Senator Sims offered the following amendment and moved its adoption:

[May 26, 2024]

AMENDMENT NO. 2 TO HOUSE BILL 4959

AMENDMENT NO. 2 . Amend House Bill 4959, AS AMENDED, by replacing everything after the enacting clause with the following:

"Article 1.

Section 1-1. Short Title. This Act may be cited as the Fiscal Year 2025 Budget Implementation Act.

Section 1-5. Purpose. It is the purpose of this Act to make changes in State programs that are necessary to implement the State budget for Fiscal Year 2025.

Article 2.

Section 2-1. Short title. This Act may be cited as the Pretrial Success Act. References in this Article to "this Act" mean this Article.

Section 2-5. Intent; purposes. This Act creates a comprehensive approach to ensuring pretrial success, justice, and individual and communal well-being. The Act minimizes the number of people detained pretrial by ensuring access to community-based pretrial supports and services.

Section 2-10. Definitions. As used in this Act:

"Case management" means assessment, planning, coordination, and advocacy services for individuals who need multiple services and require assistance in gaining access to and in using behavioral health, physical health, social, vocational, educational, housing, public income entitlements and other community services to assist the individual in the community. "Case management" may also include identifying and investigating available resources, explaining options to the individual, and linking the individual with necessary resources.

"Community-based pretrial supports and services" means voluntary services provided in the community to an individual charged with a criminal offense who has been granted pretrial release. Community-based pretrial supports and services shall be trauma-informed, culturally competent, and designed and delivered according to best practice standards to maximize pretrial success.

"Court stakeholders" means Judges, State's Attorneys, defense attorneys including Public Defenders, Sheriffs, police departments, and any other individuals, agencies, or offices or their employees involved in pretrial criminal court proceedings.

"Department" means the Department of Human Services.

"Detoxification" means the process of withdrawing a person from a specific psychoactive substance in a safe and effective manner.

"Eligible participant" means an Illinois resident charged with a criminal offense who has been granted pretrial release.

"Medication assisted treatment" means the prescription of medications that are approved by the U.S. Food and Drug Administration and the Center for Substance Abuse Treatment to assist with treatment for a substance use disorder and to support recovery for individuals receiving services in a facility licensed by the Department. Medication assisted treatment includes opioid treatment services as authorized by a Department license.

"Pretrial success" means ensuring court appearances and reducing subsequent involvement with the criminal-legal system.

"Service area" means a judicial circuit or group of judicial circuits.

Section 2-15. Findings. The General Assembly finds that:

(1) The Pretrial Fairness Act defines when an arrested person can be denied pretrial release and prohibits the imposition of financial conditions for release by abolishing money bond. This prevents the pretrial detention of many arrested individuals with mental health or substance use disorders or others who could benefit from community-based supports and services.

[May 26, 2024]

(2) Because people awaiting trial are legally presumed innocent, the Illinois Supreme Court Commission on Pretrial Practices recommends, consistent with national best practices, that "conditions and supervision shall not mandate rehabilitative services (substance abuse, mental health, partner abuse intervention programs, etc.) unless the court finds them to be a risk factor directly related to further criminal behavior and failure to appear at court hearings. The inability to pay for such court-ordered services shall not interfere with release."

(3) Research shows that mental health and substance use disorder services, including treatment, are generally most effective when participation is voluntary and access is assured.

(4) Communities throughout Illinois have significant gaps in the availability of mental health and substance use disorder services and other community-based pretrial supports and services.

(5) If services are available, navigating complicated systems can be a barrier to access and success. Services are most effective if they are coordinated with but not duplicative of other programs such as those funded under the Reimagine Public Safety Act.

(6) Community-based pretrial supports and services are most effective when delivered by organizations trusted within the community and developed with the input of community members, including those directly impacted by the criminal-legal system.

Section 2-20. Grant making authority.

(a) The Department of Human Services shall have grant-making, operational, and procurement authority to distribute funds to local government health and human services agencies, community-based organizations, and other entities necessary to execute the functions established in this Act.

(b) Subject to appropriation, the Department shall issue grants to local governmental agencies and community-based organizations to maximize pretrial success each year. Grants shall be awarded no later than January 1, 2025. Grants in subsequent years shall be issued on or before September 1 of the relevant fiscal year and shall allow for pre-award expenditures beginning July 1 of the relevant fiscal year.

(c) Beginning in fiscal year 2028 and subject to appropriation, grants shall be awarded for a project period of 3 years, contingent on Department requirements for reporting and successful performance.

(d) The Department shall ensure that grants awarded under this Act do not duplicate or supplant grants awarded under the Reimagine Public Safety Act.

Section 2-25. Community-based pretrial supports and services.

(a) Subject to appropriation, the Department shall make grants to organizations for community-based pretrial supports and services.

(b) The Department shall issue grants to at least one organization in each of the service areas and no more than 3 organizations in each of the service areas with the exception of service areas with a population exceeding 2,000,000. The Department shall issue grants to at least one organization and no more than 10 organizations in service areas with a population exceeding 2,000,000. In fiscal year 2025, each grant shall be for no less than \$100,000 and no more than \$300,000. In subsequent years, each grant shall be for no less than \$100,000 and no more than \$500,000 per organization. An organization may receive grants in more than one service area.

(c) Organizations receiving grants under this Act shall coordinate services with other organizations and court stakeholders in their service area. Organizations receiving grants under this Act shall coordinate services with the Office of Statewide Pretrial Services to the extent that it operates in their service area.

(d) Organizations receiving grants under this Act shall establish eligibility criteria for services. Organizations receiving grants under this Act shall be required to accept referrals of eligible participants from court stakeholders. Organizations receiving grants under this Act may accept referrals of eligible participants from other sources including self-referrals.

(e) An eligible participant shall not be ordered to receive services funded by a grant under this Act unless the person has undergone a validated clinical assessment and the clinical treatment plan includes such services. "Validated clinical assessment" and "clinical treatment plan" have the meanings ascribed to them in Section 10 of the Drug Court Treatment Act.

(f) Organizations receiving grants under this Act shall provide the following services directly or through subgrants to other organizations:

(1) case management for mental health and substance use disorders;

(2) detoxification or referral to detoxification when clinically indicated and available in the community;

(3) medication assisted treatment or referral to medication assisted treatment when clinically indicated and available in the community;

(4) child care to remove barriers to court appearances; and

(5) transportation to court appearances if not available through the Office of Statewide Pretrial Services or other court stakeholders.

(g) Organizations receiving grants under this Act may provide the following services directly or through subgrants to other organizations:

(1) Behavioral health services, including harm reduction services, clinical interventions, crisis interventions, and group counseling supports, such as peer support groups, social-emotional learning supports, including skill building for anger management, de-escalation, sensory stabilization, coping strategies, and thoughtful decision-making, short-term clinical individual sessions, and motivational interviewing.

(2) Other services necessary to promote pretrial success, as determined by the organization and approved by the Department.

(h) Organizations receiving grants under this Act shall ensure that services are accessible to individuals with disabilities and to individuals with limited English proficiency. Organizations receiving grants under this Act shall not deny services to individuals on the basis of immigration status or gender identity.

(i) No statement or other disclosure, written or otherwise, made by an eligible participant to an employee of an organization receiving a grant under this Act may be used by the prosecution to prove any crime or offense alleged in the pending case.

(j) The Department shall encourage organizations receiving grants under this Act to employ individuals with personal experience with being charged with a felony offense. No later than when grants are first issued under this Act, the Department shall create and execute a Background Check Waiver Process, limiting the disqualifying offenses, for employees who provide services under this Act.

(k) Organizations receiving funds under this Act may utilize up to 5% of awarded grant funds to raise awareness of community-based pretrial supports and services.

Section 2-30. Service areas.

(a) Each judicial circuit with a population of at least 500,000 constitutes a service area. Each judicial circuit with a population of less than 500,000 shall be combined with at least one other geographically contiguous judicial circuit to constitute a service area with a population of at least 500,000.

(b) Resources for each service area shall be distributed based on maximizing the total potential pretrial success. Subject to appropriation, the minimum total annual grant amount awarded in each service area shall be \$300,000. In determining the distribution of resources to service areas, the Department shall consider the following factors:

(1) service area population and poverty level;

(2) the geographic size of a service area;

(3) the average number of people charged with felony offenses each year;

(4) the number of people incarcerated in the past because of their inability to afford payment of money bond; and

(5) level of Office of Statewide Pretrial Services programming in the counties in the service area.

(c) In fiscal year 2025, the Department shall award grants in one service area in each Department region. In subsequent years, the Department shall award grants in all service areas, subject to appropriation.

Section 2-35. Local advisory councils.

(a) Subject to appropriation, and no later than July 1, 2025, the Department shall create local advisory councils for each of the service areas for the purpose of obtaining recommendations on how to distribute funds in these areas to maximize pretrial success. Local advisory councils shall consist of no fewer than 5 members. At least 40% of members shall have personal experience with being charged with a felony offense in Illinois. At least 20% of members shall have personal experience with a family member being charged with a felony offense in Illinois. Members of the local advisory councils shall serve without compensation except those designated as individuals with personal experience may receive stipends as compensation for their time.

(b) Transition provisions. The Board of Trustees of the Teachers' Retirement System shall continue to administer the health benefit program established under Article 16 of the Illinois Pension Code through December 31, 1995. Beginning January 1, 1996, the Department of Central Management Services shall be responsible for administering a program of health benefits for TRS benefit recipients and TRS dependent beneficiaries under this Section. The Department of Central Management Services and the Teachers' Retirement System shall cooperate in this endeavor and shall coordinate their activities so as to ensure a smooth transition and uninterrupted health benefit coverage.

(c) Eligibility. All persons who were enrolled in the Article 16 program at the time of the transfer shall be eligible to participate in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions. Eligibility to participate shall be determined by the Teachers' Retirement System. Eligibility information shall be communicated to the Department of Central Management Services in a format acceptable to the Department.

Eligible TRS benefit recipients may enroll or re-enroll in the program of health benefits established under this Section during any applicable annual open enrollment period and as otherwise permitted by the Department of Central Management Services. A TRS dependent beneficiary who is a child age 19 or over and mentally or physically disabled does not become ineligible to participate by reason of (i) becoming ineligible to be claimed as a dependent for Illinois or federal income tax purposes or (ii) receiving earned income, so long as those earnings are insufficient for the child to be fully self-sufficient.

For Fiscal Year 1996, the premium shall be equal to the premium actually charged in Fiscal Year 1995; in subsequent years, the premium shall never be lower than the premium charged in Fiscal Year 1995.

For Fiscal Year 2003, the premium shall not exceed 110% of the premium actually charged in Fiscal Year 2002.

For Fiscal Year 2008 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

In addition to the premium amount charged for the program of health benefits, in the initial plan year in which the dental and vision benefits are provided, an additional premium of not more than \$7.11 per

month for each TRS benefit recipient and \$28.43 per month for each TRS dependent beneficiary shall be charged. The additional premium shall be used for the purpose of financing the dental and vision benefits for TRS benefit recipients and TRS dependent beneficiaries on and after the effective date of this amendatory Act of the 103rd General Assembly.

Rates and premiums may be based in part on age and eligibility for federal medicare coverage. However, the cost of participation for a TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically disabled shall not exceed the cost for a TRS dependent beneficiary who is an unmarried child under age 19 and participates in the same major medical or managed care program.

The cost of health benefits under the program shall be paid as follows:

For the purpose of this item (3.1), the term "TRS dependent beneficiary who is Medicare primary" means a TRS dependent beneficiary who is participating in Medicare Parts A and B.

(4) Except as otherwise provided in item (3.1), the balance of the rate of insurance, including the entire premium of any coverage for TRS dependent beneficiaries that has been elected, shall be paid by deductions authorized by the TRS benefit recipient to be withheld from his or her monthly annuity or benefit payment from the Teachers' Retirement System; except that (i) if the balance of the cost of coverage exceeds the amount of the monthly annuity or benefit payment, the difference shall be paid directly to the Teachers' Retirement System by the TRS benefit recipient, and (ii) all or part of the balance of the cost of coverage may, at the school board's option, be paid to the Teachers' Retirement System by the school board of the school district from which the TRS benefit recipient retired, in accordance with Section 10-22.3b of the School Code. The Teachers' Retirement System shall promptly deposit all moneys withheld by or paid to it under this subdivision (c)(4) into the Teacher Health Insurance Security Fund. These moneys shall not be considered assets of the Retirement System.

(5) If, for any month beginning on or after January 1, 2013, a TRS benefit recipient or TRS dependent beneficiary was enrolled in Medicare Parts A and B and such Medicare coverage was primary to coverage under this Section but payment for coverage under this Section was made at a rate greater than the Medicare primary rate published by the Department of Central Management Services, the TRS benefit recipient or TRS dependent beneficiary shall be eligible for a refund equal to the difference between the amount paid by the TRS benefit recipient or TRS dependent beneficiary and the published Medicare primary rate. To receive a refund pursuant to this subsection, the TRS benefit recipient or TRS dependent beneficiary must provide documentation to the Department of Central Management Services evidencing the TRS benefit recipient's or TRS dependent beneficiary's Medicare coverage and the amount paid by the TRS benefit recipient or TRS dependent beneficiary during the applicable time period.

Eligible security improvements shall not duplicate, in part or in whole, a project included under any awarded federal grant or in a pending federal application. The Director shall establish procedures and forms by which applicants may apply for a grant and procedures for distributing grants to recipients. Any security improvements awarded shall remain at the physical property listed in the grant application, unless authorized by Agency rule or approved by the Agency in writing. The procedures shall require each applicant to do the following:

- (1) identify and substantiate prior or current threats, attacks, or acts of terrorism against the not-for-profit organization;
- (2) indicate the symbolic or strategic value of one or more sites that renders the site a possible target of a threat, attack, or act of terrorism;

- (6) submit any other relevant information as may be required by the Director.

The Agency is authorized to use funds appropriated for the grant program described in this subsection (g-5) to administer the program. Any Agency Notice of Opportunity for Funding, proposed or final rulemaking, guidance, training opportunity, or other resource related to the grant program must be published on the Agency's publicly available website, and any announcements related to funding shall be shared with all State legislative offices, the Governor's office, emergency services and disaster agencies mandated or required pursuant to subsections (b) through (d) of Section 10, and any other State agencies as determined by the Agency. Subject to appropriation, the grant application period shall be open for no less than 45 calendar days during the first application cycle each fiscal year, unless the Agency determines that a shorter period is necessary to avoid conflicts with the annual federal Nonprofit Security Grant Program funding cycle. Additional application cycles may be conducted during the same fiscal year, subject to availability of funds. Upon request, Agency staff shall provide reasonable assistance to any applicant in completing a grant application or meeting a post-award requirement.

In addition to any advance payment rules or procedures adopted by the Agency, the Agency shall adopt rules or procedures by which grantees under this subsection (g-5) may receive a working capital advance of initial start-up costs and up to 2 months of program expenses, not to exceed 25% of the total award amount, if, during the application process, the grantee demonstrates a need for funds to commence a project. The remaining funds must be paid through reimbursement after the grantee presents sufficient supporting documentation of expenditures for eligible activities.

Section 3-22. The Illinois Pension Code is amended by changing Sections 16-150.1 and 17-149, as follows:

(40 ILCS 5/16-150.1)

Sec. 16-150.1. Return to teaching in subject shortage area.

(a) As used in this Section, "eligible employment" means employment beginning on or after July 1, 2003 and ending no later than June 30, 2027 ~~2024~~, in a subject shortage area at a qualified school, in a position requiring certification under the law governing the certification of teachers.

As used in this Section, "qualified school" means a public elementary or secondary school that meets all of the following requirements:

(1) At the time of hiring a retired teacher under this Section, the school is experiencing a shortage of teachers in the subject shortage area for which the teacher is hired.

(2) The school district to which the school belongs has complied with the requirements of subsection (e), and the regional superintendent has certified that compliance to the System.

(3) If the school district to which the school belongs provides group health benefits for its teachers generally, substantially similar health benefits are made available for teachers participating in the program under this Section, without any limitations based on pre-existing conditions.

(b) An annuitant receiving a retirement annuity under this Article (other than a disability retirement annuity) may engage in eligible employment at a qualified school without impairing his or her retirement status or retirement annuity, subject to the following conditions:

(1) the eligible employment does not begin within the school year during which service was terminated;

(2) the annuitant has not received any early retirement incentive under Section 16-133.3, 16-133.4, or 16-133.5;

(3) if the annuitant retired before age 60 and with less than 34 years of service, the eligible employment does not begin within the year following the effective date of the retirement annuity;

(4) if the annuitant retired at age 60 or above or with 34 or more years of service, the eligible employment does not begin within the 90 days following the effective date of the retirement annuity; and

(5) before the eligible employment begins, the employer notifies the System in writing of the annuitant's desire to participate in the program established under this Section.

(c) An annuitant engaged in eligible employment in accordance with subsection (b) shall be deemed a participant in the program established under this Section for so long as he or she remains employed in eligible employment.

(d) A participant in the program established under this Section continues to be a retirement annuitant, rather than an active teacher, for all of the purposes of this Code, but shall be deemed an active teacher for other purposes, such as inclusion in a collective bargaining unit, eligibility for group health benefits, and compliance with the laws governing the employment, regulation, certification, treatment, and conduct of teachers.

With respect to an annuitant's eligible employment under this Section, neither employee nor employer contributions shall be made to the System and no additional service credit shall be earned. Eligible employment does not affect the annuitant's final average salary or the amount of the retirement annuity.

(e) Before hiring a teacher under this Section, the school district to which the school belongs must do the following:

(1) If the school district to which the school belongs has honorably dismissed, within the calendar year preceding the beginning of the school term for which it seeks to employ a retired teacher under the program established in this Section, any teachers who are legally qualified to hold positions in the subject shortage area and have not yet begun to receive their retirement annuities under this Article, the vacant positions must first be tendered to those teachers.

(2) For a period of at least 90 days during the 6 months preceding the beginning of either the fall or spring term for which it seeks to employ a retired teacher under the program established in this Section, the school district must, on an ongoing basis, (i) advertise its vacancies in the subject shortage area in employment bulletins published by college and university placement offices located near the school; (ii) search for teachers legally qualified to fill those vacancies through the Illinois Education Job Bank; and (iii) post all vacancies on the school district's website and list the vacancy in an online job portal or database.

However, the school district must on an ongoing basis comply with items (i), (ii), and (iii) of paragraph (2).

The school district must submit documentation of its compliance with this subsection to the regional superintendent. Upon receiving satisfactory documentation from the school district, the regional superintendent shall certify the district's compliance with this subsection to the System.

(f) This Section applies without regard to whether the annuitant was in service on or after the effective date of this amendatory Act of the 93rd General Assembly.

An Employer must certify to the Fund the temporary and non-annual or hourly status and the compensation of each pensioner re-employed under this subsection at least quarterly, and when the pensioner is approaching the earnings limitation under this subsection.

If the pensioner works more than 100 days or accepts excess gross compensation for such re-employment in any school year that begins on or after August 8, 2012 (the effective date of Public Act 97-912), the service retirement pension shall thereupon be cancelled.

If the pensioner who only teaches drivers education courses after regular school hours works more than 900 hours or accepts excess gross compensation for such re-employment in any school year that begins on or after August 12, 2016 (the effective date of Public Act 99-786), the service retirement pension shall thereupon be cancelled.

If the pensioner works more than 120 days or accepts excess gross compensation for such re-employment in any school year that begins on or after July 1, 2019, the service retirement pension shall thereupon be cancelled.

(c-7) For school years beginning on or after July 1, ~~2024~~ 2027, the service retirement pension shall not be cancelled in the case of a service retirement pensioner who is re-employed as a teacher or an administrator on a temporary and non-annual basis or on an hourly basis, so long as the person does not work as a teacher or an administrator for compensation on more than 120 days in a school year. Such

re-employment does not require contributions, result in service credit, or constitute active membership in the Fund.

(c-10) Until June 30, ~~2027~~ 2024, the service retirement pension of a service retirement pensioner shall not be cancelled if the service retirement pensioner is employed in a subject shortage area and the Employer that is employing the service retirement pensioner meets the following requirements:

(1) If the Employer has honorably dismissed, within the calendar year preceding the beginning of the school term for which it seeks to employ a service retirement pensioner under this subsection, any teachers who are legally qualified to hold positions in the subject shortage area and have not yet begun to receive their service retirement pensions under this Article, the vacant positions must first be tendered to those teachers.

(2) For a period of at least 90 days during the 6 months preceding the beginning of either the fall or spring term for which it seeks to employ a service retirement pensioner under this subsection, the Employer must, on an ongoing basis, (i) advertise its vacancies in the subject shortage area in employment bulletins published by college and university placement offices located near the school; (ii) search for teachers legally qualified to fill those vacancies through the Illinois Education Job Bank; and (iii) post all vacancies on the Employer's website and list the vacancy in an online job portal or database.

An Employer of a teacher who is unable to continue employment with the Employer because of documented illness, injury, or disability that occurred after being hired by the Employer under this subsection is exempt from the provisions of paragraph (2) for 90 school days. However, the Employer must on an ongoing basis comply with items (i), (ii), and (iii) of paragraph (2).

The Employer must submit documentation of its compliance with this subsection to the regional superintendent. Upon receiving satisfactory documentation from the Employer, the regional superintendent shall certify the Employer's compliance with this subsection to the Fund.

(d) Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section made by Public Act 90-32 apply without regard to whether termination of service occurred before the effective date of that Act and apply retroactively to August 23, 1989.

Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section and Section 17-106 made by Public Act 92-599 apply without regard to whether termination of service occurred before June 28, 2002 (the effective date of Public Act 92-599).

Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section made by Public Act 97-912 apply without regard to whether termination of service occurred before August 8, 2012 (the effective date of Public Act 97-912).

Section 3-25. The Law Enforcement Camera Grant Act is amended by changing Section 10 as follows:

(50 ILCS 707/10)

Sec. 10. Law Enforcement Camera Grant Fund; creation, rules.

(a) The Law Enforcement Camera Grant Fund is created as a special fund in the State treasury. From appropriations to the Board from the Fund, the Board must make grants to units of local government in Illinois and Illinois public universities for the purpose of (1) purchasing or leasing in-car video cameras for use in law enforcement vehicles, (2) purchasing or leasing officer-worn body cameras and associated technology for law enforcement officers, and (3) training for law enforcement officers in the operation of the cameras. Grants under this Section may be used to offset data storage and related licensing costs for officer-worn body cameras. For the purposes of this Section, "purchasing or leasing" includes providing funding to units of local government in advance that can be used to obtain this equipment rather than only for reimbursement of purchased equipment.

Moneys received for the purposes of this Section, including, without limitation, fee receipts and gifts, grants, and awards from any public or private entity, must be deposited into the Fund. Any interest earned on moneys in the Fund must be deposited into the Fund.

(b) The Board may set requirements for the distribution of grant moneys and determine which law enforcement agencies are eligible.

(b-5) The Board shall consider compliance with the Uniform Crime Reporting Act as a factor in awarding grant moneys.

Section 3-27. The Illinois Library System Act is amended by changing Section 8 as follows:
(75 ILCS 10/8) (from Ch. 81, par. 118)

Sec. 8. State grants.

(a) There shall be a program of State grants within the limitations of funds appropriated by the Illinois General Assembly together with other funds made available by the federal government or other sources for this purpose. This program of State grants shall be administered by the State Librarian in accordance with rules and regulations as provided in Section 3 of this Act and shall include the following: (i) annual equalization grants; (ii) Library System grants; (iii) per capita grants to public libraries; and (iv) planning and construction grants to public libraries and library systems. Libraries, in order to be eligible for grants under this Section, must be members of a library system.

(b) An annual equalization grant shall be made to all public libraries for which the corporate authorities levy a tax for library purposes at a rate not less than .13% of the value of all the taxable property as equalized and assessed by the Department of Revenue if the amount of tax revenue obtained from a rate of .13% produces less than \$17.50 per capita in property tax revenue from property taxes for Fiscal Year 2025 ~~(i) \$4.25 per capita in property tax revenue from property taxes for the 2006 taxable year payable in 2007 and (ii) \$7.50 per capita in property tax revenue from property taxes for the 2007 taxable year and thereafter.~~ In that case, the State Librarian is authorized to make an equalization grant equivalent to the difference between the amount obtained from a rate of .13% and an annual income of \$17.50 per capita for grants made in Fiscal Year 2025 ~~\$4.25 per capita for grants made through Fiscal Year 2008, and an annual income of \$7.50 per capita for grants made in Fiscal Year 2009 and thereafter.~~ If moneys appropriated for grants under this Section are not sufficient, then the State Librarian shall reduce the per capita amount of the grants so that the qualifying public libraries receive the same amount per capita, but in no event shall the grant be less than equivalent to the difference between the amount of the tax revenue obtained from the current levy and an annual income of \$4.25 per capita. If a library receiving an equalization grant reduces its tax levy below the amount levied at the time the original application is approved, it shall be ineligible to receive further equalization grants.

If a library is subject to the Property Tax Extension Limitation Law in the Property Tax Code and its tax levy for library purposes has been lowered to a rate of less than .13%, the library will qualify for this grant if the library levied a tax for library purposes that met the requirements for this grant in the previous year and if the tax levied for library purposes in the current year produces tax revenue for the library that is an increase over the previous year's extension of 5% or the percentage increase in the Consumer Price Index, whichever is less, and the tax revenue produced by this levy is less than \$17.50 per capita in property tax revenue from property taxes for the Fiscal Year 2025 ~~(i) \$4.25 per capita in property tax revenue from property taxes for the 2006 taxable year payable in 2007 and (ii) \$7.50 per capita in property tax revenue from property taxes for the 2007 taxable year and thereafter.~~ In this case, the State Librarian is authorized to make an equalization grant equivalent to the difference between the amount of tax revenue obtained from the current levy and an annual income of \$17.50 per capita for grants made in Fiscal Year 2025 ~~\$4.25 per capita for grants made through Fiscal Year 2008, and an annual income of \$7.50 per capita for grants made in Fiscal Year 2009 and thereafter.~~ If moneys appropriated for grants under this Section are not sufficient, then the State Librarian shall reduce the per capita amount of the grants so that the qualifying public libraries receive the same amount per capita, but in no event shall the grant be less than equivalent to the difference between the amount of the tax revenue obtained from the current levy and an annual income of \$4.25 per capita. If a library receiving an equalization grant reduces its tax levy below the amount levied at the time the original application is approved, it shall be ineligible to receive further equalization grants.

(c) Annual Library System grants shall be made, upon application, to each library system approved by the State Librarian on the following basis:

- (1) For library systems, the sum of \$1.46 per capita of the population of the area served plus the sum of \$50.75 per square mile or fraction thereof of the area served except as provided in paragraph (4) of this subsection.

(2) If the amounts appropriated for grants are different from the amount provided for in paragraph (1) of this subsection, the area and per capita funding shall be proportionately reduced or increased accordingly.

(3) For library systems, additional funds may be appropriated. The appropriation shall be distributed on the same proportional per capita and per square mile basis as provided in paragraphs (1) and (4) of this subsection.

(4) Per capita and area funding for a multitype library system as defined in subparagraph (3) of the definition of "library system" in Section 2 and a public library system in cities with a population of 500,000 or more as defined in subparagraph (2) of the definition of "library system" in Section 2 shall be apportioned with 25% of the funding granted to the multitype library system and 75% of the funding granted to the public library system.

(d) The "area served" for the purposes of making and expending annual Library System grants means the area that lies within the geographic boundaries of the library system as approved by the State Librarian, except that grant funding awarded to a library system may also be expended for the provision of services to members of other library systems if such an expenditure is included in a library system's plan of service and is approved by the State Librarian. In determining the population of the area served by the library system, the Illinois State Library shall use the latest federal census for the political subdivisions in the area served.

(e) In order to be eligible for a grant under this Section, the corporate authorities, instead of a tax levy at a particular rate, may provide an amount equivalent to the amount produced by that levy.

Section 3-30. The School Code is amended by changing Section 29-5 as follows:
(105 ILCS 5/29-5) (from Ch. 122, par. 29-5)

Sec. 29-5. Reimbursement by State for transportation. Any school district or State-authorized charter school, maintaining a school, transporting resident pupils to another school district's vocational program, offered through a joint agreement approved by the State Board of Education, as provided in Section 10-22.22 or transporting its resident pupils to a school which meets the standards for recognition as established by the State Board of Education which provides transportation meeting the standards of safety, comfort, convenience, efficiency and operation prescribed by the State Board of Education for resident pupils in kindergarten or any of grades 1 through 12 who: (a) reside at least 1 1/2 miles as measured by the customary route of travel, from the school attended; or (b) reside in areas where conditions are such that walking constitutes a hazard to the safety of the child when determined under Section 29-3; and (c) are transported to the school attended from pick-up points at the beginning of the school day and back again at the close of the school day or transported to and from their assigned attendance centers during the school day; shall be reimbursed by the State as hereinafter provided in this Section.

