Provides that upon reentry, the Department shall provide an individual participating in medication assisted treatment with a referral to a community-based provider who may assist the individual with continued medications for opioid use disorder and medication assisted treatment care.

Senate Committee Amendment No. 1

Provides that if at any time a committed person screens positive as having or being at risk for an opioid use disorder, is diagnosed with an opioid use disorder or is exhibiting symptoms of withdrawal from an opioid use disorder, and medication for opioid use disorder or medication assisted treatment (rather than just medication assisted treatment) is clinically indicated by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner, then the individual may consent to commence medications for opioid use disorder, which shall be provided by the Department of Corrections.

Senate Committee Amendment No. 3

Provides that a committed person who is admitted to a correctional institution or facility while under the medical care of a licensed physician, a licensed physician assistant, or a licensed nurse practitioner and who is taking medication for an opioid use disorder or participating in medication-assisted treatment at the time of admission (deletes pursuant to a valid prescription) as verified by the individual's pharmacy of record, primary care provider, other licensed care provider, or a prescription monitoring or information system, shall have the committed person's medication continued and provided by the Department of Corrections pending an evaluation by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner and subject to the treatment provider's medical judgment. Provides that the Department shall ensure that all persons under its care are assessed for substance use disorder not less than once per calendar year. Provides that no person shall be denied medication for opioid use disorder or participation in medication-assisted treatment based on prior success or failure of any medication-assisted treatment program. Provides that if at any time a committed person screens positive as having or being at risk for an opioid use disorder, is diagnosed with an opioid use disorder, or is exhibiting symptoms of withdrawal from an opioid use disorder, and medications for opioid use disorder or medication-assisted treatment is clinically indicated by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner, then the individual may consent to commence medications for opioid use disorder or, if available, medication-assisted treatment, which shall be provided and funded by the Department with the use of any opioid settlement funds allocated to the Department. Provides that the committed person shall be authorized to receive the medication immediately and for as long as clinically indicated.

Provides that a law enforcement agency may not establish or maintain a policy that requires the observance of a waiting period before accepting a missing person report. Provides that biological samples shall be submitted to a Combined DNA Index System (CODIS) accredited laboratory (rather than a National Missing and Unidentified Persons System (NamUs) partner laboratory). Removes language concerning uploading DNA profiles to the National DNA Index System (NDIS). Provides that a responding local law enforcement agency shall attempt to collect and submit any DNA samples (rather than may submit any DNA samples) voluntarily obtained from family members to an accredited Combined DNA Index System (CODIS) laboratory for DNA analysis within 90 days from the date of the police report (rather than to a National Missing and Unidentified Persons System (NamUs) partner laboratory within 60 days from the date of the police report). Provides that, if an anthropological analysis report determines remains to be historic or prehistoric, then no NCIC entry is required. Amends the Illinois Insurance Code. In provisions regarding the notice of intention not to renew a policy of insurance, provides that no company may impose renewal premium increases of more than 10% for policies of fire and extended coverage insurance that are subject to certain cancellation requirements, unless the company mails or delivers by electronic means to the named insured notice of the increase in renewal premium at least 60 days before the policy renewal or anniversary date. Creates the Rates for Fire and Extended Coverage Insurance Article. Contains provisions concerning the purpose and applicability of the Article. Prohibits rates from being excessive, inadequate, or unfairly discriminatory, as specified. Sets forth provisions concerning determinations and notice from the Department of Insurance and hearings on the notice. Provides that credible State-specific loss experience shall be used in the development of rates whenever that data is available and statistically reliable. Authorizes insurers, in order to meet actuarial standards of credibility, to supplement State-specific loss experience with countrywide, regional, or out-of-state loss experience. 225 ILCS 25/4

225 ILCS 25/17.2

Amends the Illinois Dental Practice Act. In provisions concerning teledentistry, provides that an initial examination for new patients, excluding patients seeking orthodontic treatment, may be conducted through teledentistry if the authorizing dentist establishes a bona fide dentist-patient relationship by reviewing the patient's medical and dental history and verifying both the patient's identity and physical location to ensure that dental care is being administered within the State. Provides that an initial examination for orthodontia treatment shall be performed in person only. Requires an in-person clinical examination to be performed immediately before providing or authorizing services or treatments to patients that are not reversible. Provides that, for ongoing dentist-patient relationships, dentists shall strongly encourage patients to be seen in person at least annually. Makes other changes.

Senate Committee Amendment No. 1

Deletes reference to:

