Deletes reference to:

105 ILCS 5/14-8.03

Deletes reference to:

105 ILCS 5/10-20.9a rep.

Adds reference to:

105 ILCS 5/10-20.9a

from Ch. 122, par. 10-20.9a

In the provisions amending the Illinois Grant Funds Recovery Act, removes a reference to grants in excess of \$25,000. In the provisions amending the School Code, restores current law regarding State goals and assessments and special education transition services. Requires the School Code Mandate Reduction Council to meet no less than 4 times between October 1, 2025 and September 1, 2026 (rather than between July 1, 2025 and December 1, 2025). With respect to online safety and media literacy, requires the State Board of Education, subject to appropriation, to prepare and make available multidisciplinary instructional resources and professional learning opportunities for educators (rather than requiring the State Board, by July 1, 2026, to create online safety education curriculum resource materials for all public schools); makes related changes. In a provision regarding general permissive education, changes references from "school", "eligible entity", and "entity" to "school or school board". Further amends the School Code to change (rather than repeal) a Section regarding final grades and promotion. Removes language from that Section providing that no public high school of a school district shall withhold a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account and that at the end of each school year, the school district shall catalogue and report to the State Board the total amount that remains unpaid by students due to the prohibition.

Senate Floor Amendment No. 3

Provides that a school board may not discriminate against, punish, or penalize a student in any way because of an unpaid balance on the student's school account. Includes age and developmentally appropriate consent education (rather than consent education) as part of the comprehensive health education program; makes related changes.

House Committee Amendment No. 1

In the School Code, adds additional members to the School Code Mandate Reduction Council. Provides that, on and after January 1, 2027, the members of the Council shall be reduced by 4 members.

House Floor Amendment No. 2

In provisions concerning the School Code Mandate Reduction Council, removes language requiring one member of the Council to be a representative of a professional teachers' organization representing teachers in a school district with over 500,000 inhabitants and one member of the Council to be a representative of a school district with over 500,000 inhabitants. Makes conforming typographical changes.

Sen. Meg Loughran Cappel

105 ILCS 5/10-20.33

Amends the School Code. Expands the definitions of "isolated time out" or "time out", "physical restraint" or "restraint", and "time out". Removes exceptions to the prohibition of prone restraint. Removes language providing that the parents or guardian of a student and the State Superintendent of Education shall be informed whenever isolated time out, time out, or physical restraint is used. Establishes complaint procedures to replace the complaint procedures set forth in the State Board of Education's rules. Provides that staff members responsible for implementing isolated time out, time out, or physical restraint must be trained in accordance with the system of non-violent intervention adopted by the school district and must be trained at least once every 2 years in a session that is not less than 6 hours. Requires the State Board to convene a group of stakeholders to annually review: (1) data associated with the use of physical restraint, time out, and isolated time out, and efforts made by public entities to reduce these practices; (2) strategies to reduce physical restraint, time out, and isolated time out; (3) decisions made by the State Board related to physical restraint, time out, and isolated time out; (4) student behavior and behavioral interventions that can be use as an alternative to physical restraint, time out, and isolated time out; and (5) professional development needed for public entities in behavioral interventions to ensure the proper use of physical restraint, time out, and isolated time out. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the phrase "improper use". In the definition of "isolated time out" or "time out", provides that in no instance may school personnel use mechanical, chemical, prone, or any other prohibited method of restraint. Makes other changes to definitions. Provides that in any instance of use of isolated time out, time out, or physical restraint, school district employees shall consider whether the student has an individualized education program or federal Section 504 plan that includes a behavior intervention plan and whether the use of isolated time out, time out, or physical restraint implicates that plan. Prohibits the use of a locked room or a room in which the door is obstructed, prohibiting it from opening, for isolated time out or time out unless the staff member supervising the room determines (rather than determines in the staff member's own best judgment) that the egress must be blocked for no more than 15 minutes (rather than a short period of time) in order to prevent the student from harming the student, the staff member, or another student (rather than to maintain safety of students and staff). Provides that the complaint procedure shall allow any organization or advocate to file a sworn, written complaint with the State Board of Education alleging concerns that a school district or other entity serving students has violated the time out, isolated time out, and restraint provisions, and includes information the complaint shall contain. Removes language requiring the State Board to annually convene a group of stakeholders regarding time out, isolated time out, and restraint. Corrects grammatical and terminology errors.