The State will pay the prorated allowable cost of transporting eligible pupils less the real equalized assessed valuation as computed under paragraph (3) of subsection (d) of Section 18-8.15 in a dual school district maintaining secondary grades 9 to 12 inclusive times a qualifying rate of .05%; in elementary school districts maintaining grades K to 8 times a qualifying rate of .06%; and in unit districts maintaining grades K to 12, including partial elementary unit districts formed pursuant to Article 11E, times a qualifying rate of .07%. For a State-authorized charter school, the State shall pay the prorated allowable cost of transporting eligible pupils less a real equalized assessed valuation calculated pursuant to this Section times a qualifying rate. For purposes of calculating the real equalized assessed valuation for a State-authorized charter school whose resident district is not a school district organized under Article 34 of this Code, the State Board of Education shall calculate the average of the number of students in grades kindergarten through 12 reported as enrolled in the charter school in the State Board's Student Information System on October 1 and March 1 of the immediately preceding school year. That value shall be divided by the average of the number of students in grades kindergarten through 12 reported as enrolled in the charter school's resident district on October 1 and March 1 of the immediately preceding school year. That proportion shall be multiplied by the real equalized assessed valuation as computed under paragraph (3) of subsection (d) of Section 18-8.15 for each State-authorized charter school's applicable resident district. A State-authorized charter school whose resident district is organized under Article 34 of this Code shall have a real equalized assessed valuation equal to the real equalized assessed valuation of its resident district as computed under paragraph (3) of subsection (d) of Section 18-8.15. A State-authorized charter school's qualifying rate shall be the same as the rate that applies to the charter school's resident district.

To be eligible to receive reimbursement in excess of 4/5 of the cost to transport eligible pupils, a school district or partial elementary unit district formed pursuant to Article 11E shall have a Transportation Fund tax rate of at least .12%. The Transportation Fund tax rate for a partial elementary unit district formed pursuant to Article 11E shall be the combined elementary and high school rates pursuant to paragraph (4) of subsection (a) of Section 18-8.15.

If a school district or partial elementary unit district formed pursuant to Article 11E does not have a .12% Transportation Fund tax rate, the amount of its claim in excess of 4/5 of the cost of transporting pupils shall be reduced by the sum arrived at by subtracting the Transportation Fund tax rate from .12% and multiplying that amount by the district's real equalized assessed valuation as computed under paragraph (3) of subsection (d) of Section 18-8.15, provided that in no case shall said reduction result in reimbursement of less than 4/5 of the cost to transport eligible pupils. No such adjustment may be applied to a claim filed by a State-authorized charter school.

Subject to the calculation of equalized assessed valuation, an adjustment for an insufficient tax rate, and the use of a qualifying rate as provided in this Section, a State-authorized charter school may make a claim for reimbursement by the State that is calculated in the same manner as a school district.

The minimum amount to be received by a district is \$16 times the number of eligible pupils transported.

When calculating the reimbursement for transportation costs, the State Board of Education may not deduct the number of pupils enrolled in early education programs from the number of pupils eligible for reimbursement if the pupils enrolled in the early education programs are transported at the same time as other eligible pupils.

Any such district transporting resident pupils during the school day to an area vocational school or another school district's vocational program more than 1 1/2 miles from the school attended, as provided in Sections 10-22.20a and 10-22.22, shall be reimbursed by the State for 4/5 of the cost of transporting eligible pupils.

School day means that period of time during which the pupil is required to be in attendance for instructional purposes.

If a pupil is at a location within the school district other than his residence for child care purposes at the time for transportation to school, that location may be considered for purposes of determining the 1 1/2 miles from the school attended.

Claims for reimbursement that include children who attend any school other than a public school shall show the number of such children transported.

Claims for reimbursement under this Section shall not be paid for the transportation of pupils for whom transportation costs are claimed for payment under other Sections of this Act.

The allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall be limited to the sum of the cost of physical examinations required for employment as a school bus driver; the salaries of full-time or part-time drivers and school bus maintenance personnel; employee benefits excluding Illinois municipal retirement payments, social security payments, unemployment insurance payments and workers' compensation insurance premiums; expenditures to independent carriers who operate school buses; payments to other school districts for pupil transportation services; pre-approved contractual expenditures for computerized bus scheduling; expenditures for housing assistance and homeless prevention under Sections 1-17 and 1-18 of the Education for Homeless Children Act that are not in excess of the school district's actual costs for providing transportation services and are not otherwise claimed in another State or federal grant that permits those costs to a parent, a legal guardian, any other person who enrolled a pupil, or a homeless assistance agency that is part of the federal McKinney-Vento Homeless Assistance Act's continuum of care for the area in which the district is located; the cost of gasoline, oil, tires, and other supplies necessary for the operation of school buses; the cost of converting buses' gasoline engines to more fuel efficient engines or to engines which use alternative energy sources; the cost of travel to meetings and workshops conducted by the regional superintendent or the State Superintendent of Education pursuant to the standards established by the Secretary of State under Section 6-106 of the Illinois Vehicle Code to improve the driving skills of school bus drivers; the cost of maintenance of school buses including parts and materials used; expenditures for leasing transportation vehicles, except interest and service charges; the cost of insurance and licenses for transportation vehicles; expenditures for the rental of transportation equipment; plus a depreciation allowance of 20% for 5 years for school buses and vehicles approved for transporting pupils to and from school and a depreciation allowance of 10% for 10 years for other transportation equipment so used. Each school year, if a school district has

made expenditures to the Regional Transportation Authority or any of its service boards, a mass transit district, or an urban transportation district under an intergovernmental agreement with the district to provide for the transportation of pupils and if the public transit carrier received direct payment for services or passes from a school district within its service area during the 2000-2001 school year, then the allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall also include the expenditures that the district has made to the public transit carrier. In addition to the above allowable costs, school districts shall also claim all transportation supervisory salary costs, including Illinois municipal retirement payments, and all transportation related building and building maintenance costs without limitation.

Special education allowable costs shall also include expenditures for the salaries of attendants or aides for that portion of the time they assist special education pupils while in transit and expenditures for parents and public carriers for transporting special education pupils when pre-approved by the State Superintendent of Education.

Indirect costs shall be included in the reimbursement claim for districts which own and operate their own school buses. Such indirect costs shall include administrative costs, or any costs attributable to transporting pupils from their attendance centers to another school building for instructional purposes. No school district which owns and operates its own school buses may claim reimbursement for indirect costs which exceed 5% of the total allowable direct costs for pupil transportation.

The State Board of Education shall prescribe uniform regulations for determining the above standards and shall prescribe forms of cost accounting and standards of determining reasonable depreciation. Such depreciation shall include the cost of equipping school buses with the safety features required by law or by the rules, regulations and standards promulgated by the State Board of Education, and the Department of Transportation for the safety and construction of school buses provided, however, any equipment cost reimbursed by the Department of Transportation for equipping school buses with such safety equipment shall be deducted from the allowable cost in the computation of reimbursement under this Section in the same percentage as the cost of the equipment is depreciated.

On or before August 15, annually, the chief school administrator for the district shall certify to the State Superintendent of Education the district's claim for reimbursement for the school year ending on June 30 next preceding. The State Superintendent of Education shall check and approve the claims and prepare the vouchers showing the amounts due for district reimbursement claims. Each fiscal year, the State Superintendent of Education shall prepare and transmit the first 3 vouchers to the Comptroller on the 30th day of September, December and March, respectively, and the final voucher, no later than June 20.

If the amount appropriated for transportation reimbursement is insufficient to fund total claims for any fiscal year, the State Board of Education shall reduce each school district's allowable costs and flat grant amount proportionately to make total adjusted claims equal the total amount appropriated.

For purposes of calculating claims for reimbursement under this Section for any school year beginning July 1, 2016, the equalized assessed valuation for a school district or partial elementary unit district formed pursuant to Article 11E used to compute reimbursement shall be the real equalized assessed valuation as computed under paragraph (3) of subsection (d) of Section 18-8.15.

All reimbursements received from the State shall be deposited into the district's transportation fund or into the fund from which the allowable expenditures were made.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02b, or 14-13.01 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from State aid pursuant to Section 18-8.15 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this

paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

Any school district with a population of not more than 500,000 must deposit all funds received under this Article into the transportation fund and use those funds for the provision of transportation services.

Sec. 9.20. Fleet Electrification Incentive Program.

(a) In this Section:

"Eligible electric vehicle" means an electric truck or electric school bus categorized by the United States Environmental Protection Agency Emissions Classifications, using gross vehicle weight ratings, as a Class 2b, 3, 4, 5, 6, 7, or 8 vehicle, with or without a properly ventilated, conventionally powered heater.

"Eligible purchaser" means a person who the Agency determines:

(1) is the purchaser of an eligible electric vehicle that is registered in this State or recognized under the International Registration Plan;

(2) is domiciled in this State;

(3) in the case of a purchaser who is the lessee of an eligible electric vehicle, is the lessee of the vehicle for a term of at least 60 months; and

(4) has demonstrated, to the satisfaction of the Agency, that the eligible electric vehicle will operate within the State for at least 80% of its operational hours once purchased and delivered.

"Equity investment eligible community" has the meaning given in the Energy Transition Act.

"Program" means the Fleet Electrification Incentive Program established under this Section.

"Purchaser" means a fleet owner, operator, or provider that will operate or manage the vehicle for a minimum of 5 years after receipt of the vehicle, whether through lease or direct purchase.

(b) To promote the use of eligible electric vehicles and to increase access to federal funding programs, the Agency shall establish, by rule, a Fleet Electrification Incentive Program through which it provides eligible purchasers a grant of up to the following base amounts for the purchase of an eligible electric vehicle:

(1) \$7,500 for a Class 2b vehicle;

(2) \$45,000 for a Class 3 vehicle;

(3) \$60,000 for a Class 4 or Class 5 vehicle;

(4) \$85,000 for a Class 6 or Class 7 vehicle; and

(5) \$120,000 for a Class 8 vehicle.

In addition, the Agency shall offer increased grant incentives of an additional 65% of the base amount for the purchase of a school bus that will serve a public school district.

(c) The Agency shall award grants under the Program to eligible purchasers on a competitive basis according to the availability of funding. The Agency shall use a points-based quantitative evaluation to be determined by the Agency by rule.

The Agency shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community.

The Agency shall also award additional points to an eligible purchaser who has negotiated and entered into a collective bargaining agreement at the time of application for the grant.

(d) A grant provided under the Program is limited to a maximum award of 80% of the purchase price per eligible electric vehicle. Multiple eligible electric vehicles may be included in each grant under the Program. An eligible purchaser may be awarded multiple grants under the Program; however, the Agency shall have the authority to implement, by rule, a limit on the number of grants awarded to each purchaser.

(e) An eligible purchaser shall enter into a grant agreement with the Agency upon notification from the Agency that the eligible purchaser's application has been approved. Grants under this Section shall be provided by the Agency with the submittal of a paid invoice for reimbursement. An eligible purchaser participating in the Program shall retain ownership of the eligible electric vehicle and meet all applicable project requirements for a minimum 5-year period after the date the eligible purchaser receives the vehicle. Resale of an eligible electric vehicle may be allowed within the 5-year period if necessitated by unforeseen or unavoidable circumstances with approval from the Agency. The Agency shall ensure the resale of an

eligible electric vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community.

(f) The deployment of the eligible electric vehicle in the purchaser's fleet is required within 24 months after receipt of notice of approval of the purchaser's Program application. Total completion of the project for which the eligible electric vehicle is purchased or leased must occur within 36 months after receipt of grant funds under the Program.

(g) A grant under this Section may be combined with other public incentives to support fleet purchasing decisions. Receipt of any other public incentive for an eligible electric vehicle shall not preclude a purchaser from being awarded a grant under this Section. However, the combined total of governmental incentives, including, but not limited to, tax credits, grants, or vouchers, shall not exceed 80% of the purchase price of the vehicle.

(h) The Agency shall set aside 20% of the appropriated funds under the Program for grants to the eligible purchaser of an electric school bus.

(i) All awards granted under this Section are subject to appropriation by the General Assembly.

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

Section 5-35. The State Revenue Sharing Act is amended by changing Section 12 as follows:
(30 ILCS 115/12) (from Ch. 85, par. 616)

Sec. 12. Personal Property Tax Replacement Fund. There is hereby created the Personal Property Tax Replacement Fund, a special fund in the State Treasury into which shall be paid all revenue realized:

(a) all amounts realized from the additional personal property tax replacement income tax imposed by subsections (c) and (d) of Section 201 of the Illinois Income Tax Act, except for those amounts deposited into the Income Tax Refund Fund pursuant to subsection (c) of Section 901 of the Illinois Income Tax Act; and

(b) all amounts realized from the additional personal property replacement invested capital taxes imposed by Section 2a.1 of the Messages Tax Act, Section 2a.1 of the Gas Revenue Tax Act, Section 2a.1 of the Public Utilities Revenue Act, and Section 3 of the Water Company Invested Capital Tax Act, and amounts payable to the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act.

As soon as may be after the end of each month, the Department of Revenue shall certify to the Treasurer and the Comptroller the amount of all refunds paid out of the General Revenue Fund through the preceding month on account of overpayment of liability on taxes paid into the Personal Property Tax

Replacement Fund. Upon receipt of such certification, the Treasurer and the Comptroller shall transfer the amount so certified from the Personal Property Tax Replacement Fund into the General Revenue Fund.

The payments of revenue into the Personal Property Tax Replacement Fund shall be used exclusively for distribution to taxing districts, regional offices and officials, and local officials as provided in this Section and in the School Code, payment of the ordinary and contingent expenses of the Property Tax Appeal Board, payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of monies paid into the Personal Property Tax Replacement Fund and transfers due to refunds to taxpayers for overpayment of liability for taxes paid into the Personal Property Tax Replacement Fund.

In addition, moneys in the Personal Property Tax Replacement Fund may be used to pay any of the following: (i) salary, stipends, and additional compensation as provided by law for chief election clerks, county clerks, and county recorders; (ii) costs associated with regional offices of education and educational service centers; (iii) reimbursements payable by the State Board of Elections under Section 4-25, 5-35, 6-71, 13-10, 13-10a, or 13-11 of the Election Code; (iv) expenses of the Illinois Educational Labor Relations Board; and (v) salary, personal services, and additional compensation as provided by law for court reporters under the Court Reporters Act.

As soon as may be after June 26, 1980 (the effective date of Public Act 81-1255), the Department of Revenue shall certify to the Treasurer the amount of net replacement revenue paid into the General Revenue Fund prior to that effective date from the additional tax imposed by Section 2a.1 of the Messages Tax Act; Section 2a.1 of the Gas Revenue Tax Act; Section 2a.1 of the Public Utilities Revenue Act; Section 3 of the Water Company Invested Capital Tax Act; amounts collected by the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act; and the additional personal property tax replacement income tax imposed by the Illinois Income Tax Act, as amended by Public Act 81-1st Special Session-1. Net replacement revenue shall be defined as the total amount paid into and remaining in the General Revenue Fund as a result of those Acts minus the amount outstanding and obligated from the General Revenue Fund in state vouchers or warrants prior to June 26, 1980 (the effective date of Public Act 81-1255) as refunds to taxpayers for overpayment of liability under those Acts.

All interest earned by monies accumulated in the Personal Property Tax Replacement Fund shall be deposited in such Fund. All amounts allocated pursuant to this Section are appropriated on a continuing basis.

Prior to December 31, 1980, as soon as may be after the end of each quarter beginning with the quarter ending December 31, 1979, and on and after December 31, 1980, as soon as may be after January 1, March 1, April 1, May 1, July 1, August 1, October 1 and December 1 of each year, the Department of Revenue shall allocate to each taxing district as defined in Section 1-150 of the Property Tax Code, in accordance with the provisions of paragraph (2) of this Section the portion of the funds held in the Personal Property Tax Replacement Fund which is required to be distributed, as provided in paragraph (1), for each quarter. Provided, however, under no circumstances shall any taxing district during each of the first two years of distribution of the taxes imposed by Public Act 81-1st Special Session-1 be entitled to an annual allocation which is less than the funds such taxing district collected from the 1978 personal property tax. Provided further that under no circumstances shall any taxing district during the third year of distribution of the taxes imposed by Public Act 81-1st Special Session-1 receive less than 60% of the funds such taxing district collected from the 1978 personal property tax. In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

Any township which receives an allocation based in whole or in part upon personal property taxes which it levied pursuant to Section 6-507 or 6-512 of the Illinois Highway Code and which was previously required to be paid over to a municipality shall immediately pay over to that municipality a proportionate share of the personal property replacement funds which such township receives.

Any municipality or township, other than a municipality with a population in excess of 500,000, which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Sections 3-1, 3-4 and 3-6 of the Illinois Local Library Act and which was previously required to be paid over to a public library shall immediately pay over to that library a proportionate share of the personal property tax replacement funds which such municipality or township receives; provided that if such a public library has converted to a library organized under the Illinois Public Library District Act, regardless of

whether such conversion has occurred on, after or before January 1, 1988, such proportionate share shall be immediately paid over to the library district which maintains and operates the library. However, any library that has converted prior to January 1, 1988, and which hitherto has not received the personal property tax replacement funds, shall receive such funds commencing on January 1, 1988.

Any township which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Section 1c of the Public Graveyards Act and which taxes were previously required to be paid over to or used for such public cemetery or cemeteries shall immediately pay over to or use for such public cemetery or cemeteries a proportionate share of the personal property tax replacement funds which the township receives.

Any taxing district which receives an allocation based in whole or in part upon personal property taxes which it levied for another governmental body or school district in Cook County in 1976 or for another governmental body or school district in the remainder of the State in 1977 shall immediately pay over to that governmental body or school district the amount of personal property replacement funds which such governmental body or school district would receive directly under the provisions of paragraph (2) of this Section, had it levied its own taxes.

(1) The portion of the Personal Property Tax Replacement Fund required to be distributed as of the time allocation is required to be made shall be the amount available in such Fund as of the time allocation is required to be made.

The amount available for distribution shall be the total amount in the fund at such time minus the necessary administrative and other authorized expenses as limited by the appropriation and the amount determined by: (a) \$2.8 million for fiscal year 1981; (b) for fiscal year 1982, .54% of the funds distributed from the fund during the preceding fiscal year; (c) for fiscal year 1983 through fiscal year 1988, .54% of the funds distributed from the fund during the preceding fiscal year less .02% of such fund for fiscal year 1983 and less .02% of such funds for each fiscal year thereafter; (d) for fiscal year 1989 through fiscal year 2011 no more than 105% of the actual administrative expenses of the prior fiscal year; (e) for fiscal year 2012 and beyond, a sufficient amount to pay (i) stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for local officials as authorized or required by statute and (ii) the ordinary and contingent expenses of the Property Tax Appeal Board and the expenses of the Department of Revenue incurred in administering the collection and distribution of moneys paid into the Fund; (f) for fiscal years 2012 and 2013 only, a sufficient amount to pay stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for regional offices and officials as authorized or required by statute; or (g) for fiscal years 2018 through ~~2025~~ 2024 only, a sufficient amount to pay amounts directed to be paid out of this Fund for public community college base operating grants and local health protection grants to certified local health departments as authorized or required by appropriation or statute. Such portion of the fund shall be determined after the transfer into the General Revenue Fund due to refunds, if any, paid from the General Revenue Fund during the preceding quarter. If at any time, for any reason, there is insufficient amount in the Personal Property Tax Replacement Fund for payments for regional offices and officials or local officials or payment of costs of administration or for transfers due to refunds at the end of any particular month, the amount of such insufficiency shall be carried over for the purposes of payments for regional offices and officials, local officials, transfers into the General Revenue Fund, and costs of administration to the following month or months. Net replacement revenue held, and defined above, shall be transferred by the Treasurer and Comptroller to the Personal Property Tax Replacement Fund within 10 days of such certification.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State.

The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Tax Base of each taxing district outside of Cook County is the personal property tax collections for that taxing district for the 1977 tax year. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County

taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

For all purposes of this Section 12, amounts paid to a taxing district for such tax years as may be applicable by a foreign corporation under the provisions of Section 7-202 of the Public Utilities Act, as amended, shall be deemed to be personal property taxes collected by such taxing district for such tax years as may be applicable. The Director shall determine from the Illinois Commerce Commission, for any tax year as may be applicable, the amounts so paid by any such foreign corporation to any and all taxing districts. The Illinois Commerce Commission shall furnish such information to the Director. For all purposes of this Section 12, the Director shall deem such amounts to be collected personal property taxes of each such taxing district for the applicable tax year or years.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1, 1979, beginning on January 1, 1996 (the effective date of Public Act 89-327), its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of Public Act 81-1st Special Session-1 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979, as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by Public Act 81-1255 shall be first applicable to 1980 taxes to be collected in 1981.

Sec. 3-7. Transportation bond funds. If the Department of Transportation incurs an interest liability under this Act that would be payable from a transportation bond fund, the Department of Transportation is authorized to pay the interest from its available appropriations from the Road Fund, as long as the original purpose to which the bond funds were applied was consistent with Section 11 of Article IX of the Illinois Constitution. As used in this Section, "transportation bond fund" means any of the following funds in the State treasury: the Transportation Bond, Series A Fund; the Transportation Bond, Series B Fund; the Transportation Bond Series D Fund; and the Multi-modal Transportation Bond Fund.

Section 5-45. The Illinois Works Jobs Program Act is amended by changing Section 20-15 as follows:

(30 ILCS 559/20-15)

Sec. 20-15. Illinois Works Preapprenticeship Program; Illinois Works Bid Credit Program.

(a) The Illinois Works Preapprenticeship Program is established and shall be administered by the Department. The goal of the Illinois Works Preapprenticeship Program is to create a network of community-based organizations throughout the State that will recruit, prescreen, and provide preapprenticeship skills training, for which participants may attend free of charge and receive a stipend, to create a qualified, diverse pipeline of workers who are prepared for careers in the construction and building trades. Upon completion of the Illinois Works Preapprenticeship Program, the candidates will be skilled and work-ready.

(b) There is created the Illinois Works Fund, a special fund in the State treasury. The Illinois Works Fund shall be administered by the Department. The Illinois Works Fund shall be used to provide funding for community-based organizations throughout the State. In addition to any other transfers that may be provided for by law, on and after July 1, 2019 at the direction of the Director of the Governor's Office of Management and Budget, the State Comptroller shall direct and the State Treasurer shall transfer amounts not exceeding a total of \$50,000,000 from the Rebuild Illinois Projects Fund to the Illinois Works Fund.

(b-5) In addition to any other transfers that may be provided for by law, beginning July 1, 2024 and each July 1 thereafter, or as soon thereafter as practical, the State Comptroller shall direct and the State Treasurer shall transfer \$20,000,000 from the Capital Projects Fund to the Illinois Works Fund.

(c) Each community-based organization that receives funding from the Illinois Works Fund shall provide an annual report to the Illinois Works Review Panel by April 1 of each calendar year. The annual report shall include the following information:

(1) a description of the community-based organization's recruitment, screening, and training efforts;

(2) the number of individuals who apply to, participate in, and complete the community-based organization's program, broken down by race, gender, age, and veteran status; and

(3) the number of the individuals referenced in item (2) of this subsection who are initially accepted and placed into apprenticeship programs in the construction and building trades.

(d) The Department shall create and administer the Illinois Works Bid Credit Program that shall provide economic incentives, through bid credits, to encourage contractors and subcontractors to provide contracting and employment opportunities to historically underrepresented populations in the construction industry.

The Illinois Works Bid Credit Program shall allow contractors and subcontractors to earn bid credits for use toward future bids for public works projects contracted by the State or an agency of the State in order to increase the chances that the contractor and the subcontractors will be selected.

Contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program. Contractors or subcontractors shall earn bid

credits at a rate established by the Department and based on labor hours worked by apprentices who have completed the Illinois Works Preapprenticeship Program. In order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. Contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood of being selected as the contractor for the public works project toward which they have applied the bid credit. The Department shall establish the rate by rule and shall publish it on the Department's website. The rule may include maximum bid credits allowed per contractor, per subcontractor, per apprentice, per bid, or per year.

The Illinois Works Credit Bank is hereby created and shall be administered by the Department. The Illinois Works Credit Bank shall track the bid credits.

A contractor or subcontractor who has been awarded bid credits under any other State program for employing apprentices who have completed the Illinois Works Preapprenticeship Program is not eligible to receive bid credits under the Illinois Works Bid Credit Program relating to the same contract.

The Department shall report to the Illinois Works Review Panel the following: (i) the number of bid credits awarded by the Department; (ii) the number of bid credits submitted by the contractor or subcontractor to the agency administering the public works contract; and (iii) the number of bid credits accepted by the agency for such contract. Any agency that awards bid credits pursuant to the Illinois Works Credit Bank Program shall report to the Department the number of bid credits it accepted for the public works contract.

Upon a finding that a contractor or subcontractor has reported falsified records to the Department in order to fraudulently obtain bid credits, the Department may bar the contractor or subcontractor from participating in the Illinois Works Bid Credit Program and may suspend the contractor or subcontractor from bidding on or participating in any public works project. False or fraudulent claims for payment relating to false bid credits may be subject to damages and penalties under applicable law.

(e) The Department shall adopt any rules deemed necessary to implement this Section. In order to provide for the expeditious and timely implementation of this Act, the Department may adopt emergency rules. The adoption of emergency rules authorized by this subsection is deemed to be necessary for the public interest, safety, and welfare.

(30 ILCS 740/2-3) (from Ch. 111 2/3, par. 663)

Sec. 2-3. (a) As soon as possible after the first day of each month, beginning July 1, 1984, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the Downstate Public Transportation Fund, an amount equal to 2/32 (beginning July 1, 2005, 3/32) of the net revenue realized from the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of each participant, other than any Metro-East Transit District participant certified pursuant to subsection (c) of this Section during the preceding month, except that the Department shall pay into the Downstate Public Transportation Fund 2/32 (beginning July 1, 2005, 3/32) of 80% of the net revenue realized under the State tax Acts named above within any municipality or county located wholly within the boundaries of each participant, other than any Metro-East participant, for tax periods beginning on or after January 1, 1990. Net revenue realized for a month shall be the revenue collected by the State pursuant to such Acts during the previous month from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of a participant, less the amount paid out during that same month as refunds or credit memoranda to taxpayers for overpayment of liability under such Acts for the benefit of any municipality or county located wholly within the boundaries of a participant.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (a) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

A local match equivalent to an amount which could be raised by a tax levy at the rate of .05% on the assessed value of property within the boundaries of Madison County is required annually to cause a total of 2/32 of the net revenue to be deposited in the Metro-East Public Transportation Fund. Failure to raise the required local match annually shall result in only 1/32 being deposited into the Metro-East Public Transportation Fund after July 1, 1989, or 1/32 of 80% of the net revenue realized for tax periods beginning on or after January 1, 1990.

(b-5) As soon as possible after the first day of each month, beginning July 1, 2005, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Monroe and St. Clair Counties under the State Tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2005, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Monroe and St. Clair Counties.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-5) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-6) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b-7) Beginning July 1, 2018, notwithstanding ~~any the~~ other provisions of law to the contrary ~~this Section~~, instead of the Comptroller making monthly transfers from the General Revenue Fund to the Downstate Public Transportation Fund, the Department of Revenue shall deposit the designated fraction of the net revenue realized from collections under the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act directly into the Downstate Public Transportation Fund, except that, for the State fiscal year beginning July 1, 2024, the first \$75,000,000 that would have otherwise been deposited as provided in this subsection shall instead be transferred from the Road Fund to the Downstate Public Transportation Fund by the Treasurer upon certification by the Department of Revenue and order of the Comptroller. The funds authorized and transferred pursuant to this amendatory Act of the 103rd General Assembly are not intended or planned for road construction projects.

(d) For the purposes of this Article, beginning in fiscal year 2009 the General Assembly shall appropriate an amount from the Downstate Public Transportation Fund equal to the sum total of funds projected to be paid to the participants pursuant to Section 2-7. If the General Assembly fails to make appropriations sufficient to cover the amounts projected to be paid pursuant to Section 2-7, this Act shall constitute an irrevocable and continuing appropriation from the Downstate Public Transportation Fund of all amounts necessary for those purposes.

(5) (Blank).

(6) (Blank).

(7) For State fiscal year 2020 only, notwithstanding any provision of law to the contrary, the total amount of revenue and deposits under this Section attributable to revenues realized during State fiscal year 2020 shall be reduced by 5%.

The Comptroller, as soon as possible after each monthly transfer provided in this Section and after each deposit into the Public Transportation Fund, shall order the Treasurer to pay to the Authority out of the Public Transportation Fund the amount so transferred or deposited. Any Additional State Assistance and Additional Financial Assistance paid to the Authority under this Section shall be expended by the Authority for its purposes as provided in this Act. The balance of the amounts paid to the Authority from the Public Transportation Fund shall be expended by the Authority as provided in Section 4.03.3. The Comptroller, as soon as possible after each deposit into the Regional Transportation Authority Occupation and Use Tax Replacement Fund provided in this Section and Section 6z-17 of the State Finance Act, shall order the Treasurer to pay to the Authority out of the Regional Transportation Authority Occupation and Use Tax Replacement Fund the amount so deposited. Such amounts paid to the Authority may be expended by it for its purposes as provided in this Act. The provisions directing the distributions from the Public Transportation Fund and the Regional Transportation Authority Occupation and Use Tax Replacement Fund provided for in this Section shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized and directed to make distributions as provided in this Section. (2) Provided, however, no moneys deposited under subsection (a) of this Section shall be paid from the Public Transportation Fund to the Authority or its assignee for any fiscal year until the Authority has certified to the Governor, the Comptroller, and the Mayor of the City of Chicago that it has adopted for that fiscal year an Annual Budget and Two-Year Financial Plan meeting the requirements in Section 4.01(b).