225 ILCS 25/18

Replaces everything after the enacting clause. Amends the Illinois Dental Practice Act. Makes changes concerning the definition of "patient of record", both for the Act and for the provisions concerning teledentistry. Defines "synchronous". Specifies that a dentist may delegate dental services using teledentistry to an Illinois-licensed dental hygienist. Provides that a dental hygienist may perform oral prophylaxis procedures; may apply fluoride treatments, but not any product used for the remineralization of teeth, including, but not limited to, silver diamine fluoride; and may process x-rays, as ordered by the supervising dentist, on a patient of record if an Illinois-licensed dentist has examined, diagnosed, and authorized such procedures using synchronous systems. Provides that a person is limited to 2 oral prophylaxis procedures performed by a licensed dental hygienist using teledentistry until an in-person examination by a licensed dentist has been completed. Provides that local anesthetics and nitrous oxide may not be used during an oral prophylaxis procedure in a teledentistry service by a dental hygienist. Sets forth requirements for the informed consent form. Provides that an initial screening may only be provided using teledentistry by an Illinois-licensed dentist to assess suitability of the patient for treatment at a dental facility or for certain conditions that present immediate harm or discomfort to the patient for which treatment cannot be postponed. Provides that a provider of dental services rendering care or providing a screening through teledentistry (instead of rendering emergent care or conducting an initial consultation through teledentistry) must direct the patient to receive appropriate in-person care after the provision of teledentistry services. Provides that an initial examination may be provided using teledentistry but shall only be conducted for the purpose of providing a consultation for specific services or for treating or assessing acute pain, infection, injury, or any intraoral or perioral condition that presents immediate harm or discomfort that cannot be postponed. Provides that an initial examination for new patients, excluding patients seeking orthodontic, sleep apnea, or snoring treatment or the functional and cosmetic replacement or treatment of teeth, may be conducted through teledentistry. Provides that an initial examination for orthodontia, sleep apnea, or snoring treatment or the functional and cosmetic replacement or treatment of teeth shall be performed in person only. Provides that in-person clinical examination shall be performed immediately before providing or authorizing services or treatments to patients that are not reversible or that otherwise result in an increased risk to the patient. Provides that, for ongoing dentist-patient relationships, dentists shall direct patients to be seen in person at least annually. Provides that nothing in the provisions shall be construed to expand the scope of practice for dental hygienists or establish independent hygiene practice. Makes other changes.

SB 03524 (Continued)

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

Senate Floor Amendment No. 1

Provides that a child support order entered must include a provision requiring both parents to exchange income information annually, and either parent must report to the other parent and to the clerk of court within 10 days each time either parent obtains new employment and each time either parent's employment is terminated for any reason. Provides that the information exchanged or reported must be in writing and verify the parent's net income. Provides that in the case of new employment, the information must include the name and address of the new employer. Adds a January 1, 2027 effective date.

Senate Floor Amendment No. 2

Corrects a technical error. Adds a January 1, 2027 effective date.

Amends the Code of Civil Procedure. Provides a process for an operator of a hotel to evict an occupant of the hotel who fails to pay the full amount of lodging when due and remains on the premises without the consent of the operator. Provides that nothing in the Act may be construed to affect the rights or remedies of an occupant who is a tenant under a bona fide lease agreement governed by Illinois landlord-tenant law. Provides that an operator or employee of an operator who is acting in good faith and in substantial compliance with the Act to be civilly or criminally liable for requesting law-enforcement assistance or for the peaceful removal of a non-paying occupant. Provides that the Act does not apply to any occupant placed in a hotel under a government-funded emergency, disaster-relief, or transitional housing program if: (1) the cost of lodging is paid for, directly or indirectly, by a federal, State, or local agency; and (2) the lodging agreement or agency contract expressly specifies the occupant's temporary stay and removal procedures. Authorizes a peace officer to remove a non-paying occupant as a trespasser upon verification of the operator's documentation under the Act and arrest the person for criminal trespass to real property under the Criminal Code of 2012. Provides that nothing in the Act requires law enforcement to intervene in a bona fide lease dispute or a matter in which the occupant's payment status is genuinely contested. Authorizes the Illinois Law Enforcement Training and Standards Board to adopt model policies and training materials for law-enforcement agencies and operators regarding the application of the Act.

New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

Deletes reference to:

Deletes reference to:

105 ILCS 5/10-20.9a rep.

Adds reference to:

105 ILCS 5/10-20.9a

from Ch. 122, par. 10-20.9a

In the provisions amending the Illinois Grant Funds Recovery Act, removes a reference to grants in excess of \$25,000. In the provisions amending the School Code, restores current law regarding State goals and assessments and special education transition services. Requires the School Code Mandate Reduction Council to meet no less than 4 times between October 1, 2025 and September 1, 2026 (rather than between July 1, 2025 and December 1, 2025). With respect to online safety and media literacy, requires the State Board of Education, subject to appropriation, to prepare and make available multidisciplinary instructional resources and professional learning opportunities for educators (rather than requiring the State Board, by July 1, 2026, to create online safety education curriculum resource materials for all public schools); makes related changes. In a provision regarding general permissive education, changes references from "school", "eligible entity", and "entity" to "school or school board". Further amends the School Code to change (rather than repeal) a Section regarding final grades and promotion. Removes language from that Section providing that no public high school of a school district shall withhold a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account and that at the end of each school year, the school district shall catalogue and report to the State Board the total amount that remains unpaid by students due to the prohibition.