105 ILCS 5/21B-30

Amends the Educator License Article of the School Code. Provides that if an assessment is determined to be non-uniform, a provisional in-state educator endorsement on an Educator License with Stipulations may be issued to a candidate who has completed an Illinois-approved educator preparation program at an Illinois institution of higher education and who has not successfully completed an applicable content area test but who meets certain requirements, which is valid for one full fiscal year after the date of issuance and may not be renewed. Provides that the process by which the State Board of Education evaluates content area tests to determine content validity, absence of bias, or scores required to pass shall be public information and is available on the website of the State Board. Requires the State Board to evaluate each content area test after it has been administered for at least 10 months, but not more than 12 months, and shall determine whether a content test is non-uniform. Provides that an assessment first introduced prior to January 1, 2017 shall be considered uniform, and an assessment introduced on or after January 1, 2017 that does not meet specified criteria shall be considered uniform. Provides that if the State Board finds that the content area test forms available as of January 1, 2025 are not uniform in the level of difficulty as compared to previous forms of those exams, any candidate for licensure who attempted any content area test in the form that was available as of January 1, 2025, and whose best scores in each subsection of the same content area exam, taken across multiple attempts on the same form of the exam, equal or exceed the passing score for that content area exam as of January 1, 2025, shall be determined to have passed that content area exam.

Senate Democrat Sponsor Synopsis Report

Senator Meg Loughran Cappel**SB 01947 (Continued)**

Amends the Educator Licensure Article of the School Code. Adds 5 administrative or faculty members of community colleges to the State Educator Preparation and Licensure Board. For a Professional Educator License: provides that the requirements to successfully complete specified coursework are only required until July 1, 2027 or the date that the revised test for a particular content area is implemented, whichever is later; and exempts persons seeking a school support personnel or chief school business official endorsement from the requirement that a person must successfully complete specified coursework. Requires, by July 1, 2027, the State Superintendent of Education to begin incorporating specified topics into revised examinations for individuals seeking a Professional Educator License endorsed in teaching or administration, excluding a chief school business official endorsement. Exempts, for educator licenses, applicants seeking a school support personnel endorsement who hold an active and valid professional license in the same subject matter as the endorsement sought from being required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. Creates the Teacher Performance Assessment Advisory Committee to aid in operationalizing and creating a pilot, State-developed, teacher performance assessment. Establishes the Paraprofessional to Teacher Pathway Program to provide an expedited pathway for paraprofessionals to earn a Professional Educator License in a specific content area. Sets forth the Program criteria, the requirements for individuals for entry into the Program, and the adoption of rules by the State Board of Education. Provides that an institution of higher education approved to offer educator preparation programs may enter into a partnership agreement with a community college to offer an approved educator preparation program leading to educator licensure for individuals who already hold a bachelor's degree. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning educator testing, removes the requirement that no candidate may be allowed to student teach or serve as the teacher of record until he or she has passed the applicable content area test.

Senate Floor Amendment No. 2

Provides that the Educator Preparation and Licensure Board shall have 3 (rather than 5) administrative or faculty members of public community colleges located in the State. Provides that language specifying that certain candidates are not required to pass a teacher performance assessment applies through August 31, 2026 (rather than 2025). Provides that beginning on September 1, 2029 (rather than July 1, 2028), certain candidates are required to pass a teacher performance assessment approved by the State Board of Education; however, any candidate who has successfully completed student teaching or has met one of the student teaching exceptions set forth in rules prior to September 1, 2028 is exempt from this requirement. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In the provisions regarding educator testing, provides that, beginning on September 1, 2026 through August 31, 2029, all institutions of higher education offering educator preparation programs in the State shall participate in a pilot program for the teacher performance assessment developed by the State Board of Education, and provides for rulemaking.

