previous 365 days to similarly situated consenting pore space owners). Amends the Safety and Aid for the Environment in Carbon Capture and Sequestration Act. Provides that an affected landowner is entitled to reasonable compensation from an applicant that has been granted a certificate of authority under this Act for damages resulting from access to the landowner's property for required activities taken to construct the pipeline, including, but not limited to, compensation for specified damages. Makes other changes.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes changes to provisions concerning applications under the Carbon Dioxide Transportation and Sequestration Act. In provisions concerning the compensation for damages to the surface of a landowner's property, provides that such compensation includes compensation to return the surface estate, including soil conservation practices, such as terraces, grassed waterways, and other conservation practices, to the condition of the surface (rather than to a condition as near as practicable to the condition of the surface) prior to accessing the property; compensation for damage to the productive capability of the soil resulting from compaction or rutting if the parties are incapable of reaching resolution for such issues under the mitigation agreement and certain requirements are met (rather than such compensation shall include, but is not limited to, compensation for when a pipeline applicant accesses a property where excessively wet soil conditions would not allow normal farming operations due to increased risk of soil erosion, rutting, or compaction); and compensation for damage to surface and subsurface drainage, including compensation such that the applicant who has been granted a certificate of authority under the Act shall compensate the affected landowner to permanently restore drainage to the condition of the drainage (rather than to a condition as near as practicable to the condition of the drainage) prior to accessing the property. Provides that an applicant shall comply with the requirements of the agreement that governs the mitigation of agricultural impacts. Makes other changes.

from Ch. 23, par. 5-2

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions listing the classes of persons eligible for medical assistance, provides that, to the extent permitted by federal law, the Department of Healthcare and Family Services shall by rule eliminate the consideration of assets when determining eligibility for any program of medical assistance. Requires the Department to seek federal authority to disregard all resources, including real and personal property, as authorized by the flexibilities provided under a specified federal law or other available authorities. Provides that if adjustment or elimination of the asset limit results in any disadvantage to receiving medical assistance in a community setting, the Department shall adopt rules rebalancing the programs so that, where medical assistance is available in a community setting, a medical assistance beneficiary has free choice between receiving those services in the community or in a long-term care facility. Makes conforming changes by: (i) removing a provision that requires the Department to establish, by rule, the amounts of assets to be disregarded in determining eligibility for medical assistance; (ii) removing a provision that permits the Department to establish resource standards for pregnant individuals applying for medical assistance that are more restrictive than those resource standards established under the Temporary Assistance for Needy Families program; and (iii) removing a provision that permits the Department to allow non-exempt assets up to \$25,000 during periods of medical assistance eligibility for employed persons with disabilities and employed persons with a medically improved disability.

Requires each nursing facility to provide as part of its financial reporting information necessary for the Department of Healthcare and Family Services to administer and enforce the provisions of the amendatory Act. Provides that such information shall be subject to audit provisions and comply with any applicable uniform standards under the Code. Provides that if a facility has not met the minimum resident care percent requirement, the amount defined by the facility's total adjusted revenue shall be treated as a vendor overpayment. Senate Democrat Sponsor Synopsis Report

Senator Graciela Guzmán

SB 02258 (Continued)

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Senate Democrat Sponsor Synopsis Report

Senator Graciela Guzmán**SB 02500 (Continued)**

Amends the Community Emergency Services and Support Act. Modifies legislative findings. Provides that appropriate mobile response services must, among other things, subject to the care decisions of the individual receiving care, coordinate transportation for any individual experiencing a mental or behavioral health emergency to the least restrictive setting feasible (rather than provide transportation for any individual experiencing a mental or behavioral health emergency). Provides that adequate mobile mental health relief provider training includes, among other things, training in recognizing and working with people with neurodivergent and developmental disability diagnoses and in the techniques available to help stabilize and connect them to further services and training in the involuntary commitment process, in identification of situations that meet the standards for involuntary commitment, and in cultural competencies and social biases to guard against any group being disproportionately subjected to the involuntary commitment process or the use of the process not warranted under the legal standard for involuntary commitment. Provides that mobile mental health relief providers may only participate in the involuntary commitment process to the extent permitted under the Mental Health and Developmental Disabilities Code. Requires the system for gathering information developed by the Statewide Advisory Committee to determine the number of instances of mobile mental health relief providers initiating petitions for involuntary commitment. Provides that the exemption from civil liability for emergency care provided in the Good Samaritan Act applies to anyone providing care under the Act. Provides that each 9-1-1 public safety answering point and emergency service dispatched through a 9-1-1 public safety answering point must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once all 3 of the following conditions are met, but not later than July 1, 2027 (rather than July 1, 2025). Adds definitions and modifies existing definitions. Effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that a mobile crisis response team may provide transportation if the mobile crisis response team is appropriately equipped and staffed to do so. Provides that, in any area where mobile mental health relief providers are available for dispatch, unless requested by mobile mental health relief providers, law enforcement shall not be used to provide transportation to access mental or behavioral health care, or travel between mental or behavioral health care providers, except where (i) no alternative is available; (ii) the individual requests transportation from law enforcement and law enforcement mutually agrees to provide transportation; or (iii) the Mental Health and Developmental Disabilities Code requires or permits law enforcement to provide transportation (rather than the Mental Health and Developmental Disabilities Code requires law enforcement to provide transportation). Removes changes to provisions concerning immunity.