(c) In recognition of the efforts of the Authority to enhance the mass transportation facilities under its control, the State shall provide financial assistance ("Additional State Assistance") in excess of the amounts transferred to the Authority from the General Revenue Fund under subsection (a) of this Section. Additional State Assistance shall be calculated as provided in subsection (d), but shall in no event exceed the following specified amounts with respect to the following State fiscal years:

1998	\$55,000,000; and
each year thereafter	\$55,000,000.

(c-5) The State shall provide financial assistance ("Additional Financial Assistance") in addition to the Additional State Assistance provided by subsection (c) and the amounts transferred to the Authority from the General Revenue Fund under subsection (a) of this Section. Additional Financial Assistance provided by this subsection shall be calculated as provided in subsection (d), but shall in no event exceed the following specified amounts with respect to the following State fiscal years:

(d) Beginning with State fiscal year 1990 and continuing for each State fiscal year thereafter, the Authority shall annually certify to the State Comptroller and State Treasurer, separately with respect to each of subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act, the following amounts:

(1) The amount necessary and required, during the State fiscal year with respect to which the certification is made, to pay its obligations for debt service on all outstanding bonds or notes issued by the Authority under subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act.

The certification shall include a specific schedule of debt service payments, including the date and amount of each payment for all outstanding bonds or notes and an estimated schedule of anticipated debt service for all bonds and notes it intends to issue, if any, during that State fiscal year, including the estimated date and estimated amount of each payment.

Immediately upon the issuance of bonds for which an estimated schedule of debt service payments was prepared, the Authority shall file an amended certification with respect to item (2) above, to specify the actual schedule of debt service payments, including the date and amount of each payment, for the remainder of the State fiscal year.

On the first day of each month of the State fiscal year in which there are bonds outstanding with respect to which the certification is made, the State Comptroller shall order transferred and the State Treasurer shall transfer from the Road Fund to the Public Transportation Fund the Additional State Assistance and Additional Financial Assistance in an amount equal to the aggregate of (i) one-twelfth of the sum of the amounts certified under items (1) and (3) above less the amount certified under item (4) above, plus (ii) the amount required to pay debt service on bonds and notes issued during the fiscal year, if any, divided by the number of months remaining in the fiscal year after the date of issuance, or some smaller portion as may be necessary under subsection (c) or (c-5) of this Section for the relevant State fiscal year, plus (iii) any cumulative deficiencies in transfers for prior months, until an amount equal to the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, has been transferred; except that these transfers are subject to the following limits:

(A) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(2) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

(B) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(3) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c-5) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

The term "outstanding" does not include bonds or notes for which refunding or advance refunding bonds or notes have been issued.

(e) Neither Additional State Assistance nor Additional Financial Assistance may be pledged, either directly or indirectly as general revenues of the Authority, as security for any bonds issued by the Authority. The Authority may not assign its right to receive Additional State Assistance or Additional Financial Assistance, or direct payment of Additional State Assistance or Additional Financial Assistance, to a trustee or any other entity for the payment of debt service on its bonds.

(f) The certification required under subsection (d) with respect to outstanding bonds and notes of the Authority shall be filed as early as practicable before the beginning of the State fiscal year to which it relates. The certification shall be revised as may be necessary to accurately state the debt service requirements of the Authority.

(g) Within 6 months of the end of each fiscal year, the Authority shall determine:

(i) whether the aggregate of all system generated revenues for public transportation in the metropolitan region which is provided by, or under grant or purchase of service contracts with, the Service Boards equals 50% of the aggregate of all costs of providing such public transportation. "System generated revenues" include all the proceeds of fares and charges for services provided, contributions received in connection with public transportation from units of local government other than the Authority, except for contributions received by the Chicago Transit Authority from a real estate transfer tax imposed under subsection (i) of Section 8-3-19 of the Illinois Municipal Code, and from the State pursuant to subsection (i) of Section 2705-305 of the Department of Transportation Law, and all other revenues properly included consistent with generally accepted accounting principles but may not include: the proceeds from any borrowing, and, beginning with the 2007 fiscal year, all revenues and receipts, including but not limited to fares and grants received from the federal, State or any unit of local government or other entity, derived from providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act. "Costs" include all items properly included as operating costs consistent with generally accepted accounting principles, including administrative costs, but do not include: depreciation; payment of principal and interest on bonds, notes or other evidences of obligations for borrowed money of the Authority; payments with respect to public transportation facilities made pursuant to subsection (b) of Section 2.20; any payments with respect to rate protection contracts, credit enhancements or liquidity agreements made under Section 4.14; any other cost as to which it is reasonably expected that a cash expenditure will not be made; costs for passenger security including grants, contracts, personnel, equipment and administrative expenses, except in the case of the Chicago Transit Authority, in which case the term does not include costs spent annually by that entity for protection against crime as required by Section 27a of the Metropolitan Transit Authority Act; the costs of Debt Service paid by the Chicago Transit Authority, as defined in Section 12c of the Metropolitan Transit Authority Act, or bonds or notes issued pursuant to that Section; the payment by the Commuter Rail Division of debt service on bonds issued pursuant to Section 3B.09; expenses incurred by the Suburban Bus Division for the cost of new public transportation services funded from grants pursuant to Section 2.01e of this Act for a period of 2 years from the date of initiation of each such service; costs as exempted by the Board for projects pursuant to Section 2.09 of this Act; or, beginning with the 2007 fiscal year, expenses related to providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act; or in fiscal years 2008 through 2012 inclusive, costs in the amount of \$200,000,000 in fiscal year 2008, reducing by \$40,000,000 in each fiscal year thereafter until this exemption is eliminated. If said system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State; however, due to the fiscal impacts from the COVID-19 pandemic, for fiscal years 2021, 2022, 2023, 2024, and 2025, no such payment shall be required. The Treasurer shall deposit any such payment in the Road Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

(h) If the Authority makes any payment to the State under paragraph (g), the Authority shall reduce the amount provided to a Service Board from funds transferred under paragraph (a) in proportion to the amount by which that Service Board failed to meet its required system generated revenues recovery ratio. A Service Board which is affected by a reduction in funds under this paragraph shall submit to the Authority concurrently with its next due quarterly report a revised budget incorporating the reduction in funds. The revised budget must meet the criteria specified in clauses (i) through (vi) of Section 4.11(b)(2). The Board shall review and act on the revised budget as provided in Section 4.11(b)(3).

(h) The Agency is authorized to provide financial assistance to units of local government for the performance of inspecting, investigating, and enforcement activities pursuant to subsection (r) of Section 4 at nonhazardous solid waste disposal sites.

(i) The Agency is authorized to conduct household waste collection and disposal programs.

(j) A unit of local government, as defined in the Local Solid Waste Disposal Act, in which a solid waste disposal facility is located may establish a fee, tax, or surcharge with regard to the permanent disposal of solid waste. All fees, taxes, and surcharges collected under this subsection shall be utilized for solid waste management purposes, including long-term monitoring and maintenance of landfills, planning, implementation, inspection, enforcement and other activities consistent with the Illinois Solid Waste Management Act and the Local Solid Waste Disposal Act, or for any other environment-related purpose, including, but not limited to, an environment-related public works project, but not for the construction of a new pollution control facility other than a household hazardous waste facility. However, the total fee, tax or surcharge imposed by all units of local government under this subsection (j) upon the solid waste disposal facility shall not exceed:

(1) 60¢ per cubic yard if more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year, unless the owner or operator weighs the quantity of the solid waste received with a device for which certification has been obtained under the Weights and Measures Act, in which case the fee shall not exceed \$1.27 per ton of solid waste permanently disposed of.

(2) \$33,350 if more than 100,000 cubic yards, but not more than 150,000 cubic yards, of non-hazardous waste is permanently disposed of at the site in a calendar year.

(3) \$15,500 if more than 50,000 cubic yards, but not more than 100,000 cubic yards, of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

(4) \$4,650 if more than 10,000 cubic yards, but not more than 50,000 cubic yards, of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

(5) \$650 if not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

The corporate authorities of the unit of local government may use proceeds from the fee, tax, or surcharge to reimburse a highway commissioner whose road district lies wholly or partially within the corporate limits of the unit of local government for expenses incurred in the removal of nonhazardous,

nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

For the disposal of solid waste from general construction or demolition debris recovery facilities as defined in subsection (a-1) of Section 3.160, the total fee, tax, or surcharge imposed by all units of local government under this subsection (j) upon the solid waste disposal facility shall not exceed 50% of the applicable amount set forth above. A unit of local government, as defined in the Local Solid Waste Disposal Act, in which a general construction or demolition debris recovery facility is located may establish a fee, tax, or surcharge on the general construction or demolition debris recovery facility with regard to the permanent disposal of solid waste by the general construction or demolition debris recovery facility at a solid waste disposal facility, provided that such fee, tax, or surcharge shall not exceed 50% of the applicable amount set forth above, based on the total amount of solid waste transported from the general construction or demolition debris recovery facility for disposal at solid waste disposal facilities, and the unit of local government and fee shall be subject to all other requirements of this subsection (j).

A county or Municipal Joint Action Agency that imposes a fee, tax, or surcharge under this subsection may use the proceeds thereof to reimburse a municipality that lies wholly or partially within its boundaries for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

If the fees are to be used to conduct a local sanitary landfill inspection and enforcement program, the unit of local government must enter into a written delegation agreement with the Agency pursuant to subsection (r) of Section 4. The unit of local government and the Agency shall enter into such a written delegation agreement within 60 days after the establishment of such fees. At least annually, the Agency shall conduct an audit of the expenditures made by units of local government from the funds granted by the Agency to the units of local government for purposes of local sanitary landfill inspection and enforcement programs, to ensure that the funds have been expended for the prescribed purposes under the grant.

The fees, taxes or surcharges collected under this subsection (j) shall be placed by the unit of local government in a separate fund, and the interest received on the moneys in the fund shall be credited to the fund. The monies in the fund may be accumulated over a period of years to be expended in accordance with this subsection.

A unit of local government, as defined in the Local Solid Waste Disposal Act, shall prepare and post on its website, in April of each year, a report that details spending plans for monies collected in accordance with this subsection. The report will at a minimum include the following:

- (1) The total monies collected pursuant to this subsection.
- (2) The most current balance of monies collected pursuant to this subsection.
- (3) An itemized accounting of all monies expended for the previous year pursuant to this subsection.

(a) The Board shall certify to the Governor on or before December 15 of each year until December 15, 2011 the amount of the required State contribution to the System for the next fiscal year and shall specifically identify the System's projected State normal cost for that fiscal year. The certification shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and every January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

~~(b) Unless otherwise directed by the Comptroller under subsection (b-1), Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System for the applicable month on the 15th day of each month, or as soon thereafter as may be practicable. The amount vouchered for a monthly payment shall total, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a).~~

(b-1) Beginning in State fiscal year 2025, if the Comptroller requests that the Board submit, during a State fiscal year, vouchers for multiple monthly payments for advance payment of State contributions due to the System for that State fiscal year, then the Board shall submit those additional monthly vouchers as directed by the Comptroller, notwithstanding subsection (b). Unless an act of appropriations provides otherwise, nothing in this Section authorizes the Board to submit, in a State fiscal year, vouchers for the payment of State contributions to the System in an amount that exceeds the rate of payroll that is certified by the System under this Section for that State fiscal year. ~~From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (d) of Section 62-61 of the State Finance Act.~~

(b-2) The ~~These~~ vouchers described in subsections (b) and (b-1) shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(c) The full amount of any annual appropriation for the System for State fiscal year 1995 shall be transferred and made available to the System at the beginning of that fiscal year at the request of the Board. (40 ILCS 5/14-131)

Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (c).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a)(1) or (a)(2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From March 5, 2004 (the effective date of Public Act 93-665) through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal years 2010, 2012, and each fiscal year thereafter, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) Unless otherwise directed by the Comptroller under subsection (c-3), For State fiscal years 2010, 2012, and each fiscal year thereafter, on or as soon as possible after the 15th day of each month, the Board shall submit vouchers for payment of State contributions to the System for the applicable month on the 15th day of each month, or as soon thereafter as may be practicable. The amount vouchered for a monthly payment shall total, in a total monthly amount of one-twelfth of the fiscal year General Revenue Fund contribution as certified by the System pursuant to Section 14-135.08 of this the Illinois Pension Code.

(c-3) Beginning in State fiscal year 2025, if the Comptroller requests that the Board submit, during a State fiscal year, vouchers for multiple monthly payments for advance payment of State contributions due to the System for that State fiscal year, then the Board shall submit those additional vouchers as directed by the Comptroller, notwithstanding subsection (c-2). Unless an act of appropriations provides otherwise, nothing in this Section authorizes the Board to submit, in a State fiscal year, vouchers for the payment of State contributions to the System in an amount that exceeds the rate of payroll that is certified by the System under Section 14-135.08 for that State fiscal year.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State.

(e) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and

(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before July 7, 1997 (the effective date of Public Act 90-65), and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not

reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act.

(f) (Blank).

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) (Blank).

(j) (Blank).

(k) For fiscal year 2012 and each fiscal year thereafter, after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in the fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in the fiscal year for personal services. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for the fiscal year in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System for the fiscal year. If the amount due is more than the amount received, the difference shall be termed the "Prior Fiscal Year Shortfall" for purposes of this Section, and the Prior Fiscal Year Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Prior Fiscal Year Overpayment" for purposes of this Section, and the Prior Fiscal Year Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

The certification under this subsection (a) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year and the projected State cost for the self-managed plan for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public

Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note, in a written response to the State Actuary, any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-15) On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this subsection is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) The Board shall certify to the State Comptroller or employer, as the case may be, from time to time, by its chairperson and secretary, with its seal attached, the amounts payable to the System from the various funds.

(c) ~~Unless otherwise directed by the Comptroller under subsection (c-1), Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System for the applicable month on the 15th day of each month, or as soon thereafter as may be practicable. The amount vouchered for a monthly payment shall total, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a).~~

(c-1) Beginning in State fiscal year 2025, if the Comptroller requests that the Board submit, during a State fiscal year, vouchers for multiple monthly payments for advance payment of State contributions due to the System for that State fiscal year, then the Board shall submit those additional vouchers as directed by the Comptroller, notwithstanding subsection (c). Unless an act of appropriations provides otherwise, nothing in this Section authorizes the Board to submit, in a State fiscal year, vouchers for the payment of State contributions to the System in an amount that exceeds the annual certified contribution for the System under this Section for that State fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (b) of Section 62-61 of the State Finance Act.

~~(c-2) These vouchers described in subsections (c) and (c-1) shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.~~

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount

lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(d) So long as the payments received are the full amount lawfully vouchered under this Section, payments received by the System under this Section shall be applied first toward the employer contribution to the self-managed plan established under Section 15-158.2. Payments shall be applied second toward the employer's portion of the normal costs of the System, as defined in subsection (f) of Section 15-155. The balance shall be applied toward the unfunded actuarial liabilities of the System.

(e) In the event that the System does not receive, as a result of legislative enactment or otherwise, payments sufficient to fully fund the employer contribution to the self-managed plan established under Section 15-158.2 and to fully fund that portion of the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1), then any payments received shall be applied proportionately to the optional retirement program established under Section 15-158.2 and to the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1).

(40 ILCS 5/16-158) (from Ch. 108 1/2, par. 16-158)

Sec. 16-158. Contributions by State and other employing units.

(a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other State funds of amounts which, together with other employer contributions, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

(a-1) Annually, on or before November 15 until November 15, 2011, the Board shall certify to the Governor the amount of the required State contribution for the coming fiscal year. The certification under this subsection (a-1) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by Public Act 94-4.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by Public Act 100-23. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended

changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-15) On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by Public Act 100-587. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this subsection is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) Through State fiscal year 1995, the State contributions shall be paid to the System in accordance with Section 18-7 of the School Code.

(b-1) Unless otherwise directed by the Comptroller under subsection (b-1.1), Beginning in State fiscal year 1996, on the 15th day of each month, or as soon thereafter as may be practicable, the Board shall submit vouchers for payment of State contributions to the System for the applicable month on the 15th day of each month, or as soon thereafter as may be practicable. The amount vouchered for a monthly payment shall total, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a-1).

(b-1.1) Beginning in State fiscal year 2025, if the Comptroller requests that the Board submit, during a State fiscal year, vouchers for multiple monthly payments for the advance payment of State contributions due to the System for that State fiscal year, then the Board shall submit those additional vouchers as directed by the Comptroller, notwithstanding subsection (b-1). Unless an act of appropriations provides otherwise, nothing in this Section authorizes the Board to submit, in a State fiscal year, vouchers for the payment of State contributions to the System in an amount that exceeds the rate of payroll that is certified by the System under this Section for that State fiscal year.

~~From March 5, 2004 (the effective date of Public Act 93-665) through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (a) of Section 62-61 of the State Finance Act.~~

(b-1.2) The ~~these~~ vouchers described in subsections (b-1) and (b-1.1) shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this subsection, the difference shall be paid from the Common School Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(b-2) Allocations from the Common School Fund apportioned to school districts not coming under this System shall not be diminished or affected by the provisions of this Article.

(b-3) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

- (i) as already applied in State fiscal years before 2018; and
- (ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a), and notwithstanding any contrary certification made under subsection (a-1) before May 27, 1998 (the effective date of Public Act 90-582): 10.02% in FY 1999; 10.77% in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY 2003; and 13.56% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is \$534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is \$738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is \$2,089,268,000 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. This amount shall include, in addition to the amount certified by the System, an amount necessary to meet employer contributions required by the State as an employer under paragraph (e) of this Section, which may also be used by the System for contributions required by paragraph (a) of Section 16-127.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii)

the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b-4) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 16-158.3, determined as a level percentage of payroll over a 30-year rolling amortization period.

In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (b-4) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

(c) Payment of the required State contributions and of all pensions, retirement annuities, death benefits, refunds, and other benefits granted under or assumed by this System, and all expenses in connection with the administration and operation thereof, are obligations of the State.

If members are paid from special trust or federal funds which are administered by the employing unit, whether school district or other unit, the employing unit shall pay to the System from such funds the full accruing retirement costs based upon that service, which, beginning July 1, 2017, shall be at a rate, expressed as a percentage of salary, equal to the total employer's normal cost, expressed as a percentage of payroll, as determined by the System. Employer contributions, based on salary paid to members from federal funds, may be forwarded by the distributing agency of the State of Illinois to the System prior to allocation, in an amount determined in accordance with guidelines established by such agency and the System. Any contribution for fiscal year 2015 collected as a result of the change made by Public Act 98-674 shall be considered a State contribution under subsection (b-3) of this Section.

(d) Effective July 1, 1986, any employer of a teacher as defined in paragraph (8) of Section 16-106 shall pay the employer's normal cost of benefits based upon the teacher's service, in addition to employee contributions, as determined by the System. Such employer contributions shall be forwarded monthly in accordance with guidelines established by the System.

However, with respect to benefits granted under Section 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the employer's contribution shall be 12% (rather than 20%) of the member's highest annual salary rate for each year of creditable service granted, and the employer shall also pay the required employee contribution on behalf of the teacher. For the purposes of Sections 16-133.4 and 16-133.5, a teacher as defined in paragraph (8) of Section 16-106 who is serving in that capacity while on leave of absence from another employer under this Article shall not be considered an employee of the employer from which the teacher is on leave.

(e) Beginning July 1, 1998, every employer of a teacher shall pay to the System an employer contribution computed as follows:

(1) Beginning July 1, 1998 through June 30, 1999, the employer contribution shall be equal to 0.3% of each teacher's salary.

(2) Beginning July 1, 1999 and thereafter, the employer contribution shall be equal to 0.58% of each teacher's salary.

The school district or other employing unit may pay these employer contributions out of any source of funding available for that purpose and shall forward the contributions to the System on the schedule established for the payment of member contributions.

These employer contributions are intended to offset a portion of the cost to the System of the increases in retirement benefits resulting from Public Act 90-582.

Each employer of teachers is entitled to a credit against the contributions required under this subsection (e) with respect to salaries paid to teachers for the period January 1, 2002 through June 30, 2003, equal to the amount paid by that employer under subsection (a-5) of Section 6.6 of the State Employees Group Insurance Act of 1971 with respect to salaries paid to teachers for that period.

The additional 1% employee contribution required under Section 16-152 by Public Act 90-582 is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

If an employer is required by a contract in effect on May 1, 1998 between the employer and an employee organization to pay, on behalf of all its full-time employees covered by this Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and the employee organization shall jointly certify to the System the existence of the contractual requirement, in such form as the System may prescribe. This exclusion shall cease upon the termination, extension, or renewal of the contract at any time after May 1, 1998.

(f) If the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. If a teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then the changes made to this subsection (f) by Public Act 94-1057 shall apply in calculating whether the increase in his or her salary is in excess of 6%. For the purposes of this Section, change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. The System may require the employer to provide any pertinent information or documentation. The changes made to this subsection (f) by Public Act 94-1111 apply without regard to whether the teacher was in service on or after its effective date.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (g), (g-5), (g-10), (g-15), (g-20), or (h) of this Section, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(f-1) (Blank).

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a teacher at a time when the teacher is 10 or more years from retirement eligibility under Section 16-132 or 16-133.2.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload work, including summer school, when the school district has certified to the System, and the System has approved the certification, that (i) the overload work is for the sole purpose of classroom instruction in excess of the standard number of classes for a full-time teacher in a school district during a school year and (ii) the salary increases are equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule.

When assessing payment for any amount due under subsection (f), the System shall exclude a salary increase resulting from a promotion (i) for which the employee is required to hold a certificate or supervisory endorsement issued by the State Teacher Certification Board that is a different certification or supervisory endorsement than is required for the teacher's previous position and (ii) to a position that has existed and been filled by a member for no less than one complete academic year and the salary increase from the promotion is an increase that results in an amount no greater than the lesser of the average salary paid for other similar positions in the district requiring the same certification or the amount stipulated in the collective bargaining agreement for a similar position requiring the same certification.

When assessing payment for any amount due under subsection (f), the System shall exclude any payment to the teacher from the State of Illinois or the State Board of Education over which the employer does not have discretion, notwithstanding that the payment is included in the computation of final average salary.

(g-5) When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload or stipend work performed in a school year subsequent to a school year in which the employer was unable to offer or allow to be conducted overload or stipend work due to an emergency declaration limiting such activities.

(g-10) When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from increased instructional time that exceeded the instructional time required during the 2019-2020 school year.

(g-15) When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from teaching summer school on or after May 1, 2021 and before September 15, 2022.

(g-20) When assessing payment for any amount due under subsection (f), the System shall exclude salary increases necessary to bring a school board in compliance with Public Act 101-443 or this amendatory Act of the 103rd General Assembly.

(h) When assessing payment for any amount due under subsection (f), the System shall exclude any salary increase described in subsection (g) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.

(2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.

(3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.

(4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(i-5) For school years beginning on or after July 1, 2017, if the amount of a participant's salary for any school year exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines

established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of salary in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(j) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(k) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 18-140. To certify required State contributions and submit vouchers.

(a) The Board shall certify to the Governor, on or before November 15 of each year until November 15, 2011, the amount of the required State contribution to the System for the following fiscal year and shall specifically identify the System's projected State normal cost for that fiscal year. The certification shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and every January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

~~(b) Unless otherwise directed by the Comptroller under subsection (b-1), Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System for the applicable month on the 15th day of each month, or as soon thereafter as may be practicable. The amount vouchered for a monthly payment shall total, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a).~~

~~(b-1) Beginning in State fiscal year 2025, if the Comptroller requests that the Board submit, during a State fiscal year, vouchers for multiple monthly payments for the advance payment of State contributions due to the System for that State fiscal year, then the Board shall submit those additional vouchers as directed by the Comptroller, notwithstanding subsection (b). Unless an act of appropriations provides otherwise, nothing in this Section authorizes the Board to submit, in a State fiscal year, vouchers for the payment of State contributions to the System in an amount that exceeds the rate of payroll that is certified by the System under this Section for that State fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (c) of Section 6z-61 of the State Finance Act.~~

~~(b-2) The These vouchers described in subsections (b) and (b-1) shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.~~

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

Article 20.

Section 20-5. The Illinois Act on the Aging is amended by changing Section 4.02 as follows:
(20 ILCS 105/4.02)

Sec. 4.02. Community Care Program. The Department shall establish a program of services to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

- (a) (blank);
- (b) (blank);
- (c) home care aide services;
- (d) personal assistant services;
- (e) adult day services;

[May 26, 2024]

- (f) home-delivered meals;
- (g) education in self-care;
- (h) personal care services;
- (i) adult day health services;
- (j) habilitation services;
- (k) respite care;
- (k-5) community reintegration services;
- (k-6) flexible senior services;
- (k-7) medication management;
- (k-8) emergency home response;
- (l) other nonmedical social services that may enable the person to become self-supporting; or
- (m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for such services. In determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property, or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

Beginning January 1, 2008, the Department shall require as a condition of eligibility that all new financially eligible applicants apply for and enroll in medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 45 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 45 day notice period. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects, or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal, and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all personal assistant and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and

who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall increase the effectiveness of the existing Community Care Program by:

(1) ensuring that in-home services included in the care plan are available on evenings and weekends;

(2) ensuring that care plans contain the services that eligible participants need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service; the Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in their care plan and to direct how those services are provided, based on administrative rules established by the Department;

(4) ensuring that the determination of need tool is accurate in determining the participants' level of need; to achieve this, the Department, in conjunction with the Older Adult Services Advisory Committee, shall institute a study of the relationship between the Determination of Need scores, level of need, service cost maximums, and the development and utilization of service plans no later than May 1, 2008; findings and recommendations shall be presented to the Governor and the General Assembly no later than January 1, 2009; recommendations shall include all needed changes to the service cost maximums schedule and additional covered services;

(5) ensuring that homemakers can provide personal care services that may or may not involve contact with clients, including, but not limited to:

- (A) bathing;
- (B) grooming;
- (C) toileting;
- (D) nail care;
- (E) transferring;
- (F) respiratory services;
- (G) exercise; or
- (H) positioning;

(6) ensuring that homemaker program vendors are not restricted from hiring homemakers who are family members of clients or recommended by clients; the Department may not, by rule or policy,

require homemakers who are family members of clients or recommended by clients to accept assignments in homes other than the client;

(7) ensuring that the State may access maximum federal matching funds by seeking approval for the Centers for Medicare and Medicaid Services for modifications to the State's home and community based services waiver and additional waiver opportunities, including applying for enrollment in the Balance Incentive Payment Program by May 1, 2013, in order to maximize federal matching funds; this shall include, but not be limited to, modification that reflects all changes in the Community Care Program services and all increases in the services cost maximum;

(8) ensuring that the determination of need tool accurately reflects the service needs of individuals with Alzheimer's disease and related dementia disorders;

(9) ensuring that services are authorized accurately and consistently for the Community Care Program (CCP); the Department shall implement a Service Authorization policy directive; the purpose shall be to ensure that eligibility and services are authorized accurately and consistently in the CCP program; the policy directive shall clarify service authorization guidelines to Care Coordination Units and Community Care Program providers no later than May 1, 2013;

(10) working in conjunction with Care Coordination Units, the Department of Healthcare and Family Services, the Department of Human Services, Community Care Program providers, and other stakeholders to make improvements to the Medicaid claiming processes and the Medicaid enrollment procedures or requirements as needed, including, but not limited to, specific policy changes or rules to improve the up-front enrollment of participants in the Medicaid program and specific policy changes or rules to insure more prompt submission of bills to the federal government to secure maximum federal matching dollars as promptly as possible; the Department on Aging shall have at least 3 meetings with stakeholders by January 1, 2014 in order to address these improvements;

(11) requiring home care service providers to comply with the rounding of hours worked provisions under the federal Fair Labor Standards Act (FLSA) and as set forth in 29 CFR 785.48(b) by May 1, 2013;

(12) implementing any necessary policy changes or promulgating any rules, no later than January 1, 2014, to assist the Department of Healthcare and Family Services in moving as many participants as possible, consistent with federal regulations, into coordinated care plans if a care coordination plan that covers long term care is available in the recipient's area; and

(13) maintaining fiscal year 2014 rates at the same level established on January 1, 2013.