Makes conforming typographical changes.

from Ch. 116, par. 206

Replaces everything after the enacting clause. Deletes changes to the Law Enforcement Officer-Worn Body Camera Act and the Criminal Code of 2012. Amends the Freedom of Information Act. Provides that a public body may charge fees reflecting its actual costs up to \$40 for each hour spent by personnel in searching for and retrieving a requested recording or examining the record for or applying necessary redactions on requests for recordings that are made pursuant to the Law Enforcement Officer-Worn Body Camera Act, unless the request is made by: (1) a court order; (2) the subject of the encounter or the subject's legal representative; (3) a witness to the encounter or the witness's representative, if the encounter resulted in the recording being flagged; (4) a representative of the news media, as defined in the Act; or (5) a nonprofit, scientific, or academic organization when the principal purpose of the request is (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education. Provides that a public body shall respond to requests for recordings within 5 business days after the receipt of the request with an estimated time that will be required for the public body to provide the recordings requested and an estimate of the fees to be charged. Further provides that the public body shall have an additional 5 business days to respond to a request once payment of the estimated fee is made, as well as any extensions allowed under any other applicable provisions of the Act. Specifies that if the requester fails to pay the required estimated fees within 30 days after the public body requests payment of the estimated fee, then the public body may deny the request. Requires a public body that imposes a fee under the provisions of the amendatory Act must provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records and must apply a new balance or refund based on the actual cost versus the paid estimate. Authorizes a waiver of fees under the amendatory Act if the requester can demonstrate that the purpose of the request is to access and disseminate information in order to further the interest of the health, safety, and welfare or the legal rights of the community.

SB 01950 (Continued)

Replaces everything after the enacting clause. Creates the End-of-Life Options for Terminally Ill Patients Act. Provides that the Act may be referred to as Deb's Law. Makes findings. Defines terms. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; and other matters. Provides that the Department of Public Health and the Department of Veterans Affairs may adopt rules for the implementation and administration of the Act. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Amends the Illinois Power Agency Act. In provisions concerning the renewable portfolio standard for the Planning and Procurement Bureau, provides that, to ensure the successful development of new renewable energy projects supported through competitive procurements, for certain procurements, the Agency shall propose a process for post-award renegotiation of contract terms through its long-term renewable resources plan. Provides that such proposal shall allow for bilateral negotiation between the Agency and a winning bidder regarding contract terms, other than strike price and terms that impact strike price, that are not required under the Act. Provides that post-award renegotiation of competitively bid renewable energy credit prices shall be allowed only in cases where it is necessary to ensure the successful development of the underlying new renewable energy project based on circumstances that were unforeseeable at the time of the procurement event. Provides that, if, following the processes in the long-term renewable resources plan, the Agency and the winning bidder reach an agreement on amended terms or the winning bidder is entitled to a change in price, then, upon petition by the winning bidder or current seller, the Commission shall issue an order directing the utility counterparty to execute a form amendment drafted by the Agency with the revised terms or the new strike price. Provides that the Agency shall provide the amendment to the utility within 15 business days after the Commission's order and the utility buyer shall execute the amendment no more than 7 calendar days after delivery by the Agency. Provides that the Agency shall develop the form amendment following comments by interested parties. Effective immediately.

Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. 750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963 and the Illinois Domestic Violence Act of 1986. In the definition of "harassment" Provides that, unless the presumption is rebutted by a preponderance of the evidence, the following types of conduct shall be presumed to cause emotional distress: (1) contacting the petitioner directly or indirectly through any means including but not limited to telephonic, electronic, or online; (2) repeatedly following the petitioner, including, but not limited to, directly or indirectly through third parties, or by using electronic tracking or monitoring, or acquiring information, to determine the petitioner's location, movement, or travel patterns without the petitioner's knowledge or consent; (3) repeatedly surveilling the petitioner or tracking petitioner's location directly or indirectly including but not limited to by remaining present at or outside the petitioner's home, school, place of employment, vehicle, or other place occupied by petitioner, by peering in petitioner's windows, by using electronic tracking or monitoring, or by acquiring information to determine the petitioner's location, movement, or travel patterns without the petitioner's knowledge and consent; (4) non-consensual dissemination or threatening the dissemination of electronically generated or digitally altered content using the image, voice, or other characteristic of the petitioner to falsely impersonate the petitioner or the petitioner's representative; (5) non-consensual dissemination or threatening the non-consensual dissemination of private sexual images and digitally altered sexual images as defined in the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act; and (6) engaging in doxing as defined in the Civil Liability for Doxing Act. Provides that the petitioner shall not be denied a protective order solely upon the basis that the respondent or petitioner is incarcerated in a penal institution at the time of the issuance of the order. Provides that the court may issue a domestic violence order of protection to prohibit and cease and desist from these types of harassment. Makes other changes.

Senate Floor Amendment No. 2

In the amendatory changes to the Protective Orders Article of the Code of Criminal Procedure of 1963 and the Illinois Domestic Violence Act of 1986 concerning the definition of "harassment", includes in the definition non-consensual dissemination or threatening the dissemination of electronically generated or digitally altered content using the image, voice, or other characteristic of the petitioner to falsely and deceptively (rather than just falsely) impersonate the petitioner or the petitioner's representative.

House Committee Amendment No. 1

Provides that the court's procedure for a remote hearing, if the petitioner for a protective order requests a remote hearing, shall be in accordance with Illinois Supreme Court Rule 45 (Remote Appearances in Circuit Court Proceedings).

House Floor Amendment No. 3

In the amendatory changes to the Protective Orders Article of the Code of Criminal Procedure of 1963 and the Illinois Domestic Violence Act of 1986, makes numerous changes to the definition of "harassment" as it appeared in the engrossed bill. Defines "electronic". Deletes language, which was added in the engrossed bill, authorizing a court to order a respondent to stop the use and dissemination of certain materials, stop the use of electronic tracking or monitoring, and produce evidence of compliance.