New Act

Senate Democrat Sponsor Synopsis Report

Senator Graciela Guzmán

SB 02772 (Continued)

Creates the Illinois Psilocybin Advisory Board Act. Sets forth findings and defines terms. Establishes the Illinois Psilocybin Advisory Board within the Department of Financial and Professional Regulation for the purpose of advising and making recommendations to the Department regarding the provision of psilocybin and psilocybin services. Sets forth requirements for members of the Board. Provides that, within 3 months after the effective date of the Act, the Governor, the Senate President, the Speaker of the House, the Minority Leader of the House, and the Minority Leader of the Senate shall appoint certain individuals to the Board. Provides that, between January 1, 2027 and January 1, 2029, the Board shall meet at least once every 2 calendar months at a time and place determined by the chairperson or a majority of the voting members of the Board and that, after January 1, 2029, the Board shall meet at least once every calendar quarter. Provides that the Board shall perform certain duties, including publishing an annual report describing the Board's activities and making recommendations concerning (i) the safety and efficacy of psilocybin and other substances, (ii) potential requirements for providing psilocybin services to clients, (iii) a potential code of ethics and possible training requirements for facilitators, and (iv) public health considerations. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to legislative findings. Includes ayahuasca in the definition of "entheogen" or "entheogenic substance". Includes synthetically produced psilocybin and psilocin in the definition of "psilocybin product". Makes changes to the membership of the Illinois Psilocybin Advisory Board, including the voting and nonvoting members of the Board. Removes language regarding the terms of members. Provides that the applicable appointing authority shall appoint an individual, when there is a vacancy for any reason, to serve as a member in an acting capacity until the individual is approved by the Board (rather than by the Senate) for the remainder of the unexpired term. Provides that the Board shall hold its first meeting by November 1, 2026 (rather than between January 1, 2027 and January 1, 2029) at a time and place specified by the Governor, and that after the first meeting the Board shall meet at least once monthly (rather than every 2 calendar months) at a time and place determined by the chairperson or a majority of the voting members of the Board. Provides that Board members shall serve without compensation. Provides that the Board, in compliance with the Open Meetings Act, may meet virtually. Provides that, within 18 months after the effective date of the Act, the Board shall submit a report to the Governor and the General Assembly. Provides what the report shall include. Provides for repeal of the Act 2 years after the effective date of the Act. Makes other changes. Effective immediately.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by Senate Amendment No. 2, with the following changes. In a provision concerning the members of the Illinois Psilocybin Advisory Board, provides that if there is a vacancy for any reason, the applicable appointing authority shall appoint an individual to fill the vacancy in a timely manner (rather than appoint an individual to serve as a member in an acting capacity until the individual is approved by the Board as a member of the Board for the remainder of the unexpired term). Provides that the report the Board shall submit to the Governor and the General Assembly shall include an evaluation of (rather than a recommendation on) the medical efficacy of listed psychedelic substances based on medical, psychological, and scientific studies, research, clinical trials in the United States, and other information related to the safety and efficacy of each substance. Removes from the report the necessity to include recommendations concerning whether listed psychedelic substances may be included in an appropriate statutory or regulatory framework to avoid an unregulated de facto market for entheogenic substances other than psilocybin. Provides that the report shall include recommendations on the availability of Medicaid coverage for psilocybin (rather than entheogens) and associated services. Effective immediately.