By January 1, 2009 or as soon after the end of the Cash and Counseling Demonstration Project as is practicable, the Department may, based on its evaluation of the demonstration project, promulgate rules concerning personal assistant services, to include, but need not be limited to, qualifications, employment screening, rights under fair labor standards, training, fiduciary agent, and supervision requirements. All applicants shall be subject to the provisions of the Health Care Worker Background Check Act.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on September 23, 1991 (the effective date of Public Act 87-729) ~~this amendatory Act of 1991~~, no person may perform chore/housekeeping and home care aide services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all ~~pre-service pre-~~ and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of all staff ~~pre-service pre-~~ and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as home care aides and personal assistants receive increases in their wages when the federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for home care aides and

personal assistants. An employer that cannot ensure that the minimum wage increase is being given to home care aides and personal assistants shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. Members of the Committee must abide by all applicable ethics laws. The Committee shall advise the Department on issues related to the Department's program of services to prevent unnecessary institutionalization. The Committee shall meet on a bi-monthly basis and shall serve to identify and advise the Department on present and potential issues affecting the service delivery network, the program's clients, and the Department and to recommend solution strategies. Persons appointed to the Committee shall be appointed on, but not limited to, their own and their agency's experience with the program, geographic representation, and willingness to serve. The Director shall appoint members to the Committee to represent provider, advocacy, policy research, and other constituencies committed to the delivery of high quality home and community-based services to older adults. Representatives shall be appointed to ensure representation from community care providers, including, but not limited to, adult day service providers, homemaker providers, case coordination and case management units, emergency home response providers, statewide trade or labor unions that represent home care aides and direct care staff, area agencies on aging, adults over age 60, membership organizations representing older adults, and other organizational entities, providers of care, or individuals with demonstrated interest and expertise in the field of home and community care as determined by the Director.

Nominations may be presented from any agency or State association with interest in the program. The Director, or his or her designee, shall serve as the permanent co-chair of the advisory committee. One other co-chair shall be nominated and approved by the members of the committee on an annual basis. Committee members' terms of appointment shall be for 4 years with one-quarter of the appointees' terms expiring each year. A member shall continue to serve until his or her replacement is named. The Department shall fill vacancies that have a remaining term of over one year, and this replacement shall occur through the annual replacement of expiring terms. The Director shall designate Department staff to provide technical assistance and staff support to the committee. Department representation shall not constitute membership of the committee. All Committee papers, issues, recommendations, reports, and meeting memoranda are advisory only. The Director, or his or her designee, shall make a written report, as requested by the Committee, regarding issues before the Committee.

The Department on Aging and the Department of Human Services shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before March 31 of the following fiscal year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report as required by Section 3.1 of the General Assembly Organization Act and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

Those persons previously found eligible for receiving non-institutional services whose services were discontinued under the Emergency Budget Act of Fiscal Year 1992, and who do not meet the eligibility standards in effect on or after July 1, 1992, shall remain ineligible on and after July 1, 1992. Those persons previously not required to cost-share and who were required to cost-share effective March 1, 1992, shall continue to meet cost-share requirements on and after July 1, 1992. Beginning July 1, 1992, all clients will be required to meet eligibility, cost-share, and other requirements and will have services discontinued or altered when they fail to meet these requirements.

For the purposes of this Section, "flexible senior services" refers to services that require one-time or periodic expenditures, including, but not limited to, respite care, home modification, assistive technology, housing assistance, and transportation.

The Department shall implement an electronic service verification based on global positioning systems or other cost-effective technology for the Community Care Program no later than January 1, 2014.

The Department shall require, as a condition of eligibility, enrollment in the medical assistance program under Article V of the Illinois Public Aid Code (i) beginning August 1, 2013, if the Auditor General has reported that the Department has failed to comply with the reporting requirements of Section 2-27 of the Illinois State Auditing Act; or (ii) beginning June 1, 2014, if the Auditor General has reported that the Department has not undertaken the required actions listed in the report required by subsection (a) of Section 2-27 of the Illinois State Auditing Act.

The Department shall delay Community Care Program services until an applicant is determined eligible for medical assistance under Article V of the Illinois Public Aid Code (i) beginning August 1, 2013, if the Auditor General has reported that the Department has failed to comply with the reporting requirements of Section 2-27 of the Illinois State Auditing Act; or (ii) beginning June 1, 2014, if the Auditor General has reported that the Department has not undertaken the required actions listed in the report required by subsection (a) of Section 2-27 of the Illinois State Auditing Act.

The Department shall implement co-payments for the Community Care Program at the federally allowable maximum level (i) beginning August 1, 2013, if the Auditor General has reported that the Department has failed to comply with the reporting requirements of Section 2-27 of the Illinois State Auditing Act; or (ii) beginning June 1, 2014, if the Auditor General has reported that the Department has not undertaken the required actions listed in the report required by subsection (a) of Section 2-27 of the Illinois State Auditing Act.

The Department shall continue to provide other Community Care Program reports as required by statute.

The Department shall conduct a quarterly review of Care Coordination Unit performance and adherence to service guidelines. The quarterly review shall be reported to the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, and the Minority Leader of the Senate. The Department shall collect and report longitudinal data on the performance of each care coordination unit. Nothing in this paragraph shall be construed to require the Department to identify specific care coordination units.

In regard to community care providers, failure to comply with Department on Aging policies shall be cause for disciplinary action, including, but not limited to, disqualification from serving Community Care Program clients. Each provider, upon submission of any bill or invoice to the Department for payment for services rendered, shall include a notarized statement, under penalty of perjury pursuant to Section 1-109 of the Code of Civil Procedure, that the provider has complied with all Department policies.

The Director of the Department on Aging shall make information available to the State Board of Elections as may be required by an agreement the State Board of Elections has entered into with a multi-state voter registration list maintenance system.

Within 30 days after July 6, 2017 (the effective date of Public Act 100-23), rates shall be increased to \$18.29 per hour, for the purpose of increasing, by at least \$.72 per hour, the wages paid by those vendors to their employees who provide homemaker services. The Department shall pay an enhanced rate under the Community Care Program to those in-home service provider agencies that offer health insurance coverage as a benefit to their direct service worker employees consistent with the mandates of Public Act 95-713. For State fiscal years 2018 and 2019, the enhanced rate shall be \$1.77 per hour. The rate shall be adjusted using actuarial analysis based on the cost of care, but shall not be set below \$1.77 per hour. The Department shall adopt rules, including emergency rules under subsections (y) and (bb) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this paragraph.

Subject to federal approval, beginning on January 1, 2024, rates for adult day services shall be increased to \$16.84 per hour and rates for each way transportation services for adult day services shall be increased to \$12.44 per unit transportation.

Subject to federal approval, on and after January 1, 2024, rates for homemaker services shall be increased to \$28.07 to sustain a minimum wage of \$17 per hour for direct service workers. Rates in subsequent State fiscal years shall be no lower than the rates put into effect upon federal approval. Providers of in-home services shall be required to certify to the Department that they remain in compliance with the mandated wage increase for direct service workers. Fringe benefits, including, but not limited to, paid time off and payment for training, health insurance, travel, or transportation, shall not be reduced in relation to the rate increases described in this paragraph.

Subject to and upon federal approval, on and after January 1, 2025, rates for homemaker services shall be increased to \$29.63 to sustain a minimum wage of \$18 per hour for direct service workers. Fringe benefits, including, but not limited to, paid time off and payment for training, health insurance, travel, or transportation, shall not be reduced in relation to the rate increases described in this paragraph.

The General Assembly finds it necessary to authorize an aggressive Medicaid enrollment initiative designed to maximize federal Medicaid funding for the Community Care Program which produces

significant savings for the State of Illinois. The Department on Aging shall establish and implement a Community Care Program Medicaid Initiative. Under the Initiative, the Department on Aging shall, at a minimum: (i) provide an enhanced rate to adequately compensate care coordination units to enroll eligible Community Care Program clients into Medicaid; (ii) use recommendations from a stakeholder committee on how best to implement the Initiative; and (iii) establish requirements for State agencies to make enrollment in the State's Medical Assistance program easier for seniors.

The Community Care Program Medicaid Enrollment Oversight Subcommittee is created as a subcommittee of the Older Adult Services Advisory Committee established in Section 35 of the Older Adult Services Act to make recommendations on how best to increase the number of medical assistance recipients who are enrolled in the Community Care Program. Section 30-5. The Department of Revenue Law of the Civil Administrative Code of Illinois is amended by changing Section 2505-810 as follows:

(20 ILCS 2505/2505-810)

Sec. 2505-810. Veterans Property Tax Relief Reimbursement Pilot Program.

(a) Subject to appropriation, for State fiscal years that begin on or after July 1, 2023 and before July 1, 2028, the Department shall establish and administer a Veterans Property Tax Relief Reimbursement Pilot Program. For purposes of the Program, the Department shall reimburse eligible taxing districts, in an amount calculated under subsection (c), for revenue loss associated with providing homestead exemptions to veterans with disabilities. A taxing district is eligible for reimbursement under this Section if (i) application of the homestead exemptions for veterans with disabilities under Sections 15-165 and 15-169 of the Property Tax Code results in a cumulative reduction of more than 2.5% in the total equalized assessed value of all taxable property in the taxing district, when compared with the total equalized assessed value of all taxable property in the taxing district prior to the application of those exemptions, for the taxable year that is 2 years before the start of the State fiscal year in which the application for reimbursement is made and (ii) the taxing district is located in whole or in part in a county that contains a United States military base. Reimbursement payments shall be made to the county that applies to the Department of Revenue on behalf of the taxing district under subsection (b) and shall be distributed by the county to the taxing district as directed by the Department of Revenue.

(b) If the county clerk determines that one or more taxing districts located in whole or in part in the county qualify for reimbursement under this Section, then the county clerk shall apply to the Department of Revenue on behalf of the taxing district for reimbursement under this Section in the form and manner required by the Department. The county clerk shall consolidate applications submitted on behalf of more than one taxing district into a single application. The Department of Revenue may audit the information submitted by the county clerk as part of the application under this Section for the purpose of verifying the accuracy of that information.

(c) Subject to the maximum aggregate reimbursement amount set forth in this subsection, the amount of the reimbursement shall be as follows:

(1) for reimbursements awarded for the fiscal year that begins on July 1, 2023, 50% of the product generated by multiplying 90% of the total dollar amount of exemptions granted for taxable year 2021 under Section 15-165 or Section 15-169 of the Property Tax Code to property located in the taxing district by the taxing district's property tax rate for taxable year 2021; and

(2) for reimbursements awarded for fiscal years that begin on or after July 1, 2024 and begin before July 1, 2028, 100% of the product generated by multiplying 90% of the total dollar amount of exemptions granted for the base year under Section 15-165 or Section 15-169 of the Property Tax Code to property located in the taxing district by the taxing district's property tax rate for the base year.

The aggregate amount of reimbursements that may be awarded under this Section for all taxing districts in any calendar year may not exceed the lesser of \$30,000,000 ~~\$15,000,000~~ or the amount appropriated for the program for that calendar year. If the total amount of eligible reimbursements under this Section exceeds the lesser of \$30,000,000 ~~\$15,000,000~~ or the amount appropriated for the program for that calendar year, then the reimbursement amount awarded to each particular taxing district shall be reduced on a pro rata basis until the aggregate amount of reimbursements awarded under this Section for the calendar year does not exceed the lesser of \$30,000,000 ~~\$15,000,000~~ or the amount appropriated for the program for the calendar year.

(d) The Department of Revenue may adopt rules necessary for the implementation of this Section.

(e) As used in this Section:

"Base year" means the taxable year that is 2 years before the start of the State fiscal year in which the application for reimbursement is made.

"Taxable year" means the calendar year during which property taxes payable in the next succeeding year are levied.

"Taxing district" has the meaning given to that term in Section 1-150 of the Property Tax Code.

Advisory Board members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the execution of their official duties.

(g) Monies expended from the Illinois Standardbred Breeders Fund shall be expended by the Department of Agriculture, with the assistance and advice of the Illinois Standardbred Breeders Fund Advisory Board for the following purposes only:

Such payment shall not reduce any award to the owner of the horse or reduce the taxes payable under this Act. Such payment shall be delivered by the organization licensee at the end of each quarter.

(j) The Department of Agriculture shall, by rule, with the assistance and advice of the Illinois Standardbred Breeders Fund Advisory Board:

1. Qualify stallions for Illinois Standardbred Breeders Fund breeding. Such stallion shall stand for service at and within the State of Illinois at the time of a foal's conception, and such stallion must not stand for service at any place outside the State of Illinois during that calendar year in which the

foal is conceived. However, on and after January 1, 2018, semen from an Illinois stallion may be transported outside the State of Illinois.

2. Provide for the registration of Illinois conceived and foaled horses and no such horse shall compete in the races limited to Illinois conceived and foaled horses unless registered with the Department of Agriculture. The Department of Agriculture may prescribe such forms as may be necessary to determine the eligibility of such horses. No person shall knowingly prepare or cause preparation of an application for registration of such foals containing false information. A mare (dam) must be in the State at least 30 days prior to foaling or remain in the State at least 30 days at the time of foaling. However, the requirement that a mare (dam) must be in the State at least 30 days before foaling or remain in the State at least 30 days at the time of foaling shall not be in effect from January 1, 2018 until January 1, 2022. Beginning with the 1996 breeding season and for foals of 1997 and thereafter, a foal conceived by transported semen may be eligible for Illinois conceived and foaled registration provided all breeding and foaling requirements are met. The stallion must be qualified for Illinois Standardbred Breeders Fund breeding at the time of conception. The foal must be dropped in Illinois and properly registered with the Department of Agriculture in accordance with this Act. However, from January 1, 2018 until January 1, 2022, the requirement for a mare to be inseminated within the State of Illinois and the requirement for a foal to be dropped in Illinois are inapplicable.

3. Provide that at least a 5-day racing program shall be conducted at the State Fair each year, unless an alternate racing program is requested by the Illinois Standardbred Breeders Fund Advisory Board, which program shall include at least the following races limited to Illinois conceived and foaled horses: (a) a 2-year-old Trot and Pace, and Filly Division of each; (b) a 3-year-old Trot and Pace, and Filly Division of each; (c) an aged Trot and Pace, and Mare Division of each.

All nominating, sustaining, and starting payments shall be held for the benefit of entrants and shall be paid out as part of the respective purses for such races. Nominating, sustaining, and starting fees shall be held in trust accounts for the purposes as set forth in this Act and in accordance with Section 205-15 of the Department of Agriculture Law.

5. Provide for the registration with the Department of Agriculture of Colt Associations or county fairs desiring to sponsor races at county fairs.

6. Provide for the promotion of producing standardbred racehorses by providing a bonus award program for owners of 2-year-old horses that win multiple major stakes races that are limited to Illinois conceived and foaled horses.

(k) The Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, may allocate monies for purse supplements for such races. In determining whether to allocate money and the amount, the Department of Agriculture shall consider factors, including, but not limited to, the amount of money transferred into the Illinois Standardbred Breeders Fund, the number of races that may occur, and an organization licensee's purse structure. The organization licensee shall notify the Department of Agriculture of the conditions and minimum purses for races limited to Illinois conceived and foaled horses to be conducted by each organization licensee conducting a harness racing meeting for which purse supplements have been negotiated.

(l) All races held at county fairs and the State Fair which receive funds from the Illinois Standardbred Breeders Fund shall be conducted in accordance with the rules of the United States Trotting Association unless otherwise modified by the Department of Agriculture.

(m) At all standardbred race meetings held or conducted under authority of a license granted by the Board, and at all standardbred races held at county fairs which are approved by the Department of Agriculture or at the Illinois or DuQuoin State Fairs, no one shall jog, train, warm up, or drive a standardbred horse unless he or she is wearing a protective safety helmet, with the chin strap fastened and in place, which meets the standards and requirements as set forth in the 1984 Standard for Protective Headgear for Use in Harness Racing and Other Equestrian Sports published by the Snell Memorial Foundation, or any standards and requirements for headgear the Illinois Racing Board may approve. Any other standards and requirements so approved by the Board shall equal or exceed those published by the Snell Memorial Foundation. Any equestrian helmet bearing the Snell label shall be deemed to have met those standards and requirements.

Section 45-5. The Childhood Hunger Relief Act is amended by changing Section 15 and by adding Section 18 as follows:

(105 ILCS 126/15)

Sec. 15. School breakfast program.

(a) The board of education of each school district in this State shall implement and operate a school breakfast program in the next school year, if a breakfast program does not currently exist, in accordance with federal guidelines in each school building within its district in which at least 40% or more of the students are eligible for free or reduced-price lunches based upon the current year's October claim (for those schools that participate in the National School Lunch Program) or in which at least 40% or more of the students are classified as low-income according to the Fall Housing Data from the previous year (for those schools that do not participate in the National School Lunch Program).

(b) School districts may charge students who do not meet federal criteria for free school meals for the breakfasts served to these students within the allowable limits set by federal regulations.

(c) School breakfast programs established under this Section shall be supported entirely by federal funds and commodities, charges to students and other participants, and other available State and local resources, including under the School Breakfast and Lunch Program Act. Allowable costs for reimbursement to school districts, in accordance with the United States Department of Agriculture, include compensation of employees for the time devoted and identified specifically to implement the school breakfast program; the cost of materials acquired, consumed, or expended specifically to implement the school breakfast program; equipment and other approved capital expenditures necessary to implement the school breakfast program; and transportation expenses incurred specifically to implement and operate the school breakfast program.

(d) A school district shall be allowed to opt out a school or schools from the school breakfast program requirement of this Section if it is determined that, due to circumstances specific to that school district, the expense reimbursement would not fully cover the costs of implementing and operating a school breakfast program. The school district shall petition its regional superintendent of schools by February 15 of each year to request to be exempt from operating the school breakfast program in the school or schools in the next

school year. The petition shall include all legitimate costs associated with implementing and operating a school breakfast program, the estimated reimbursement from State and federal sources, and any unique circumstances the school district can verify that exist that would cause the implementation and operation of such a program to be cost prohibitive.

The regional superintendent of schools shall review the petition. In accordance with the Open Meetings Act, he or she shall convene a public hearing to hear testimony from the school district and interested community members. The regional superintendent shall, by March 15 of each year, inform the school district of his or her decision, along with the reasons why the exemption was granted or denied, in writing. The regional superintendent must also send notification to the State Board of Education detailing which schools requested an exemption and the results. If the regional superintendent grants an exemption to the school district, then the school district is relieved from the requirement to establish and implement a school breakfast program in the school or schools granted an exemption for the next school year.

(35 ILCS 5/203)

Sec. 203. Base income defined.

(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under

subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (Z) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is

prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not

apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this Act;

(D-20) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2006, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act or (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B). For taxable years beginning on or after January 1, 2007, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act, (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, or (iii) a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code that (I) adopts and determines that its offering materials comply with the College Savings Plans Network's disclosure principles and (II) has made reasonable efforts to inform in-state residents of the existence of in-state qualified tuition programs by informing Illinois residents directly and, where applicable, to inform financial intermediaries distributing the program to inform in-state residents of the existence of in-state qualified tuition programs at least annually, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B).

For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the out-of-state program in the same manner that the out-of-state program distributes its offering materials;

(D-20.5) For taxable years beginning on or after January 1, 2018, in the case of a distribution from a qualified ABLE program under Section 529A of the Internal Revenue Code, other than a distribution from a qualified ABLE program created under Section 16.6 of the State Treasurer Act, an amount equal to the amount excluded from gross income under Section 529A(c)(1)(B) of the Internal Revenue Code;

(D-21) For taxable years beginning on or after January 1, 2007, in the case of transfer of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code that is administered by the State to an out-of-state program, an amount equal to the amount of moneys previously deducted from base income under subsection (a)(2)(Y) of this Section;

(D-21.5) For taxable years beginning on or after January 1, 2018, in the case of the transfer of moneys from a qualified tuition program under Section 529 or a qualified ABLE program under Section 529A of the Internal Revenue Code that is administered by this State to an ABLE account established under an out-of-state ABLE account program, an amount equal to the contribution component of the transferred amount that was previously deducted from base income under subsection (a)(2)(Y) or subsection (a)(2)(HH) of this Section;

(D-22) For taxable years beginning on or after January 1, 2009, and prior to January 1, 2018, in the case of a nonqualified withdrawal or refund of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code administered by the State that is not used for qualified expenses at an eligible education institution, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(y) of this Section, provided that the withdrawal or refund did not result from the beneficiary's death or disability. For taxable years beginning on or after January 1, 2018: (1) in the case of a nonqualified withdrawal or refund, as defined under Section 16.5 of the State Treasurer Act, of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code administered by the State, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(Y) of this Section, and (2) in the case of a nonqualified withdrawal or refund from a qualified ABLE program under Section 529A of the Internal Revenue Code administered by the State that is not used for qualified disability expenses, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(HH) of this Section;

(D-23) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-25) In the case of a resident, an amount equal to the amount of tax for which a credit is allowed pursuant to Section 201(p)(7) of this Act;

and by deducting from the total so obtained the sum of the following amounts:

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. (ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) or Section 203(b)(2)(E-13) of this Act;

(E-15) For taxable years beginning after December 31, 2008, any deduction for dividends paid by a captive real estate investment trust that is allowed to a real estate investment trust under Section 857(b)(2)(B) of the Internal Revenue Code for dividends paid;

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (R), then an amount equal to that subtraction modification.

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the

taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) or Section 203(c)(2)(G-13) of this Act;

(G-15) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(G-16) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year; and by deducting from the total so obtained the sum of the following amounts:

(I) The valuation limitation amount;

(J) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(K) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C), (D), (E), (F) and (G) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or

statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(L) With the exception of any amounts subtracted under subparagraph (K), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

This subparagraph (M) is exempt from the provisions of Section 250;

(N) An amount equal to any contribution made to a job training project established pursuant to the Tax Increment Allocation Redevelopment Act;

(O) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (M) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (O);

(P) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(Q) For taxable year 1999 and thereafter, an amount equal to the amount of any (i) distributions, to the extent includible in gross income for federal income tax purposes, made to the taxpayer because of his or her status as a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim and (ii) items of income, to the extent includible in gross income for federal income tax purposes, attributable to, derived from or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime immediately prior to, during, and immediately after World War II, including, but not limited to, interest on the proceeds receivable as insurance under policies issued to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime by European insurance companies immediately prior to and during World War II; provided, however, this subtraction from federal adjusted gross income does not apply to assets acquired with such assets or with the proceeds from the sale of such assets; provided, further, this paragraph shall only apply to a taxpayer who was the first recipient of such assets after their recovery and who is a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim. The amount of and the eligibility for any public assistance, benefit, or similar entitlement is not affected by the inclusion of items (i) and (ii) of this paragraph in gross income for federal income tax purposes. This paragraph is exempt from the provisions of Section 250;

(R) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, $100(\text{bonus}\%)$) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, $100(1-\text{bonus}\%)$).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(S) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (S) is exempt from the provisions of Section 250;

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification. This subparagraph (T) is exempt from the provisions of Section 250;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (U) is exempt from the provisions of Section 250;

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a

foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (V) is exempt from the provisions of Section 250;

(W) in the case of an estate, an amount equal to all amounts included in such total pursuant to the provisions of Section 111 of the Internal Revenue Code as a recovery of items previously deducted by the decedent from adjusted gross income in the computation of taxable income. This subparagraph (W) is exempt from Section 250;

(X) an amount equal to the refund included in such total of any tax deducted for federal income tax purposes, to the extent that deduction was added back under subparagraph (F). This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(c)(2)(G-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) For taxable years beginning after December 31, 2018 and before January 1, 2026, the amount of excess business loss of the taxpayer disallowed as a deduction by Section 461(l)(1)(B) of the Internal Revenue Code; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under regulations prescribed by the Department, be adjusted by any amounts included therein which were properly paid, credited, or required to be distributed, or permanently set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.

(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (O), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets;

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-9) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be

reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) or Section 203(d)(2)(D-8) of this Act;

(D-10) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-11) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year; and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348(b)(1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater; this subparagraph (H) is exempt from the provisions of Section 250;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code; this subparagraph (I) is exempt from the provisions of Section 250;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in a River Edge Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations from a River Edge Redevelopment Zone or zones. This subparagraph (K) is exempt from the provisions of Section 250;

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (O) is exempt from the provisions of Section 250;

(P) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

This subparagraph (Q) is exempt from Section 250;

(R) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who

This subparagraph (R) is exempt from Section 250;

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b)(3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section

172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as

business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a)(2)(F) or (c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 15-5. The Property Tax Code is amended by changing Section 18-173 as follows:
(35 ILCS 200/18-173)

Sec. 18-173. Housing opportunity area abatement program.

(a) For the purpose of promoting access to housing near work and in order to promote economic diversity throughout Illinois and to alleviate the concentration of low-income households in areas of high poverty, a housing opportunity area tax abatement program is created.

(b) As used in this Section:

"Housing authority" means either a housing authority created under the Housing Authorities Act or other government agency that is authorized by the United States government under the United States Housing Act of 1937 to administer a housing choice voucher program, or the authorized agent of such a housing authority that is authorized to act upon that authority's behalf.

"Housing choice voucher" means a tenant voucher issued by a housing authority under Section 8 of the United States Housing Act of 1937 and a tenant voucher converted to a project-based voucher by a housing authority.

"Housing opportunity area" means a census tract where less than 10% of the residents live below the poverty level, as defined by the United States government and determined by the most recent United States census, that is located within a qualified township, except for census tracts located within any township that is located wholly within a municipality with 1,000,000 or more inhabitants. A census tract that is located within a township that is located wholly within a municipality with 1,000,000 or more inhabitants is considered a housing opportunity area if less than 12% of the residents of the census tract live below the poverty level.

"Housing opportunity unit" means a dwelling unit located in residential property that is located in a housing opportunity area, that is owned by the applicant, and that is rented to and occupied by a tenant who is participating in a housing choice voucher program administered by a housing authority as of January 1st of the tax year for which the application is made.

"Qualified units" means the number of housing opportunity units located in the property with the limitation that no more than 2 units or 20% of the total units contained within the property, whichever is greater, may be considered qualified units. Further, no unit may be considered qualified unless the property in which it is contained is in substantial compliance with local building codes, and, moreover, no unit may be considered qualified unless it meets the United States Department of Housing and Urban Development's housing quality standards as of the most recent housing authority inspection.

"Qualified township" means a township located within a county with 200,000 or more inhabitants whose tax capacity exceeds 80% of the average tax capacity of the county in which it is located, except for townships located within a county with 3,000,000 or more inhabitants, where a qualified township means a township whose tax capacity exceeds 115% of the average tax capacity of the county except for townships located wholly within a municipality with 1,000,000 or more inhabitants. All townships located wholly within a municipality with 1,000,000 or more inhabitants are considered qualified townships.

"Tax capacity" means the equalized assessed value of all taxable real estate located within a township or county divided by the total population of that township or county.

(c) The owner of property located within a housing opportunity area who has a housing choice voucher contract with a housing authority may apply for a housing opportunity area tax abatement by annually submitting an application to the housing authority that administers the housing choice voucher contract. The application must include the number of housing opportunity units as well as the total number of dwelling units contained within the property. The owner must, under oath, self-certify as to the total number of dwelling units in the property and must self-certify that the property is in substantial compliance with local building codes. The housing authority shall annually determine the number of qualified units located within each property for which an application is made.

The housing authority shall establish rules and procedures governing the application processes and may charge an application fee. The county clerk may audit the applications to determine that the properties subject to the tax abatement meet the requirements of this Section. The determination of eligibility of a property for the housing opportunity area abatement shall be made annually; however, no property may receive an abatement for more than 10 tax years.

(d) The housing authority shall determine housing opportunity areas within its service area and annually deliver to the county clerk, in a manner determined by the county clerk, a list of all properties containing qualified units within that service area by December 31st of the tax year for which the property is eligible for abatement; the list shall include the number of qualified units and the total number of dwelling units for each property.

The county clerk shall deliver annually to a housing authority, upon that housing authority's request, the most recent available equalized assessed value for the county as a whole and for those taxing districts and townships so specified by the requesting housing authority.

(e) The county clerk shall abate the tax attributed to a portion of the property determined to be eligible for a housing opportunity area abatement. The portion eligible for abatement shall be determined by reducing the equalized assessment value by a percentage calculated using the following formula: 19% of the

equalized assessed value of the property multiplied by a fraction where the numerator is the number of qualified units and denominator is the total number of dwelling units located within the property.

(f) Any municipality, except for municipalities with 1,000,000 or more inhabitants, may annually petition the county clerk to be excluded from a housing opportunity area if it is able to demonstrate that more than 2.5% of the total residential units located within that municipality are occupied by tenants under the housing choice voucher program. Properties located within an excluded municipality shall not be eligible for the housing opportunity area abatement for the tax year in which the petition is made.

(g) Applicability. This Section applies to tax years 2004 through 2034 ~~2024~~, unless extended by law. (Source: P.A. 98-957, eff. 8-15-14.)