Amends the Employment of Teachers Article of the School Code. In a provision requiring a school board, before setting a hearing on charges stemming from causes that are considered remediable, to give a teacher reasonable warning, in writing, stating specifically the causes that, if not removed, may result in charges, allows a teacher to grieve the issuance of such warning pursuant to the applicable collective bargaining agreement to determine whether the board had just cause in issuing the warning. Requires the written warning to narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that under no circumstances may the written warning remain effective for longer than 4 years from the date of the issuance of the written warning. Requires the school district to use reasonable efforts to remove the written warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed to through the exclusive bargaining representative, with an exception. Provides that if the teacher is in disagreement with the final action of the board, the teacher may take the written warning to binding arbitration. Provides that the arbitrator shall have the power to render a decision on the written warning, which shall be final and binding on both parties. Provides that each party shall pay one-half of the cost of the arbitration proceedings and each party is entitled to representation of the party's choosing at all stages in this process. Amends the Illinois Vehicle Code. Changes the definition of "automated license plate reader" or "ALPR" to mean a camera or system of cameras using computer algorithms to convert images of license plates into automated computer-recognized searchable alphanumeric data (rather than an electronic device) that is mounted on a law enforcement vehicle or positioned in a stationary location and that is capable of recording data on or taking a photograph of a vehicle or its license plate and comparing the collected data and photographs to existing law enforcement databases for investigative purposes. Allows a law enforcement agency to retain ALPR system detection records for 5 years after the date of the creation of the records. Requires the detection records to be archived 90 days after the creation of the records unless the information is relevant to an ongoing investigation or pending criminal trial. Provides that any detection records that are older than 90 days shall only be accessed with the written approval of the law enforcement agency head. Prohibits all detection records archived after 90 days from being searchable by out-of-state agencies. Requires all detection records to be destroyed 5 years after the records were created unless the information is relevant to an ongoing investigation or pending criminal trial. Requires the Illinois State Police to retain ALPR detection records for a period that is consistent with the provisions of the Expressway Camera Act and the State Records Act.

Replaces everything after the enacting clause. Amends the Crime Victims Compensation Act. Requires the Attorney General to, with the consent of an applicant, request and obtain supporting documentation required to verify a claim for compensation. Includes provisions regarding supporting documentation for applications and claims. Provides that to receive compensation under the Act, the appropriate law enforcement officials were notified within 180 days (rather than 72 hours or 7 days for specified offenses) of the perpetration of the crime allegedly causing the death or injury to the victim. Allows a mental health provider to seek reimbursement for an evaluation if the mental health provider is not currently providing treatment to the applicant, and will not seek reimbursement from the program for any additional treatment of the applicant. Provides that if a mental health provider who provides a certification form seeks reimbursement from the program for treatment of the applicant, or an applicant seeks reimbursement for payments made to the mental health provider for treatment, compensation for services provided by the mental health provider shall be limited to Medicare-approved rates. Prohibits a mental health provider from seeking reimbursement for services provided to an applicant if the applicant has not exhausted the benefits reasonably available under any governmental, medical, or health insurance program. Provides that if an applicant was receiving treatment from a mental health provider before the commission of the crime, and the mental health provider provides a certification form, the mental health provider may only seek reimbursement from the program for treatment that is in addition to the treatment the applicant was already receiving before the commission of the crime. Provides that furnishing an evaluation or furnishing another document as evidence of notification or cooperation may not be construed to waive any confidentiality or privilege that may exist between the victim or applicant and a third party. Provides that the Court shall issue a voucher for payment to the Comptroller of an emergency award after receiving notice of the decision to grant the emergency award, and if the Comptroller is not able to release the voucher for payment within 10 business days of receiving a voucher for payment from the Court, the Comptroller shall notify the Attorney General. Provides that if the amount of emergency compensation exceeds the actual amount the applicant incurs, the difference shall be repaid to the State. Provides that the Office of the Attorney General shall include a designated section in the application form for the applicant to request an emergency award. Makes other changes.

House Floor Amendment No. 4

Amends the bill, as amended by House Amendment No. 3. Provides that a claim is timely filed if the appropriate law enforcement officials were notified within 30 days (rather than 180 days) of the perpetration of the crime allegedly causing the death or injury to the victim. Provides that, if the notification was made more than 30 days (rather than 180 days) after the perpetration of the crime and the applicant establishes that the notice was timely under the circumstances, the Attorney General and the Court of Claims may extend the time for reporting to law enforcement. Provides that, if the Comptroller is not able to release the voucher for emergency payment within 10 business days of receiving a voucher for payment from the Court, the Comptroller shall notify the Court of Claims (rather than the Attorney General).

Pension Note (Government Forecasting & Accountability)

SB 1454, as engrossed, is the identical to SB 1454, as amended by SA 1. SB 1454, as amended by SA 1, achieves the same underlying goal as the original SB 1454. Though, instead of amending the individual articles of the Illinois Pension Code, the Illinois Municipal Code is amended to mandate automatic enrollment for employees of cities with a population of 500,000 or more (Chicago) that participate in the Chicago Fire, Police and Municipal pension funds. SB 1454 automatically enrolls newly hired participants in the Chicago Fire, Police and Municipal funds into a qualified pre-tax defined contribution (DC) retirement plan that would operate alongside the existing defined benefit (DB) plans of the respective funds. The number of new entrants who would be auto-enrolled into the newly created DC plans is not known. Some context is available via P.A. 102-540, which mandated automatic DC enrollment of new hires in both TRS and SURS. SURS reported that 77% of new hires remained in their DC plan after the enrollment window, while TRS reported that 73% of new hires remained in their Supplemental Savings Plan (SSP).