New Act

Creates the Human Services Workforce Sustainability Act. Requires the Departments of Human Services, Children and Family Services, Juvenile Justice, and Public Health, and other specified State agencies, to complete, by June 30, 2027, a look-back calculation for each contracted human services organization that compares the funding amount awarded to the human services organization in State fiscal years 2026 and 2021 in order to identify the percentage change in funding, if any, to the human services organization between those fiscal years. Provides that based on the look-back calculations, each State agency shall identify the total aggregate amount of additional appropriations needed to ensure that grant amounts awarded by the State agency in State Fiscal Year 2028 are at least 25% more than the grant amounts awarded to grantees in State Fiscal Year 2021. Contains provisions concerning implementation of increased grant funding, subject to appropriation; additional percentage increases in grants amounts beginning in State Fiscal Year 2029; expenditure and certification requirements on contracted human services organizations that receive increased grant funding; oversight by the Department of Central Management Services; the adoption of administrative rules; and other matters. Effective July 1, 2026.

Adds reference to:
410 ILCS 37/25 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds definitions of the terms "construction industry", "employee", and "employer". Makes changes in provisions that establish sanitary safety standards for construction workers who menstruate, express milk, or both. Adds provisions that make it unlawful for an employer to take retaliatory actions or to use a request for an accommodation under the Act as the basis for an adverse employment action. Makes changes in provisions concerning penalties. Specifies that an employer that in good faith provides menstrual products in sealed packaging for employee use as required under the Act shall not be liable in any civil action for injuries resulting from the use of the product, except for willful or wanton conduct by the employer. Provides that the amendatory Act takes effect January 1, 2027 (rather than immediately).

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Defines "menstrual hygiene products". Changes requirements for compliance with certain provisions in the Act from compliance within 6 months after the Department of Public Health adopts rules to compliance within 6 months after the effective date of the amendatory Act. Deletes a requirement for inclusive language. Replaces references to "reasonable accommodations" with references to "lactation accommodations". Provides that compliance with minimum lactation accommodations does not relieve employers from compliance with the Nursing Mothers in the Workplace Act or the Illinois Human Rights Act. Adds a factor for consideration to a definition of "undue hardship". Provides that, on or before January 1, 2027, the Department of Public Health, in consultation with the Department of Human Rights, shall provide guidance to employers via a website or other means concerning lactation accommodations (rather than shall adopt rules concerning reasonable accommodations, including what constitutes an undue hardship on an employer that would prevent accommodation, with consideration of any impact on small businesses). Makes technical and other changes.

Amends the Metropolitan Water Reclamation District Act. Makes changes in provisions concerning the circumstances under which the executive director of the Metropolitan Water Reclamation District shall issue cease and desist orders and may issue orders to show cause and discontinue specified discharge-related violations. Provides that the Board of Commissioners of the District may order the party responsible for violations to pay a civil penalty that is not less than \$1,500 nor more \$5,000 per violation in show cause proceedings (rather than not less than \$1,000 nor more than \$2,000 for each day of discharge). Further provides that violations occurring after the last cited violation may be included in a separate show cause proceeding or consolidated with the current show cause proceeding at the district's sole discretion. Specifies that the court may assess a civil penalty of not less than \$1,500 nor more than \$25,000 (rather than not less than \$1,000 nor more than \$10,000) for each day an offending party violates a final order of the Board of Commissioners and for each violation when the offending party's discharge represents an imminent danger to public health, welfare, safety; presents an endangerment to the environment; or threatens to interfere with the sewerage system or a water reclamation plant under the jurisdiction of the district. For show cause and Board order violations, adds that, when multiple exceedances of pollutant limits occur in a single day, the number of violations in that day shall be the number of exceedances in that day and that each regulatory multiple day average that exceeds acceptable limits also constitute a separate violation. Makes other changes.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

SB 02953 (Continued)

Pension Note (Government Forecasting & Accountability)

SB 2953 extends the sunset date of the current limitations on annuitant return-to-service (120 paid days or 600 paid hours in each school year) by three years, through June 30, 2029. Under current law, the aforementioned limitations are scheduled to sunset on June 30, 2026, after which the prior return-to-work limitations of 100 paid days or 500 paid hours will again apply beginning July 1, 2026. Therefore, SB 2953 allows retired teachers to return to service for a longer period of time under the 120-day/600-hour limitation than would otherwise be allowed under current law. The fiscal impact on TRS of allowing retired teachers to work 20 more days or 100 more hours in a school year without impairment of annuity status is expected to be minimal, as participation under the extended limitation is likely to be relatively small; however, the precise impact would depend on the number of annuitants who elect to return to work.