Section 20-5. The Property Tax Code is amended by changing Section 21-355 as follows:
(35 ILCS 200/21-355)

Sec. 21-355. Amount of redemption. Any person desiring to redeem shall deposit an amount specified in this Section with the county clerk of the county in which the property is situated, in legal money of the United States, or by cashier's check, certified check, post office money order or money order issued by a financial institution insured by an agency or instrumentality of the United States, payable to the county clerk of the proper county. The deposit shall be deemed timely only if actually received in person at the county clerk's office prior to the close of business as defined in Section 3-2007 of the Counties Code on or before the expiration of the period of redemption or by United States mail with a post office cancellation mark dated not less than one day prior to the expiration of the period of redemption. The deposit shall be in an amount equal to the total of the following:

(a) the certificate amount, which shall include all tax principal, special assessments, interest and penalties paid by the tax purchaser together with costs and fees of sale and fees paid under Sections 21-295 and 21-315 through 21-335, except for the nonrefundable \$80 fee paid, pursuant to Section 21-295, for each item purchased at the tax sale;

(b) the accrued penalty, computed through the date of redemption as a percentage of the certificate amount, as follows:

(1) if the redemption occurs on or before the expiration of 6 months from the date of sale, the certificate amount times the penalty bid at sale;

(2) if the redemption occurs after 6 months from the date of sale, and on or before the expiration of 12 months from the date of sale, the certificate amount times 2 times the penalty bid at sale;

(3) if the redemption occurs after 12 months from the date of sale and on or before the expiration of 18 months from the date of sale, the certificate amount times 3 times the penalty bid at sale;

(4) if the redemption occurs after 18 months from the date of sale and on or before the expiration of 24 months from the date of sale, the certificate amount times 4 times the penalty bid at sale;

(5) if the redemption occurs after 24 months from the date of sale and on or before the expiration of 30 months from the date of sale, the certificate amount times 5 times the penalty bid at sale;

(6) if the redemption occurs after 30 months from the date of sale and on or before the expiration of 36 months from the date of sale, the certificate amount times 6 times the penalty bid at sale.

In the event that the property to be redeemed has been purchased under Section 21-405 before January 1, 2024, the penalty bid shall be 12% per penalty period as set forth in subparagraphs (1) through (6) of this subsection (b). The changes to this subdivision (b)(6) made by this amendatory Act of the 91st General Assembly are not a new enactment, but declaratory of existing law.

For counties with fewer than 3,000,000 inhabitants, if the property to be redeemed is property with respect to which a tax lien or certificate is acquired after January 1, 2024 by the county as trustee pursuant to Section 21-90, the penalty bid at sale shall accrue according to the penalty periods established in subparagraphs (1) through (6) of this subsection (b).

For counties with more than 3,000,000 inhabitants, if ~~if~~ the property to be redeemed is property with respect to which a tax lien or certificate is acquired on or after January 1, 2024 by the county as

trustee pursuant to Section 21-90, the penalty bid is 0.75% and shall accrue monthly instead of according to the penalty periods established in subparagraphs (1) through (6) of this subsection (b).

(c) The total of all taxes, special assessments, accrued interest on those taxes and special assessments and costs charged in connection with the payment of those taxes or special assessments, except for the nonrefundable \$80 fee paid, pursuant to Section 21-295, for each item purchased at the tax sale, which have been paid by the tax certificate holder on or after the date those taxes or special assessments became delinquent together with 12% penalty on each amount so paid for each year or portion thereof intervening between the date of that payment and the date of redemption. In counties with less than 3,000,000 inhabitants, however, a tax certificate holder may not pay all or part of an installment of a subsequent tax or special assessment for any year, nor shall any tender of such a payment be accepted, until after the second or final installment of the subsequent tax or special assessment has become delinquent or until after the holder of the certificate of purchase has filed a petition for a tax deed under Section 22.30. The person redeeming shall also pay the amount of interest charged on the subsequent tax or special assessment and paid as a penalty by the tax certificate holder. This amendatory Act of 1995 applies to tax years beginning with the 1995 taxes, payable in 1996, and thereafter.

(d) Any amount paid to redeem a forfeiture occurring before January 1, 2024 but after the tax sale together with 12% penalty thereon for each year or portion thereof intervening between the date of the forfeiture redemption and the date of redemption from the sale.

(e) Any amount paid by the certificate holder for redemption of a subsequently occurring tax sale, including tax liens or certificates held by the county as trustee, pursuant to Section 21-90.

(f) All fees paid to the county clerk under Section 22-5.

(g) All fees paid to the registrar of titles incident to registering the tax certificate in compliance with the Registered Titles (Torrens) Act.

(h) All fees paid to the circuit clerk and the sheriff, a licensed or registered private detective, or the coroner in connection with the filing of the petition for tax deed and service of notices under Sections 22-15 through 22-30 and 22-40 in addition to (1) a fee of \$35 if a petition for tax deed has been filed, which fee shall be posted to the tax judgement, sale, redemption, and forfeiture record, to be paid to the purchaser or his or her assignee; (2) a fee of \$4 if a notice under Section 22-5 has been filed, which fee shall be posted to the tax judgment, sale, redemption, and forfeiture record, to be paid to the purchaser or his or her assignee; (3) all costs paid to record a lis pendens notice in connection with filing a petition under this Code; and (4) if a petition for tax deed has been filed, all fees up to \$150 per redemption paid to a registered or licensed title insurance company or title insurance agent for a title search to identify all owners, parties interested, and occupants of the property, to be paid to the purchaser or his or her assignee. The fees in (1) and (2) of this paragraph (h) shall be exempt from the posting requirements of Section 21-360. The costs incurred in causing notices to be served by a licensed or registered private detective under Section 22-15, may not exceed the amount that the sheriff would be authorized by law to charge if those notices had been served by the sheriff.

(i) All fees paid for publication of notice of the tax sale in accordance with Section 22-20.

(j) All sums paid to any county, city, village or incorporated town for reimbursement under Section 22-35.

(k) All costs and expenses of receivership under Section 21-410, to the extent that these costs and expenses exceed any income from the property in question, if the costs and expenditures have been approved by the court appointing the receiver and a certified copy of the order or approval is filed and posted by the certificate holder with the county clerk. Only actual costs expended may be posted on the tax judgment, sale, redemption and forfeiture record.

(a) a statement itemizing the rate at which taxes have been extended for each of the taxing districts in the county in whose district the property is located, and in those counties utilizing

electronic data processing equipment the dollar amount of tax due from the person assessed allocable to each of those taxing districts, including a separate statement of the dollar amount of tax due which is allocable to a tax levied under the Illinois Local Library Act or to any other tax levied by a municipality or township for public library purposes,

(b) a separate statement for each of the taxing districts of the dollar amount of tax due which is allocable to a tax levied under the Illinois Pension Code or to any other tax levied by a municipality or township for public pension or retirement purposes,

(b-5) a list of each tax increment financing (TIF) district in which the property is located and the dollar amount of tax due that is allocable to the TIF district,

(c) the total tax rate,

(d) the total amount of tax due, and

(e) the amount by which the total tax and the tax allocable to each taxing district differs from the taxpayer's last prior tax bill.

The county treasurer shall ensure that only those taxing districts in which a parcel of property is located shall be listed on the bill for that property.

In all counties the statement shall also provide:

(1) the property index number or other suitable description,

(2) the assessment of the property,

(3) the statutory amount of each homestead exemption applied to the property,

(4) the assessed value of the property after application of all homestead exemptions,

(5) the equalization factors imposed by the county and by the Department, and

(6) the equalized assessment resulting from the application of the equalization factors to the basic assessment.

In all counties which do not classify property for purposes of taxation, for property on which a single family residence is situated the statement shall also include a statement to reflect the fair cash value determined for the property. In all counties which classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution, for parcels of residential property in the lowest assessment classification the statement shall also include a statement to reflect the fair cash value determined for the property.

In all counties, the statement must include information that certain taxpayers may be eligible for tax exemptions, abatements, and other assistance programs and that, for more information, taxpayers should consult with the office of their township or county assessor and with the Illinois Department of Revenue. For bills mailed on or after January 1, 2026, the statement must include, in bold face type, a list of exemptions available to taxpayers and contact information for the chief county assessment officer.

In counties which use the estimated or accelerated billing methods, these statements shall only be provided with the final installment of taxes due. The provisions of this Section create a mandatory statutory duty. They are not merely directory or discretionary. The failure or neglect of the collector to mail the bill, or the failure of the taxpayer to receive the bill, shall not affect the validity of any tax, or the liability for the payment of any tax.

Section 30-5. The Property Tax Code is amended by changing Section 30-25 as follows:

(35 ILCS 200/30-25)

Sec. 30-25. Distributions from account.

(a) At the direction of the corporate authorities of a taxing district, the treasurer of the taxing district shall disburse the amounts held in the tax reimbursement account. Unless the taxing district has divided the moneys as provided in subsection (b), disbursements shall be made to all of the owners of taxable homestead property within the taxing district. Each owner of taxable homestead property shall receive a proportionate share of the total disbursement based on the amount of ad valorem taxes on taxable homestead property paid by the owner to the taxing district under the most recent tax bill.

(b) The corporate authorities of a taxing district may direct the treasurer to divide the moneys deposited into the account into 2 separate pools to be designated the homestead property pool and the commercial or industrial property pool. The amount to be deposited into each pool shall be determined by the corporate authorities of the taxing district, except that at least 50% of the moneys in the account shall be

deposited into the homestead property pool. The treasurer shall disburse the amounts held in each pool in the tax reimbursement account at the direction of the corporate authorities. Disbursements from the homestead property pool shall be made to all of the owners of taxable homestead property within the taxing district. Each owner of taxable homestead property shall receive a proportionate share of the total disbursement from the pool based on the amount of ad valorem taxes on taxable homestead property paid by the owner to the taxing district under the most recent tax bill. Disbursements from the commercial or industrial property pool shall be made to all of the owners of taxable commercial or industrial property, except (i) those owners whose property is located within a tax increment financing district, (ii) those owners who received a tax incentive as a result of a tax incentivized development established by an intergovernmental agreement to which the taxing district is a party, or (iii) those owners whose property is classified as an apartment building. Each eligible owner of taxable commercial or industrial property shall receive a proportionate share of the total disbursement from the pool based on the amount of ad valorem taxes on taxable commercial or industrial property paid by the owner to the taxing district under the most recent tax bill.

(c) In determining the proportionate share of each owner of homestead property, the numerator shall be the amount of taxes on homestead property paid by that owner to the taxing district under the most recent tax bill, and the denominator shall be the aggregate total of all taxes on homestead property paid by all owners to the taxing district under the most recent tax bills.

(d) In determining the proportionate share of each owner of commercial or industrial property, the numerator shall be the amount of taxes on commercial or industrial property paid by that owner to the taxing district under the most recent tax bill, and the denominator shall be the aggregate total of all taxes on commercial or industrial property paid by all owners to the taxing district under the most recent tax bills less taxes paid on commercial or industrial property located in a tax increment financing district, taxes paid on commercial or industrial property for which the owner received a tax incentive as a result of a tax incentivized development established by an intergovernmental agreement to which the taxing district is a party, and taxes paid on an apartment building.

(e) As used in this Section:

"Qualified redevelopment costs" means costs advanced by a taxing district to a commercial or industrial property owner to promote economic development when, but for the advancement of the funds, the development would not be financially feasible.

"Tax incentivized development" means an economic development project established by intergovernmental agreement whereby a taxing district advances qualified redevelopment costs to a commercial or industrial property owner.

Sec. 18-17. Supplemental levy for LaMoille Community Unit School District #303. Notwithstanding any other provision of law, LaMoille Community Unit School District #303 may, by ordinance adopted on or before June 30, 2024, amend or supplement its levy for the 2023 tax year for taxes scheduled to be collected in calendar year 2024. The District shall certify the amount of the amended or supplemental levy to the county clerk as soon as possible after the amended or supplemental levy is adopted, and the county clerk shall include those amounts in the extension of taxes for the 2023 tax year. In no event shall the amended or supplemental levy adopted under this Section cause the District's property tax rate for the 2023 tax year to exceed the District's limiting rate under the Property Tax Extension Limitation Law or any other limitation on the extension of property taxes applicable to the District. This Section is repealed on January 1, 2025.

(35 ILCS 200/18-190)

Sec. 18-190. Direct referendum; new rate or increased limiting rate.

(a) If a new rate is authorized by statute to be imposed without referendum or is subject to a backdoor referendum, as defined in Section 28-2 of the Election Code, the governing body of the affected taxing district before levying the new rate shall submit the new rate to direct referendum under the provisions of this Section and of Article 28 of the Election Code. Notwithstanding any other provision of law, the levies authorized by Sections 21-110 and 21-110.1 of the Illinois Pension Code shall not be considered new rates; however, nothing in this amendatory Act of the 98th General Assembly authorizes a taxing district to increase its limiting rate or its aggregate extension without first obtaining referendum approval as provided in this Section. Notwithstanding any other provision of law, the levy authorized by Section 18-17 is considered part of the annual corporate extension for the taxing district and is not considered a new rate. Notwithstanding the provisions, requirements, or limitations of any other law, any tax levied for the 2005 levy year and all subsequent levy years by any taxing district subject to this Law may be extended at a rate exceeding the rate established for that tax by referendum or statute, provided that the rate does not exceed the statutory ceiling above which the tax is not authorized to be further increased either by referendum or in any other manner. Notwithstanding the provisions, requirements, or limitations of any other law, all taxing districts subject to this Law shall follow the provisions of this Section whenever seeking referenda approval after March 21, 2006 to (i) levy a new tax rate authorized by statute or (ii) increase the limiting rate applicable to the taxing district. All taxing districts subject to this Law are authorized to seek referendum approval of each proposition described and set forth in this Section.

The proposition seeking to obtain referendum approval to levy a new tax rate as authorized in clause (i) shall be in substantially the following form:

Shall ... (insert legal name, number, if any, and county or counties of taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be authorized to levy a new tax for ... purposes and have an additional tax of ...% of the equalized assessed value of the taxable property therein extended for such purposes?

The votes must be recorded as "Yes" or "No".

The proposition seeking to obtain referendum approval to increase the limiting rate as authorized in clause (ii) shall be in substantially the following form:

Shall the limiting rate under the Property Tax Extension Limitation Law for ... (insert legal name, number, if any, and county or counties of taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased by an additional amount equal to ...% above the limiting rate for the purpose of...(insert purpose) for levy year ... (insert the most recent levy year for which the limiting rate of the taxing district is known at the time the submission of the proposition is initiated by the taxing district) and be equal to ...% of the equalized assessed value of the taxable property therein for levy year(s) (insert each levy year for which the increase will be applicable, which years must be consecutive and may not exceed 4)?

The votes must be recorded as "Yes" or "No".

The ballot for any proposition submitted pursuant to this Section shall have printed thereon, but not as a part of the proposition submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$..., and the approximate amount of taxes extendable if the proposition is approved is \$....

(2) For the ... (insert the first levy year for which the new rate or increased limiting rate will be applicable) levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$....

(3) Based upon an average annual percentage increase (or decrease) in the market value of such property of %... (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the proposition is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional tax extendable against such property for the ... levy year is estimated to be \$... and for the ... levy year is estimated to be \$

(4) If the proposition is approved, the aggregate extension for ... (insert each levy year for which the increase will apply) will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

The approximate amount of taxes extendable shown in paragraph (1) shall be computed upon the last known equalized assessed value of taxable property in the taxing district (at the time the submission of the proposition is initiated by the taxing district). Paragraph (3) shall be included only if the increased limiting rate will be applicable for more than one levy year and shall list each levy year for which the increased limiting rate will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the proposition is initiated by the taxing district. The approximate amount of the additional taxes extendable shown in paragraphs (2) and (3) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; and (iii) either the new rate or the amount by which the limiting rate is to be increased. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. Paragraph (4) shall be included if the proposition concerns a limiting rate increase but shall not be included if the proposition concerns a new rate. Any notice required to be published in connection with the submission of the proposition shall also contain this supplemental information and shall not contain any other supplemental information regarding the proposition. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot and in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the proposition shall be initiated as provided by law.

If a majority of all ballots cast on the proposition are in favor of the proposition, the following provisions shall be applicable to the extension of taxes for the taxing district:

(A) a new tax rate shall be first effective for the levy year in which the new rate is approved;

(B) if the proposition provides for a new tax rate, the taxing district is authorized to levy a tax after the canvass of the results of the referendum by the election authority for the purposes for which the tax is authorized;

(C) a limiting rate increase shall be first effective for the levy year in which the limiting rate increase is approved, provided that the taxing district may elect to have a limiting rate increase be effective for the levy year prior to the levy year in which the limiting rate increase is approved unless the extension of taxes for the prior levy year occurs 30 days or less after the canvass of the results of the referendum by the election authority in any county in which the taxing district is located;

(D) in order for the limiting rate increase to be first effective for the levy year prior to the levy year of the referendum, the taxing district must certify its election to have the limiting rate increase be effective for the prior levy year to the clerk of each county in which the taxing district is located not more than 2 days after the date the results of the referendum are canvassed by the election authority; and

(E) if the proposition provides for a limiting rate increase, the increase may be effective regardless of whether the proposition is approved before or after the taxing district adopts or files its levy for any levy year.

Rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are not new rates or rate increases under this Section if a levy has been made for the fund in one or more of the preceding 3 levy years. Changes made by this amendatory Act of 1997 to this Section in reference to rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are declarative of existing law and not a new enactment.

(b) Whenever other applicable law authorizes a taxing district subject to the limitation with respect to its aggregate extension provided for in this Law to issue bonds or other obligations either without referendum or subject to backdoor referendum, the taxing district may elect for each separate bond issuance to submit the question of the issuance of the bonds or obligations directly to the voters of the taxing district, and if the referendum passes the taxing district is not required to comply with any backdoor referendum procedures or requirements set forth in the other applicable law. The direct referendum shall be initiated by ordinance or resolution of the governing body of the taxing district, and the question shall be certified to the proper election authorities in accordance with the provisions of the Election Code.

(105 ILCS 5/17-3.2) (from Ch. 122, par. 17-3.2)

Sec. 17-3.2. Additional or supplemental budget.

(a) Whenever the voters of a school district have voted in favor of an increase in the annual tax rate for educational or operations and maintenance purposes or both at an election held after the adoption of the annual school budget for any fiscal year, the board may adopt or pass during that fiscal year an additional or supplemental budget under the sole authority of this Section by a vote of a majority of the full membership of the board, any other provision of this Article to the contrary notwithstanding, in and by which such additional or supplemental budget the board shall appropriate such additional sums of money as it may find necessary to defray expenses and liabilities of that district to be incurred for educational or operations and maintenance purposes or both of the district during that fiscal year, but not in excess of the additional funds estimated to be available by virtue of such voted increase in the annual tax rate for educational or operations and maintenance purposes or both. Such additional or supplemental budget shall be regarded as an amendment of the annual school budget for the fiscal year in which it is adopted, and the board may levy the additional tax for educational or operations and maintenance purposes or both to equal the amount of the additional sums of money appropriated in that additional or supplemental budget, immediately.

(b) Notwithstanding any other provision of law, LaMoille Community Unit School District #303 may adopt an additional or supplemental budget in connection with an amended or supplemental levy adopted under Section 18-17 of the Property Tax Code without receiving the approval of the voters as provided in subsection (a). This subsection (b) is inoperative on and after January 1, 2025.

The credit shall be \$15,000 per qualified journalist employed and paid by the employer during the 12-month period immediately preceding the date on which the employer applies for a credit under this Section. An additional credit of \$10,000 shall be awarded against payments due under Section 704A of the Illinois Income Tax Act for each qualified journalist who fills a new journalism position for the employer during the 12-month period immediately preceding the date on which the employer applies for a credit under this Section. No more than \$150,000 in credits under this Act may be awarded to any one local news organization in a single calendar year. If the local news organization is not independently owned or lists a private fund among its beneficial ownership, no more than \$250,000 in credits may be awarded in a single calendar year to all local news organizations that share the same ownership interest. The total amount of credits that may be awarded under this Act in any given calendar year may not exceed \$5,000,000, of which no more than \$4,000,000 may be awarded for the \$15,000 credit that applies to qualified journalists, and no more than \$1,000,000 may be awarded for the additional \$10,000 credit that is awarded for new journalism positions. Section 40-900. The Illinois Income Tax Act is amended by changing Section 704A as follows: (35 ILCS 5/704A)

Sec. 704A. Employer's return and payment of tax withheld.

(a) In general, every employer who deducts and withholds or is required to deduct and withhold tax under this Act on or after January 1, 2008 shall make those payments and returns as provided in this Section.

(b) Returns. Every employer shall, in the form and manner required by the Department, make returns with respect to taxes withheld or required to be withheld under this Article 7 for each quarter beginning on or after January 1, 2008, on or before the last day of the first month following the close of that quarter.

(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:

(1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than \$12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:

(A) on or before each Friday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

Beginning with calendar year 2011, payments made under this paragraph (1) of subsection (c) must be made by electronic funds transfer.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than \$12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the return is due and not previously paid to the Department.

(d) Regulatory authority. The Department may, by rule:

(1) Permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the year for taxes withheld or required to be withheld during the previous calendar year and, if the aggregate amounts required to be withheld by the employer under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed \$1,000 for the previous calendar year, to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withholds or is required to deduct and withhold tax from a person engaged in domestic service employment, as that term is defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. With respect to taxes withheld in calendar years prior to 2017, any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

With respect to taxes withheld in 2017 and subsequent calendar years, the Department may, by rule, require that any return (including any amended return) under this Section and any W-2 Form that is required to be submitted to the Department must be submitted on magnetic media or electronically.

The due date for submitting W-2 Forms shall be as prescribed by the Department by rule.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit

for the incremental income tax attributable to full-time employees of the taxpayer awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Tax Credit Act for the taxable year and credits not previously claimed and allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding calendar years as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act. No credit awarded under the Economic Development for a Growing Economy Tax Credit Act for agreements entered into on or after January 1, 2015 may be credited against payments due under this Section.

(g-1) For amounts deducted or withheld after December 31, 2024, a taxpayer who makes an election under the Reimagining Energy and Vehicles in Illinois Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the REV Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Reimagining Energy and Vehicles in Illinois Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g-1), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(g-2) For amounts deducted or withheld after December 31, 2024, a taxpayer who makes an election under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the MICRO Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who

deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection, the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(h) An employer may claim a credit against payments due under this Section for amounts withheld during the first calendar year ending after the date on which a tax credit certificate was issued under Section 35 of the Small Business Job Creation Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

(i) Each employer with 50 or fewer full-time equivalent employees during the reporting period may claim a credit against the payments due under this Section for each qualified employee in an amount equal to the maximum credit allowable. The credit may be taken against payments due for reporting periods that begin on or after January 1, 2020, and end on or before December 31, 2027. An employer may not claim a credit for an employee who has worked fewer than 90 consecutive days immediately preceding the reporting period; however, such credits may accrue during that 90-day period and be claimed against payments under this Section for future reporting periods after the employee has worked for the employer at least 90 consecutive days. In no event may the credit exceed the employer's liability for the reporting period. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the employer.

For each reporting period, the employer may not claim a credit or credits for more employees than the number of employees making less than the minimum or reduced wage for the current calendar year during the last reporting period of the preceding calendar year. Notwithstanding any other provision of this subsection, an employer shall not be eligible for credits for a reporting period unless the average wage paid by the employer per employee for all employees making less than \$55,000 during the reporting period is greater than the average wage paid by the employer per employee for all employees making less than \$55,000 during the same reporting period of the prior calendar year.

For purposes of this subsection (i):

"Compensation paid in Illinois" has the meaning ascribed to that term under Section 304(a)(2)(B) of this Act.

"Employer" and "employee" have the meaning ascribed to those terms in the Minimum Wage Law, except that "employee" also includes employees who work for an employer with fewer than 4 employees. Employers that operate more than one establishment pursuant to a franchise agreement or that constitute members of a unitary business group shall aggregate their employees for purposes of determining eligibility for the credit.

"Full-time equivalent employees" means the ratio of the number of paid hours during the reporting period and the number of working hours in that period.

"Maximum credit" means the percentage listed below of the difference between the amount of compensation paid in Illinois to employees who are paid not more than the required minimum wage reduced by the amount of compensation paid in Illinois to employees who were paid less than the current required minimum wage during the reporting period prior to each increase in the required minimum wage on January 1. If an employer pays an employee more than the required minimum wage and that employee previously earned less than the required minimum wage, the employer may include the portion that does not exceed the required minimum wage as compensation paid in Illinois to employees who are paid not more than the required minimum wage.

(1) 25% for reporting periods beginning on or after January 1, 2020 and ending on or before December 31, 2020;

(2) 21% for reporting periods beginning on or after January 1, 2021 and ending on or before December 31, 2021;

(3) 17% for reporting periods beginning on or after January 1, 2022 and ending on or before December 31, 2022;

(4) 13% for reporting periods beginning on or after January 1, 2023 and ending on or before December 31, 2023;

(5) 9% for reporting periods beginning on or after January 1, 2024 and ending on or before December 31, 2024;

(6) 5% for reporting periods beginning on or after January 1, 2025 and ending on or before December 31, 2025.

The amount computed under this subsection may continue to be claimed for reporting periods beginning on or after January 1, 2026 and:

(A) ending on or before December 31, 2026 for employers with more than 5 employees; or

(B) ending on or before December 31, 2027 for employers with no more than 5 employees.

"Qualified employee" means an employee who is paid not more than the required minimum wage and has an average wage paid per hour by the employer during the reporting period equal to or greater than his or her average wage paid per hour by the employer during each reporting period for the immediately preceding 12 months. A new qualified employee is deemed to have earned the required minimum wage in the preceding reporting period.

"Reporting period" means the quarter for which a return is required to be filed under subsection (b) of this Section.

(j) For reporting periods beginning on or after January 1, 2023, if a private employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor, then the private employer may take a credit against the payments due under this Section in an amount equal to the amount withheld under this Section with respect to wages paid while the employee is on organ donation leave, not to exceed \$1,000 in withholdings for each employee who takes organ donation leave. To be eligible for the credit, such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least the first 30 days of the leave of absence. The private employer shall adopt rules governing organ donation leave, including rules that (i) establish conditions and procedures for requesting and approving leave and (ii) require medical documentation of the proposed organ or bone marrow donation before leave is approved by the private employer. A private employer must provide, in the manner required by the Department, documentation from the employee's medical provider, which the private employer receives from the employee, that verifies the employee's organ donation. The private employer must also provide, in the manner required by the Department, documentation that shows that a qualifying organ donor leave policy was in place and offered to all qualifying employees at the time the leave was taken. For the private employer to receive the tax credit, the employee taking organ donor leave must allow for the applicable medical records to be disclosed to the Department. If the private employer cannot provide the required documentation to the Department, then the private employer is ineligible for the credit under this Section. A private employer must also provide, in the form required by the Department, any additional documentation or information required by the Department to administer the credit under this Section. The credit under this subsection (j) shall be taken within one year after the date upon which the organ donation leave begins. If the leave taken spans into a second tax year, the employer qualifies for the allowable credit in the later of the 2 years. If the amount of credit exceeds the tax liability for the year, the excess may be carried and applied to the tax liability for the 3 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset liability, the earlier credit shall be applied first.

Nothing in this subsection (j) prohibits a private employer from providing an unpaid leave of absence to its employees for the purpose of serving as an organ donor or bone marrow donor; however, if the employer's policy provides for fewer than 30 days of paid leave for organ or bone marrow donation, then the employer shall not be eligible for the credit under this Section.

As used in this subsection (j):

"Organ" means any biological tissue of the human body that may be donated by a living donor, including, but not limited to, the kidney, liver, lung, pancreas, intestine, bone, skin, or any subpart of those organs.

"Organ donor" means a person from whose body an organ is taken to be transferred to the body of another person.

"Private employer" means a sole proprietorship, corporation, partnership, limited liability company, or other entity with one or more employees. "Private employer" does not include a municipality, county, State agency, or other public employer.

This subsection (j) is exempt from the provisions of Section 250 of this Act.

(k) A taxpayer who is issued a certificate under the Local Journalism Sustainability Act for a taxable year shall be allowed a credit against payments due under this Section as provided in that Act.

(Source: P.A. 97-636, eff. 6-1-12.)

Section 45-10. The Illinois Income Tax Act is amended by changing Sections 222 and 704A as follows:

(35 ILCS 5/222)

Sec. 222. Live theater production credit.

(a) For tax years beginning on or after January 1, 2012 and beginning prior to January 1, 2027, a taxpayer who has received a tax credit award under the Live Theater Production Tax Credit Act for a long-run production, a pre-Broadway production, or a commercial Broadway touring show is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act in an amount determined under that Act by the Department of Commerce and Economic Opportunity.

The tax credit award shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset liability, the earlier credit shall be applied first. In no event may a credit under this Section reduce the taxpayer's liability to less than zero.

(35 ILCS 5/704A)

Sec. 704A. Employer's return and payment of tax withheld.

Every employer shall, in the form and manner required by the Department, make returns with respect to taxes withheld or required to be withheld under this Article 7 for each quarter beginning on or after January 1, 2008, on or before the last day of the first month following the close of that quarter.

(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:

(1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than \$12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:

(A) on or before each Friday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

Beginning with calendar year 2011, payments made under this paragraph (1) of subsection (c) must be made by electronic funds transfer.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than \$12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the return is due and not previously paid to the Department.

(d) Regulatory authority. The Department may, by rule:

(1) Permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the year for taxes withheld or required to be withheld during the previous calendar year and, if the aggregate amounts required to be withheld by the employer under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed \$1,000 for the previous calendar year, to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withholds or is required to deduct and withhold tax from a person engaged in domestic service employment, as that term is defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. With respect to taxes withheld in calendar years prior to 2017, any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

With respect to taxes withheld in 2017 and subsequent calendar years, the Department may, by rule, require that any return (including any amended return) under this Section and any W-2 Form that is required to be submitted to the Department must be submitted on magnetic media or electronically.