Creates the Kidney Disease Treatment Delegation Act. Provides that, notwithstanding any provision of the Nurse Practice Act or any rule of the Department of Financial and Professional Regulation to the contrary, delegation, including, but not limited to, delegation of the performance of central venous catheter procedures in a kidney disease treatment center, shall only be allowed if the individual receiving delegation is a licensed practical nurse who has obtained the proper training, education, and experience or a certified dialysis technician who currently holds, or is in the process of acquiring, the necessary experience to apply for and obtain certification as a certified clinical hemodialysis technician by the Nephrology Nursing Certification Commission or a Certified Hemodialysis Technologist/Technician by the Board of Nephrology Examiners Nursing and Technology. Sets forth additional provisions concerning delegation of duties in a kidney disease treatment center. Amends the Construction Site Temporary Restroom Facility Act. Changes the Act's short title to the Construction Site Temporary Restroom Facility and Sanitary Conditions for Menstruation and Lactation Act. Repeals a provision which specifies that separate toileting facilities are not required for males and females if individual portable toilet facilities are used by an owner of a portable building or building under construction to provide access to a restroom. Provides that, if a woman or an individual who menstruates is present on a work site and there are 10 or more workers of any gender at the work site, then a separate toilet facility shall be provided at the work site and designated for use by women and individuals who menstruate. Requires employers in the construction industry to provide their workers who menstruate and are performing construction activities on a work site with minimum sanitary conditions. Describes the required minimum sanitary conditions. Requires employers in the construction industry, upon request, to provide their workers who are lactating and performing construction activities on a work site with reasonable accommodations needed to express breast milk. Describes reasonable accommodations for lactation. Provides that, on or before January 1, 2027, the Department of Public Health shall provide guidance to employers on the accommodations to be provided. Authorizes employees of construction sites to call the certified local public health agency with jurisdiction over a construction site to request an inspection if noncompliance with the Act is suspected. Prohibits retaliation by employers if a call is made by an employee on a construction site for suspected noncompliance with the Act. Provides that any owner who fails or refuses to comply with the provisions of the Act commits a petty offense and is subject to a fine to be determined by the certified local public health agency (rather than only being subject to a petty offense). Defines "employer". Effective immediately.

Senate Floor Amendment No. 1

Adds reference to:

410 ILCS 37/6 new

Adds reference to:

410 ILCS 37/25 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds definitions of the terms "construction industry", "employee", and "employer". Makes changes in provisions that establish sanitary safety standards for construction workers who menstruate, express milk, or both. Adds provisions that make it unlawful for an employer to take retaliatory actions or to use a request for an accommodation under the Act as the basis for an adverse employment action. Makes changes in provisions concerning penalties. Specifies that an employer that in good faith provides menstrual products in sealed packaging for employee use as required under the Act shall not be liable in any civil action for injuries resulting from the use of the product, except for willful or wanton conduct by the employer. Provides that the amendatory Act takes effect January 1, 2027 (rather than immediately).

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Defines "menstrual hygiene products". Changes requirements for compliance with certain provisions in the Act from compliance within 6 months after the Department of Public Health adopts rules to compliance within 6 months after the effective date of the amendatory Act. Deletes a requirement for inclusive language. Replaces references to "reasonable accommodations" with references to "lactation accommodations". Provides that compliance with minimum lactation accommodations does not relieve employers from compliance with the Nursing Mothers in the Workplace Act or the Illinois Human Rights Act. Adds a factor for consideration to a definition of "undue hardship". Provides that, on or before January 1, 2027, the Department of Public Health, in consultation with the Department of Human Rights, shall provide guidance to employers via a website or other means concerning lactation accommodations (rather than shall adopt rules concerning reasonable accommodations, including what constitutes an undue hardship on an employer that would prevent accommodation, with consideration of any impact on small businesses). Makes technical and other changes.

SB 03524 (Continued)

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

Senate Floor Amendment No. 1

Provides that a child support order entered must include a provision requiring both parents to exchange income information annually, and either parent must report to the other parent and to the clerk of court within 10 days each time either parent obtains new employment and each time either parent's employment is terminated for any reason. Provides that the information exchanged or reported must be in writing and verify the parent's net income. Provides that in the case of new employment, the information must include the name and address of the new employer. Adds a January 1, 2027 effective date.

Senate Floor Amendment No. 2

Corrects a technical error. Adds a January 1, 2027 effective date.