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

30 ILCS 805/8.50 new

Replaces everything after the enacting clause with the engrossed bill with the following changes. Amends the Downstate Firefighter Article of the Illinois Pension Code. Provides for a increase in the line of duty disability pension that continues to be paid to a firefighter's survivors after the death of the firefighter to \$50,051.76 and adjusted by a simple 3% increase annually from the initial adjustment if: (1) the firefighter died in 2023; (2) the firefighter died less than 6 months before his or her 60th birthday; and (3) by no later than one year after the effective date of the amendatory Act, the board of trustees of the fire protection district adopted an ordinance or resolution granting the increase. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
Increasing the continuing disability pension paid to survivors to \$50,051.76 would have a fiscal impact on applicable local downstate firefighter pension funds, limited to survivors who would meet the eligibility requirements. It is not known how many would be eligible for the increase provided in SB 3403, as amended by HA 1. However, the number of eligible survivors is expected to be limited due to the restrictive requirements. There would be no fiscal impact associated with the changes to ISBI, as the changes are purely administrative.

Amends the Downstate Police, Downstate Firefighter, Chicago Police, Chicago Firefighter, Chicago Municipal, Cook County, Cook County Forest Preserve, Chicago Laborers, and Chicago Park District Articles of the Illinois Pension Code. Establishes an accelerated pension benefit payment in lieu of any pension benefit under which an eligible person may elect to receive an amount determined by the Fund to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. Establishes an accelerated pension benefit payment for a reduction in annual retirement annuity and survivor's annuity increases, as applicable, under which a Tier 1 member may elect to receive an accelerated pension benefit payment equal to 70% of the difference of the present value of the automatic annual increases to a Tier 1 member's retirement annuity and survivor's annuity using the formula applicable to the Tier 1 member and the present value of the automatic annual increases to the Tier 1 member's retirement annuity using a specified formula and survivor's annuity using a specified formula. Amends the Counties Code and the Illinois Municipal Code. Requires municipalities and counties with more than 3,000,000 inhabitants to establish an accelerated pension benefit program to implement the accelerated pension benefit payments. Provides that the county or municipality shall remit to the pension funds a contribution, which may be a contribution of zero dollars, that shall constitute the total funding for accelerated pension benefit payments for that fiscal year. SB 03404 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the county board of a county of more than 3,000,000 inhabitants and a municipality may (instead of shall) establish an accelerated pension benefit program. Makes conforming changes. Provides that participants' elections to receive the accelerated pension benefit shall be processed and paid in the order in which the complete applications are received by the fund. Sets forth provisions concerning notifying the pension fund that the county or municipality has elected to establish an accelerated pension benefit program and remitting a contribution for the program. Provides that moneys remitted to the pension fund for the purpose of the accelerated pension benefit program must be kept in a separate account. Provides that, if any moneys remain in this account at the end of the fiscal year, the fund must remit those moneys back to the employer within one month after the end of the fiscal year, unless the employer notifies the pension fund at least one month before the end of the fiscal year that the funds shall remain in the account to be used for the subsequent fiscal year. Further amends the Illinois Pension Code. Authorizes accelerated pension benefit payments under the Chicago Teacher Article of the Code. Amends the Chicago Public Schools Article of the School Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 3404, as engrossed, is nearly identical to the introduced bill, with two major exceptions; the buyout plans are optional for municipalities to establish (explicated stated in the engrossed bill), and the Chicago Teachers Pension Fund (CTPF) is added as an eligible system. However, the anticipated fiscal impact would be the same, but now dependent on the number of eligible employers that elect to establish the two buyout programs. SB 3404, as engrossed, creates the two buyout programs—Total buyout and the COLA (or AAI) buyout—for the affected pension funds, mirroring the existing buyout programs currently available in the State's "Big 3" retirement systems (SERS, SURS, and TRS). According to SERS, SURS, and TRS, the buyout programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2.0 billion in buyout payments, based on data previously provided from each system (ranging from June 2025 to January 2026).