The due date for submitting W-2 Forms shall be as prescribed by the Department by rule.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit for the incremental income tax attributable to full-time employees of the taxpayer awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Tax Credit Act for the taxable year and credits not previously claimed and allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the

taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding calendar years as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act. No credit awarded under the Economic Development for a Growing Economy Tax Credit Act for agreements entered into on or after January 1, 2015 may be credited against payments due under this Section.

(g-1) For amounts deducted or withheld after December 31, 2024, a taxpayer who makes an election under the Reimagining Energy and Vehicles in Illinois Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the REV Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Reimagining Energy and Vehicles in Illinois Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g-1), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(g-2) For amounts deducted or withheld after December 31, 2024, a taxpayer who makes an election under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the MICRO Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection, the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under

paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(h) An employer may claim a credit against payments due under this Section for amounts withheld during the first calendar year ending after the date on which a tax credit certificate was issued under Section 35 of the Small Business Job Creation Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

(i) Each employer with 50 or fewer full-time equivalent employees during the reporting period may claim a credit against the payments due under this Section for each qualified employee in an amount equal to the maximum credit allowable. The credit may be taken against payments due for reporting periods that begin on or after January 1, 2020, and end on or before December 31, 2027. An employer may not claim a credit for an employee who has worked fewer than 90 consecutive days immediately preceding the reporting period; however, such credits may accrue during that 90-day period and be claimed against payments under this Section for future reporting periods after the employee has worked for the employer at least 90 consecutive days. In no event may the credit exceed the employer's liability for the reporting period. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the employer.

For each reporting period, the employer may not claim a credit or credits for more employees than the number of employees making less than the minimum or reduced wage for the current calendar year during the last reporting period of the preceding calendar year. Notwithstanding any other provision of this subsection, an employer shall not be eligible for credits for a reporting period unless the average wage paid by the employer per employee for all employees making less than \$55,000 during the reporting period is greater than the average wage paid by the employer per employee for all employees making less than \$55,000 during the same reporting period of the prior calendar year.

For purposes of this subsection (i):

"Compensation paid in Illinois" has the meaning ascribed to that term under Section 304(a)(2)(B) of this Act.

"Employer" and "employee" have the meaning ascribed to those terms in the Minimum Wage Law, except that "employee" also includes employees who work for an employer with fewer than 4 employees. Employers that operate more than one establishment pursuant to a franchise agreement or that constitute members of a unitary business group shall aggregate their employees for purposes of determining eligibility for the credit.

"Full-time equivalent employees" means the ratio of the number of paid hours during the reporting period and the number of working hours in that period.

"Maximum credit" means the percentage listed below of the difference between the amount of compensation paid in Illinois to employees who are paid not more than the required minimum wage reduced by the amount of compensation paid in Illinois to employees who were paid less than the current required minimum wage during the reporting period prior to each increase in the required minimum wage on January 1. If an employer pays an employee more than the required minimum wage and that employee previously earned less than the required minimum wage, the employer may include the portion that does not exceed the required minimum wage as compensation paid in Illinois to employees who are paid not more than the required minimum wage.

(1) 25% for reporting periods beginning on or after January 1, 2020 and ending on or before December 31, 2020;

(2) 21% for reporting periods beginning on or after January 1, 2021 and ending on or before December 31, 2021;

(3) 17% for reporting periods beginning on or after January 1, 2022 and ending on or before December 31, 2022;

(4) 13% for reporting periods beginning on or after January 1, 2023 and ending on or before December 31, 2023;

(5) 9% for reporting periods beginning on or after January 1, 2024 and ending on or before December 31, 2024;

(6) 5% for reporting periods beginning on or after January 1, 2025 and ending on or before December 31, 2025.

The amount computed under this subsection may continue to be claimed for reporting periods beginning on or after January 1, 2026 and:

(A) ending on or before December 31, 2026 for employers with more than 5 employees; or

(B) ending on or before December 31, 2027 for employers with no more than 5 employees.

"Qualified employee" means an employee who is paid not more than the required minimum wage and has an average wage paid per hour by the employer during the reporting period equal to or greater than his or her average wage paid per hour by the employer during each reporting period for the immediately preceding 12 months. A new qualified employee is deemed to have earned the required minimum wage in the preceding reporting period.

"Reporting period" means the quarter for which a return is required to be filed under subsection (b) of this Section.

(j) For reporting periods beginning on or after January 1, 2023, if a private employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor, then the private employer may take a credit against the payments due under this Section in an amount equal to the amount withheld under this Section with respect to wages paid while the employee is on organ donation leave, not to exceed \$1,000 in withholdings for each employee who takes organ donation leave. To be eligible for the credit, such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least the first 30 days of the leave of absence. The private employer shall adopt rules governing organ donation leave, including rules that (i) establish conditions and procedures for requesting and approving leave and (ii) require medical documentation of the proposed organ or bone marrow donation before leave is approved by the private employer. A private employer must provide, in the manner required by the Department, documentation from the employee's medical provider, which the private employer receives from the employee, that verifies the employee's organ donation. The private employer must also provide, in the manner required by the Department, documentation that shows that a qualifying organ donor leave policy was in place and offered to all qualifying employees at the time the leave was taken. For the private employer to receive the tax credit, the employee taking organ donor leave must allow for the applicable medical records to be disclosed to the Department. If the private employer cannot provide the required documentation to the Department, then the private employer is ineligible for the credit under this Section. A private employer must also provide, in the form required by the Department, any additional documentation or information required by the Department to administer the credit under this Section. The credit under this subsection (j) shall be taken within one year after the date upon which the organ donation leave begins. If the leave taken spans into a second tax year, the employer qualifies for the allowable credit in the later of the 2 years. If the amount of credit exceeds the tax liability for the year, the excess may be carried and applied to the tax liability for the 3 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset liability, the earlier credit shall be applied first.

Nothing in this subsection (j) prohibits a private employer from providing an unpaid leave of absence to its employees for the purpose of serving as an organ donor or bone marrow donor; however, if the employer's policy provides for fewer than 30 days of paid leave for organ or bone marrow donation, then the employer shall not be eligible for the credit under this Section.

As used in this subsection (j):

"Organ" means any biological tissue of the human body that may be donated by a living donor, including, but not limited to, the kidney, liver, lung, pancreas, intestine, bone, skin, or any subpart of those organs.

"Organ donor" means a person from whose body an organ is taken to be transferred to the body of another person.

"Private employer" means a sole proprietorship, corporation, partnership, limited liability company, or other entity with one or more employees. "Private employer" does not include a municipality, county, State agency, or other public employer.

This subsection (j) is exempt from the provisions of Section 250 of this Act.

(k) For reporting periods beginning on or after January 1, 2025 and before January 1, 2027, an employer may claim a credit against payments due under this Section for amounts withheld during the first reporting period to occur after the date on which a tax credit certificate is issued for a non-profit theater production under Section 10 of the Live Theater Production Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Article to less than zero. If the amount of the credit exceeds the total amount due under this Article with respect to amounts withheld during the first reporting period to occur after the date on which a tax credit certificate is issued, the excess may be carried forward and applied against the taxpayer's liability under this Section for reporting periods that occur in the 5 succeeding calendar years. The excess credit shall be applied to the earliest reporting period for which there is a payment due under this Article. If there are credits from more than one reporting period that are available to offset a liability, the earlier credit shall be applied first. The Department of Revenue, in cooperation with the Department of Commerce and Economic Opportunity, shall adopt rules to enforce and administer the provisions of this subsection.

ARTICLE 50.

Section 50-1. Short title. This Act may be cited as the Music and Musicians Tax Credit and Jobs Act. References in this Article to "this Act" mean this Article.

Section 50-5. Purpose. The State's economy depends heavily on music, professional musicians, music teachers, and educators. Illinois is a cultural crown jewel of the United States. Illinois and Chicago boast a robust history and community of creative artists, writers, musicians, architects, orchestras, live music and entertainment venues, civic operas, recording studios, and universities. The COVID-19 pandemic and the economic fallout that ensued brought on especially difficult circumstances for the live entertainment industry at large. Throughout the State, this has meant the closure of and overall decrease in culturally engaging aspects of Illinois cities from Cairo to Chicago.

According to the Americans for the Arts Action Fund, arts and culture represent 3.1% of the State's gross domestic product and 190,078 jobs. In fact, in 2020, Illinois arts and culture was larger than the State's agriculture industry. In 2015, nonprofit arts organizations in the State generated \$4,000,000,000 in economic activity that supported 111,068 jobs and generated \$478,500,000 in State and local government revenue. In Chicago specifically, nonprofit arts groups generated \$3,200,000,000 in total economic activity and \$336,500,000 in State and local government revenue. Audiences exceeded 36,000,000 people.

Yet, during the COVID-19 pandemic, the arts suffered. As a result, Illinois arts and culture value added decreased by 9% between 2019 and 2020 and employment decreased by 12%. Ultimately, \$3,200,000,000 and 26,644 jobs were lost. Even as live performances have resumed, audience sizes remain below pre-pandemic levels. Regional theaters, local orchestras, opera houses, and performing arts organizations are reporting persistent drops in attendance.

It is the policy of this State to promote and encourage the training and hiring of Illinois residents who represent the diversity of the Illinois population through the creation and implementation of training, education, and recruitment programs organized in cooperation with Illinois colleges and universities, labor organizations, and the commercial for-profit music industry.

Section 52-5. The Illinois Income Tax Act is amended by adding Section 241 as follows:

(35 ILCS 5/241 new)

Sec. 241. Music and Musicians Tax Credits and Jobs Act. Taxpayers who have been awarded a credit under the Music and Musicians Tax Credits and Jobs Act are entitled to a credit against the taxes imposed by subsections (a) and (b) of Section 201 of this Act in an amount determined by the Department of Commerce and Economic Opportunity under that Act. The credit shall be claimed in the taxable year in which the tax credit award certificate is issued, and the certificate shall be attached to the return. If the taxpayer is a partnership or Subchapter S corporation, the credit shall be allowed to the partners or shareholders in accordance with the provisions of Section 251.

The credit may not reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first.

ARTICLE 55.

Section 55-5. The Illinois Income Tax Act is amended by changing Section 216 as follows:

(35 ILCS 5/216)

Sec. 216. Credit for wages paid to returning citizens ~~ex felons~~.

(a) For each taxable year beginning on or after January 1, 2007, each taxpayer is entitled to a credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an amount equal to 5% of qualified wages paid by the taxpayer during the taxable year to one or more Illinois residents who are qualified returning citizens ~~ex-offenders~~. For each taxable year beginning on or after January 1, 2025, each taxpayer is entitled to a credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an amount equal to 15% of qualified wages paid by the taxpayer during the taxable year to one or more Illinois residents who are qualified returning citizens. The total credit allowed to a taxpayer with respect to each qualified returning citizen ~~ex-offender~~ may not exceed \$1,500 for all taxable years ending on or before December 31, 2024. For taxable years ending on or after December 31, 2025, the total credit allowed to a taxpayer with respect to each qualified returning citizen may not exceed \$7,500. For taxable years ending on or after December 31, 2025, the total amount in credit that may be awarded under this Section may not exceed \$1,000,000 per taxable year. For taxable years ending before December 31, 2023, for partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, partners and shareholders of subchapter S corporations are entitled to a credit under this Section as provided in Section 251.

(b) For purposes of this Section, "qualified wages":

(1) includes only wages that are subject to federal unemployment tax under Section 3306 of the Internal Revenue Code, without regard to any dollar limitation contained in that Section;

(2) does not include any amounts paid or incurred by an employer for any period to any qualified returning citizen ~~ex-offender~~ for whom the employer receives federally funded payments for on-the-job training of that qualified returning citizen ~~ex-offender~~ for that period; and

(3) includes only wages attributable to service rendered during the one-year period beginning with the day the qualified returning citizen ~~ex-offender~~ begins work for the employer.

If the taxpayer has received any payment from a program established under Section 482(e)(1) of the federal Social Security Act with respect to a qualified returning citizen ~~ex-offender~~, then, for purposes of calculating the credit under this Section, the amount of the qualified wages paid to that qualified ~~ex-offender~~ must be reduced by the amount of the payment.

(c) For purposes of this Section, "qualified returning citizen ~~ex-offender~~" means any person who:

(1) has been convicted of a crime in this State or of an offense in any other jurisdiction, not including any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act;

(2) was sentenced to a period of incarceration in an Illinois adult correctional center; and

(3) was hired by the taxpayer within 3 years after being released from an Illinois adult correctional center if the credit is claimed for a taxable year beginning on or before January 1, 2024, or was hired by the taxpayer within 5 years after being released from an Illinois adult correctional center if the credit is claimed for a taxable year beginning on or after January 1, 2025.

(d) In no event shall a credit under this Section reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

(e) This Section is exempt from the provisions of Section 250.

ARTICLE 65.

Section 65-5. The Hotel Operators' Occupation Tax Act is amended by changing Sections 2, 3, 4, 5, and 6 and by adding Sections 3-2 and 3-3 as follows:

(35 ILCS 145/2) (from Ch. 120, par. 481b.32)

Sec. 2. Definitions. As used in this Act, unless the context otherwise requires:

(1) "Hotel" means any building or buildings in which the public may, for a consideration, obtain living quarters, sleeping or housekeeping accommodations. The term includes, but is not limited to, inns, motels, tourist homes or courts, lodging houses, rooming houses and apartment houses, retreat centers, conference centers, and hunting lodges. For the purposes of re-renters of hotel rooms only, "hotel" does not include a short-term rental.

(2) "Operator" means any person engaged in the business of renting, leasing, or letting rooms in operating a hotel.

(3) "Occupancy" means the use or possession, or the right to the use or possession, of any room or rooms in a hotel for any purpose, or the right to the use or possession of the furnishings or to the services and accommodations accompanying the use and possession of the room or rooms.

(4) "Room" or "rooms" means any living quarters, sleeping or housekeeping accommodations.

(5) "Permanent resident" means any person who occupied or has the right to occupy any room or rooms, regardless of whether or not it is the same room or rooms, in a hotel for at least 30 consecutive days.

(6) "Rent" or "rental" means the consideration received for occupancy, valued in money, whether received in money or otherwise, including all receipts, cash, credits and property or services of any kind or nature. "Rent" or "rental" includes any fee, charge, or commission received from a guest by a re-renter of hotel rooms specifically in connection with the re-rental of hotel rooms, but does not include any fee, charge, or commission received from a short-term rental by a hosting platform.

(7) "Department" means the Department of Revenue.

(8) "Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

(9) "Re-renter of hotel rooms" means a person who is not employed by the hotel operator but who, either directly or indirectly, through agreements or arrangements with third parties, collects or processes the payment of rent for a hotel room located in this State and (i) obtains the right or authority to grant control of, access to, or occupancy of a hotel room in this State to a guest of the hotel or (ii) facilitates the booking of a hotel room located in this State. A person who obtains those rights or authorities is not considered a re-renter of a hotel room if the person operates under a shared hotel brand with the operator.

(10) "Hosting platform" or "platform" means a person who provides an online application, software, website, or system through which a short-term rental located in this State is advertised or held out to the public as available to rent for occupancy. For purposes of this definition, "short-term rental" means an owner-occupied, tenant-occupied, or non-owner-occupied dwelling, including, but not limited to, an apartment, house, cottage, or condominium, located in this State, where: (i) at least one room in the dwelling

is rented to an occupant for a period of less than 30 consecutive days; and (ii) all accommodations are reserved in advance; provided, however, that a dwelling shall be considered a single room if rented as such.

(11) "Shared hotel brand" means an identifying trademark that a hotel operator is expressly licensed to operate under in accordance with the terms of a hotel franchise or management agreement (Source: P.A. 100-213, eff. 8-18-17.)

(35 ILCS 145/3) (from Ch. 120, par. 481b.33)

Sec. 3. Rate; exemptions.

(a) A tax is imposed upon hotel operators ~~persons engaged in the business of renting, leasing or letting rooms in a hotel~~ at the rate of 5% of 94% of the gross rental receipts from engaging in business as a hotel operator ~~such renting, leasing or letting~~, excluding, however, from gross rental receipts, the proceeds of ~~such~~ renting, leasing or letting hotel rooms to permanent residents of a ~~that~~ hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b) There shall be imposed an additional tax upon hotel operators ~~persons engaged in the business of renting, leasing or letting rooms in a hotel~~ at the rate of 1% of 94% of the gross rental receipts ~~received by the hotel operator from engaging in business as a hotel operator from such renting, leasing or letting~~, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting to permanent residents of that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b-5) Beginning on July 1, 2024, if the renting, leasing, or letting of a hotel room is done through a re-renter of hotel rooms, then, subject to the provisions of Sections 3-2 and 3-3, the re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b). If the re-renter is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, then, subject to the provisions of Sections 3-2 and 3-3, such re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b) if it meets one of the following thresholds:

(1) the cumulative gross receipts from rentals in Illinois by the re-renter of hotel rooms are \$100,000 or more; or

(2) the re-renter of hotel rooms cumulatively enters into 200 or more separate transactions for rentals in Illinois.

A re-renter of hotel rooms who is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) of this subsection (b-5) for the preceding 12-month period. If such re-renter of hotel rooms meets the threshold of either paragraph (1) or (2) for a 12-month period, he or she is subject to tax under this Act and is required to remit the tax imposed under this Act and file returns for the 12-month period beginning on the first day of the next month after he or she determines that he or she meets the threshold of paragraph (1) or (2). At the end of that 12-month period, such re-renter of hotel rooms shall determine whether he or she continued to meet the threshold of either paragraph (1) or (2) during the preceding 12-month period. If he or she met the threshold in either paragraph (1) or (2) for the preceding 12-month period, he or she is a hotel operator in this State and is required to remit the tax imposed under this Act and file returns for the subsequent 12-month period. If, at the end of a 12-month period during which such re-renter is required to remit the tax imposed under this Act, the re-renter determines that he or she did not meet the threshold in either paragraph (1) or (2) during the preceding 12-month period, he or she shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) for the preceding 12-month period.

(c) No funds received pursuant to this Act shall be used to advertise for or otherwise promote new competition in the hotel business.

(d) However, such tax is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State. In addition, the tax is not imposed upon gross rental receipts for which the hotel operator is prohibited from obtaining reimbursement for the tax from the customer by reason of a federal treaty.

(d-5) On and after July 1, 2017, the tax imposed by this Act shall not apply to gross rental receipts received by an entity that is organized and operated exclusively for religious purposes and possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act when acting as a hotel operator renting, leasing, or letting rooms:

(1) in furtherance of the purposes for which it is organized; or

(2) to entities that (i) are organized and operated exclusively for religious purposes, (ii) possess an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act, and (iii) rent the rooms in furtherance of the purposes for which they are organized.

No gross rental receipts are exempt under paragraph (2) of this subsection (d-5) unless the hotel operator obtains the active Exemption Identification Number from the exclusively religious entity to whom it is renting and maintains that number in its books and records. Gross rental receipts from all rentals other than those described in items (1) or (2) of this subsection (d-5) are subject to the tax imposed by this Act unless otherwise exempt under this Act.

This subsection (d-5) is exempt from the sunset provisions of Section 3-5 of this Act.

(d-10) On and after July 1, 2023, the tax imposed by this Act shall not apply to gross rental receipts received from the renting, leasing, or letting of rooms to an entity that is organized and operated exclusively by an organization chartered by the United States Congress for the purpose of providing disaster relief and that possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act if the renting, leasing, or letting of the rooms is in furtherance of the purposes for which the exempt organization is organized. This subsection (d-10) is exempt from the sunset provisions of Section 3-5 of this Act.

(e) Persons subject to the tax imposed by this Act may reimburse themselves for their tax liability under this Act by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with any tax imposed pursuant to Sections 8-3-13 and 8-3-14 of the Illinois Municipal Code, and Section 25.05-10 of "An Act to revise the law in relation to counties".

(f) If any hotel operator collects an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are not subject to hotel operators' occupation tax, or if any hotel operator, in collecting an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are subject to tax under this Act, collects more from the guest or re-renter ~~customer~~ than the operators' hotel operators' occupation tax liability in the transaction is, the guest or re-renter, as applicable, ~~customer~~ shall have a legal right to claim a refund of such amount from such operator. However, if such amount is not refunded to the guest or re-renter, as applicable, ~~customer~~ for any reason, the hotel operator is liable to pay such amount to the Department.

(Source: P.A. 103-9, eff. 6-7-23.)

(35 ILCS 145/3-2 new)

Sec. 3-2. No resale exemption; tax incurred by re-renters of hotel rooms. A hotel operator who rents, leases, or lets rooms subject to tax under this Act to a re-renter of hotel rooms incurs the tax under this Act on the gross rental receipts it receives from that re-renter of hotel rooms and cannot claim any resale exemption. In such situations, the re-renter of hotel rooms incurs tax under this Act on its gross rental receipts as provided in Section 3 of this Act.

(35 ILCS 145/3-3 new)

Sec. 3-3. Re-renter of hotel rooms; credit for tax reimbursement. A re-renter of hotel rooms may take a credit against the tax it incurs on the rental of a hotel room under this Act for the amount it paid under subsection (e) of Section 3 of this Act to a hotel operator as reimbursement for the tax incurred under this Act for the rental of that room for the purposes of re-rental.

(35 ILCS 145/4) (from Ch. 120, par. 481b.34)

Sec. 4. Books and records. Every operator shall keep separate books or records of his business as an operator so as to show the rents and occupancies taxable under this Act separately from his transactions not taxable under this Act. If any operator fails to keep such separate books or records, he shall be liable to tax at the rate designated in Section 3 hereof upon the entire proceeds from his business ~~hotel~~. The Department may adopt rules that establish requirements, including record forms and formats, for records required to be kept and maintained by taxpayers. For purposes of this Section, "records" means all data maintained by the taxpayer, including data on paper, microfilm, microfiche or any type of machine-sensible data compilation.

(Source: P.A. 88-480.)

(35 ILCS 145/5) (from Ch. 120, par. 481b.35)

Sec. 5. Certificate of registration; retailers' occupation tax registration provisions apply. It shall be unlawful for any person to engage in the business as a hotel operator of renting, leasing or letting rooms in a hotel in this State without a certificate of registration from the Department.

All of the provisions of Sections 2a and 2b of the Retailers' Occupation Tax Act, in effect on the effective date of this Act, as subsequently amended, shall apply to persons in ~~the business as hotel operators of renting, leasing or letting rooms in a hotel~~ in this State, to the same extent as if such provisions were included herein.

(Source: Laws 1961, p. 1728.)

(35 ILCS 145/6) (from Ch. 120, par. 481b.36)

Sec. 6. Returns; allocation of proceeds ~~Filing of returns and distribution of revenue~~. Except as provided hereinafter in this Section, on or before the last day of each calendar month, every person engaged as a hotel operator ~~in the business of renting, leasing or letting rooms in a hotel~~ in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the operator;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in ~~the business as a hotel operator of renting, leasing or letting rooms in a hotel~~ in this State (including, if required by the Department, the address of each hotel from which rental receipts were received);
3. Total amount of rental receipts received by him during the preceding calendar month from engaging in business as a hotel operator ~~renting, leasing or letting rooms~~ during such preceding calendar month;
4. Total amount of rental receipts received by him during the preceding calendar month from renting, leasing or letting rooms to permanent residents during such preceding calendar month;
5. Total amount of other exclusions from gross rental receipts allowed by this Act;
6. Gross rental receipts which were received by him during the preceding calendar month and upon the basis of which the tax is imposed;
7. The amount of tax due;
8. Credit for any reimbursement of tax paid by a re-renter of hotel rooms to hotel operators for rentals purchased for re-rental, as provided in Section 3-3 of this Act;
9. ~~8.~~ Such other reasonable information as the Department may require.

If the operator's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.

If the operator's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which an operator may file his return, in the case of any operator who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such operator shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where the same person has more than 1 business registered with the Department under separate registrations under this Act, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In his return, the operator shall determine the value of any consideration other than money received by him in connection with engaging in business as a hotel operator ~~the renting, leasing or letting of rooms in the course of his business~~ and he shall include such value in his return. Such determination shall be subject to review and revision by the Department in the manner hereinafter provided for the correction of returns.

Where the operator is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

The person filing the return herein provided for shall, at the time of filing such return, pay to the Department the amount of tax herein imposed. The operator filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% or \$25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the

expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

If any payment provided for in this Section exceeds the operator's liabilities under this Act, as shown on an original return, the Department may authorize the operator to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the operator, the operator's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that operator shall be liable for penalties and interest on such difference.

There shall be deposited into the Build Illinois Fund in the State Treasury for each State fiscal year 40% of the amount of total net revenue from the tax imposed by subsection (a) of Section 3. Of the remaining 60%: (i) \$5,000,000 shall be deposited into the Illinois Sports Facilities Fund and credited to the Subsidy Account each fiscal year by making monthly deposits in the amount of 1/8 of \$5,000,000 plus cumulative deficiencies in such deposits for prior months, and (ii) an amount equal to the then applicable Advance Amount shall be deposited into the Illinois Sports Facilities Fund and credited to the Advance Account each fiscal year by making monthly deposits in the amount of 1/8 of the then applicable Advance Amount plus any cumulative deficiencies in such deposits for prior months. (The deposits of the then applicable Advance Amount during each fiscal year shall be treated as advances of funds to the Illinois Sports Facilities Authority for its corporate purposes to the extent paid to the Authority or its trustee and shall be repaid into the General Revenue Fund in the State Treasury by the State Treasurer on behalf of the Authority pursuant to Section 19 of the Illinois Sports Facilities Authority Act, as amended. If in any fiscal year the full amount of the then applicable Advance Amount is not repaid into the General Revenue Fund, then the deficiency shall be paid from the amount in the Local Government Distributive Fund that would otherwise be allocated to the City of Chicago under the State Revenue Sharing Act.)

For purposes of the foregoing paragraph, the term "Advance Amount" means, for fiscal year 2002, \$22,179,000, and for subsequent fiscal years through fiscal year 2033, 105.615% of the Advance Amount for the immediately preceding fiscal year, rounded up to the nearest \$1,000.

Of the remaining 60% of the amount of total net revenue beginning on August 1, 2011 through June 30, 2023, from the tax imposed by subsection (a) of Section 3 after all required deposits into the Illinois Sports Facilities Fund, an amount equal to 8% of the net revenue realized from this Act during the preceding month shall be deposited as follows: 18% of such amount shall be deposited into the Chicago Travel Industry Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 82% of such amount shall be deposited into the Local Tourism Fund each month for purposes authorized by Section 605-705 of the Department of Commerce and Economic Opportunity Law. Beginning on August 1, 2011 and through June 30, 2023, an amount equal to 4.5% of the net revenue realized from this Act during the preceding month shall be deposited as follows: 55% of such amount shall be deposited into the Chicago Travel Industry Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 45% of such amount deposited into the International Tourism Fund for the purposes authorized in Section 605-707 of the Department of Commerce and Economic Opportunity Law. "Net revenue realized" means the revenue collected by the State under this Act less the amount paid out as refunds to taxpayers for overpayment of liability under this Act.

Beginning on July 1, 2023, of the remaining 60% of the amount of total net revenue realized from the tax imposed under subsection (a) of Section 3, after all required deposits into the Illinois Sports Facilities Fund:

- (1) an amount equal to 8% of the net revenue realized under this Act for the preceding month shall be deposited as follows: 82% to the Local Tourism Fund and 18% to the Chicago Travel Industry Promotion Fund; and
- (2) an amount equal to 4.5% of the net revenue realized under this Act for the preceding month shall be deposited as follows: 55% to the Chicago Travel Industry Promotion Fund and 45% to the International Tourism Fund.

After making all these deposits, any remaining net revenue realized from the tax imposed under subsection (a) of Section 3 shall be deposited into the Tourism Promotion Fund in the State Treasury. All moneys received by the Department from the additional tax imposed under subsection (b) of Section 3 shall be deposited into the Build Illinois Fund in the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the operator's last State income tax return. If the total receipts of the business as reported in the State income tax return do not agree with the gross receipts reported to the Department for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The operator's annual information return to the Department shall also disclose payroll information of the operator's business during the year covered by such return and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual tax returns by such operator as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required the taxpayer shall be liable for a penalty in an amount determined in accordance with Section 3-4 of the Uniform Penalty and Interest Act until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to an operator who is not required to file an income tax return with the United States Government. (Source: P.A. 102-16, eff. 6-17-21; 103-8, eff. 6-7-23.)

Section 65-10. The Illinois Municipal Code is amended by changing Section 8-3-13 as follows:
(65 ILCS 5/8-3-13) (from Ch. 24, par. 8-3-13)

Sec. 8-3-13. The corporate authorities of any municipality containing 500,000 or more inhabitants may impose a tax prior to July 1, 1969, upon all hotel operators ~~persons engaged~~ in the municipality ~~in the business of renting, leasing or letting rooms in a hotel~~, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from ~~engaging~~ in business as a hotel operator ~~the renting, leasing or letting~~, excluding, however, from gross rental receipts, the proceeds of the renting, leasing or letting of hotel rooms to permanent residents of ~~a~~ that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in the Hotel Operators' Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if the provisions contained in those Acts were set forth herein.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Illinois tourism tax fund.