SB 03823 (Continued)

Amends the Illinois Insurance Code. Provides that no company may impose renewal premium increases of more than 10% for specified lines of business unless the company mails or delivers by electronic means to the named insured and by electronic means to the Department of Insurance notice of the increase in renewal premium at least 60 days prior to the renewal or anniversary date. Provides that the rates and premium charges for every policy of automobile liability insurance shall include appropriate reductions as determined by the insurer for any insured over age 55 upon successful completion of the National Safety Council's Defensive Driving Course or a motor vehicle crash prevention course, including an eLearning course, that is found by the Secretary of State to meet or exceed the standards of the National Safety Council's Defensive Driving Course's 4-hour (rather than 8-hour) classroom safety instruction program or eLearning course. Creates the Rates for Automobile Insurance Article. Provides that rates shall not be excessive, inadequate, or unfairly discriminatory. Provides that a rate is reasonable and not excessive, inadequate, or unfairly discriminatory if it is an actuarially sound estimate of the expected value of all future costs associated with an individual risk transfer. Prohibits insurance providers from using an insured's zip code; credit score, credit-based insurance score, or any insurance score that uses or relies upon an insured's credit score; or age, if the insured is over 65 years of age, in any manner that increases an insured's premium, results in a nonrenewal of an insurance policy, or leads to the cancellation of an insurance policy. Requires credible State-specific loss experience to be used in the development of rates whenever such data is available and statistically reliable, and, to meet actuarial standards of credibility, insurers may supplement State-specific loss experience with countrywide or regional loss experience. Makes other changes. Effective January 1, 2027.

SB 00009 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)
SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)
SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)
The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)
Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

SB 02748 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

House Committee Amendment No. 1

Provides that the court's procedure for a remote hearing, if the petitioner for a protective order requests a remote hearing, shall be in accordance with Illinois Supreme Court Rule 45 (Remote Appearances in Circuit Court Proceedings).

House Floor Amendment No. 3

In the amendatory changes to the Protective Orders Article of the Code of Criminal Procedure of 1963 and the Illinois Domestic Violence Act of 1986, makes numerous changes to the definition of "harassment" as it appeared in the engrossed bill. Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

Senator Adriane Johnson

SB 03465 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds definitions of the terms "construction industry", "employee", and "employer". Makes changes in provisions that establish sanitary safety standards for construction workers who menstruate, express milk, or both. Adds provisions that make it unlawful for an employer to take retaliatory actions or to use a request for an accommodation under the Act as the basis for an adverse employment action. Makes changes in provisions concerning penalties. Specifies that an employer that in good faith provides menstrual products in sealed packaging for employee use as required under the Act shall not be liable in any civil action for injuries resulting from the use of the product, except for willful or wanton conduct by the employer. Provides that the amendatory Act takes effect January 1, 2027 (rather than immediately).

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Defines "menstrual hygiene products". Changes requirements for compliance with certain provisions in the Act from compliance within 6 months after the Department of Public Health adopts rules to compliance within 6 months after the effective date of the amendatory Act. Deletes a requirement for inclusive language. Replaces references to "reasonable accommodations" with references to "lactation accommodations". Provides that compliance with minimum lactation accommodations does not relieve employers from compliance with the Nursing Mothers in the Workplace Act or the Illinois Human Rights Act. Adds a factor for consideration to a definition of "undue hardship". Provides that, on or before January 1, 2027, the Department of Public Health, in consultation with the Department of Human Rights, shall provide guidance to employers via a website or other means concerning lactation accommodations (rather than shall adopt rules concerning reasonable accommodations, including what constitutes an undue hardship on an employer that would prevent accommodation, with consideration of any impact on small businesses). Makes technical and other changes.

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. New Act

Creates the Electric Transmission Facilities Siting Act. Defines terms. Requires that, in the siting of new electric transmission facilities, available corridors be used in the following order of priority: (1) existing public utility corridors; (2) highway corridors; and (3) new corridors. Provides that a public utility or developer may construct, place, or maintain a high-voltage electric service line on a public right-of-way or along a highway if (i) the public utility or developer submits a colocation request for the high-voltage electric service line to the Secretary of Transportation and (ii) the Secretary reviews and approves the colocation request. Provides that the Secretary may deny a colocation request if the Secretary determines that the construction, placement, or maintenance of a high-voltage electric service line on a public right-of-way or along a highway would endanger public safety or would interfere with the proper function of the highway. Provides that a public utility or developer may submit a written request to the Department of Transportation for an evaluation of certain corridors for possible locations for a high-voltage electric service line. Provides that, within 30 days after receipt of a written request, the Secretary shall assign a project coordinator to the request. Provides that a project coordinator, upon assignment to a request, shall begin the evaluation in coordination with the applicable public utility or developer. Requires a public utility or developer to develop a constructability report in consultation with the Department and requires the public utility or developer and the Department to follow the terms and conditions of the constructability report during the planning and approval process for the siting of a high-voltage electric service line. Sets forth requirements for the content of the constructability report. Provides that, if the Department requires that a high-voltage electric service line on a public right-of-way be relocated by a specific date, the Department shall give the applicable public utility or developer notice of the required relocation no less than 10 years before the date of the required relocation. Makes other changes. Effective immediately.