Fiscal Note, Senate Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 3404 (S-AM 2) is nearly identical to the underlying bill, with two major exceptions; the buyout plans are optional for municipalities to establish (explicated stated in SA 2), and the Chicago Teachers Pension Fund (CTPF) is added as an eligible system. 410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

SB 00118 (Continued)

Replaces everything after the enacting clause. Amends the Crime Victims Compensation Act. Requires the Attorney General to, with the consent of an applicant, request and obtain supporting documentation required to verify a claim for compensation. Includes provisions regarding supporting documentation for applications and claims. Provides that to receive compensation under the Act, the appropriate law enforcement officials were notified within 180 days (rather than 72 hours or 7 days for specified offenses) of the perpetration of the crime allegedly causing the death or injury to the victim. Allows a mental health provider to seek reimbursement for an evaluation if the mental health provider is not currently providing treatment to the applicant, and will not seek reimbursement from the program for any additional treatment of the applicant. Provides that if a mental health provider who provides a certification form seeks reimbursement from the program for treatment of the applicant, or an applicant seeks reimbursement for payments made to the mental health provider for treatment, compensation for services provided by the mental health provider shall be limited to Medicare-approved rates. Prohibits a mental health provider from seeking reimbursement for services provided to an applicant if the applicant has not exhausted the benefits reasonably available under any governmental, medical, or health insurance program. Provides that if an applicant was receiving treatment from a mental health provider before the commission of the crime, and the mental health provider provides a certification form, the mental health provider may only seek reimbursement from the program for treatment that is in addition to the treatment the applicant was already receiving before the commission of the crime. Provides that furnishing an evaluation or furnishing another document as evidence of notification or cooperation may not be construed to waive any confidentiality or privilege that may exist between the victim or applicant and a third party. Provides that the Court shall issue a voucher for payment to the Comptroller of an emergency award after receiving notice of the decision to grant the emergency award, and if the Comptroller is not able to release the voucher for payment within 10 business days of receiving a voucher for payment from the Court, the Comptroller shall notify the Attorney General. Provides that if the amount of emergency compensation exceeds the actual amount the applicant incurs, the difference shall be repaid to the State. Provides that the Office of the Attorney General shall include a designated section in the application form for the applicant to request an emergency award. Makes other changes.

House Floor Amendment No. 4

Amends the bill, as amended by House Amendment No. 3. Provides that a claim is timely filed if the appropriate law enforcement officials were notified within 30 days (rather than 180 days) of the perpetration of the crime allegedly causing the death or injury to the victim. Provides that, if the notification was made more than 30 days (rather than 180 days) after the perpetration of the crime and the applicant establishes that the notice was timely under the circumstances, the Attorney General and the Court of Claims may extend the time for reporting to law enforcement. Provides that, if the Comptroller is not able to release the voucher for emergency payment within 10 business days of receiving a voucher for payment from the Court, the Comptroller shall notify the Court of Claims (rather than the Attorney General).

Replaces various references to "sexual assault" with "acute sexual assault". Deletes the definition of "prepubescent sexual assault survivor". Changes provisions regarding hospitals located in counties with a population of less than 1,000,000 and within a 20-mile radius of a 4-year public university with respect to a sexual assault treatment plan approved by the Department of Public Health. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Makes changes to provisions regarding an offer to complete the Illinois State Police Sexual Assault Evidence Collection Kit and requirements for evidence collection completion. Amends the Illinois State Police Law and the Illinois Police Training Act to require instruction during training on the policies and procedures for administering a lethality assessment, including referrals to domestic violence services. Amends the Illinois Domestic Violence Act of 1986. Provides that, on or before January 1, 2028, every law enforcement agency shall provide to all of its law enforcement officers instruction on the policies and procedures for administering a lethality assessment as part of basic training. Provides that, on or before July 1, 2028, a law enforcement officer investigating an alleged incident of domestic violence shall administer a lethality assessment if the allegation of domestic violence is against an intimate partner, regardless of whether an arrest is made. Provides that if a victim does not, or is unable to, provide information to a law enforcement officer sufficient to allow the law enforcement officer to administer a lethality assessment, the law enforcement officer must document the lack of a lethality assessment in the written police report and refer the victim to the nearest locally certified domestic violence center. Prohibits a law enforcement officer from including in or attaching to a probable cause statement, written police report, or incident report the domestic violence center to which a victim was referred. Prohibits a law enforcement officer from administering a lethality assessment if the law enforcement officer has not received training on administering a lethality assessment. Makes a conforming change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with these changes. Provides that by July 1, 2027, the Department of Human Services is required to develop, in consultation with law enforcement, a statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument that local law enforcement agencies may use or reference. Requires that by January 1, 2028, the continuing education for law enforcement officers must include training on the policies and procedures for administering a lethality assessment. Provides that beginning no later than July 1, 2031, a law enforcement officer investigating an alleged incident of intimate partner domestic violence shall administer a lethality assessment if: (1) the allegation of intimate partner domestic violence results in an arrest being made; or (2) the allegation of intimate partner domestic violence does not result in an arrest being made, but there is evidence that an assault, battery, or other physical violence has occurred between the intimate partners. Provides that if no arrest is made and there is no evidence that an assault, battery, or other physical violence has occurred, a law enforcement agency is authorized to partner with a domestic violence center that administers lethality assessments. Provides that the domestic violence center shall be provided with all police reports, victim statement, and any other information necessary to complete the lethality assessment within 72 hours of the domestic violence incident. Provides that nothing in the Act is intended to impose additional liability on a law enforcement office or agency acting in good faith compliance with the Act. Makes other changes.