Amends the Public Utilities Act. Defines "video programming" and "video streaming service". Provides that, on and after July 1, 2027, a video streaming service that serves consumers residing in the State shall not transmit the audio of commercial advertisements louder than the video content the advertisements accompany, consistent with the regulations adopted by the Federal Communications Commission pursuant to the Commercial Advertisement Loudness Mitigation (CALM) Act (Public Law 111-311) for television broadcast stations, cable operators, and other video programming distributors. Provides that the amendatory provisions do not create a private right of action.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Public Utilities Act. Defines "long-form content", "short-form content", "video programming", and "video streaming service". Provides that "normalization" means adjusting the audio of short-form content by measuring and scaling the average loudness of the audio to match the target loudness of the audio of the accompanying long-form content distributed by a video streaming service or third-party advertising manager consistent with established industry standards. Provides that, on and after July 1, 2027, a video streaming service or third-party advertising manager that serves consumers residing in the State shall exercise reasonable care in normalizing the audio of short-form content so that the audio is not transmitted at a louder volume than the audio of the accompanying long-form content, consistent with the regulations adopted by the Federal Communications Commission pursuant to the Commercial Advertisement Loudness Mitigation (CALM) Act (Public Law 111-311) for television broadcast stations, cable operators, and other video programming distributors. Provides that a video streaming service that engages a third-party advertising manager to solely control the loudness of the audio of short-form content on the video streaming service shall not be liable under the amendatory provisions for short-form content distributed by the third-party advertising manager on the video streaming service if the video streaming service enters into a written agreement with the third-party advertising manager that requires the audio of short-form content distributed by the third-party advertising manager to not be louder than the target loudness of the audio of the accompanying long-form content distributed by the video streaming service, consistent with established industry standards. Provides that the amendatory provisions do not create a private right of action and that the Attorney General shall have exclusive authority to enforce the amendatory provisions. Requires the Attorney General to provide a video streaming service or third-party advertising manager written notice of an alleged violation of the amendatory provisions before initiating any action pursuant to the amendatory provisions. Makes other changes.

If a county Internet website exists, the application materials, as well as any other program requirements used by the county (such as application deadlines, fees, and other procedures required by the application) must be published on that website, otherwise it must be available to the public upon request at the office of the chief county assessment officer. On an annual basis, requires the Illinois Housing Development Authority to calculate and make available on its website the minimum per square foot expenditure requirements to be applicable statewide to be eligible for the reduced valuation, which shall include the historical annual expenditure requirements starting with calendar year 2021. 225 ILCS 65/50-28 new

Amends the Nurse Practice Act. Provides that, in order to protect the public and ensure safe and adequate health care services, if the Department of Financial and Professional Regulation finds that any person licensed or authorized to practice under the Act was not properly credentialed pursuant to the standards required at the time of application, the Department may temporarily suspend the person's license or authorization to practice without prior hearing until the Department receives satisfactory evidence of the licensee's overall qualifications. Provides that the Department shall notify the licensee of the temporary suspension at the licensee's address of record or email address of record. Provides that the licensee may request that the Board review the validity of the license within 30 days after the service of the notice and shall submit written evidence in support of the licensee's qualifications with the request for review. Provides that the licensee may seek an extension of time to provide such evidence, during which the suspension shall remain in effect. Provides that the Board, at its next regularly scheduled meeting, shall review the request and any written evidence provided by the licensee and make a final recommendation regarding the licensee's qualifications to the Director of the Division of Professional Regulation of the Department. Provides that, based upon the Board's final recommendation, the Director of the Division of Professional Regulation may issue an order withdrawing the license due to the licensee's lack of qualifications or lift the suspension of the license by stipulating terms and conditions of practice. Provides that withdrawal of the license alone shall not constitute discipline or be a bar to licensure if the licensee makes a subsequent reapplication that meets the qualifications under the Act. Provides that disciplinary proceedings may also be initiated pursuant to the Board's recommendation or Department findings and shall be conducted in the same manner as other disciplinary proceedings under the Act. Sets forth rulemaking authority for the Department.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 3496, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

SB 3496, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

SB 3496, as amended by HA 1, would not impact any public pension fund or retirement system in the State of Illinois.

Racial Impact Note, House Floor Amendment No. 1 (Dept. of Public Health)