Requires the Department to publish and maintain on its public-facing website a current list of covered entities and provide for public access to the disclosure form submitted by each covered entity; adopt rules implementing the Department's duties; and develop and administer to the public an education and awareness program regarding how denial of care may negatively impact health care access and quality, may be avoided, and affects vulnerable people and communities. Amends the Juvenile Court Act of 1987. Provides that a minor found to be guilty may be committed to the Department of Juvenile Justice if the minor is at least 14 (rather than 13) years and under 20 years of age, provided that the commitment to the Department of Juvenile Justice shall be made only if the minor was found guilty of a felony offense or first degree murder. Provides that when a minor of the age of at least 14 (rather than 13) years is adjudged delinquent for the offense of first degree murder, the court shall declare the minor a ward of the court and order the minor committed to the Department of Juvenile Justice until the minor's 21st birthday, without the possibility of aftercare release, furlough, or nonemergency authorized absence for a period of 5 years from the date the minor was committed to the Department of Juvenile Justice. Amends the Juvenile Court Act of 1987. Provides that on or after July 1, 2026 and before July 1, 2027, any minor 12 years of age or older arrested pursuant to the Act if there is probable cause to believe that the minor is a delinquent minor and that secure custody is a matter of immediate and urgent necessity, in light of a serious threat to the physical safety of a person or persons in the community or in order to secure the presence of the minor at the next hearing, as evidenced by a demonstrable record of willful failure to appear at a scheduled court hearing within the past 12 months, may be kept or detained in an authorized detention facility. Provides that on or after July 1, 2027, minors age 12 years of age and under 13 years of age and charged with first degree murder, aggravated criminal sexual assault, aggravated battery in which a firearm was used in the offense, or aggravated vehicular hijacking, may be kept or detained in an authorized detention facility. Provides that no minor under 13 (rather than under 12) years of age shall be detained in a county jail or a municipal lockup for more than 6 hours. Provides that instead of detention, minors under the age of 13 who are in conflict with the law may be held accountable through a petition under the Minors Requiring Authoritative Intervention Article of the Act, or may be held accountable through a community mediation program.

Replaces everything after the enacting clause. Deletes changes to the Law Enforcement Officer-Worn Body Camera Act and the Criminal Code of 2012. Amends the Freedom of Information Act. Provides that a public body may charge fees reflecting its actual costs up to \$40 for each hour spent by personnel in searching for and retrieving a requested recording or examining the record for or applying necessary redactions on requests for recordings that are made pursuant to the Law Enforcement Officer-Worn Body Camera Act, unless the request is made by: (1) a court order; (2) the subject of the encounter or the subject's legal representative; (3) a witness to the encounter or the witness's representative, if the encounter resulted in the recording being flagged; (4) a representative of the news media, as defined in the Act; or (5) a nonprofit, scientific, or academic organization when the principal purpose of the request is (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education. Provides that a public body shall respond to requests for recordings within 5 business days after the receipt of the request with an estimated time that will be required for the public body to provide the recordings requested and an estimate of the fees to be charged. Further provides that the public body shall have an additional 5 business days to respond to a request once payment of the estimated fee is made, as well as any extensions allowed under any other applicable provisions of the Act. Specifies that if the requester fails to pay the required estimated fees within 30 days after the public body requests payment of the estimated fee, then the public body may deny the request. Requires a public body that imposes a fee under the provisions of the amendatory Act must provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records and must apply a new balance or refund based on the actual cost versus the paid estimate. Authorizes a waiver of fees under the amendatory Act if the requester can demonstrate that the purpose of the request is to access and disseminate information in order to further the interest of the health, safety, and welfare or the legal rights of the community.

SB 02427 (Continued)

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that the wireless communication device policy shall incorporate guidance for secure and accessible storage of wireless devices within a school building (instead of wireless devices) during instructional time. Allows a licensed physician, physician assistant, or nurse practitioner (instead of just a licensed physician) to determine that the possession or use of a wireless communication device is necessary for the management of a student's health care (instead of for the health and well-being of a student). Allows a student to use a wireless communication device to fulfill an individualized education program, a federal Section 504 plan, the student's health care provider's medical orders, or another written accommodation plan (instead of just an individualized education program or federal Section 504 plan).

Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. Amends the Community Living Facilities Licensing Act, the MC/DD Act, the ID/DD Community Care Act, the Community-Integrated Living Arrangements Licensure and Certification Act, and the Child Care Act of 1969. Requires the State agencies responsible for licensing facilities under those Acts to adopt, by December 31, 2026, rules requiring a facility to disclose upon initial application for licensure and on a quarterly basis thereafter, whether the facility, its subsidiaries, affiliates, parent companies, or contractual service providers are owned, managed, or contained within a fund owned or managed by an asset management company; and if so, to make certain disclosures about the asset management company's assets, the facility's debt, and other matters. Requires the State agencies to also adopt rules requiring such a facility to provide written notice of transactions and copies of agreements which would (i) sell or otherwise dispose of a material amount of the facility's assets or (ii) transfer control, responsibility, or governance of a material amount of the facility's assets or operations. Prohibits facilities owned or managed by an asset management company from engaging in certain transactions or actions that would result in the facility issuing debt-funded dividends or perform any other similar action causing the facility to become financially distressed. Provides that a violation of these requirements and prohibitions constitutes an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Requires the State agencies to publish disclosures, written notices, and copies of agreements submitted by facilities on the agencies' public websites. Imposes similar requirements and prohibitions on adult day service providers serving individuals with developmental disabilities under the Illinois Act on the Aging and providers of adult developmental training services under the Mental Health and Developmental Disabilities Administrative Act. Amends the School Code. In a provision regarding an optional alternative evaluative dismissal process for teacher evaluations, removes the definition of and references to "student growth components". Makes the following changes in the Evaluation of Certified Employees Article: Removes the definitions of and references to "implementation date", "Race to the Top Grant", and "School Improvement Grant". Provides that, beginning July 1, 2025, each school district may incorporate the use of data and indicators on student growth as a factor in rating teaching performance into its evaluation plan for all teachers in contractual continued service and teachers not in contractual continued service (now, a school district is required to incorporate student growth data and indicators as a significant factor). Makes other changes concerning student growth. Changes the components of an evaluation plan for a teacher's performance. Makes changes concerning a principal's or assistant principal's evaluation. With respect to the types of rules the State Board of Education may adopt, removes the inclusion of rules that (i) define the term "significant" factor" for purposes of including consideration of student growth in performance ratings and (ii) establish a model evaluation plan for use by school districts in which student growth shall comprise 50% of the performance rating. Allows a school district (rather than only a school district with 500,000 or more inhabitants) to use an annual State assessment as a measure of student growth for purposes of teacher or principal evaluations. Removes and changes outdated provisions. Makes other and conforming changes. Effective July 1, 2025.