SB 03048 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Provides that a lethality assessment shall only be administered with the consent of the victim. Provides that a lethality assessment shall only be administered if, among other things, the allegation of intimate partner domestic violence does not result in an arrest being made but an allegation of an assault or a battery committed between the intimate partners was made (rather than the allegation of intimate partner domestic violence does not result in an arrest being made but evidence exists that an assault, battery, or other physical violence has occurred between the intimate partners). Provides that the domestic violence center shall be provided with all available information (rather than all police reports, victim statements, and any other information) necessary to conduct a lethality assessment as soon as possible (rather than within 72 hours). Removes provisions concerning domestic violence center referrals to victims. Provides that, before the administration of a lethality assessment, a law enforcement officer must (1) inform the victim that the victim may decline participation in the lethality assessment and (2) inform the victim of the ways in which the information collected as part of the lethality assessment may be used. Provides that, by July 1, 2027, the Department of Human Services shall develop, in consultation with the Illinois State Police, a statewide agency representing Illinois sheriffs, a statewide organization representing Illinois chiefs of police, a statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument and policies and protocols (rather than develop, in consultation with law enforcement, a statewide organization representing State's Attorneys, and a statewide organization dedicated to domestic violence prevention, a model lethality assessment instrument). Provides that each law enforcement agency shall create a policy and a protocol (rather than a policy) on administering a lethality assessment consistent with the requirements of the provisions. Provides that each law enforcement agency that created a policy and protocol on administering a lethality assessment before the effective date of the amendatory Act may continue to use the policy and protocol if it is consistent with the requirements of the provisions. Makes typographical changes.

SB 03510 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Children's Advocacy Center Act, provides that MDT members shall access and share relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws, so that professionals involved in the investigation can coordinate effectively, ensure the safety and well-being of the child, and support a thorough and informed investigation while protecting sensitive information (rather than work together, share information, and maintain confidentiality throughout the investigative process.) Further provides that Children's Advocacy Centers shall have a multidisciplinary, coordinated systems approach to investigation of child maltreatment. Provides that this approach shall include policy on multidisciplinary team collaboration and communication that requires coordination among applicable MDT members and establishes procedures for the exchange of information pertinent to investigation and the safety of the child to the extent permitted under applicable state and federal privacy and confidentiality laws, through secure and confidential methods. Further provides that the policy shall require that MDT members have access to, and share, relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws, to facilitate MDT coordination, support the investigative responsibilities of the agencies with statutory authority, promote the safety and well-being of the child, and support a thorough and informed investigation while protecting sensitive information. Further provides that the multidisciplinary, coordinated systems approach to the investigation of child maltreatment shall require that MDT members have access to, and share, relevant information related to an investigation to the extent authorized by applicable state and federal privacy and confidentiality laws and provide for that participation of appropriate MDT members, as relevant to the circumstances of the case. In provisions amending the Bill of Rights for Children, provides that the agency with statutory investigative authority shall notify a child and any parent or guardian of the right to request a forensic interview through the Children's Advocacy Center, subject to acceptance of the referral by the CAC, and that such right may be asserted by the child or the child's parent or guardian with the child's assent. Removes provisions amending the Code of Criminal Procedure of 1963. In provisions amending the Criminal Code of 2012, provides that a second or subsequent violation of provisions prohibiting endangering the life or safety of a child or a statute of any other state of an offense that is substantially equivalent to the offense of endangering the life or health of a child, is a Class 3 felony. In provisions amending the Bill of Rights for Children, makes changes to provisions concerning forensic interviews with children's advocacy centers.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 2, and makes the following changes: Removes the definition of "route". 220 ILCS 5/9-210.5
220 ILCS 5/9-220.2

Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, then the acquisition may continue. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a referendum before the Illinois Commerce Commission can approve an acquisition.