Persons subject to any tax imposed under authority granted by this Section may reimburse themselves for their tax liability for that tax by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax imposed under the Hotel Operators' Occupation Tax Act.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from which lessors have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, less 4% of the balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing the provisions of this Section, as provided herein. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the Comptroller the amount so retained by the State Treasurer, which shall be paid into the General Revenue Fund of the State Treasury.

Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the General Revenue Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the warrants to be drawn for the respective amounts in accordance with the directions contained in the certification.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business that, under the Constitution of the United States, may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the expiration of the publication period provided in Section 1-2-4 in respect to municipalities governed by that Section.

The corporate authorities of any municipality that levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after the effective date of the ordinance or resolution a certified copy of the ordinance or resolution imposing the tax; whereupon, the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipality as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the corporate authorities of the municipality shall, on or not later than 5 days after the effective date of the ordinance or resolution discontinuing the tax or effecting a change in rate, transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting the change or discontinuance. The amounts disbursed to any municipality under this Section shall be expended by the municipality solely to promote tourism, conventions and other special events within that municipality or otherwise to attract nonresidents to visit the municipality.

Any municipality receiving and disbursing money under this Section shall report on or before the first Monday in January of each year to the Advisory Committee of the Illinois Tourism Promotion Fund, created by Section 12 of the Illinois Promotion Act. The reports shall specify the purposes for which the disbursements were made and shall contain detailed amounts of all receipts and disbursements under this Section.

This Section may be cited as the Tourism, Conventions and Other Special Events Promotion Act of 1967.

Section 65-15. The Metropolitan Pier and Exposition Authority Act is amended by changing Section 13 as follows:

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for the payment of refunds, less 1.5% of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed

to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

(1) that portion of the City of Chicago located within the following area: Beginning at the point of intersection of the Cook County - DuPage County line and York Road, then North along York Road to its intersection with Touhy Avenue, then east along Touhy Avenue to its intersection with the Northwest Tollway, then southeast along the Northwest Tollway to its intersection with Lee Street, then south along Lee Street to Higgins Road, then south and east along Higgins Road to its intersection with Mannheim Road, then south along Mannheim Road to its intersection with Irving Park Road, then west along Irving Park Road to its intersection with the Cook County - DuPage County line, then north and west along the county line to the point of beginning; and

Stevenson Expressway to a point 150 feet west of the west line of South Ashland Avenue, then north along a line 150 feet west of the west line of South and North Ashland Avenue to the point of beginning.

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose an occupation tax upon all ~~hotel operators persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel,~~ as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from engaging in business as a hotel operator ~~the renting, leasing, or letting of hotel rooms~~ within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting of hotel rooms to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are prescribed in the Hotel Operators' Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators' Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from

the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or \$25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who

shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the

Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) \$4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): \$18 per bus or van with a capacity of 1-12 passengers, \$36 per bus or van with a capacity of 13-24 passengers, and \$54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: \$2 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean \$41.7 million in fiscal year 2011, \$36.7 million in fiscal year 2012, \$36.7 million in fiscal year 2013, \$36.7 million in fiscal year 2014, and \$31.7 million in each fiscal year thereafter until 2035, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed \$343.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above \$343.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter to and including July 20, 2017, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. On July 20, 2018 and on July 20 of each year thereafter, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay all of such surplus revenues to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid. After the 2010 deficiency amount has been paid, the Treasurer shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means \$15 million in fiscal year 2011 and \$30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed \$20,000,000 annually or \$80,000,000 total, which amount shall be reduced \$0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

Section 65-20. The Illinois Sports Facilities Authority Act is amended by changing Section 19 as follows:

(70 ILCS 3205/19) (from Ch. 85, par. 6019)

Sec. 19. Tax. The Authority may impose an occupation tax upon all hotel operators ~~persons engaged in the City of Chicago in the business of renting, leasing or letting rooms in a hotel~~, as defined in The Hotel Operators' Occupation Tax Act, at a rate not to exceed 2% of the gross rental receipts from engaging in business as a hotel operator ~~the renting, leasing or letting of hotel rooms located within the City of Chicago~~, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting of hotel rooms to permanent residents of a ~~that~~ hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the Authority pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a lessor under The Hotel Operators' Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in The Hotel Operators' Occupation Tax Act (except where that Act is inconsistent herewith), as the same is now or may hereafter be amended, as fully as if the provisions contained in The Hotel Operators' Occupation Tax Act were set forth herein.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the amounts held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed pursuant to authority granted by this Section may reimburse themselves for their tax liability for such tax by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax imposed under The Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 13 of the Metropolitan Pier and Exposition Authority Act.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee for the Authority, all taxes and penalties collected hereunder for deposit in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amount to be paid to or on behalf of the Authority from amounts collected hereunder by the Department, and deposited into such trust fund during the second preceding calendar month. The amount to be paid to or on behalf of the Authority shall be the amount (not including credit memoranda) collected hereunder during such second preceding calendar month by the Department, less an amount equal to the amount of refunds authorized during such second preceding calendar month by the Department on behalf of the Authority, and less 4% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing the provisions of this Section, as provided herein. Each such monthly certification by the Department shall also certify to the Comptroller the amount to be so retained by the State Treasurer for payment into the General Revenue Fund of the State Treasury.

Each monthly certification by the Department shall certify, of the amount paid to or on behalf of the Authority, (i) the portion to be paid to the Authority, (ii) the portion to be paid into the General Revenue

Fund of the State Treasury on behalf of the Authority as repayment of amounts advanced to the Authority pursuant to appropriation from the Illinois Sports Facilities Fund.

With respect to each State fiscal year, of the total amount to be paid to or on behalf of the Authority, the Department shall certify that payments shall first be made directly to the Authority in an amount equal to any difference between the annual amount certified by the Chairman of the Authority pursuant to Section 8.25-4 of the State Finance Act and the amount appropriated to the Authority from the Illinois Sports Facilities Fund. Next, the Department shall certify that payment shall be made into the General Revenue Fund of the State Treasury in an amount equal to the difference between (i) the lesser of (x) the amount appropriated from the Illinois Sports Facilities Fund to the Authority and (y) the annual amount certified by the Chairman of the Authority pursuant to Section 8.25-4 of the State Finance Act and (ii) \$10,000,000. The Department shall certify that all additional amounts shall be paid to the Authority and used for its corporate purposes.

Within 10 days after receipt, by the Comptroller, of the Department's monthly certification of amounts to be paid to or on behalf of the Authority and amounts to be paid into the General Revenue Fund, the Comptroller shall cause the warrants to be drawn for the respective amounts in accordance with the directions contained in such certification.

Amounts collected by the Department and paid to the Authority pursuant to this Section shall be used for the corporate purposes of the Authority. On June 15, 1992 and on each June 15 thereafter, the Authority shall repay to the State Treasurer all amounts paid to it under this Section and otherwise remaining available to the Authority after providing for (i) payment of principal and interest on, and other payments related to, its obligations issued or to be issued under Section 13 of the Act, including any deposits required to reserve funds created under any indenture or resolution authorizing issuance of the obligations and payments to providers of credit enhancement, (ii) payment of obligations under the provisions of any management agreement with respect to a facility or facilities owned by the Authority or of any assistance agreement with respect to any facility for which financial assistance is provided under this Act, and payment of other capital and operating expenses of the Authority, including any deposits required to reserve funds created for repair and replacement of capital assets and to meet the obligations of the Authority under any management agreement or assistance agreement. Amounts repaid by the Authority to the State Treasurer hereunder shall be treated as repayment of amounts deposited into the Illinois Sports Facilities Fund and credited to the Subsidy Account and used for the corporate purposes of the Authority. The State Treasurer shall deposit \$5,000,000 of the amount received into the General Revenue Fund; thereafter, at the beginning of each fiscal year the State Treasurer shall certify to the State Comptroller for all prior fiscal years the cumulative amount of any deficiencies in repayments to the City of Chicago of amounts in the Local Government Distributive Fund that would otherwise have been allocated to the City of Chicago under the State Revenue Sharing Act but instead were paid into the General Revenue Fund under Section 6 of the Hotel Operators' Occupation Tax Act and that have not been reimbursed, and the Comptroller shall, during the fiscal year at the beginning of which the certification was made, cause warrants to be drawn from the amount received for the repayment of that cumulative amount to the City of Chicago until that cumulative amount has been fully reimbursed; thereafter, the State Treasurer shall deposit the balance of the amount received into the trust fund established outside the State Treasury under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the second calendar month next following the month in which the ordinance or resolution is passed.

If the Authority levies a tax authorized by this Section it shall transmit to the Department of Revenue not later than 5 days after the adoption of the ordinance or resolution a certified copy of the ordinance or resolution imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Authority. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the Authority shall not later than 5 days after the effective date of the ordinance or resolution discontinuing the tax or effecting a change in rate transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting such change or discontinuance.

Section 70-5. The Motor Fuel Tax Law is amended by changing Section 2a as follows:

(35 ILCS 505/2a) (from Ch. 120, par. 418a)

Sec. 2a. Except as hereinafter provided, on and after January 1, 1990 and before January 1, 2030 ~~January 1, 2025~~, a tax of three-tenths of a cent per gallon is imposed upon the privilege of being a receiver in this State of fuel for sale or use. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

The tax shall be paid by the receiver in this State who first sells or uses fuel. In the case of a sale, the tax shall be stated as a separate item on the invoice.

For the purpose of the tax imposed by this Section, being a receiver of "motor fuel" as defined by Section 1.1 of this Act, and aviation fuels, home heating oil and kerosene, but excluding liquified petroleum gases, is subject to tax without regard to whether the fuel is intended to be used for operation of motor vehicles on the public highways and waters. However, no such tax shall be imposed upon the importation or receipt of aviation fuels and kerosene at airports with over 300,000 operations per year, for years prior to 1991, and over 170,000 operations per year beginning in 1991, located in a city of more than 1,000,000 inhabitants for sale to or use by holders of certificates of public convenience and necessity or foreign air carrier permits, issued by the United States Department of Transportation, and their air carrier affiliates, or upon the importation or receipt of aviation fuels and kerosene at facilities owned or leased by those certificate or permit holders and used in their activities at an airport described above. In addition, no such tax shall be imposed upon the importation or receipt of diesel fuel or liquefied natural gas sold to or used by a rail carrier registered pursuant to Section 18c-7201 of the Illinois Vehicle Code or otherwise recognized by the Illinois Commerce Commission as a rail carrier, to the extent used directly in railroad operations. In addition, no such tax shall be imposed when the sale is made with delivery to a purchaser outside this State or when the sale is made to a person holding a valid license as a receiver. In addition, no tax shall be imposed upon diesel fuel or liquefied natural gas consumed or used in the operation of ships, barges, or vessels, that are used primarily in or for the transportation of property in interstate commerce for hire on rivers bordering on this State, if the diesel fuel or liquefied natural gas is delivered by a licensed receiver to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river. A specific notation thereof shall be made on the invoices or sales slips covering each sale.

Section 75-5. The Use Tax Act is amended by changing Sections 2, 3, 3-5, 3-10, 3-55, and 9 and by adding Section 1.05 as follows:

(35 ILCS 105/1.05 new)

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to the privilege of using in this State tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, leased at retail from a retailer, for leases in effect, entered into, or renewed on or after January 1, 2025.

(35 ILCS 105/2) (from Ch. 120, par. 439.2)

Sec. 2. Definitions.

"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, or, on and after January 1, 2025, incident to the possession or control of, the right to possess or control, or a license to use that property through a lease, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business

to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. On and after January 1, 2025, the lease of tangible personal property to a lessee by a retailer who is subject to tax on lease receipts under this amendatory Act of the 103rd General Assembly does not qualify as demonstration use or interim use of that property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Lease" means a transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession or control from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act, includes a lease.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the ownership of, the ~~or~~ title to, the possession or control of, the right to possess or control, or a license to use, tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use, tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but, prior to January 1, 2020 and beginning again on January 1, 2022, not including the value of or credit given for

traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020 and until January 1, 2022, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds \$10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's tax liability under the Retailers' Occupation Tax Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

The provisions of this paragraph, which provides only for an alternative meaning of "selling price" with respect to the sale of certain motor vehicles incident to the contemporaneous lease of those motor vehicles, continue in effect and are not changed by the tax on leases implemented by this amendatory Act of the 103rd General Assembly. Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by this Act or to pay the tax imposed by the Retailers' Occupation Tax Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax

the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales, including, on and after January 1, 2025, leases, at retail as defined in this Section. With respect to leases, a "retailer" also means a "lessor", except as otherwise provided in this Act.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. This paragraph does not apply to nor subject to taxation occasional dinners, social or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with respect to such transactions.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail or a sale through a bulk vending machine does not make such person a retailer hereunder. However, any person who is engaged in a business which is not subject to the tax imposed by the Retailers' Occupation Tax Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) A retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed \$10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph (1.1) shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods.

(1.2) Beginning July 1, 2011, a retailer having a contract with a person located in this State under which:

(A) the retailer sells the same or substantially similar line of products as the person located in this State and does so using an identical or substantially similar name, trade name, or trademark as the person located in this State; and

(B) the retailer provides a commission or other consideration to the person located in this State based upon the sale of tangible personal property by the retailer.

The provisions of this paragraph (1.2) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers in this State under all such contracts exceed \$10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December.

(9) Beginning October 1, 2018, a retailer making sales of tangible personal property to purchasers in Illinois from outside of Illinois if:

(A) the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois are \$100,000 or more; or

(B) the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

The retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either subparagraph (A) or (B) of this paragraph (9) for the preceding 12-month period. If the retailer meets the threshold of either subparagraph (A) or (B) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file

returns for one year. At the end of that one-year period, the retailer shall determine whether he or she met the threshold of either subparagraph (A) or (B) during the preceding 12-month period. If the retailer met the criteria in either subparagraph (A) or (B) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the threshold in either subparagraph (A) or (B) during the preceding 12-month period, the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either subparagraph (A) or (B) for the preceding 12-month period.

Beginning January 1, 2020, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a retailer makes through a marketplace facilitator and for which the retailer has received a certification from the marketplace facilitator pursuant to Section 2d of this Act shall be included for purposes of determining whether he or she has met the thresholds of this paragraph (9).

(10) Beginning January 1, 2020, a marketplace facilitator that meets a threshold set forth in subsection (b) of Section 2d of this Act.

"Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a denomination not larger than \$0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

Sec. 3. Tax imposed. A tax is imposed upon the privilege of using in this State tangible personal property purchased, which, on and after January 1, 2025, includes leased, at retail from a retailer, including computer software, and including photographs, negatives, and positives that are the product of photoprocessing, but not including products of photoprocessing produced for use in motion pictures for commercial exhibition. Beginning January 1, 2001, prepaid telephone calling arrangements shall be considered tangible personal property subject to the tax imposed under this Act regardless of the form in which those arrangements may be embodied, transmitted, or fixed by any method now known or hereafter developed. Purchases of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

The imposition of the tax under this Act on the privilege of using tangible personal property leased at retail applies to leases of tangible personal property in effect, entered into, or renewed on or after January 1, 2025. In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

The inclusion of leases in the tax imposed under this Act by this amendatory Act of the 103rd General Assembly does not, however, extend to motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State. The taxation of these items shall continue in effect as prior to the effective date of the changes made to this Section by this amendatory Act of the 103rd General Assembly (i.e. dealers owe retailers' occupation tax, lessors owe use tax, and lessees are not subject to retailers' occupation or use tax).

If the equipment is leased in a manner that does not qualify for this exemption or is used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property, which, on and after January 1, 2025, includes leases of tangible personal property. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

to January 1, 2024, (iv) 90% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the proceeds of sales made after December 31, 2028. With respect to mid-range ethanol blends, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of mid-range ethanol blends made during that time.

On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1. If, at any time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel and biodiesel blends with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

(35 ILCS 105/3-55) (from Ch. 120, par. 439.3-55)

Sec. 3-55. Multistate exemption. To prevent actual or likely multistate taxation, the tax imposed by this Act does not apply to the use of tangible personal property in this State under the following circumstances:

(a) The use, in this State, of tangible personal property acquired outside this State by a nonresident individual and brought into this State by the individual for his or her own use while temporarily within this State or while passing through this State.

(b) (Blank).

(c) The use, in this State, by owners or lessors, lessees, or shippers of tangible personal property that is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce as long as so used by the interstate carriers for hire, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d) The use, in this State, of tangible personal property that is acquired outside this State and caused to be brought into this State by a person who has already paid a tax in another State in respect to the sale, purchase, or use of that property, to the extent of the amount of the tax properly due and paid in the other State.

(e) The temporary storage, in this State, of tangible personal property that is acquired outside this State and that, after being brought into this State and stored here temporarily, is used solely outside this State or is physically attached to or incorporated into other tangible personal property that is used solely outside this State, or is altered by converting, fabricating, manufacturing, printing, processing, or shaping, and, as altered, is used solely outside this State.

(f) The temporary storage in this State of building materials and fixtures that are acquired either in this State or outside this State by an Illinois registered combination retailer and construction contractor, and that the purchaser thereafter uses outside this State by incorporating that property into real estate located outside this State.

(g) The use or purchase of tangible personal property by a common carrier by rail or motor that receives the physical possession of the property in Illinois, and that transports the property, or shares with

another common carrier in the transportation of the property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of the property to a destination outside Illinois, for use outside Illinois.

(h) Except as provided in subsection (h-1), the use, in this State, of a motor vehicle that was sold in this State to a nonresident, even though the motor vehicle is delivered to the nonresident in this State, if the motor vehicle is not to be titled in this State, and if a drive-away permit is issued to the motor vehicle as provided in Section 3-603 of the Illinois Vehicle Code or if the nonresident purchaser has vehicle registration plates to transfer to the motor vehicle upon returning to his or her home state. The issuance of the drive-away permit or having the out-of-state registration plates to be transferred shall be prima facie evidence that the motor vehicle will not be titled in this State.

(h-1) The exemption under subsection (h) does not apply if the state in which the motor vehicle will be titled does not allow a reciprocal exemption for the use in that state of a motor vehicle sold and delivered in that state to an Illinois resident but titled in Illinois. The tax collected under this Act on the sale of a motor vehicle in this State to a resident of another state that does not allow a reciprocal exemption shall be imposed at a rate equal to the state's rate of tax on taxable property in the state in which the purchaser is a resident, except that the tax shall not exceed the tax that would otherwise be imposed under this Act. At the time of the sale, the purchaser shall execute a statement, signed under penalty of perjury, of his or her intent to title the vehicle in the state in which the purchaser is a resident within 30 days after the sale and of the fact of the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this subsection shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles the vehicle in his or her state of residence within 30 days after the date of sale. The tax collected under this Act in accordance with this subsection (h-1) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(h-2) The following exemptions apply with respect to certain aircraft:

(1) Beginning on July 1, 2007, no tax is imposed under this Act on the purchase of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, if all of the following conditions are met:

(A) the aircraft leaves this State within 15 days after the later of either the issuance of the final billing for the purchase of the aircraft or the authorized approval for return to service, completion of the maintenance record entry, and completion of the test flight and ground test for inspection, as required by 14 C.F.R. 91.407;

(B) the aircraft is not based or registered in this State after the purchase of the aircraft; and

(C) the purchaser provides the Department with a signed and dated certification, on a form prescribed by the Department, certifying that the requirements of this item (1) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of the primary physical location of the aircraft, and other information that the Department may reasonably require.

(2) Beginning on July 1, 2007, no tax is imposed under this Act on the use of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, that is temporarily located in this State for the purpose of a prepurchase evaluation if all of the following conditions are met:

(A) the aircraft is not based or registered in this State after the prepurchase evaluation; and

(B) the purchaser provides the Department with a signed and dated certification, on a form prescribed by the Department, certifying that the requirements of this item (2) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of the primary physical location of the aircraft, and other information that the Department may reasonably require.

(3) Beginning on July 1, 2007, no tax is imposed under this Act on the use of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, that is temporarily located in this State for the purpose of a post-sale customization if all of the following conditions are met:

(A) the aircraft leaves this State within 15 days after the authorized approval for return to service, completion of the maintenance record entry, and completion of the test flight and ground test for inspection, as required by 14 C.F.R. 91.407;

(B) the aircraft is not based or registered in this State either before or after the post-sale customization; and

(C) the purchaser provides the Department with a signed and dated certification, on a form prescribed by the Department, certifying that the requirements of this item (3) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of the primary physical location of the aircraft, and other information that the Department may reasonably require.

If tax becomes due under this subsection (h-2) because of the purchaser's use of the aircraft in this State, the purchaser shall file a return with the Department and pay the tax on the fair market value of the aircraft. This return and payment of the tax must be made no later than 30 days after the aircraft is used in a taxable manner in this State. The tax is based on the fair market value of the aircraft on the date that it is first used in a taxable manner in this State.

For purposes of this subsection (h-2):

"Based in this State" means hangared, stored, or otherwise used, excluding post-sale customizations as defined in this Section, for 10 or more days in each 12-month period immediately following the date of the sale of the aircraft.

(j) Beginning on January 1, 2002 and through June 30, 2016, the use of tangible personal property purchased from an Illinois retailer by a taxpayer engaged in centralized purchasing activities in Illinois who will, upon receipt of the property in Illinois, temporarily store the property in Illinois (i) for the purpose of subsequently transporting it outside this State for use or consumption thereafter solely outside this State or (ii) for the purpose of being processed, fabricated, or manufactured into, attached to, or incorporated into other tangible personal property to be transported outside this State and thereafter used or consumed solely outside this State. The Director of Revenue shall, pursuant to rules adopted in accordance with the Illinois Administrative Procedure Act, issue a permit to any taxpayer in good standing with the Department who is eligible for the exemption under this subsection (j). The permit issued under this subsection (j) shall authorize the holder, to the extent and in the manner specified in the rules adopted under this Act, to purchase tangible personal property from a retailer exempt from the taxes imposed by this Act. Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with

each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. The return shall include the gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month, quarter, or year, as appropriate, and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700. The return shall also include the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1,

1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax

collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 3-6, is imposed at the rate of 1.25%, then the Department shall pay 100% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the State and Local Sales Tax Reform Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed \$2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case

may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. On and after January 1, 2025, the lease of tangible personal property to a lessee by a serviceman who is subject to tax on lease receipts under this amendatory Act of the 103rd General Assembly does not qualify as demonstration use or interim use of that property. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale, including, on and after January 1, 2025, a lease, valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further, for purposes of exemption (5), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The purchaser of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption stating facts establishing the exemption, which certificate shall be available to the Department for inspection or audit. The Department shall prescribe the form of the certificate.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (5) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (3) of this Section shall make tax-free purchases unless it has an active exemption identification number issued by the Department.

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred, including, on and after January 1, 2025, transferred by lease, as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the selling price of property transferred as an incident to the sale of service after July 1, 2017 and before January 1, 2024, (iv) 90% of the selling price of property transferred as an incident to the sale of service on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the selling price of property transferred as an incident to the sale of service after December 31, 2028. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to mid-range ethanol blends, as defined in Section 3-44.3 of the Use Tax Act, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the selling price of property transferred as an incident to the sale of service after December 31, 2028. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the selling price of mid-range ethanol blends transferred as an incident to the sale of service during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of the selling price after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred as an incident to the sale of those services.

Until July 1, 2022 and beginning again on July 1, 2023, the tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Until July 1, 2022 and beginning again on July 1, 2023, the tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

Beginning on July 1, 2022 and until July 1, 2023, the tax shall be imposed at the rate of 0% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Beginning on July 1, 2022 and until July 1, 2023, the tax shall also be imposed at the rate of 0% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

The tax shall also be imposed at the rate of 1% on prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water,

infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" does not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

If the property that is acquired from a serviceman is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use. No depreciation is allowed in cases where the tax under this Act is imposed on lease receipts.

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. When determining the discount allowed under this Section, servicemen shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A

serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly: (i) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the items listed in the previous sentence but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments

required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund

pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Section 75-15. The Service Occupation Tax Act is amended by changing Sections 2, 3, 3-5, and 3-10 and by adding Section 1.05 as follows:

(35 ILCS 115/1.05 new)

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to persons engaged in the business of making sales of service (referred to as "servicemen") on all tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, transferred by lease, as an incident of a sale of service, for leases in effect, entered into, or renewed on or after January 1, 2025.

(35 ILCS 115/2) (from Ch. 120, par. 439.102)

Sec. 2. In this Act:

"Transfer" means any transfer of the title to property or of the ownership of property whether or not the transferor retains title as security for the payment of amounts due him from the transferee. On and after January 1, 2025, "transfer" also means any transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property.

"Lease" means a transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession or control from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act with respect to tangible personal property, includes a lease.

"Cost Price" means the consideration paid by the serviceman for a purchase, including, on and after January 1, 2025, a lease, valued in money, whether paid in money or otherwise, including cash, credits and services, and shall be determined without any deduction on account of the supplier's cost of the property sold or on account of any other expense incurred by the supplier. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Sale of Service" means any transaction except:

(a) A retail sale of tangible personal property taxable under the Retailers' Occupation Tax Act or under the Use Tax Act.

(b) A sale of tangible personal property for the purpose of resale made in compliance with Section 2c of the Retailers' Occupation Tax Act.

(c) Except as hereinafter provided, a sale or transfer of tangible personal property as an incident to the rendering of service for or by any governmental body or for or by any corporation, society, association, foundation or institution organized and operated exclusively for charitable, religious or educational purposes or any not-for-profit corporation, society, association, foundation, institution or organization which has no compensated officers or employees and which is organized and operated primarily for the recreation of persons 55 years of age or older. A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(d) (Blank).

(d-1) A sale or transfer of tangible personal property as an incident to the rendering of service for owners or lessors, lessees, or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d-1.1) On and after July 1, 2003 and through June 30, 2004, a sale or transfer of a motor vehicle of the second division with a gross vehicle weight in excess of 8,000 pounds as an incident to the rendering of service if that motor vehicle is subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Beginning on July 1, 2004 and through June 30, 2005, the use in this State of motor vehicles of the second division: (i) with a gross vehicle weight rating in excess of 8,000 pounds; (ii) that are subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code; and (iii) that are primarily used for commercial purposes. Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(d-2) The repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the person who repaired, reconditioned or remodeled the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(d-3) A sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(d-4) Until January 1, 1997, a sale, by a registered serviceman paying tax under this Act to the Department, of special order printed materials delivered outside Illinois and which are not returned to this State, if delivery is made by the seller or agent of the seller, including an agent who causes the product to be delivered outside Illinois by a common carrier or the U.S. postal service.

(e) A sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new manufacturing facility, of tangible personal property for wholesale or retail sale or lease, whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Occupation Tax or Service Use Tax, rather than Retailers' Occupation Tax or Use Tax. The exemption provided by this paragraph (e) includes production related tangible personal property, as defined in Section 3-50 of the Use Tax Act, purchased on or after July 1, 2019. The exemption provided by this paragraph (e) does not include machinery and equipment used in

(i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. The exemption under this subsection (e) is exempt from the provisions of Section 3-75.

(f) Until July 1, 2003, the sale or transfer of distillation machinery and equipment, sold as a unit or kit and assembled or installed by the retailer, which machinery and equipment is certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of such user and not subject to sale or resale.

(g) At the election of any serviceman not required to be otherwise registered as a retailer under Section 2a of the Retailers' Occupation Tax Act, made for each fiscal year sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35% (75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production) of the aggregate annual total gross receipts from all sales of service. The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

Exemption (e) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. On and after July 1, 2017, exemption (e) also includes graphic arts machinery and equipment, as defined in paragraph (5) of Section 3-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. For the purposes of exemption (e), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further for purposes of exemption (e), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The purchaser of such

machinery and equipment and tools without an active resale registration number shall furnish to the seller a certificate of exemption stating facts establishing the exemption, which certificate shall be available to the Department for inspection or audit.

Except as provided in Section 2d of this Act, the rolling stock exemption applies to rolling stock used by an interstate carrier for hire, even just between points in Illinois, if such rolling stock transports, for hire, persons whose journeys or property whose shipments originate or terminate outside Illinois.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (e) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (c) of this Section shall make tax-free purchases unless it has an active exemption identification number issued by the Department.

"Serviceman" means any person who is engaged in the occupation of making sales of service.

"Sale at Retail" means "sale at retail" as defined in the Retailers' Occupation Tax Act, which, on and after January 1, 2025, is defined to include leases.

"Supplier" means any person who makes sales of tangible personal property to servicemen for the purpose of resale as an incident to a sale of service.

A tax is imposed upon all persons engaged in the business of making sales of service (referred to as "servicemen") on all tangible personal property transferred, including, on and after January 1, 2025, transferred by lease, as an incident of a sale of service, including computer software, and including photographs, negatives, and positives that are the product of photoprocessing, but not including products of photoprocessing produced for use in motion pictures for public commercial exhibition. Beginning January 1, 2001, prepaid telephone calling arrangements shall be considered tangible personal property subject to the tax imposed under this Act regardless of the form in which those arrangements may be embodied, transmitted, or fixed by any method now known or hereafter developed. Sales of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

In the case of leases, except as otherwise provided in this Act, the serviceman who is a lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

For the purpose of computing this tax, in no event shall the "selling price" be less than the cost price to the serviceman of the tangible personal property transferred. The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

"Sale at retail" means any transfer of the ownership of, the or title to, the possession or control of, the right to possess or control, or a license to use tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced byproduct of manufacturing. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price shall be deemed to be sales.