Senate Floor Amendment No. 1

In the provisions regarding an optional alternative evaluative dismissal process for teacher evaluations, requires the school district, with respect to the hearing, to demonstrate that the "Unsatisfactory" performance evaluation rating that preceded remediation applied the teacher practice components and student growth components, if any (rather than only the teacher practice components). Provides that the evaluation of a principal or an assistant principal, when performed by an individual appointed by the school board, must be performed by an individual who holds a registered and active Professional Educator License with a principal endorsement or general administrative endorsement (rather than only a principal endorsement).

Adds additional factors for the Commission to consider when prioritizing the allocation of funds. Removes language providing that at least 35% of the funds appropriated for awarded scholarships in each fiscal year shall be reserved for qualified male minority applicants, with priority being given to qualified Black male applicants, and if the Commission does not receive enough applications from qualified male minorities, then the Commission may award a portion of the reserved funds to qualified female minority applicants. Requires each recipient of a teacher scholarship to sign and submit a teaching agreement or promissory note to the Commission. Provides that recipients of a teacher scholarship are also required to provide the Commission with evidence of compliance with program requirements. Requires the State Board of Education to furnish all appropriate data referenced within the definition of a qualified student on a timely basis to the Commission. Provides that institutions shall also submit eligibility information for qualified students in sufficient time for the Commission to make award announcements. Provides that the changes made by the amendatory Act shall first apply beginning with awards made for the 2025-2026 academic year. Amends the Transitions in Education Act to make a related change. 405 ILCS 165/35 new

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school year.

Senate Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. Provides that on or before September 1, 2026, the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, shall report its work and make available resource materials, including model procedures (rather than policies) and guidance informed by a phased approach to implementing universal mental health screening in schools. Provides that the model school district procedures (rather than policies) to facilitate the implementation of mental health screenings, shall include specified matters. Provides that mental health screenings shall be offered by school districts to students enrolled in grade 3 (rather than kindergarten) through grade 12, at least once a year, beginning with the 2027-2028 school year. Provides that the requirement to offer mental health screenings shall be in effect only for school years in which the State has successfully procured a screening tool that offers a self-report option for students and is made available to school districts at no cost. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

Amends the Abused and Neglected Child Reporting Act. Sets forth certain protections that must be provided to the parent or guardian of a child at the center of an abuse or neglect investigation whenever the Department of Children and Family Services refers a child to a medical professional. Defines "medical professional". Requires the medical professional to explain to the parent or guardian of the child, whenever the medical professional has direct contact with the child or the family of the child, that the medical professional is involved for the purpose of providing an opinion to the Department regarding whether the child's injury or condition is suspicious for child maltreatment. Requires the Department to inform the parent or guardian of his or her right to: (i) request and receive a copy of the medical professional's opinion; (ii) obtain, at his or her own expense, and submit to the Department a second medical opinion for consideration in the investigation; (iii) that any second medical opinion submitted to the Department prior to the Department rendering a final determination in the investigation will be considered as inculpatory or exculpatory evidence; and (iv) of the Department's time frames for the investigative process. Contains provisions concerning annual reports on the number of investigations in which a medical professional has provided a written opinion to the Department. Sets forth the data that must be included in the Department's reports.

105 ILCS 5/10-22.34c

Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a one-time contract (rather than a contract), of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act prior to entering into such a contract (rather than not specifying a time period). Defines "emergency situation". Provides that a board of education that attempts to enter into a contract with a third party for non-instructional services, as specified, more than once during a school year is required to receive the mutual agreement of the affected collective bargaining unit or units. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a contract, of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that (i) the school board meets all of its obligations under the Illinois Educational Labor Relations Act and (ii) the board of education posts all vacant positions used for augmenting the current workforce on the school district's website, in a manner that is easily accessible to the affected bargaining unit and the general public, as well as on all other platforms on which the board of education advertises its vacancies (rather than just provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act); defines "emergency situation". Provides that the board of education must post all vacant positions in the manner described in the amendatory provisions for the entirety of an emergency contract and the entirety of any reviewed emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 2 times must follow specified steps or obtain mutual agreement with the affected bargaining unit, if any. The mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Effective July 1, 2026.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Changes the definition of "emergency situation" to mean a sudden and unforeseen event or change in circumstances that would result in a near-term interruption of non-instructional services that calls for immediate action. Provides that the board of education must post all vacant positions for the entirety of any renewed (rather than reviewed) emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 2 times must follow certain steps or obtain mutual agreement with the affected bargaining unit. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Removes language that provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides instead that the mutual agreement may not be used by the affected bargaining unit as a means to compel the board of education to reopen the existing collective bargaining agreement. Requires the mutual agreement to include the development of a recruitment and retention plan. Effective July 1, 2026.