Amends the Environmental Protection Act. Provides that an owner or operator of a community water supply may, by an additional method approved by the State, give written notice of the existence of lead service lines that are connected to buildings. Provides that an owner or operator of a community water supply that performs at least 4,000 lead service line replacements per year or exceeds a statutorily prescribed lead service line replacement rate is exempt from a provision that prohibits partial lead service line replacements. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of a private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building must allow the community water supply access to replace the lead service line on the private side of the property.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes provisions added by the introduced bill that exempted from specified requirements a community water supply that has performed at least 4,000 lead service line replacements per year since 2025 or that exceeded certain specifications. Provides that, in a municipality with a population of more than 1,000,000 inhabitants, the owner of private property (rather than the owner of private property upon which there is located a renter-occupied building, a building that is used as a day care, or a multi-dwelling building) must allow the community water supply or the community water supply's contractor (rather than only the community water supply) access to the property to replace, on the private side of the property, the lead service line or the galvanized requiring replacement service line (rather than only the lead service line) if the community water supply is offering the replacement at no cost to the property owner. Specifies that, if the owner of the private property is unavailable or unwilling to provide consent to replace the lead service line or the galvanized requiring replacement service line, any legal occupant of the private property where the service line is located may provide consent for access to the community water supply or the community water supply's contractor. Provides that the legal occupant shall be held harmless for providing access, completing forms, or for the completion of replacements of the lead service line or the galvanized requiring replacement service line. Effective immediately.

Senate Floor Amendment No. 3

In provisions regarding a landowner's duty to allow the community water supply access to replace the lead service line or the galvanized requiring replacement service line if the community water supply is offering such a replacement at no cost, deletes a requirement that limits the application of the provisions to a municipality with a population of more than 1,000,000 inhabitants.

Replaces everything after the enacting clause. Amends the Diversifying Higher Education Faculty in Illinois Act. Requires the Board of Higher Education to name the chairperson of the Program Board. Requires the Program Board to name the vice chairperson of the Program Board and make any necessary subcommittee appointments. Provides that the members of the Program Board shall serve 2-year terms and shall continue to serve until a replacement or reappointment is determined. Adds additional responsibilities of the Program Board. Requires institutions of higher education to verify that student applicants meet the eligibility requirements for DFI grants. Adds eligibility requirements for an award under the Act. Sets forth responsibilities for DFI institutions and DFI representatives. Requires a student to apply directly to the qualified institution of higher education that he or she plans to attend. Provides that in determining the recipients of awards, the Program Board shall favor recipients who received awards in previous years and who maintain conditions of eligibility and have made satisfactory academic progress toward a degree, as long as no student receives assistance for more than 4 years. Adds an additional condition for acceptance of a DFI award. Provides that if the obligation of the award is not met, repayment of the funds awarded shall (rather than may) be required according to procedures developed by the Board of Higher Education (rather than the Program Board). Provides that all grants are subject to the Illinois Grant Funds Recovery Act. Provides that the changes made by the amendatory Act shall first apply beginning with awards made for the 2025-2026 academic year. Repeals a provision concerning continuing participants. Amends the Higher Education Student Assistance Act regarding the Minority Teachers of Illinois scholarship program. Changes the name of the scholarship program to the Teachers of Illinois scholarship program. Requires the Illinois Student Assistance Commission to determine how to verify whether an applicant is a qualified student and to award teacher scholarships to qualified students who demonstrate that they satisfy requirements. Requires the annual teacher scholarship amount to be computed by the institution. Provides that each teacher scholarship awarded shall be in an amount sufficient to pay the total cost of attendance (rather than tuition and fees and room and board costs). Requires applicants to submit an application annually, as well as complete the Free Application for Federal Student Aid. Adds additional factors for the Commission to consider when prioritizing the allocation of funds. Removes language providing that at least 35% of the funds appropriated for awarded scholarships in each fiscal year shall be reserved for qualified male minority applicants, with priority being given to qualified Black male applicants, and if the Commission does not receive enough applications from qualified male minorities, then the Commission may award a portion of the reserved funds to qualified female minority applicants. Requires each recipient of a teacher scholarship to sign and submit a teaching agreement or promissory note to the Commission. Provides that recipients of a teacher scholarship are also required to provide the Commission with evidence of compliance with program requirements. Provides that if a recipient of a teacher scholarship fails to fulfill the teaching obligation, the scholarship converts to a loan with a repayment period of 10 years. Requires the State Board of Education to furnish all appropriate data referenced within the definition of a qualified student on a timely basis to the Commission. Provides that institutions shall also submit eligibility information for qualified students in sufficient time for the Commission to make award announcements. Provides that the changes made by the amendatory Act shall first apply beginning with awards made for the 2025-2026 academic year. Amends the Transitions in Education Act to make a related change. Makes other changes, and adds a severability clause. Effective immediately.