"Sale at retail" shall be construed to include any transfer of the ownership of, the or title to, the possession or control of, the right to possess or control, or a license to use tangible personal property to a purchaser, for use or consumption by any other person to whom such purchaser may transfer the tangible personal property without a valuable consideration, and to include any transfer, whether made for or without a valuable consideration, for resale in any form as tangible personal property unless made in compliance with Section 2c of this Act.

Sales of tangible personal property, which property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, goes into and forms a part of tangible personal property subsequently the subject of a "Sale at retail", are not sales at retail as defined in this Act: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing.

"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or

beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. The provisions of this paragraph shall not apply to nor subject to taxation occasional dinners, socials or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not engaged in the business of selling tangible personal property at retail with respect to such transactions.

"Lease" means a transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession or control from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act, includes a lease.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of, the ~~or~~ title to, the possession or control of, the right to possess or control, or a license to use tangible personal property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the business of selling or delivering or transferring title of motor fuel to another person other than for use or consumption. No person shall act as a reseller of motor fuel within this State without first being registered as a reseller pursuant to Section 2c or a retailer pursuant to Section 2a.

"Selling price" or the "amount of sale" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property, other than as hereinafter provided, and services, but, prior to January 1, 2020 and beginning again on January 1, 2022, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020 and until January 1, 2022, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds \$10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include charges that are added to prices by sellers on account of the seller's tax liability under this Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by the Use Tax Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the sellers' duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

The provisions of this paragraph, which provides only for an alternative meaning of "selling price" with respect to the sale of certain motor vehicles incident to the contemporaneous lease of those motor vehicles, continue in effect and are not changed by the tax on leases implemented by this amendatory Act of the 103rd General Assembly. Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by the Use Tax Act or to pay the tax imposed by this Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Gross receipts" from the sales of tangible personal property at retail means the total selling price or the amount of such sales, as hereinbefore defined. In the case of charge and time sales, the amount thereof shall be included only as and when payments are received by the seller. In the case of leases, except as otherwise provided in this Act, the amount thereof shall be included only as and when gross receipts are received by the lessor. Receipts or other consideration derived by a seller from the sale, transfer or

assignment of accounts receivable to a wholly owned subsidiary will not be deemed payments prior to the time the purchaser makes payment on such accounts.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail, or a sale through a bulk vending machine, does not constitute engaging in a business of selling such tangible personal property at retail within the meaning of this Act; provided that any person who is engaged in a business which is not subject to the tax imposed by this Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate or a construction contract to engineer, install, and maintain an integrated system of products, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate or was not engineered and installed, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is engaged in the business of selling tangible personal property at retail to the extent of the value of the tangible personal property so transferred. If, in such a transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purpose of this Act, shall be the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property. Construction contracts for the improvement of real estate consisting of engineering, installation, and maintenance of voice, data, video, security, and all telecommunication systems do not constitute engaging in a business of selling tangible personal property at retail within the meaning of this Act if they are sold at one specified contract price.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a person engaged in the business of selling tangible personal property at retail hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are engaged in the business of selling such property at retail and shall be liable for and shall pay the tax imposed by this Act on the basis of the retail value of the property transferred upon redemption of such stamps.

"Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a denomination not larger than \$0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

"Remote retailer" means a retailer that does not maintain within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent is located here permanently or temporarily or whether such retailer or subsidiary is licensed to do business in this State.

"Marketplace" means a physical or electronic place, forum, platform, application, or other method by which a marketplace seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third party marketplace seller by:

(1) listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Act; and

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller

regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

A person who provides advertising services, including listing products for sale, is not considered a marketplace facilitator, so long as the advertising service platform or forum does not engage, directly or indirectly through one or more affiliated persons, in the activities described in paragraph (2) of this definition of "marketplace facilitator".

"Marketplace facilitator" does not include any person licensed under the Auction License Act. This exemption does not apply to any person who is an Internet auction listing service, as defined by the Auction License Act.

"Marketplace seller" means a person that makes sales through a marketplace operated by an unrelated third party marketplace facilitator.

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to persons engaged in the business of leasing at retail tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, leased at retail from a retailer, for leases in effect, entered into, or renewed on or after January 1, 2025.

(35 ILCS 120/2) (from Ch. 120, par. 441)

Sec. 2. Tax imposed.

(a) A tax is imposed upon persons engaged in the business of selling at retail, which, on and after January 1, 2025, includes leasing, tangible personal property, including computer software, and including photographs, negatives, and positives that are the product of photoprocessing, but not including products of photoprocessing produced for use in motion pictures for public commercial exhibition. Beginning January 1, 2001, prepaid telephone calling arrangements shall be considered tangible personal property subject to the tax imposed under this Act regardless of the form in which those arrangements may be embodied, transmitted, or fixed by any method now known or hereafter developed.

The imposition of the tax under this Act on persons engaged in the business of leasing tangible personal property applies to leases in effect, entered into, or renewed on or after January 1, 2025. In the case of leases, except as otherwise provided in this Act, the lessor must remit, for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

The inclusion of leases in the tax imposed under this Act by this amendatory Act of the 103rd General Assembly does not, however, extend to motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State. The taxation of these items shall continue in effect as prior to the effective date of the changes made to this Section by this amendatory Act of the 103rd General Assembly (i.e., dealers owe retailers' occupation tax, lessors owe use tax, and lessees are not subject to retailers' occupation or use tax).

Sales of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

(b) Beginning on January 1, 2021, a remote retailer is engaged in the occupation of selling at retail in Illinois for purposes of this Act, if:

(1) the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois are \$100,000 or more; or

(2) the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

Remote retailers that meet or exceed the threshold in either paragraph (1) or (2) above shall be liable for all applicable State retailers' and locally imposed retailers' occupation taxes administered by the Department on all retail sales to Illinois purchasers.

The remote retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection for the preceding 12-month period. If the retailer meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is

required to collect and remit the tax imposed under this Act and all retailers' occupation tax imposed by local taxing jurisdictions in Illinois, provided such local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the retailer shall determine whether the retailer met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the retailer met the criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If, at the end of a one-year period, a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, then the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

(b-5) For the purposes of this Section, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a remote retailer makes through a marketplace facilitator shall be included for the purposes of determining whether he or she has met the thresholds of subsection (b) of this Section so long as the remote retailer has received certification from the marketplace facilitator that the marketplace facilitator is legally responsible for payment of tax on such sales.

(b-10) A remote retailer required to collect taxes imposed under the Use Tax Act on retail sales made to Illinois purchasers shall be liable to the Department for such taxes, except when the remote retailer is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by this Act in accordance with this Section upon his or her gross receipts from such sales.

(c) Marketplace facilitators engaged in the business of selling at retail tangible personal property in Illinois. Beginning January 1, 2021, a marketplace facilitator is engaged in the occupation of selling at retail tangible personal property in Illinois for purposes of this Act if, during the previous 12-month period:

(1) the cumulative gross receipts from sales of tangible personal property on its own behalf or on behalf of marketplace sellers to purchasers in Illinois equals \$100,000 or more; or

(2) the marketplace facilitator enters into 200 or more separate transactions on its own behalf or on behalf of marketplace sellers for the sale of tangible personal property to purchasers in Illinois, regardless of whether the marketplace facilitator or marketplace sellers for whom such sales are facilitated are registered as retailers in this State.

A marketplace facilitator who meets either paragraph (1) or (2) of this subsection is required to remit the applicable State retailers' occupation taxes under this Act and local retailers' occupation taxes administered by the Department on all taxable sales of tangible personal property made by the marketplace facilitator or facilitated for marketplace sellers to customers in this State. A marketplace facilitator selling or facilitating the sale of tangible personal property to customers in this State is subject to all applicable procedures and requirements of this Act.

The marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection for the preceding 12-month period. If the marketplace facilitator meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to remit the tax imposed under this Act and all retailers' occupation tax imposed by local taxing jurisdictions in Illinois, provided such local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the marketplace facilitator shall determine whether it met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the marketplace facilitator met the criteria in either paragraph (1) or (2) for the preceding 12-month period, it is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If at the end of a one-year period a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

A marketplace facilitator shall be entitled to any credits, deductions, or adjustments to the sales price otherwise provided to the marketplace seller, in addition to any such adjustments provided directly to the marketplace facilitator. This Section pertains to, but is not limited to, adjustments such as discounts,

coupons, and rebates. In addition, a marketplace facilitator shall be entitled to the retailers' discount provided in Section 3 of the Retailers' Occupation Tax Act on all marketplace sales, and the marketplace seller shall not include sales made through a marketplace facilitator when computing any retailers' discount on remaining sales. Marketplace facilitators shall report and remit the applicable State and local retailers' occupation taxes on sales facilitated for marketplace sellers separately from any sales or use tax collected on taxable retail sales made directly by the marketplace facilitator or its affiliates.

The marketplace facilitator is liable for the remittance of all applicable State retailers' occupation taxes under this Act and local retailers' occupation taxes administered by the Department on sales through the marketplace and is subject to audit on all such sales. The Department shall not audit marketplace sellers for their marketplace sales where a marketplace facilitator remitted the applicable State and local retailers' occupation taxes unless the marketplace facilitator seeks relief as a result of incorrect information provided to the marketplace facilitator by a marketplace seller as set forth in this Section. The marketplace facilitator shall not be held liable for tax on any sales made by a marketplace seller that take place outside of the marketplace and which are not a part of any agreement between a marketplace facilitator and a marketplace seller. In addition, marketplace facilitators shall not be held liable to State and local governments of Illinois for having charged and remitted an incorrect amount of State and local retailers' occupation tax if, at the time of the sale, the tax is computed based on erroneous data provided by the State in database files on tax rates, boundaries, or taxing jurisdictions or incorrect information provided to the marketplace facilitator by the marketplace seller.

(d) A marketplace facilitator shall:

(1) certify to each marketplace seller that the marketplace facilitator assumes the rights and duties of a retailer under this Act with respect to sales made by the marketplace seller through the marketplace; and

(2) remit taxes imposed by this Act as required by this Act for sales made through the marketplace.

(e) A marketplace seller shall retain books and records for all sales made through a marketplace in accordance with the requirements of this Act.

(f) A marketplace facilitator is subject to audit on all marketplace sales for which it is considered to be the retailer, but shall not be liable for tax or subject to audit on sales made by marketplace sellers outside of the marketplace.

(g) A marketplace facilitator required to collect taxes imposed under the Use Tax Act on marketplace sales made to Illinois purchasers shall be liable to the Department for such taxes, except when the marketplace facilitator is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by this Act in accordance with this Section upon his or her gross receipts from such sales.

(h) Nothing in this Section shall allow the Department to collect retailers' occupation taxes from both the marketplace facilitator and marketplace seller on the same transaction.

(i) If, for any reason, the Department is prohibited from enforcing the marketplace facilitator's duty under this Act to remit taxes pursuant to this Section, the duty to remit such taxes remains with the marketplace seller.

(j) Nothing in this Section affects the obligation of any consumer to remit use tax for any taxable transaction for which a certified service provider acting on behalf of a remote retailer or a marketplace facilitator does not collect and remit the appropriate tax.

(k) Nothing in this Section shall allow the Department to collect the retailers' occupation tax from both the marketplace facilitator and the marketplace seller.

(35 ILCS 120/2-5)

Sec. 2-5. Exemptions. Gross receipts from proceeds from the sale, which, on and after January 1, 2025, includes the lease, of the following tangible personal property are exempt from the tax imposed by this Act:

(1) Farm chemicals.

(2) Farm machinery and equipment, both new and used, including that manufactured on special order, certified by the purchaser to be used primarily for production agriculture or State or federal agricultural programs, including individual replacement parts for the machinery and equipment, including machinery and equipment purchased for lease, and including implements of husbandry defined in Section 1-130 of the Illinois Vehicle Code, farm machinery and agricultural chemical and fertilizer spreaders, and nurse wagons required to be registered under Section 3-809 of the Illinois

Precision farming equipment includes, but is not limited to, soil testing sensors, computers, monitors, software, global positioning and mapping systems, and other such equipment.

Farm machinery and equipment also includes computers, sensors, software, and related equipment used primarily in the computer-assisted operation of production agriculture facilities, equipment, and activities such as, but not limited to, the collection, monitoring, and correlation of animal and crop data for the purpose of formulating animal diets and agricultural chemicals.

This item (2) is exempt from the provisions of Section 2-70.

(3) Until July 1, 2003, distillation machinery and equipment, sold as a unit or kit, assembled or installed by the retailer, certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of the user, and not subject to sale or resale.

Beginning on July 1, 2017, graphic arts machinery and equipment is included in the manufacturing and assembling machinery and equipment exemption under paragraph (14).

(5) A motor vehicle that is used for automobile renting, as defined in the Automobile Renting Occupation and Use Tax Act. This paragraph is exempt from the provisions of Section 2-70.

(9) Personal property sold to a not-for-profit arts or cultural organization that establishes, by proof required by the Department by rule, that it has received an exemption under Section 501(c)(3) of the Internal Revenue Code and that is organized and operated primarily for the presentation or support of arts or cultural programming, activities, or services. These organizations include, but are not limited to, music and dramatic arts organizations such as symphony orchestras and theatrical groups, arts and cultural service organizations, local arts councils, visual arts organizations, and media arts organizations. On and after July 1, 2001 (the effective date of Public Act 92-35), however, an entity otherwise eligible for this exemption shall not make tax-free purchases unless it has an active identification number issued by the Department.

(10) Personal property sold by a corporation, society, association, foundation, institution, or organization, other than a limited liability company, that is organized and operated as a not-for-profit service enterprise for the benefit of persons 65 years of age or older if the personal property was not purchased by the enterprise for the purpose of resale by the enterprise.

The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2000 is guilty of a petty offense for which the fine shall be \$500 per day per each retail premises where a violation occurs.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the proceeds of sales made after July 1, 2017 and prior to January 1, 2024, (iv) 90% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to mid-range ethanol blends, as defined in Section 3-44.3 of the Use Tax Act, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of mid-range ethanol blends made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023. Until July 1, 2022 and beginning again on July 1, 2023, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 1%. Beginning July 1, 2022 and until July 1, 2023, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 0%.

With respect to prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" does not include

beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

Sec. 2-12. Location where retailer is deemed to be engaged in the business of selling. The purpose of this Section is to specify where a retailer is deemed to be engaged in the business of selling tangible personal property for the purposes of this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, and for the purpose of collecting any other local retailers' occupation tax administered by the Department. This Section applies only with respect to the particular selling activities described in the following paragraphs. The provisions of this Section are not intended to, and shall not be interpreted to, affect where a retailer is deemed to be engaged in the business of selling with respect to any activity that is not specifically described in the following paragraphs.

(1) If a purchaser who is present at the retailer's place of business, having no prior commitment to the retailer, agrees to purchase and makes payment for tangible personal property at the retailer's place of business, then the transaction shall be deemed an over-the-counter sale occurring at the retailer's same place of business where the purchaser was present and made payment for that tangible personal property if the retailer regularly stocks the purchased tangible personal property or similar tangible personal property in the quantity, or similar quantity, for sale at the retailer's same place of business and then either (i) the purchaser takes possession of the tangible personal property at the same place of business or (ii) the retailer delivers or arranges for the tangible personal property to be delivered to the purchaser.

(2) If a purchaser, having no prior commitment to the retailer, agrees to purchase tangible personal property and makes payment over the phone, in writing, or via the Internet and takes possession of the tangible personal property at the retailer's place of business, then the sale shall be deemed to have occurred at the retailer's place of business where the purchaser takes possession of the

property if the retailer regularly stocks the item or similar items in the quantity, or similar quantities, purchased by the purchaser.

(3) A retailer is deemed to be engaged in the business of selling food, beverages, or other tangible personal property through a vending machine at the location where the vending machine is located at the time the sale is made if (i) the vending machine is a device operated by coin, currency, credit card, token, coupon or similar device; (2) the food, beverage or other tangible personal property is contained within the vending machine and dispensed from the vending machine; and (3) the purchaser takes possession of the purchased food, beverage or other tangible personal property immediately.

(4) Minerals. A producer of coal or other mineral mined in Illinois is deemed to be engaged in the business of selling at the place where the coal or other mineral mined in Illinois is extracted from the earth. With respect to minerals (i) the term "extracted from the earth" means the location at which the coal or other mineral is extracted from the mouth of the mine, and (ii) a "mineral" includes not only coal, but also oil, sand, stone taken from a quarry, gravel and any other thing commonly regarded as a mineral and extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(5) A retailer selling tangible personal property to a nominal lessee or bailee pursuant to a lease with a dollar or other nominal option to purchase is engaged in the business of selling at the location where the property is first delivered to the lessee or bailee for its intended use.

(5.5) Lease transactions. The lease of tangible personal property that is subject to the tax on leases under this amendatory Act of the 103rd General Assembly is sourced as follows:

(i) For a lease that requires recurring periodic payments and for which the property is delivered to the lessee by the lessor, each periodic payment is sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location is not altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(ii) For all other leases, including a lease that does not require recurring periodic payments and any lease for which the lessee takes possession of the property at the lessor's place of business, the payment is sourced as otherwise provided under this Act for sales at retail other than leases.

(6) Beginning on January 1, 2021, a remote retailer making retail sales of tangible personal property that meet or exceed the thresholds established in paragraph (1) or (2) of subsection (b) of Section 2 of this Act is engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser.

(7) Beginning January 1, 2021, a marketplace facilitator facilitating sales of tangible personal property that meet or exceed one of the thresholds established in paragraph (1) or (2) of subsection (c) of Section 2 of this Act is deemed to be engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser when the sale is made by a marketplace seller on the marketplace facilitator's marketplace.

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. Registration of retailers. It is unlawful for any person to engage in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a publicly traded corporation, the name and title of the Chief Financial Officer,

Chief Operating Officer, and any other officer or employee with responsibility for preparing tax returns under this Act, and, in the case of all other corporations, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department shall provide by rule for an expedited business registration process for remote retailers required to register and file under subsection (b) of Section 2 who use a certified service provider to file their returns under this Act. Such expedited registration process shall allow the Department to register a taxpayer based upon the same registration information required by the Streamlined Sales Tax Governing Board for states participating in the Streamlined Sales Tax Project.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer on the application for the certificate of registration of another retailer that (i) is in default for moneys due under this Act or any other tax or fee Act administered by the Department or (ii) fails to file any return, on or before the due date prescribed for filing that return (including any extensions of time granted by the Department), that the retailer is required to file under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 23 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or \$50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued prior to July 1, 2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed prior to July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. No certificate of registration issued on or after July 1, 2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed on or after July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of one year from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. Prior to July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. On and after July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional one year from the date of its expiration unless otherwise notified by the Department as provided by this paragraph.

Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 60 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before January 1, 1990 (the effective date of Public Act 86-383) shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after January 1, 1990 (the effective date of Public Act 86-383). A certificate of registration issued less than 5 years before January 1, 1990 (the effective date of Public Act 86-383) shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him

with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department, to request an additional sub-certificate or additional sub-certificates of registration, as applicable. With each such request, the applicant shall report the number of sub-certificates of registration he or she is requesting as well as the total number of vending machines from which he or she makes retail sales.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the Retailers' Occupation Tax Act as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

(35 ILCS 120/2c) (from Ch. 120, par. 441c)

Sec. 2c. Resales of tangible personal property. If the purchaser is not registered with the Department as a taxpayer, but claims to be a reseller of the tangible personal property in such a way that such resales are not taxable under this Act or under some other tax law which the Department may administer, such purchaser (except in the case of an out-of-State purchaser who will always resell and deliver the property to his customers outside Illinois) shall apply to the Department for a resale number. Such applicant shall state facts which will show the Department why such applicant is not liable for tax under this Act or under some other tax law which the Department may administer on any of his resales and shall furnish such additional information as the Department may reasonably require.

Upon approval of the application, the Department shall assign a resale number to the applicant and shall certify such number to him. The Department may cancel any such number which is obtained through misrepresentation, or which is used to make a purchase tax-free when the purchase in fact is not a purchase for resale, or which no longer applies because of the purchaser's having discontinued the making of tax exempt resales of the property.

The Department may restrict the use of the number to one year at a time or to some other definite period if the Department finds it impracticable or otherwise inadvisable to issue such numbers for indefinite periods.

Except as provided hereinabove in this Section, a sale shall be made tax-free on the ground of being a sale for resale if the purchaser has an active registration number or resale number from the Department and furnishes that number to the seller in connection with certifying to the seller that any sale to such purchaser is nontaxable because of being a sale for resale. On and after January 1, 2025, a sale to a lessor of tangible personal property who is subject to the tax on leases implemented by this amendatory Act of the 103rd General Assembly, for the purpose of leasing that property, shall be made tax-free on the ground of being a sale for resale, provided the other provisions of this paragraph are met.

Failure to present an active registration number or resale number and a certification to the seller that a sale is for resale creates a presumption that a sale is not for resale. This presumption may be rebutted by other evidence that all of the seller's sales are sale for resale, or that a particular sale is a sale for resale. (Source: P.A. 83-1463.)

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first ~~two~~ 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or

distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to another aircraft, watercraft, motor vehicle retailer, or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles, or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not

due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. On and after January 1, 2021, a certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C.

47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax

liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If

any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 20% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal ~~Federal~~ income tax return. If the total receipts of the business as reported in the ~~federal~~ ~~Federal~~ income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly, or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of

Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 75-25. The Innovation Development and Economy Act is amended by changing Section 31 as follows:

(50 ILCS 470/31)

Sec. 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 62-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this

subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same

manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR Bond Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR Bond Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR Bond Retailers' Occupation Tax Fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary

change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 75-30. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1007, and 5-1008.5 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax

Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the

Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in this Section), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway

Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

(4) The proposition for mental health purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

(5) The proposition for substance abuse purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county

board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6Z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under

the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act, and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the

STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon

the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(g-5) Every county authorized to levy a tax under this Section shall, before it levies such tax, establish a 7-member mental health board, which shall have the same powers and duties and be constituted in the same manner as a community mental health board established under the Community Mental Health Act. Proceeds of the tax under this Section that are earmarked for mental health or substance abuse purposes shall be deposited into a special county occupation tax fund for mental health and substance abuse. The 7-member mental health board established under this subsection shall administer the special county occupation tax fund for mental health and substance abuse in the same manner as the community mental health board administers the community mental health fund under the Community Mental Health Act.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124), with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities.

Sec. 5-1006.7. School facility and resources occupation taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for (i) school facility purposes (except as otherwise provided in this Section), (ii) school resource officers and mental health professionals, or (iii) school facility purposes, school resource officers, and mental health professionals if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account

of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service.

This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. The Department has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the county), 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), the election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For all regular elections held on or after August 23, 2019 (the effective date of Public Act 101-455), the election authority must submit the question as follows:

(1) If the referendum is to expand the use of revenues from a currently imposed tax exclusively for school facility purposes to include school resource officers and mental health professionals, the question shall be in substantially the following form:

In addition to school facility purposes, shall (name of county) school districts be authorized to use revenues from the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at a rate of (insert rate) for school resource officers and mental health professionals?

(2) If the referendum is to increase the rate of a tax currently imposed exclusively for school facility purposes at less than 1% and dedicate the additional revenues for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at the rate of (insert rate) be increased to a rate of (insert rate) with the additional revenues used exclusively for school resource officers and mental health professionals?

(3) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

(4) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school resource officers and mental health professionals?

(5) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, school resource officers, and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes, school resource officers, and mental health professionals?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For the purposes of this subsection (c), "enrollment" means the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.

(d) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), of which 50% shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, and 50% shall be distributed to the regional superintendent of schools to cover the costs in administering and enforcing the provisions of this Section; (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(e) For the purposes of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This subsection does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(f) Nothing in this Section may be construed to authorize a tax to be imposed upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-10). If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board

shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(h-10) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility and resources retailers' occupation tax and service occupation tax (commonly referred to as the school facility and resources sales tax) currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(i) This Section does not apply to Cook County.

(55 ILCS 5/5-1007) (from Ch. 34, par. 5-1007)

Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and

except that the returned merchandise credit for this county tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the

year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

This Section shall be known and may be cited as the Home Rule County Service Occupation Tax Law. (Source: P.A. 101-10, eff. 6-5-19; 101-81, eff. 7-12-19; 101-604, eff. 12-13-19; 102-700, eff. 4-19-22.)

Sec. 5-1008.5. Use and occupation taxes.

(a) The Rock Island County Board may adopt a resolution that authorizes a referendum on the question of whether the county shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at a rate of 1/4 of 1% on behalf of the economic development activities of Rock Island County and communities located within the county. The county board shall certify the question to the proper election authorities who shall submit the question to the voters of the county at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

Shall Rock Island County be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of 1/4 of 1% for the sole purpose of economic development activities, including creation and retention of job opportunities, support of affordable housing opportunities, and enhancement of quality of life improvements?

Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the county is authorized to impose the tax.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section;

and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 62-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due under this Section; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax,

and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county, any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due under this Section; to dispose of taxes, penalties, and interest so collected in the manner provided in this Section; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Section. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) Except as otherwise provided in paragraph (g-2), the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the economic development activities of the county and communities located within the county.

(g-2) Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

(h) When certifying the amount of a monthly disbursement to the county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(i) This Section may be cited as the Rock Island County Use and Occupation Tax Law.

Section 75-35. The Illinois Municipal Code is amended by changing Sections 8-11-1, 8-11-1.3, 8-11-1.4, 8-11-1.6, 8-11-1.7, and 11-74.3-6 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda

arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given

to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135; and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the gross receipts from such sales made in the course of such business. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057), the corporate authorities of a non-home rule municipality may, until July 1, 2030, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as

the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" mean a city, village, or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the Non-Home Rule Municipal Retailers' Occupation Tax Act.

(65 ILCS 5/8-11-1.4) (from Ch. 24, par. 8-11-1.4)

Sec. 8-11-1.4. Non-Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057), the corporate authorities of a non-home rule municipality may, until December 31, 2030, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.3 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the municipal retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, the General Revenue Fund, and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

As used in this Section, "municipal" or "municipality" means or refers to a city, village or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the "Non-Home Rule Municipal Service Occupation Tax Act".

Sec. 8-11-1.6. Non-home rule municipal retailers' occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of \$5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all

persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. If imposed, the tax shall only be imposed in .25% increments of the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund, which is hereby created or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay

moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

As used in this Section, "municipal" and "municipality" means a city, village, or incorporated town, including an incorporated town that has superseded a civil township.

Sec. 8-11-1.7. Non-home rule municipal service occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 as determined by the last preceding decennial census that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of \$5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the municipality in the business of making sales of service. If imposed, the tax shall only be imposed in .25% increments of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax

revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in a manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12, (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Sections 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.6 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Person subject to any tax imposed under the authority granted in this Section may reimburse themselves for their servicemen's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, under such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the

STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities, the Tax Compliance and Administration Fund, and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related

purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset

any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district and each address in the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes"

has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel

sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set

forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those obligations, or both, until the proposition has been submitted to and approved by a majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last maturity of the refunding obligations shall not be expressed to mature later than the dissolution date.

In the event a municipality issues obligations under home rule powers or other legislative authority, the proceeds of which are pledged to pay or reimburse business district project costs, the municipality may, if it has followed the procedures in conformance with this Law, retire those obligations from funds in the

business district tax allocation fund in amounts and in such manner as if those obligations had been issued pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as indebtedness of the municipality issuing those obligations or any other taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and retirement of all obligations paying or reimbursing business district project costs, but in no event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Section 75-40. The Civic Center Code is amended by changing Section 245-12 as follows:
(70 ILCS 200/245-12)

Sec. 245-12. Use and occupation taxes.

(a) The Authority may adopt a resolution that authorizes a referendum on the question of whether the Authority shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax in one-quarter percent increments at a rate not to exceed 1%. The Authority shall certify the question to the proper election authorities who shall submit the question to the voters of the metropolitan area at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

"Shall the Salem Civic Center Authority be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of (rate) for the sole purpose of obtaining funds for the support, construction, maintenance, or financing of a facility of the Authority?"

Votes shall be recorded as "yes" or "no".

If a majority of all votes cast on the proposition are in favor of the proposition, the Authority is authorized to impose the tax.

(b) The Authority shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan area, at the rate approved by referendum, on the gross receipts from the sales made in the course of such business within the metropolitan area. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions therein other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10,

11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the metropolitan area, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the metropolitan area as an incident to a sale of service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue.

Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the metropolitan area), 2a, 2b, 3 through 3-55 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to

collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the metropolitan area, any item of tangible personal property that is purchased outside the metropolitan area at retail from a retailer, and that is titled or registered at a location within the metropolitan area with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of April. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before the first day of April. After proper receipt of such certifications, the

Department shall proceed to administer and enforce this Section as of the first day of July next following such adoption and filing.