Amends the Educator Licensure Article of the School Code. Adds 5 administrative or faculty members of community colleges to the State Educator Preparation and Licensure Board. For a Professional Educator License: provides that the requirements to successfully complete specified coursework are only required until July 1, 2027 or the date that the revised test for a particular content area is implemented, whichever is later; and exempts persons seeking a school support personnel or chief school business official endorsement from the requirement that a person must successfully complete specified coursework. Requires, by July 1, 2027, the State Superintendent of Education to begin incorporating specified topics into revised examinations for individuals seeking a Professional Educator License endorsed in teaching or administration, excluding a chief school business official endorsement. Exempts, for educator licenses, applicants seeking a school support personnel endorsement who hold an active and valid professional license in the same subject matter as the endorsement sought from being required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. Creates the Teacher Performance Assessment Advisory Committee to aid in operationalizing and creating a pilot, State-developed, teacher performance assessment. Establishes the Paraprofessional to Teacher Pathway Program to provide an expedited pathway for paraprofessionals to earn a Professional Educator License in a specific content area. Sets forth the Program criteria, the requirements for individuals for entry into the Program, and the adoption of rules by the State Board of Education. Provides that an institution of higher education approved to offer educator preparation programs may enter into a partnership agreement with a community college to offer an approved educator preparation program leading to educator licensure for individuals who already hold a bachelor's degree. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning educator testing, removes the requirement that no candidate may be allowed to student teach or serve as the teacher of record until he or she has passed the applicable content area test.

Senate Floor Amendment No. 2

Provides that the Educator Preparation and Licensure Board shall have 3 (rather than 5) administrative or faculty members of public community colleges located in the State. Provides that language specifying that certain candidates are not required to pass a teacher performance assessment applies through August 31, 2026 (rather than 2025). Provides that beginning on September 1, 2029 (rather than July 1, 2028), certain candidates are required to pass a teacher performance assessment approved by the State Board of Education; however, any candidate who has successfully completed student teaching or has met one of the student teaching exceptions set forth in rules prior to September 1, 2028 is exempt from this requirement. Provides that any such documentation is confidential. Defines "autism spectrum disorder" and "intellectual disability".

Senate Committee Amendment No. 1

In the definition of "material obstruction of an investigation", defines the term to mean the intentional failure to timely report an allegation to the hotline or the interference (rather than purposeful interference) with an investigation of physical abuse, sexual abuse, mental abuse, neglect, or financial exploitation for the purpose of obstructing an Office of the Inspector General investigation. Provides that any employee who fails to cooperate with an Office of the Inspector General investigation may also result in a finding of material obstruction of an investigation. Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

220 ILCS 5/22-504 new

Amends the Public Utilities Act. Defines "video programming" and "video streaming service". Provides that, on and after July 1, 2027, a video streaming service that serves consumers residing in the State shall not transmit the audio of commercial advertisements louder than the video content the advertisements accompany, consistent with the regulations adopted by the Federal Communications Commission pursuant to the Commercial Advertisement Loudness Mitigation (CALM) Act (Public Law 111-311) for television broadcast stations, cable operators, and other video programming distributors. Provides that the amendatory provisions do not create a private right of action.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Public Utilities Act. Defines "long-form content", "short-form content", "video programming", and "video streaming service". Provides that "normalization" means adjusting the audio of short-form content by measuring and scaling the average loudness of the audio to match the target loudness of the audio of the accompanying long-form content distributed by a video streaming service or third-party advertising manager consistent with established industry standards. Provides that, on and after July 1, 2027, a video streaming service or third-party advertising manager that serves consumers residing in the State shall exercise reasonable care in normalizing the audio of short-form content so that the audio is not transmitted at a louder volume than the audio of the accompanying long-form content, consistent with the regulations adopted by the Federal Communications Commission pursuant to the Commercial Advertisement Loudness Mitigation (CALM) Act (Public Law 111-311) for television broadcast stations, cable operators, and other video programming distributors. Provides that a video streaming service that engages a third-party advertising manager to solely control the loudness of the audio of short-form content on the video streaming service shall not be liable under the amendatory provisions for short-form content distributed by the third-party advertising manager on the video streaming service if the video streaming service enters into a written agreement with the third-party advertising manager that requires the audio of short-form content distributed by the third-party advertising manager to not be louder than the target loudness of the audio of the accompanying long-form content distributed by the video streaming service, consistent with established industry standards. Provides that the amendatory provisions do not create a private right of action and that the Attorney General shall have exclusive authority to enforce the amendatory provisions. Requires the Attorney General to provide a video streaming service or third-party advertising manager written notice of an alleged violation of the amendatory provisions before initiating any action pursuant to the amendatory provisions. Makes other changes.

States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

220 ILCS 5/9-210.5
220 ILCS 5/9-220.2

Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, then the acquisition may continue. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a referendum before the Illinois Commerce Commission can approve an acquisition.