Amends the Juvenile Court Act of 1987. Provides that in a proceeding under the Delinquent Minors Article of the Act, a minor who was under 18 (rather than under 15) years of age at the time of the commission of an act that if committed by an adult would be a violation of any offense under the Criminal Code of 1961 or the Criminal Code of 2012 (rather than a homicide offense or criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse) must be represented by counsel throughout the entire custodial interrogation of the minor. Provides that in custodial interrogations, a minor may not waive the right to the assistance of counsel. Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Creates the Transparency in Downcoding Act. Provides that the Act applies to certain policies of health insurance amended, delivered, issued, or renewed on or after the effective date of the Act, except for employee or employer self-insured health benefit plans under the federal Employee Retirement Income Security Act of 1974 and health care provided pursuant to the Workers' Compensation Act or the Workers' Occupational Diseases Act. Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. SB 03798 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1 with the following changes. In provisions amending the Emergency Telephone System Act, provides that the Office of the Statewide 9-1-1 Administrator shall, with input from the Statewide 9-1-1 Advisory Board, relevant stakeholders, and subject matter experts, adopt rules to implement the requirement that the Board consult with the Department of Human Services to ensure PSAP compliance with the Community Emergency Services and Support Act. Provides that Mobile Crisis Response and 9-8-8 are both around-the-clock crisis services that must be considered alongside other crisis resources when initially screening an individual contacting a 9-1-1 PSAP. Provides that, when indicated, 9-1-1 PSAPs shall open and use relevant emergency dispatch protocol to ensure all individuals contacting a 9-1-1 PSAP when a behavioral health crisis is indicated have access to a non-law enforcement, behavioral health response. Removes provisions providing that 9-1-1 PSAPs shall screen specific types of law enforcement calls and follow approved protocols and processes. Removes provisions providing that 9-1-1 PSAPs shall open and follow the emergency dispatch protocol at the start of all emergency calls when appropriate to ensure the protocols are used and applied consistently and uniformly and to ensure that information related to behavioral health emergency calls is available for data collection and can be used to determine which calls should be referred for a behavioral health response. Removes provisions authorizing rulemaking by the Department. Makes other changes.

House Floor Amendment No. 1

Amends the Veterans and Servicemembers Court Treatment Act. Provides that if a veteran with a service-connected disability is arrested for or charged with a criminal offense and there is prima facie evidence that the veteran was suffering from an episode of post-traumatic stress disorder or a related mental health condition during the commission of the offense, there is a rebuttable presumption that the veteran is eligible to participate in a veterans and servicemembers court program, and after the arrest or charge, the following procedures shall take place: (1) the veteran shall be evaluated and treated as soon as practicable by a qualified medical professional for post-traumatic stress disorder and any other mental health condition or disorder; and (2) the court shall order a screening and clinical needs assessment and risk assessment and a mental health and substance use disorder screening and assessment. Provides that if a veteran with a service-connected disability is charged for the first time with a criminal offense, including a felony, except certain offenses that would make him or her ineligible to participate in a veterans and servicemembers court program, and suffered from post-traumatic stress disorder or a related mental health condition during the commission of the offense, then, upon successful completion of the terms and conditions of a court program, the court shall dismiss the original charges against the veteran or successfully terminate the veteran's sentence or otherwise discharge the veteran from any further proceedings against the participant in the original prosecution. Establishes certain procedures to be followed when a combat veteran who is a disabled veteran has an episode of post-traumatic syndrome disorder and needs assistance.

Amends the Veterans and Servicemembers Court Treatment Act. Provides that if a combat veteran who is a resident of Illinois is a qualified service-disabled veteran and is believed to have committed an offense or is in need of assistance as a result of a suspected incidence of post-traumatic stress disorder, a peace officer or an ambulance service shall transport the veteran to a Department of Veterans Affairs' hospital to be evaluated by a physician, psychiatrist, or clinical psychologist, or other medical professional that the hospital deems qualified to determine whether the veteran is a danger to himself, herself, or others. Provides that if it is determined by the hospital staff who evaluated the veteran that the veteran is not a danger to himself or others, the person shall be released unless that person is subject to law enforcement agency custody for commission of an offense that requires pretrial detention under the Pretrial Release Article of the Code of Criminal Procedure of 1963. If the veteran requires detention, the veteran shall be released to law enforcement agency custody.
